Public Comment

RULE 41. After the General Communications and prior to the Consent Calendar at each City Council Public Hearing meeting there shall be a fifteen minute period during which citizens may comment about Warwick city government issues subject to the following stipulations:

- a) The total period of time for public comment shall be 15 minutes. Comments need to be brief in order to allow as many citizens as possible to participate.
- b) The topics for comment shall be issues directly affecting City government.
- c) City Council members will not respond to questions during the public comment period.
- d) The public comment session will terminate at the expiration of 15 minutes. Waiver of this provision requires unanimous consent.

Katherine Itacy– Board member RI ACLU Flock Safety Surveillance System – current system would allow for WPD to search by license plates and bumper stickers etc. discourages this – discrimination, WPD could search based on a “hunch” ask & strongly encourage council to reject. Serious civil liberties concerns with this legislation.

Kristin Williams – Similar concerns as previously stated. Recording data, safety checks. Is this necessary?

Rob Cote – School Construction 2-7-22 Council Meeting – error found – meeting at Crowne Plaza RIDE – No Council members attended.
