2. Ward 1 – Councilman Colantuono: Thanks to all city employees for their help, especially Carlos Zambrano, Pat Peshka, Raymond McKay and Joanne Cournoyer. Wishes new Council members good luck. Will miss serving Ward 1. Happy holidays.

6. Ward 2 – Councilman Chadronet: After 20 years on the Planning Board, 5 years on the Zoning Board and 4 years on the Council, he will miss the action. If he misses it too much, maybe he'll be back.
7. Ward 5 – Councilman Ladouceur: Reads a statement into the record prepared by Karen Bachus, who was unable to attend, regarding Warwick School Committee's response to the Council's call for an investigation on special education in Warwick Public Schools. She recommends Vincent Ragosta, Esq. to conduct this investigation.

Public Comment

RULE 41. After the General Communications and prior to the Consent Calendar at each City Council Public Hearing meeting there shall be a fifteen minute period during which citizens may comment about Warwick city government issues subject to the following stipulations:

- a) The total period of time for public comment shall be 15 minutes. Comments need to be brief in order to allow as many citizens as possible to participate.
- b) The topics for comment shall be issues directly affecting City government.
- c) City Council members will not respond to questions during the public comment period.
- d) The public comment session will terminate at the expiration of 15 minutes. Waiver of this provision requires unanimous consent.

1. Scott Small: Representing Local 165, Warwick Municipal Employees. Would like to thank the Council, especially Wards 1, 2, 3 and 7 Council people, for their hard work on behalf of labor workers in the city. He looks forward to working with the new Council members and hopes to continue to see the outgoing members. He wishes everyone happy holidays.

2. Christina Gionoffi: Wants a Warwick City Ordinance to ban smoking in multi-unit buildings. She thanks Councilman Merolla for bringing a resolution on this issue to the Council. She will continue to fight for this ordinance. Landlords will save in the long run through longer tenancies and better insurance rates. She feels this ordinance would be similar to the noise ordinance, in that the city can regulate what people do in their homes. No one has a right to smoke. Children are getting asthma and cancer as a result of exposure to second-hand smoke and need to be protected.
