THE INTERSECTION OF NAMQUID DRIVE AND SPRING GREEN ROAD**

Resolved that,

WHEREAS, the health, safety and welfare of the citizens of the City of Warwick are matters of paramount importance to the City Council; and

WHEREAS, it has come to the attention of the City Council that a dangerous situation exists at the intersection of Namquid Drive and Spring Green Road; and

WHEREAS, the rotary at that intersection currently has four way yield signs; and

WHEREAS, a traffic survey was conducted by the Police Department which recommended that all the previous stop signs at the intersection be removed and replaced with yield signs to control the traffic entering the rotary from Namquid Drive and Spring Green Road; and
