

The following is a comprehensive list of every department within the City of Warwick. As time progresses, each department shall have its own web-based resource -- giving you, the concerned citizen, the ability to select any department to learn more about their responsibilities and importance to the city.

To navigate to any online municipal resource, simply click on the department name.

NOTE: For all calls to City Departments, please dial 738-2000, unless otherwise noted. At the prompt, enter the extension of the individual or department you wish.
