Rob Cote – 6 months to the day his 1st Amendment rights were violated – reads oath the Council took. City Council / City Charter no procedure of Removal not worth the paper it's written on – this is not going away – institution admonishment / dismissal procedure should be docketed – enormous waste / fraud of DPW 45 minute lunch breaks, hiding behind Boys & Girls Club – won't put GPS on vehicles but will put on boats that don't leave the cove – should not be a pot hole in Warwick – videos point completely overstuffed or an incompetent level of management – 3 hours vehicle ran in Oakland Beach GPS needs to be installed

David Perry – every year snow on Shepherd Drive snow is at the end of driveway – can't deliver oil because snow is pushed up in his yard – neighbor has more property than he's supposed to have DPW put curb wherever they wanted – he was 12 DPW worker told him to mind his own business – curb needs to go back so he can get freedom of Enterprise Acct – snow 12 feet out to road needs to be 12 feet back – fell twice – Mayor did not want to hear it – what he is doing is a crime – relieving money falsely

Daniel DeCristo – Lakewood – spending 8 million on ice rink closer to East Greenwich than Lakewood – Lakewood does not have anything – Klitzner Field needs to be taken care of – ARPA Funds need to be used to upgrade the park asking City for help

Richard Langseth – Emails to City Council regarding Airport & MOU went into Executive Session – RIAC – filed complaint with Attorney General result: MOU that City Council might passed by RIAC in an Executive Session – Federal IRS Law – public process when you Fund a project – RIAC will need a bond to finance asks City for Support – APRA request was denied as a working document filed complaint with Attorney General – doesn't hate airport – does not like filing petitions but someone needs to

Michael Zarum – PCR-131-23 item held – comments prepared for the Public Properties Committee did not present the item was held. Thanks people for speaking with him regarding Barton Farm, express his concern regarding Barton Farm many ways to get what you want – looking at several land models will compare current deed and will let you know how to proceed. Years ago RIAC sold false bill of goods to Congress – Warwick Zoning does apply to RIAC – owned by State of RI not Federal Government
