Subj: Bid 2021-074 Snowplow Parts

The above was awarded by the City Council in the amount of \$12,000 for the purchase of snowplow parts. Due to two rather large necessary purchases at the beginning of the season, this department has nearly expended that amount. With several long months ahead with the likelihood of snow, this request is to increase the cap amount.

Please accept this memo as a request for Sec. 6-12, Alteration to Contract, of the City Charter to increase the original cap by \$10,000, from \$12,000 to \$22,000. This bid does not expire until November 18, 2021.

Subj: Bid2021-074 Repair Parts for Snowplows

Please be advised that we have reviewed the two bids submitted for the above and recommend award to Viking Cives and Cap City of RI as the lowest responsible bidders for purchase of the parts to make repairs, as necessary, on City snowplows. This department requests both vendors for award as they submitted bids that provided different materials, making both essential for purchases. The requested cap is in the amount of \$12,000. The current bid expires on November 18, 2020. The new contract period is November 19, 2020 to November 18, 2021.

Re: Request for Spending Authorization Bid # 2021-211 Recruit Medical Exams
Funding Source: Budget Code 30-335 Medical Examinations

Dear Ms. Peshka:

The department recently went out to bid for recruit medical exams. During the recruitment and hiring process of sworn officers, the police department is required to have each eligible candidate given a medical evaluation prior to entry in to the Rhode Island Municipal Police Academy. The department received bids from the following two vendors:

Occupational Health Center, dba Concentra Medical Center, 400 Bald Hill Rd Warwick RI 02886...\$175 per exam
Atmed Treatment Center, Inc. 1524 Atwood Ave. Suite 122 Johnston, RI 02919.....\$205 per exam

The next Rhode Island Municipal Police Academy class that will require exams is scheduled to start in July 2021. The police department anticipates 10-12 recruits will be required to obtain pre-employment physicals in preparation for that session of the municipal police academy. This being a 1 year contract would also cover the January 2022 session of the police academy, and as such, we are requesting funds that would cover 25 potential recruit physicals.

The department requests the bid be awarded to **Occupational Health Center, dba Concentra Medical Center**, 400 Bald Hill Rd Warwick RI 02886. The police department used this vendor in the past, and has found their services to be professional and appointment availability accommodating. In addition, their office location in the City of Warwick is also convenient. We also request to expend funds, not to exceed \$4,500.00. Funding would come from Police Operating budget 30-335 Medical Examinations. This contract would be for a 1 year period commencing 3/5/2021 thru 3/4/2022. The current contract expires 3/4/21.

Please contact me should you have any questions.

Re: Bid # 2021-224
E-Citation Mobile Printing Equipment
Funding Source: 30-240

Dear Ms. Peshka:

The department has gone out to bid for Bid # 2021-224 and received (2) two responses. The following companies submitted bids:

Scan Technologies, 2114 SW 75th Terrace, Gainesville, FL 32607
Sai Systems International Inc., 5 Research Drive Shelton, CT 06484

The department is recommending that a (1) one year contract be awarded to the overall lowest qualified bidder: **Scan Technologies**. This is for the purchase of E-Citation Mobile Printing Equipment to be bought on an as needed basis as older original equipment needs to be replaced. The E-Citation program is mandated by the State of Rhode Island. The project involves maintaining printing equipment and associated software in each of the active marked police cars of the department and allows tickets to be filled out on the cruisers laptops, the tickets printed in the car, and all information automatically sent electronically to the state RITT Court.

The current contract expires 03/26/21.

The department is requesting the ability to expend funds not exceeding \$6,500 during a 1 year contract from 03/27/21-03/26/22.

Funding for this purchase if approved is from the Police Department Operating Budget Code 30-231, Supplies-Computers.

Please feel free to contact me if you have any questions.

Subj: Sec. 56-6 – Various Vendors for OEM Parts – Bid2021-186B

The Automotive Division is requesting an exception to notice for vendors that did not submit a bid for OEM parts, however, these vendors are crucial to the repair of vehicles as they offer proprietary parts that cannot be purchased from any other vendor. This alone makes it a disadvantage to re-bid because if parts cannot be purchased it will cripple the entire City fleet and Fire department.

Please consider this memo a request for an exception to notice under Sec. 56-6 of the Warwick Code for RI Truck Center, Northland JCB, Wood Co., Coastal International, Norfolk Power, Vermeer Northeast, Tri-County Contractors, HEWS Company, Strobes & More, Hurd Auto Mall, Kahn Tractor, Kaman Industrial, Minuteman Trucks, NE Fire Apparatus, Cap City of RI, New England Detroit Diesel Allison, Ed & Matt Equipment, Sanitary Equipment Company, Inc., Ballard Mack Sales & Service of RI, Inc., The Peterbilt Store New England, LLC, High Ground Equipment, Fleetpride, RI Engine, Beam Truck and Body, Inc., Pioneer Heavy Duty Parts, Freightliner/Five Star Fire, Greenwood Fire and Lecal Equipment.. This department is requesting the cap be included with the cap for bid number 2021-186A (OEM Parts).

Should this Sec. 56-6, Exception to Notice not be approved, it will have a detrimental effect on City services as well as response time from the Warwick Fire Department. If the Automotive Division cannot make repairs to City vehicles, such as the Sanitation fleet, it becomes a health and welfare issue if household refuse cannot be picked up in a timely manner. As well, potholes will not be filled, potentially increasing claims for damages. With the snow season upon us, plow trucks will not be able to be serviced for clearing roadways. This department will not be able to service the fire department vehicles to have those emergency responding apparatus readily available for necessary calls.

Also, it should be noted that the City will be responsible for incurring freight charges from these vendors, if necessary, as they will not be held to a particular specification prohibiting those charges. This request will run concurrent with Bid2021-186A, February 18, 2021 to February 17, 2022, and share the same expenditure request as requested for that bid in the amount of \$780,600.

(65-250 - \$700,000)
(65-239 - \$50,600)
(65-214 - \$8,500)
