

WARWICK POLICE DEPARTMENT

STANDARD UNIFORM

Uniform Specifications

All specifications below shall apply to any bid, purchase, and/or issue of uniforms as of the effective date of G.O. #220.01 Uniform Standards.

NOTE – any uniform item that was issued and/or purchased prior to the date of this policy **AND** that was authorized and approved at the time of purchase/issue shall remain authorized for use until such time as the item is no longer serviceable.

Serviceable is defined as; of adequate quality, free of tears, not threadbare, maintaining color fastness (not faded), or stained/soiled. Serviceability will be determined by a supervisor by inspection(s) in accordance with agency policy and procedure, The Chief of Police shall make the final determination as to whether an item no longer meets uniform standards pursuant to the FOP Collective Bargaining Agreement section 11, D. Replacement of uniform items by employees due to lack of serviceability will be the responsibility of each employee.

Any required changes to the uniform specifications will conform to the Collective Bargaining Agreement section 11, F.
