**General Communications:**

McAllister outlines the process for the meeting. Comments will be allowed – we have a Sgt. of Arms here – he will be escorting to the podium. We have a simple process here tonight, we are here to vote up or down only. The City Charter states the Administration negotiates contract – Council Ratifies ONLY. Vote tonight is up or down only. The council cannot change or amend the contract, we are here for ratification only. If the contract is not ratified it goes to Arbitration – NOT back to the Administration and the Unions. We are looking for a good and robust debate - The City Council cannot negotiate – we are here to vote up or down only!
