Per PCR-26-16/R-16-25 The Director of MIS Department to provide a Long Term Plan for Providing Computer Services to City Departments

Presenting: Carlos Zambrano, MIS Director- MIS to appear at Council Meetings quarterly for updates.

General Communications -

1. Councilwoman Vella -Wilkinson: Moment of silence for those who were killed in the Orlando Massacre.
2. Councilman Solomon: Announcement @ 6:34PM this evening summer officially began; Wishes everyone a happy and safe summer.
3. Councilman Ladouceur: The General Assembly passed our enabling Sewer Legislation. Thanks Councilman Gallucci for this assistance and rest of Council for their support. Thanks members of his Committee, and committee member, Michelle Komar. It was a long road; it took three years to accomplish. Now we need to move on with other things we need to work on with regards to Sewer Authority. Delinquent notices are a successful program, long lines out the door we are collecting money for the water and sewer bills. We have plan in place and it is very successful.
4. Councilwoman Usler – In reflection of yesterday, wishes everyone a Happy Father’s Day. Moment of silence for her father who passed away thirty years ago today. He would be very proud of me.

Public Comment

RULE 41. After the General Communications and prior to the Consent Calendar at each City Council Public Hearing meeting there shall be a fifteen minute period during which citizens may comment about Warwick city government issues subject to the following stipulations:

- a) The total period of time for public comment shall be 15 minutes. Comments need to be brief in order to allow as many citizens as possible to participate.
- b) The topics for comment shall be issues directly affecting City government.
- c) City Council members will not respond to questions during the public comment period.
- d) The public comment session will terminate at the expiration of 15 minutes. Waiver of this provision requires unanimous consent.

1. Philip D’Ercole: Friends of Warwick Pond would like to thank Council President Travis, Councilwoman Vella-Wilkinson, Councilman Solomon, Councilman Colantuono and all members of the Council for their support of \$1400.00 in 2017 Budget for Warwick Pond. PCO-1-16 should pass with the public’s amendments. Consent agreement is good but needs public comment.

These issues are critical to Warwick. Public has knowledge which should be used for the consent agreement. We want clean Warwick water.

2. Robert Cote: Budget Hearings; this Council unable to cut five cents from budget. Nothing gets done, who do you work for. Finance Chair should do research. Six of Council members have taken contributions from WFF's union. Retired Firefighters record keeping is an example of bad bookkeeping. Contracts should be adhered too. Sick and overtime abuse is going on in Fire Department. Fire Chief is unable to provide the proper documents for sick and unused time. We still do not have the audit, council requested. Council members should go home and look in the mirror, who do they represent?
3. Anthony Sinapi: PCO 15-16 Juvenile Hearing Board Ordinance; wording be changed to as necessary needs to be looked at for correct language. City's Network, I am terrified there are a lot of red flags, changes should be made. Audit security what problems are there and why isn't this procedure being done. The full audit should be given to Council so you can see what auditor's said. You need to know what's going on with inter structure.
