**RE: Letter of no proposed sign or freestanding sign at this time for the property located at 643 Commonwealth Avenue, Warwick, Rhode Island.**

Dear Principal Planner & Special Project Coordinator Henry,

Please accept this letter as the formal submission of Graham and Amanda Willoughby for the property located at 643 Commonwealth Avenue, Warwick, Rhode Island 02886 that the applicants are not proposing any sign or freestanding at this time.

Going through the process the applicant has not decided on a sign plan and thus does not have any information or plans regarding sign details. As requested, we do note an area on the plan where we plan to eventually put a sign, but nothing is concrete and proposed at this stage. The applicant has all intentions to comply and conform with the Zoning requirements of a sign in the area, and if after developing a plan they find that the proposed sign does not conform to Zoning, then we will seek the proper permitting through the City of Warwick.

Very truly Yours,

*/s/ Joseph Brennan, Esq.*
