Subj: Bid2023-294B Original Equipment Parts for Various Vehicles

The Automotive Division is requesting an exception to notice for vendors that did not submit a bid for OEM parts, however, these vendors are crucial to the repair of vehicles as they offer proprietary parts that cannot be purchased from any other vendor. This alone makes it a disadvantage to re-bid because if parts cannot be purchased it will cripple the entire City fleet and Fire department.

Please consider this memo a request for an exception to notice under Sec. 56-6 of the Warwick Code for RI Truck Center, Northland JCB, Wood Co., Coastal International, Norfolk Power, Vermeer Northeast, Tri-County Contractors, HEWS Company, Strobes & More, Hurd Auto Mall, Kahn Tractor, Kaman Industrial, Minuteman Trucks, NE Fire Apparatus, Cap City of RI, New England Detroit Diesel Allison, Ed & Matt Equipment, Ballard Mack Sales & Service of RI, Inc., The Peterbilt Store New England, LLC, High Ground Equipment, Fleetpride, RI Engine, Beam Truck and Body, Inc., Pioneer Heavy Duty Parts, Freightliner/Five Star Fire, Greenwood Fire, Jasper Engines & Transmissions, Factory Motor Parts, CN Wood, Sanitary Equipment, Howard Johnson, AJ Equipment, New Way, Allegiance Trucks, Flood Ford and Tasca Auto Group. This department is requesting the cap be included with the cap for bid number 2023-294A (OEM Parts).

Also, it should be noted that the City will be responsible for incurring freight charges from these vendors, if necessary, as they will not be held to a particular specification prohibiting those charges. This request will run concurrent with Bid2023-294A, February 18, 2023 to February 17, 2024, and share the same expenditure request as requested for that bid in the amount of \$856,600.

(65-250 - \$770,000)

(65-239 - \$50,600)

(65-214 - \$10,000)

(65-215 - \$16,000)

Re: 6 – 12 – Tyler Technologies

This is a request under City Ordinance 6-12 to increase BID # 2023-075 by \$5,100.00. This will bring the BID total to \$9,907.50 for Fiscal Year 2023. This increased amount will purchase an additional 4 days of PACE training plus travel expenses. The attached quote shows a charge of \$6,907.00. This is because they are crediting us the original purchase amount for the 5 days (\$3,307.50), and then re-invoicing us for the 9 days total (\$6,907.00). The net amount we will be paying for the training days is \$3,600. The Additional \$1,500 in the request is to cover Travel Expenses for the trainer over those 4 additional days.

Since upgrading the MUNIS system earlier this year, we have had an enthusiastic response by departments to leverage the features in the software in order to improve process efficiencies. We have exhausted our original PACE Training days for the year and still have 6 months to continue advancing the product. The cost of the additional 4 days is \$3,600.00, a slight increase in pricing from the June 2022 purchase, and we are including an additional \$1,500 to cover travel expenses for the Trainer. This contract runs from 7/1/2022 through 6/30/2023.

Tyler Technologies, 370 US Route 1, Falmouth, ME 04105, is the sole source for these services and as such, offers no alternative for The City of Warwick to obtain the required services.

The expense will be paid for out of Budget Code 25-301, Training and Education.

From: Eric J. Earls, Director of Public Works *EJE*

Subj: Recreonics

The Department of Public Works is requesting to purchase a new PAL2 Portable Pool Lift for McDermott Pool. This lift helps those that require assistance to get in and out of the pool with ease. The pool currently has one that was purchase in 2013 and fails to work regularly. This department has bid this item on three separate occasions and has not been successful in securing a bid to purchase this item.

This department is providing pricing from four different vendors that can provide this lift. Most vendors will require a shipping fee additional to the price of the unit. As such, we are requesting to purchase a new pool lift from Recreonics. We estimate the shipping fee to be approximately \$900, depending on the shipping method from the vendor.

Please consider this memo a request for an exception to notice under Sec. 56-6 of the Warwick Code for Recreonics in an amount not to exceed \$10,000 for the purchase of a new portable lift for McDermott Pool. This is a one-time purchase and therefore no contract period is necessary.
