## Notes:

\* On Monday, October 3rd, Warwick's yard waste collections will switch to every other week through mid-December. We are changing to a bi-weekly schedule due to the overabundance of leaves generated in the city. The last pages of this calendar provide a list of streets, separated into two sections, ROUTE A and ROUTE B. To determine your yard waste collection days, first locate your street, then turn to the current month and determine whether it is an A or B week. Your yard waste will be collected on your regular collection day. If for some reason your street is not listed, locate a crossing or neighboring street, and use that route, whether it be A or B.

Questions: 738-2000, ext. 6518

To schedule a bulky item collection online, visit [warwickri.gov/bulkyitems](http://warwickri.gov/bulkyitems)

## MAXIMUM HOLIDAY RECYCLING

When the holidays are over, most Warwick residents have a lot of extra material to dispose of...all that crumpled wrapping paper and those crunched up gift boxes. Most of that gift-wrap is recyclable, and you can help! The week after Christmas, we ask you to give all that unwanted paper and cardboard to Warwick's mandatory Maximum Holiday Recycling Program. Don't let all that material take up space in the landfill when it can be used over and over again as recycled paper. We are asking all Warwick residents to join together to recycle their used gift-wrap, cardboard, and gift boxes.

Fill your extra recycling cart with wrapping paper and small cardboard boxes and put it out on the curb for collection, or you may drop off your recycling material at the Municipal Recycling Facility located behind the Mickey Stevens Sports Complex on Sandy Lane. (Closed on Saturdays, January-March).

- Use your extra recycling cart for the recycling of your gift-wrap, tissue paper, and small cardboard boxes.
- There are two kinds of gift-wrap that are not recyclable: paper and boxes that have a plastic or foil coating must be placed in the trash.
- Large cardboard boxes can be cut into smaller sections and placed in your recycling carts or may be dropped off at the Municipal Recycling Facility.
- Do not put paper and cardboard out in plastic bags.
- Please do not place non-recyclable items in your recycling carts.

**Recyclable Items can be dropped off Monday - Saturday, 7a.m. - 3 p.m.**  
**Facility closed Saturdays, January - March**

**Happy Holidays!**

## GIVE YOUR CHRISTMAS TREE BACK TO NATURE ~ RECYCLE IT !!

Christmas trees are due to be collected separately by the Highway Department the first two weeks of January, weather permitting. The trees will be collected on the same day as your regular trash.

### Here's all you have to do:

- Put your Christmas tree out on your regularly scheduled trash day by 7:00 a.m.
- Remove all artificial decorations such as tinsel, garland, plastic ornaments, lights and bulbs.
- **PLEASE DO NOT PUT TREES IN PLASTIC BAGS, AND PLEASE, NO ARTIFICIAL TREES!**

The trees that are collected will be brought to the Warwick Municipal Recycling Facility, and faster than Santa can say "ho-ho-ho!" they will be recycled into mulch. The Christmas tree wood chips are available to residents free of charge!

## YARD WASTE COLLECTION

Warwick's yard waste collection program, in effect since 1993, collects grass, leaves and brush from curbside once per week in the Spring and Summer months, starting the last week of March, and every other week in the Fall. Grass, leaves and garden debris must be placed in 30-gallon biodegradable paper yard waste bags or barrels. Branches must be tied in bundles 4 feet in length and placed next to your bags or barrels. Branch bundles must be no larger than 8" in diameter. Barrels must be no larger than 32 gallons and no bag or barrel may weigh more than 40 pounds. Please remove all dirt and rocks.

Yard waste bags are available at many local retailers.

To obtain your fall yard waste schedule please visit our website at:  
[www.warwickri.gov/sanitation.htm](http://www.warwickri.gov/sanitation.htm)

## GARBAGE

**Collected** – Larger items are collected by appointment only • 732-9589

**Household Garbage** – Must be placed in plastic bags.

**Lumber** – Must be bundled and tied under 4 ft. in length.

**Furniture** – Couches, tables, appliances, etc.

**Carpets** – Cut to 4-5 ft. lengths, rolled and tied.

**Latex Paint** – For full cans, let paint dry completely. Add sand, sawdust, or kitty litter to speed up the drying process, and place in trash containers with covers off.

