A physical fitness test will be conducted by Cooper Institute certified instructors. The test is a job-task related physical fitness assessment that is age and gender adjusted. This test is the same as the one mandated for entrance into the Rhode Island Municipal Police Academy. All five phases of the test must be successfully completed to continue in the recruitment process.

A positive photo ID (driver's license) must be presented at the time of testing. A physician's note (within the last 90 days) allowing you to participate in the physical fitness test must be presented at the time of testing. You will also be required to sign a waiver of liability form on behalf of the City of Warwick and State of Rhode Island for your participation in this testing.

The written exam will be given on April 17, 2010 at the Bishop Hendricken High School. There is a \$15.00 non-refundable processing fee that must be paid by a personal check or money order made out to the City of Warwick at the time of testing. (Candidates claiming financial hardship may have this fee waived at the discretion of the Chief of Police. This will be determined on a case-by-case basis.)

The test will only be given to those candidates who successfully completed the agility test. A seventy percent (70%) score must be attained to pass and go on to the next phase. The test is a general knowledge type and is provided by an independent testing agency. Tests will be scored by THE TEST VENDOR. Candidates may review their results by filing a request, in writing, to the Professional Standards Division of the Warwick Police Department within five (5) days of notification of score. Passing test scores will be weighted as sixty percent (60%) of the final score in the application process.

Upon successfully completing the written test, you will be given a Comprehensive Employment Application. Along with the submission of this application, you will be required to submit personal documentation. (See Documents Needed for Comprehensive Employment Application.)

If the applicant is unsuccessful in either the written or physical agility test, he/she is encouraged to re-apply in 2012.

All comprehensive employment applications must be returned in person or mailed to the

Warwick Police Department Professional Standards Division no later than May 7, 2010 at 4:00pm. The Comprehensive Employment Application must be notarized (Notary available at police HQ's). All Required documentation must accompany this application.

Oral Board Interview(s) – Sworn officers of the Warwick Police Department will ask a series of questions that may be based upon hypothetical situations, or to clarify and expand upon information in the application, or other data about the candidate. The Oral Board will consider the candidate's performance before the board, how questions are answered, as well as the answers given. The questions are designed to elicit frank, truthful responses and not to test the candidate's knowledge of police practices, legal procedures, or technical processes which the candidate is not expected to know, but rather to assess the candidate's ability to understand, make decisions, reply truthfully, and other general characteristics which are acknowledged traits necessary for carrying out police responsibilities. They do measure a candidate's ability to respond in an intelligent, confident, courteous manner and to show a candidate's ability to communicate clearly and concisely. Consideration will also be given to the candidate for experience and/or education.

bullet

Candidates will be scored according to a weighted combination of the written test and oral board score. The written score is weighted at sixty percent (60%), and the oral score will be forty percent (40%). The score totals will be assigned to each candidate who has passed all of the requirements up to this point and they will be notified by mail of their ranking on the candidate eligibility list. A combined score of seventy percent (70%) must be met in order to be placed on the candidate eligibility list.

bullet

As police officer positions become available candidates will be notified according to their ranking on the candidate eligibility list. The candidate will be asked to fill out a supplemental application to update any information that may have changed since the initial application. Qualified candidates will then be presented with a "Conditional Offer of Employment", subject to their successful completion of a background check.

bullet

The Background Investigation will consist of a "Face-to-Face" integrity interview, extensive investigation of the candidate's history to include, but not limited to, education, training, health, employment history, family, neighbors, references, character, credit, military, personality traits, police contacts, and other areas as directed by the Officer in Charge of the Professional Standards Division.

bullet

Physical/Medical Examination – Examination is to certify the general health of the candidate and is conducted in accordance with the standards set by the Rhode Island Commission on Police Standards and Training by licensed physicians.

42-28.3-1
