

**T.F. GREEN AIRPORT
RELOCATION OF MAIN AVENUE
AIP NO. 3-44-0003-113-2015 RIAC, CONTRACT NO. 25788
SUMMARY OF ANTICIPATED TRAFFIC IMPACTS**

The following traffic impacts are anticipated for the period of May 9, 2016 to May 13, 2016.

1. Construction crews will continue placing electric ducts within Main Avenue from Greenfield Avenue to Greeley Avenue. The work will be performed between the hours of 9:00 a.m. and 3:00 p.m. through May 11, 2016, and will result in temporary closures to the eastbound and westbound lanes. The impact location is referenced below as Item No. 1.
2. Greeley Avenue between Main Avenue and Bedford Avenue will remain closed until the completion of Relocated Main Avenue, reference Item No. 2 below.
3. The existing pedestrian signal will be removed within the next two to three weeks to allow connection of Relocated Main Avenue to existing Main Avenue, reference Item No. 3. RIAC will be coordinating the signal removal with the School Department and Police Department to provide traffic control for the school. A new pedestrian signal will be installed upon completion of the roadway relocation.
