

City of Warwick

General Fund 2015-2016

ADOPTED BUDGET
ADOPTED BUDGET

Scott Avedisian, Mayor

ON THE COVER: Several agencies that have played a vital role in our community are celebrating their 50th anniversaries – collectively, 250 years of dedication to the people of Warwick and Rhode Island.

(Clockwise from top left) With its main branch on Sandy Lane, and branches in Apponaug, Conimicut, and Norwood, the **Warwick Public Library** is a vibrant community center that serves nearly half-a-million people annually. The library is a leader in technology and service in Rhode Island, and it is renowned for its children's, teen, and adult programs, computer resources, and book and media collections.

The **J. Arthur Trudeau Memorial Center** was born out of a necessity and belief that people with disabilities should be allowed full citizenship within their own communities. Arthur and Evelyn Trudeau, along with a team of tireless supporters, sought to create services such as special education, recreation, and vocational training. Today, the center offers a comprehensive array of services, fulfilling its mission to promote an enhanced quality of life for individuals with developmental disabilities.

Created by Governor John Chafee and the Rhode Island General Assembly, the **Rhode Island Public Transit Authority** has significantly expanded public transportation options throughout Rhode Island, operating more than 2,800 daily trips on 55 routes throughout the state. Last year, RIPTA provided 20.5 million rides. The Authority continues its efforts to reinvent transit in our state to provide visitors with cost-effective, efficient, and customer-friendly service, with a strong focus on using environmentally-friendly products and technology.

Since its inception, **Gaspee Days** has been a beloved community celebration to commemorate the burning of the British schooner *HMS Gaspee* in 1772. Known as "The First Blow for Freedom," the event is considered the precursor of the many acts of rebellion that culminated in the Revolutionary War and the founding of our nation. Gaspee Day Committee members work year-round to plan and fundraise for the series of events that take place in May and June in and around historic Pawtuxet Village. The annual parade down Narragansett Parkway remains a perennial favorite, drawing thousands of spectators each year.

Under the leadership of Governor John Chafee and the Board of Trustees of State Colleges Chairwoman Lila Sapinsley, **The Community College of Rhode Island** was created. It is the largest public, two-year, degree granting collect in New England, offering educational opportunities, including a variety of career, technical, and academic programs, for all Rhode Islanders. Its Knight Campus, in the western section of Warwick, opened in September 1972, and now consists of 205 acres, including 80 acres that was donated by Royal W. Knight in 1964.

Mayor Scott Avedisian joins the citizens of Warwick and residents throughout Rhode Island in congratulating these organizations, their employees and volunteers on this milestone and thanking them for enriching and strengthening the fabric of our community for the past half century.

*Cover design by Angela Myatt, department of Tourism, Culture, and Development.
Many thanks to the organizations for providing logos and photos for this year's cover.*

Mayor Scott Avedisian Fiscal Year 2016 Budget Address May 13, 2015

TO THE HONORABLE, THE CITY COUNCIL AND THE PEOPLE OF THE CITY OF WARWICK:

As the state and its municipalities continue to rebound from the prolonged economic downturn, we are seeing positive signs of recovery here in the City of Warwick. Our bond rating remains strong, we continue to meet our financial obligations, and we have again received an unqualified audit opinion, the highest mark the City can receive. Three of our four pension systems continue to perform well.

From Apponaug to Airport Road, we hear the hum of machinery as crews work on new projects, bolstering our economy, creating jobs, and signaling a strong financial investment in and commitment to our community and all it offers to businesses and residents alike. As the local, state, and national economy continues to recover, this budgetary plan also signals a time to reinvest in our City, proposing funding that will complete our commitment to constructing a new fire station in the Potowomut neighborhood and to formalize future financing plans to invest in new ambulance rescue apparatus and police, public works, and Transwick vehicles. This budget also proposes the allocation of \$1 million for road repair and paving projects, funding to reinstate youth recreational programs and increased funding for emergency services while preserving financial support for non-profit and civic organizations. The budget also invests in our neighborhoods by providing additional code enforcement to protect homeowners' investments and improve the appearance and quality of life in our community.

