- d. The public comment session will terminate at the expiration of the earlier of all speakers concluding their allotted time or thirty (30) minutes. Waiver of this provision requires a unanimous vote of the Council.

Robert Cushman – Councilman Howe’s comment on the Mayors Facebook page needs clarification – legislation from 2007 – eliminate lifetime for entire city – Councilmen need to do their homework – puts political career in jeopardy challenges to end lifetime healthcare for elected officials – Former Council people lifetime Retirement Board approved. Stop rubber stamping should be asking specific questions regarding retirement benefits.

Robert Cote – Firefighter Contract – more time speaking about yard sales than a \$26 Million contract – 20 years been coming and specific Councilman was shut down. Shameful that his questions were not answered. Obligated to answer in private sector – no one could answer his questions. There’s illegal language in the contract regarding disabilities – Fuel, videotaped 3 hours engine running not doing work – E8 left running violates law at Dave’s Market – Dump truck didn’t have a license plate. Will start naming people and putting faces on camera, Disturbed at Firefighter contract – 2 Council people asleep at contract.

Cindy Wilson – Got here at 5:00 has a heart monitor on not easy McAllister and Ladoucuer waste money– threatening letter sent by a firefighter – now scares me – will the Fire Department help me or hold a grudge

Michael Zarum – Here to speak on Zone Change passes on Public Comment

Donald Fife – Firefighter contract – not against firefighters against higher takes – Can't build a high school at that price – Mr Cushman is a financial consultant – \$1 Billion in debt – Warwick in financial crisis because of healthcare and pensions – Merolla spoke of fiduciary no point of return – Judge Flanders qualifies for receivership community cannot be taxed
