

The Warwick Public Library will present a Rhode Island Small Business Development Center Information Session on Monday, May 3 from 7:00 – 8:30pm.

Lelani Bonner, Director of Training & Marketing, will discuss the broad-based and high-quality, "no cost" personalized consulting and low-cost educational courses available to small businesses and entrepreneurs at the RI Small Business Development Center. The RISBDC is linked to many business development programs in our state, and you will benefit from knowing how to draw upon this wealth of resources! She will also tell you about a new service that will give you an in-depth review of your financial situation.

This program is free and open to the public. Registration is required. Please contact Niles J. Madsen at 401-739-5440 for more information or to register.