Development underway throughout Warwick likewise demonstrates the returning vibrancy and diversity of our business base. Earlier this year, we joined developer Michael Integlia as he announced plans for one of the five parcels that comprised the former Leviton manufacturing site adjacent to City Centre Warwick. The \$50-million, four-story building will provide residential, commercial and office uses while creating 300 construction jobs and hundreds of full-time positions, and serve as a catalyst for future growth and revitalization throughout the 95 acres surrounding T.F. Green Airport, the InterLink intermodal commuter rail station, and Interstates 95 and 295. He also plans to construct an office park on Metro Center Boulevard, which is estimated to pump \$25 million into the

economy along with the creation of temporary and permanent jobs – all told, a \$75-million investment within a half mile.

Dean Warehousing Corporation, which was a former tenant of Leviton, purchased one of the five parcels, and their operations from Cumberland and Lincoln will be consolidated into the Warwick facility, with the main warehouse, assembly, and corporate headquarters located in the 500,000 square-foot industrial building. The family-owned company is also investing in significant improvements at the facility. Atrion, a leading IT services firm, recently announced its merger with a New Jersey-based firm and that its headquarters will remain in Warwick. With a workforce at nearly 300, the company reportedly expects to hire 70 more employees in Rhode Island by year's end, and that revenues will increase by 30 percent annually over each of the next five years.

Coastway Community Bank's decision to locate their headquarters here in Warwick represents \$10 million in construction and job creation. SESA, an intelligent transportation system solution manufacturer, relocated from Smithfield to a larger facility in the northern part of our community. The Warwick Mall is bustling, and work is underway on the newest addition to its campus, a Jared's Jewelry, the company's first Rhode Island store. In the coming months, we expect to hear from the new owners of Rhode Island Mall relative to their plans to revitalize that longtime retail landmark. Rhode Island's first CarMax is nearing completion, bringing with it 85 jobs, while Balise Auto is investing \$16 million in three dealerships. L.A. Fitness has opened in the TGI Friday's plaza, bringing new life to the facility that formerly housed Shaw's supermarket. Iggy's, Ryder, and the Dancing Feeling are just a few of our existing businesses that are expanding their operations.

Small businesses are the heart of our communities and a vital part of our local and statewide economy, and the City continues to work closely with the Central Rhode Island Chamber of Commerce and the U.S. Small Business Administration's Rhode Island District Office. Over 500 people came through the Chamber's business information center last year, another hopeful sign of economic recovery and reinvestment in our community. The SBA also remains committed to our business community; in their past two fiscal years, they approved 102 loans, totaling nearly \$20.3 million, for Warwick companies, and in the current fiscal year have already approved 15 loans for \$2.5 million. We will continue to foster the good working relationship among the City, Chamber, and SBA to ensure our small businesses thrive and realize additional success, expansion, and job creation.

Exciting projects are also underway in two of our historic villages, Apponaug and Pontiac, which will further our economic development efforts and will also help to preserve and celebrate our rich heritage and improve the environment. The \$30-million Apponaug Bypass project is fully underway, and, when complete, will enhance traffic

flow, improve safety, and create an old-fashioned, pedestrian-feel in the area. Construction of the new Cumberland Farms at Apponaug Four Corners is ongoing with an eye to enhancing the area's historic features and promoting walkability throughout the neighborhood. We eagerly anticipate the groundbreaking for a \$25-million boutique waterfront hotel, which will bring 125 jobs to our city and beautify the existing property.

City departments have been meeting with the new owners of the Pontiac Mills property. With \$5 million in historic tax credits now approved, the owners are working toward beginning phase one of the development project this summer. Area residents and others are looking forward to the revitalization and repurposing of this landmark, a symbol not only of the neighborhood, but of the industries and people who helped to shape our community.

Safety improvements and runway expansion are underway at T.F. Green Airport and the Rhode Island Airport Corporation continues to work with the City on issues of mutual concern. My thanks to RIAC President and CEO Kelly Fredericks and his team for their efforts to develop a stronger and better working relationship with the City. We look forward to the start of international service this summer from Condor Airlines and Transportes Aereos de Cabo Verde, which will bring new visitors to our community. In related news, 2015 showed huge increases in occupancy rates and revenue for our hotels, and our Department of Tourism, Culture and Development continues its marketing efforts to bring individual tourists as well as business conferences, sports tournaments, and special events to Warwick.

