

THE CITY OF WARWICK
STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS

RESOLUTION OF THE CITY COUNCIL

NO..... DATE.....

APPROVED.....MAYOR

RESOLUTION REQUESTING THAT TRAINING ON THE MUNIS SYSTEM BE PROVIDED TO CITY EMPLOYEES WHO USE THE MUNIS SYSTEM

Resolved that,

WHEREAS, the health, safety and welfare of the citizens of the City of Warwick are matters of paramount importance to the City Council; and

WHEREAS, Information technology enables municipalities to provide critical data to their citizens and lawmakers, handle procurements, communication, taxation accounts and other important management concerns; and

WHEREAS, the City of Warwick will continue to expand its use of Management Information Systems by incorporating various modules within the MUNIS integrated system; and

WHEREAS, necessary enhancements to existing financial management systems within MUNIS require upgraded technological skills by our municipal employees; and

WHEREAS, members of the City Council must rely on information within MUNIS to make informed decisions regarding bid packages, various legislation and the Annual Budget; and

WHEREAS, City employees as “end users” have to this point, relied on “training on the fly” while the MIS Division is limited to one team member who is responsible for providing MUNIS training.

NOW THEREFORE, BE IT RESOLVED, that the City Council hereby requests that all city employees responsible for inputting/exporting data and providing reports utilizing MUNIS be provided targeted MUNIS training by Tyler Technologies, Inc.

BE IT FURTHER RESOLVED, that said requested training be held “off site” from the employees’ work station so that our city workers have the benefit of instruction without interruption or distraction.
