- b) The topics for comment shall be issues directly affecting City government.

- d) The public comment session will terminate at the expiration of 15 minutes.
Waiver of this provision requires unanimous consent.

Rob Cote – Warwick Fire Fighter Lawsuit – 3 years of hidden documents and the City Filed a Dismissal of the lawsuit. Fourteen Months of research and 34 people were named as defendants that were not employed by the City of Warwick. This is incompetence – we do not have the best advice

School Signs regarding pro school construction are illegal.

Under state law these signs cannot be on City or State property and anyone can dispose of them. He is not against the schools, he is upset how this took place. Finance Director made multiple mistakes. Mr. Cote found a \$50 Million error and it was actually a \$74 million error. There is an \$11.7 million underwriter fee – this is deception as it was hidden from everyone. He is not against the schools. Council indicated there would be public meetings and meeting were not held. Signs are illegal – Council did not do their homework and there is false information out there.