Good infrastructure is key to a robust economy and we continue to work with the state Department of Transportation on improvement projects such as the Apponaug Bypass project. We have been working closely with RIDOT, Commerce RI and Federal Highway to design and construct pedestrian enhancements, including new curbing, lighting, and landscaping, along the Coronado corridor between Jefferson Boulevard and Post Road. When complete, construction of a new Mill Creek Bridge will restore a vital link between the Riverview and Longmeadow neighborhoods. A \$17 million investment at the Warwick Sewer Authority will ensure that the facility is protected to the 500-year flood level.

After years of planning and tireless effort, we celebrated the opening of the state's portion of Rocky Point Park and its merger with the City's coastline parcel at an open house celebration that drew an estimated 15,000 people to the iconic site on a beautiful autumn day. The property has drawn residents who are nostalgic about the former amusement park and excited about its reuse as a public park, as well as participants in the annual 5K race. Last year, some 140 naturalists took part in BioBlitz 2014 at the property, documenting every species of bird, fish, plant, and animal that could be found on-site within 24 hours. The results of that effort have sparked the interest of

researchers from an Ivy League university, and we expect news of an upcoming event will be announced shortly. On New Year's Day, some 300 people arrived for the 2015 First Day Hike sponsored by the state Department of Environmental Management, and, in July, the park will be one of the sites included in RIDEM's 2015 Great Outdoors Pursuit.

A series of recent lectures, sponsored by the Rhode Island School of Design and the Rocky Point Foundation, was extremely informative, as RISD landscape architects, City officials and other stakeholders examined best practices for urban and coastal park design and discussed ideas for how best to maintain the property as a sustainable, multi-use facility. We look forward to continuing to work with RIDEM, The Rocky Point Foundation, RISD, and other interested parties as we develop a master plan for this beloved and historic property.

Also on the environmental front, The Warwick Land Trust received two RIDEM grants that will allow us to protect 5.5 acres of saltwater marsh in Conimicut and 3.5 acres of waterfront property on Passeonquis Cove, and dedicated volunteers from a variety of local groups worked tirelessly to clean parks, rivers, and other natural resources as part of Earth Day efforts.

Vibrant, energized, and attractive neighborhoods add to the overall quality of life in our community, and we remain committed to ensuring that Warwick remains an enviable place to live. A group of municipal staff, elected officials and representatives from non-profit agencies have been meeting regularly to examine issues related to neglected and/or abandoned properties and how best and most effectively establish a proactive, coordinated code enforcement system to help resolve code issues that threaten the use and enjoyment of neighboring properties and the general quality of life in the area.

We also continue to work on initiatives to provide a more diverse housing stock and create service networks to help seniors remain in their homes for as long as possible, and to make pedestrian and bicycle improvements to offer routes to community destinations. I am grateful for the many residents who give of their time and talent to improve our neighborhoods, parks, recreational facilities and community spaces for the enjoyment of everyone who lives and works in our community, and we will continue to work with them on projects that will further improve our City, enhance our artistic and cultural offerings, and support and encourage a strong local economy.

From neighborhood parks, to recreational facilities at Bend Street, City Park, and other locations, terrific beaches and marinas, golf courses, and our ice rink and pools, Warwick offers a number of recreational opportunities for people of all ages to enjoy. As part of our agreement with the Rhode Island Airport Corporation, the agency is

constructing new Winslow Park softball and soccer fields that are being relocated from their present location on Main Avenue. RIAC is slated to turn the state-of-the art park over to the Apponaug Girls Softball and Warwick Firefighters this summer. A house on the west end of the park has been acquired by RIAC and is slated for demolition to provide for parking, with plans to preserve existing trees on site.

On the budget cover, we celebrate the 50th anniversary of several organizations whose investment in our community has added to the great quality of life here. They, together with our other non-profit, educational, and civic groups, provide a vital component in our overall efforts to make Warwick one of the best places to live and work in the nation. I am pleased to welcome another non-profit group, the Steamship Historical Society of America, which recently made Warwick the new home for their headquarters, library, and maritime arts collection – a suitable choice, given our 39 miles of coastline.

