Since February, the Transwick bus system has been offering transportation for our riders to pharmacies which allows you to pick up your prescriptions and other needed items.

This transportation will be provided on Tuesdays. We have made one change to this service, you may use it any week that works for your schedule. We have also added Banking trips on Wednesdays.

Please call ahead as seating is limited. The cost is still only two tokens for a round trip.

Reservations for pickup need to be made no later than the Thursday before your scheduled trip.

You may do this by calling the Transwick office at 738-1276.