**Broken Glass** – Place in cardboard box, taped and labeled.

## NOT COLLECTED

**Contractors' Debris** – Sheet rock, plaster, roof shingles, insulation, etc.

**Hazardous Materials** – Call the Eco-Depot (State's Household Hazardous Waste Facility) at 942-1430 ext. 241 for a list of materials accepted.

**Miscellaneous** – Loose lumber, animal waste, ashes, sand, stone, cement, dirt, asbestos, oil, car batteries, gasoline, ammunition, etc.

**Loose Hypodermic Needles** – Please call for proper disposal methods.

**Tires** – Must be dropped off at recycling facility; rims must be removed; limit 4.

**Computers, Monitors, Keyboards, Printers** - Must be dropped off at Recycling Facility.

**Furnaces**

**Box Springs and Mattresses** - Can be disposed of at the landfill in Johnston for a fee. 401-942-1430

## MUNICIPAL RECYCLING FACILITY DROP-OFF

(behind Mickey Stevens Sports Complex off Sandy Lane) NO TRASH ALLOWED

**Yard Waste** – Grass, leaves, branches up to 8 inches in diameter.

**Scrap Metal** – All types except gas tanks, oil tanks, chain link fence and propane tanks.

**Newspaper** – Place in paper bags.

**Bottles & Cans** – Plastic, aluminum and glass.

**Mixed Paper** – Junk mail, magazines, miscellaneous paper, etc.

**Boxboard** – Cereal boxes, spaghetti boxes, empty paper towel rolls, etc.

**Cardboard Boxes** – Flatten before recycling.

**Textiles** – Clothes, sheets, curtains, etc.

**Tires** – Remove rims before disposal; rims may be dropped off as scrap metal. (limit 4 tire maximum).

**Televisions & Computers** – Old televisions, computers, printers, monitors and any other computer equipment.

**Unpainted/Unstained Wood also accepted** – No plywood.

**Rigid Plastic** - Toys, lawn furniture, coolers, etc.

## ALL ITEMS CAN NOW BE RECYCLED TOGETHER

### WHAT ITEMS CAN BE RECYCLED?

[www.RecycleTogetherRI.com](http://www.RecycleTogetherRI.com)

#### PLASTIC CONTAINERS

- Jars - Peanut Butter, Mayo
- Jugs - Milk, Juice, Detergent
- Tubs - Ice Cream, Margarine
- Bottles - Soda, Shampoo
- Plastic Take Out Containers
- Iced Coffee Cups (no straws)
- Yogurt Containers
- Plastic Egg Cartons

#### GLASS CONTAINERS

- Jars - Sauce, Jelly, Baby Food
- Bottles - Soda, Wine, Beer

#### METAL CANS & FOIL

- Aluminum - Cans, Foil
- Empty Aerosol Cans
- Hairspray, Air Fresheners
- Tin Cans - Soup, Pet Food

#### PAPER & CARDBOARD

- Newspapers
- Phone books
- Envelopes
- Flattened Boxes
- Junk Mail
- Office Paper
- Spiral Notebooks
- Paperback Books
- Wrapping • Tissue Paper
- Paper Bags • Gift Bags
- Magazines
- Paper Towel Tubes

#### CARTONS

- Milk, Juice
- Soy Milk
- Soup, Broth
- Juice Boxes

## BULKY ITEMS

Warwick has a [website](http://www.warwickri.gov/bulkyitems) to learn how to take care of those bulky items for easy disposal.

Check out [www.warwickri.gov/bulkyitems](http://www.warwickri.gov/bulkyitems) for information.

Bulky Items are limited to three items per week, and the annual number of collections per household is limited.

**Recyclable Items can be dropped off Monday - Saturday, 7a.m. - 3 p.m.**  
**Facility closed Saturdays, January - March**

#### Questions?

Please call Warwick Recycling & Sanitation Office at 732-9589, or visit us online at: [www.warwickri.gov/bulkyitems](http://www.warwickri.gov/bulkyitems)

**\*All materials to be collected must be placed at curbside by 7:00 a.m. of your scheduled collection day.**

CONIMICUT POINT  
Photo by Mike Dooley

## AUTOMATION INFORMATION

### Automated Trash Collection

Using the automated system is easy! On your regular trash collection day, simply place your household trash into the wheeled gray cart (supplied by the City) and place it in the street with the lid opening facing the street. Your containers must be at least 3 feet from objects (including parked vehicles, fire hydrants, etc.) on either side and at least 4 feet apart from the other recycling bins. Your cart must be placed at the curb by 7:00 a.m. on your collection day. Trash collection takes place once a week for every city resident. All bagged garbage must be placed inside the cart; if not, it will not be collected.

### Automated Recycling Collection

Each single-family residence participating in automated recycling has two wheeled carts, one blue and one green. In June 2012, the City of Warwick switched to a single-stream recycling program, which means you can now mix all of your recyclables together and no longer have to separate recyclables into blue and green bins. You do not have to follow the alternating blue/green weeks. You can now place either cart (blue or green) at curbside.

It is okay to mix your recyclables together. Paper can go in the blue cart; containers can be thrown in the green cart. We suggest filling one cart to the brim with mixed recyclables (make sure the lid can close), then start filling the next cart. Rolling out a full cart each week helps make our collections more efficient. If there is a need to put out the second recycling container, both containers must be full.

### No Cart, No Collection

What is “NO CART, NO COLLECTION?” Under the new “No Cart, No Collection” policy in Warwick, you must place at least one recycling cart at curbside alongside your gray trash cart in order for your regular trash to be collected. If you do not have your recycling cart containing the appropriate materials out with your trash cart, your trash will NOT be picked up. Recycling carts must remain curbside until trash has been collected. Any trash carts not collected due to non-compliance must be removed from curbside no later than 8:00 p.m. on the designated collection day, and set out for collection the following week with a recycling cart. Carts must be placed at curbside by 7 a.m. and after collection must be stored out of view. Only city-issued carts can be used for recycling collection.

### Bulky Items Collections (non-recyclable items)

What is bulky waste? Household items that are normally collected, but do not fit in the cart, such as couches, chairs, tables, carpets, painted/stained wood, etc. The collection of these types of items is available to all residents (by appointment only) and limited to three items per collection. The bulky items collection is for waste that is not included in the weekly, automated collection. Please keep large items away from the trash and recycling carts, as they will interfere with the automated collection of the cart.

\*Municipal Recycling facility closed Saturdays, January-March

### Bulky Items Drop-Off (recycle items only)

Bulky items that are recyclable should be dropped off at the Municipal Recycling Facility, which is located behind the Mickey Stevens Sports Complex on Sandy Lane. Items that are accepted include metal items (grills, bicycles, lawnmowers, metal lawn chairs, car parts, etc.), unpainted/unstained wood (fence, miscellaneous scrap wood, etc.) and textiles (old clothes, towels, handbags, etc.). No plywood or particle board please. The facility is open Monday through Saturday from 7:00 a.m. to 3:00 p.m., weather permitting.\*

### How do I schedule a bulky item pick-up?

When you have bulky items for collection, call the Automation Hotline at 732-9589 at least one day prior to your collection day and they will add your stop to the pickup route. These items should not be set out on the curb without first calling the Recycling & Sanitation Division to arrange for an appointment for their collection. Remember, before scheduling a collection, please check with a charitable organization to donate items that can be reused by others. Bulky items should not be placed at curbside until your regular collection day!

### Is recycling mandatory?

Please don't forget: **RECYCLING IS MANDATORY**. If you constantly run out of room in your gray cart, recycling properly will give you the extra room needed. For a list of recyclable items, please refer to the previous page. Gray carts that contain recyclables will not be collected.

### What can I put in the cart for trash collection?

Only bagged household trash can be put in your container. Do not place yard waste, brush, or any construction debris in your cart. Automotive parts, tires, hazardous waste and hot ashes are also prohibited. All trash must be contained in the cart with the lid closed or it will not be collected.

### How do I get large items collected?

**You must schedule an appointment.** Bulky items that will not fit in your cart such as furniture and other large items are picked up separately from household trash. Call the Recycling & Sanitation office at 732-9589 to schedule an appointment for collection of these items (three items max). Large metal items such as grills, bicycles, lawnmowers, lawn chairs, etc. should be dropped off at the Municipal Recycling Facility located behind the Mickey Stevens Sports Complex. **Bulky items should not be placed at curbside until your regular collection day.**

### What if my cart is damaged or stolen?

The carts are the property of the City of Warwick and each one is assigned an address and a serial number. All reports of damages or theft will be investigated and should be reported to the Recycling & Sanitation office at 732-9589. If our collection truck caused the damage, we will replace the cart at no charge to you. If the damage is from any other cause, the resident is responsible for replacement. Wheels, lids, and axles are normally replaced at no cost to the resident. Please DO NOT write house numbers or put any other marking on the carts. The cart is the property of the City of Warwick. If you move, please leave the cart at your home.

### Cart Maintenance

Warranty on trash and recycling carts is 10 years. These carts will be assigned to your address throughout this period. It is recommended to rinse the inside of your carts routinely to prevent odor and the attraction of animals.

## PAINT DISPOSAL INFORMATION

### 1. Buy only what you need.

Don't buy a gallon when a quart will do the job. One gallon of paint usually covers 300 - 400 square feet.

### 2. Use it all.

Use the extra paint for small projects or just put an extra coat on.

### 3. Donate the paint.

Someone else may be able to use your leftover paint.

Check with neighborhood organizations, scout groups, friends, and neighbors.

### 4. Combine your leftovers.

Mix leftover latex paints together to use as a base coat or primer. This mixture is perfect for jobs that won't show. You may even end up with a color you like.

If you are still left with old paint that you need to get rid of, please follow these easy steps:

#### Latex Paint (Full Cans)

If the can contains paint, you should uncover the can and let the inside dry to a solid. Adding kitty litter or sawdust will speed up the drying process. Once the contents have solidified, you may dispose of the can and its contents with the trash (lids must be left off).

#### Latex Paint (Empty Cans)

If the can is completely empty, you should uncover the can and let the inside dry. The empty can should then be left uncovered and placed in the recycling bin.

#### Oil-Based Paint (Empty or Full Cans)

Oil-based paint is considered a hazardous waste. If the can contains paint, you should contact the Eco - Depot @ 942-1430, ext. 241, to schedule a drop-off appointment. Do not dispose of the paint in the trash!

If you have other household hazardous waste, such as paint thinners, pesticides, solvents, pool chemicals, cleaning materials, etc., you can schedule an appointment to drop them off along with your oil-based paint at the Eco - Depot. Drop-offs at the facility take less than 15 minutes. No long lines, no long waiting!

**ROCKY POINT PIER**  
Photo by Mike Dooley

## MIXED RIGID PLASTIC

The City of Warwick also offers a drop-off recycling program. Residents can now recycle Mixed Rigid Plastics at the Warwick Municipal Recycling Facility.

### What Can be Recycled?

(drop off only)

- Plastic Toys - NO metal, wood, wires or batteries
- Plastic buckets - NO metal handles
- Plastic milk/soda crates
- Plastic laundry baskets
- Plastic lawn furniture
- Plastic landscape items such as edging
- Plastic microwave trays
- Plastic totes - any size, NO metal
- Plastic drums - any size, food grade ONLY, no chemical containers
- Plastic pet carriers - NO metal
- Plastic pallets
- Plastic coolers
- Plastic shelving

### What Cannot be Recycled?

- PVC pipe/tubing
- Vinyl siding
- Plastic film (grocery bags & stretch film)
- Chemical containers
- Pesticide/Herbicide containers
- Petroleum containers
- Styrofoam
- Flexible water hoses
- Hazardous material
- Medical waste

Metal handles, axles, etc. must be removed. The metal can be recycled in the scrap metal bin.

## TURN GREASE INTO FUEL

The program encourages residents to bring their local waste cooking oil to be recycled rather than to pour it down the drain, where it can damage septic or sewer systems; Fats, Oils and Grease (FOG) is a leading cause of clogs in municipal sewer systems.

Grease that's collected is converted into biodiesel fuel credits for needy families. The Westerly, RI students who created the program estimate that Warwick's 36,000 households and more than 100 restaurants have the potential of generating 200,000 gallons of biodiesel per year. Credits will be distributed through the city's Department of Human Services, in collaboration with West Bay Community Action.

Four of the city's fire stations presently serve as collection sites for waste cooking oil, with plans to expand to other locations, including area businesses, as the program grows. Participating stations are:

- Station Four, 1501 West Shore Road
- Station Five, 450 Cowesett Road
- Station Six, 456 West Shore Road
- Station Eight, 1651 Post Road