Our municipal employees are hardworking and dedicated, and I thank them for their continued commitment to our City and the pride they take in providing good quality services to our residents. It is due to their efforts that we have received national recognition from entities like 24/7 Wall Street, which named Warwick one of the 50 Best Cities to Live in America, and earned individual and departmental honors from the Rhode Island Chapter of the American Planning Association, Preserve Rhode Island/RI Historical Preservation and Heritage Commission and the New England Water Environment Association, among others.

This budget also begins the process of funding our Other Post-Employment Benefits (OPEB). I will study with the City Council a plan to fund an OPEB Trust. While the mechanics still need to be assembled and approved by the Council, this budget will begin the process of creating a fund for retiree benefits in the future. A total of \$200,000 is allocated in this year's budget to begin the process of establishing an OPEB fund. I am sure that critics will complain that it is too little. But just remember that it is simply a beginning and that we will continue to grow this into the future.

The proposed budget for FY2016 is \$294,048,252. Of that amount, \$159,530,000 has been allocated to support our school system and \$134,518,252 has been allocated to fund municipal services. This is an overall increase of \$4,839,517 from the prior year's adopted budget.

In developing this year's budget, we took the current FY2015 budget as the starting point, reviewed the lingering effects of the recent state-mandated revaluation, factored in property tax abatements and court settlements. After performing a methodical analysis, budget proposals in many instances were reduced by taking a critical look at

proposed requests from department directors and division chiefs. As a result of this process, the proposed tax rate increase is 69 cents, which equates to a 2.97% increase of the tax levy, below the 4% state cap.

This budget therefore proposes a residential tax rate of \$20.75, and commercial/industrial and tangible personal property rates of \$31.13 and \$41.50, respectively. It should be noted that the budget assumes a tax collection rate of 98%, which is consistent with the local economic conditions. The proposed tax rate will partially off-set less property tax revenue resulting from tax abatements and credits that have carried over from the current fiscal year. Due to this unique situation, I believe it appropriate to utilize a portion of the City's reserves to balance the Proposed FY 2016 budget. I am proposing a fund balance drawdown of \$3,000,000 in order to reduce the burden of a larger tax increase for the residents of the City.

The motor vehicle exemption of \$2,000 remains unchanged. This is \$1,500 more than the minimum \$500 required by state law. That rate, \$34.60 per \$1,000 of assessed value, remains unchanged.

As of December 31, 2014, the median single family home in the City is currently valued at \$162,400. In this example, the proposed tax increase would mean that this homeowner would pay an additional \$112.06 in property taxes for the year. Half of single-family homeowners will see a smaller increase and half will see a larger increase.

It should be noted that the Governor's proposed FY2016 budget recommends formula aid to the City of Warwick in the amount of \$2,893,220. Formula aid consists of Payment in Lieu of Taxes (PILOT), state library aid and motor vehicle excise tax reimbursement value exemption. By contrast, In FY2007, the City received \$20,468,070 from these funding sources and General Revenue Sharing, which has been eliminated. Clearly, during this economic downturn the State of Rhode Island has significantly reduced municipal aid, resulting in an increased burden on local taxpayers.

The last issue to discuss is the Warwick School Department. This budget proposes to level fund the schools. A year ago, then-Chairwoman Bethany Furtado led an effort to save millions of dollars by closing two schools and repurposing a third for reuse to house students from the two schools slated to close. She was rebuffed. Instead, the School Committee agreed to fund another consultant to come forward and study school facilities again. The preliminary meeting just a week ago detailed that the School Department may in fact have eight to ten buildings that could be closed.

Make no mistake about it. Closing buildings and consolidating schools is not an easy task. It is very difficult and I will stand behind whatever decision is made. But a decision must be made. Simply not making a decision is costing millions of dollars a year that could go into technology and programs. So I will repeat my pledge from a year ago. Any money that is saved through this process will be returned to the schools for additional programming and technology.

The School Committee is also in the process of a search for a Superintendent. Let's hope that these two projects will be completed soon so that the School Department can reinvest in our school children and prepare our City for the future.

While challenges remain in our community as they do in so many municipalities, there is a great deal to be proud of - including the myriad individuals, organizations, and companies that are investing in our community even as the City continues to reinvest in programs and initiatives and the people we serve. I am proud to call Warwick home and thank our employees, residents, and the business community for their continued belief in, and commitment to, our City.

Respectfully,

Scott Avedisian
Mayor
