**5. Grid Iron Ale House & Grille (Liquor License Violation) – Friday, March 11, 2016**

“On 3-11-16 at approximately midnight Officer Waddington and Sergeant Kelly were clearing the alarm on Valvoline Instant Oil Change on Post Road. As Officer Waddington rounded the exterior of the building, he observed a male in the parking lot of the Grid Iron Ale House at 1599 Post Road walking to a vehicle in the parking lot with two glasses in his hand. It appeared that the male was carrying alcoholic beverages from the bar to a vehicle in which he was going to be the passenger.

Officer Waddington immediately walked across Post Road and up to the male party. He observed two sixteen ounce clear glasses containing what appeared to be mixed drinks. The male was placing them into the cup holders in the vehicle. At that time the officer asked the male how many drinks he had taken from the bar. The male turned around with a smile on his face and stated that he only had two. At that time he noticed that Officer Waddington was a uniformed police officer. He apologized for removing alcohol from the bar.

Officer Waddington told him to grab the glasses and walk them back into the Grid Iron Ale House. As the officer walked into the Grid Iron, he advised the manager on duty of the situation. The officer informed him that the male had taken the alcoholic beverages from the bar and was planning to drive off with them. The officer told the bar manager that he would be back in to speak with him. The officer then went back outside to speak to the male who was identified as Mark Tucker DOB 07-29-85. He was warned and sent on his way.

Officer Waddington went inside the bar again and spoke with Arthur Thetrie DOB 02-08-72. When the officer asked if there was anybody working the door, he said no. When the officer asked if people were supposed to have alcoholic beverages outside while they were smoking, he stated no. When the officer advised him that there were several more patrons outside with alcoholic beverages, he responded right away stating that they did not have enough staff to monitor the patio area.

Officer Waddington advised Thetrie that an incident report would be completed for the liquor law violation and would be forwarded to the Board of Public Safety, for the violation of 40-22, possession of alcoholic beverage outside of a liquor establishment. This violation was forwarded to Major Kelley. The officer placed a copy of in the Colonel’s mailbox.”

Due to the aforementioned facts, the management of Grid Iron Ale House and Grille is in violation of the following rules and regulations issued by the Board of Public Safety for the orderly operation of liquor establishments:
