On Monday, October 21, Warwick's yard waste collections will switch to every other week through November 29. We are changing to a bi-weekly schedule due to the overabundance of leaves generated in the city. The last pages of this calendar provide a list of streets, separated into two sections, ROUTE A and ROUTE B. To determine your yard waste collection days, first locate your street, then turn to the current month and determine whether it is an A or B week. Your yard waste will be collected on your regular collection day. If for some reason your street is not listed, locate a crossing or neighboring street, and use that route, whether it be A or B. Questions: Please call 738-2003.

Automation INFORMATION

AUTOMATED TRASH COLLECTION

Using the automated system is easy! On your regular trash collection day, simply place your household trash into the wheeled gray cart (supplied by the city) and place it in the street with the lid opening facing the street. Your containers must be at least 3 feet from objects on either side (including parked vehicles, fire hydrants, mailboxes, etc.) and at least 4 feet apart from the other recycling carts. Doing this will allow the recycling trucks to access them quickly. Your cart must be placed at the curb by 7:00 AM on your collection day and then stored out of view after collection. Trash collection takes place once a week for every city resident. All bagged household trash must be placed in the cart; if not, it will not be collected. Do not place yard waste, brush, or any construction debris in your cart. Automotive parts, tires, hazardous waste and hot ashes are also prohibited. All trash must be contained in the cart with the lid closed or it will not be collected. Gray carts that contain recyclables will not be collected.

DISPOSE OF IN YOUR TRASH CART

- Household garbage must be placed in plastic bags.
- Plastic grocery bags need to be disposed of in your trash or recycled where available at local retailers.
- Shredded paper must be placed in a bag.
- Styrofoam.
- Clothing, or donate if possible at donation bins located at 111 Range Road, Warwick.
- Paper towels, tissues, greasy pizza boxes, etc.
- Broken glass should be placed in a cardboard box, taped and labeled.
- Glass household dishes, glasses, utensils, pot and pans, etc.
- Latex Paint – For cans that are full or partially full, let paint dry completely. Add sand, sawdust, or kitty litter to speed up the drying process. Once the contents have solidified you may dispose of the can and its contents in the trash with lids off. Please let empty cans dry completely prior to disposing in trash and please keep lids off. Wet paint has been known to empty in the trash truck and leave a trail throughout neighborhoods. Please help us keep this from occurring. Oil-based paint is considered hazardous material and cannot be collected. See next section for items that cannot be collected.
- Loose hypodermic needles - Put sharps into a sharps container immediately after use. If you do not have a sharps container, put items into a puncture-proof plastic bleach, detergent, or coffee container, tape shut, and label "SHARPS." Make an appointment for one of RIRRC's Saturday Eco-Depot collection events by visiting www.ecodepotri.org or by calling 942-1430 x 241. You may also put the sealed container into the center of a full, preferably dark, trash bag. Put the trash bag in the regular trash. Do not put sharps containers in your recycling.

AUTOMATED RECYCLING COLLECTION

All single-family residences must participate in automated recycling and have a city provided cart. It is okay to mix your recyclables together and please make sure the lid can is closed. Only place your recycling cart curbside if half full. Rolling out a full cart each week helps make our collections more efficient. **PLEASE DO NOT DISPOSE OF RECYCLABLES IN PLASTIC BAGS.**

Only city-issued carts can be used for recycling collection. Remember, recycling is mandatory. Proper recycling will give you extra room in your gray cart for trash.

ITEMS THAT CANNOT BE COLLECTED

- Contractor's debris- Sheetrock, plaster, roof shingles, insulation, etc.
- Hazardous materials - Call the Eco-Depot (State's Household Hazardous Waste Facility) at 401-942-1430 ext. 241 for a list of materials accepted and to schedule a drop-off. Empty or full cans of oil-based paint are considered hazardous waste. Please do not dispose of them in the trash.
- Miscellaneous – Loose lumber, animal waste, ashes, sand, stone, cement, dirt, asbestos, oil, car batteries, gasoline, ammunition, etc.
- Computers, monitors, keyboards, printers – Must be dropped off at the Municipal Recycling Drop-Off Facility, 111 Range Road, Warwick (behind the Mickey Stevens Sports Complex off Sandy Lane).
- Furnaces, pianos, car and boat parts.
- Box springs and mattresses – Can be recycled at the Municipal Recycling Drop-Off Facility 111 Range Road, Warwick. Please call for availability at 401-921-9601.

PROPER RECYCLING SAVES THE CITY MONEY

The city disposes of recycling at NO COST. Disposal of regular trash costs as much as \$115 per ton. When improper materials are placed in the recycling cart, a full truckload of recycling can be considered contaminated and rejected at the Municipal Recycling Facility in Johnston, causing it to be considered trash and a fee is imposed on the city.

INTERESTED IN SUBMITTING A PHOTO FOR THE 2025 CALENDAR?

Residents are invited to submit photos that reflect the history, iconic places, and people that make Warwick so unique. We’re also looking for a variety of photos that show the character of the more than 30 villages that comprise our community and the beauty of the City in every season. Digital photos will be accepted for consideration. To learn more about submission requirements please visit: www.warwickri.gov/calendarphotos

Please direct inquiries to
Department of Public Works
925 Sandy Lane
Warwick, RI 02889
Phone: 738-2003

Send email to the recycling office at
sanitation@warwickri.com

Or visit our website at
www.warwickri.gov/recycsanit/sanitation.htm
Please recycle this calendar at the end of the year
