CITY OF WARWICK
FRANK J. PICOZZI, MAYOR

MEMORANDUM

TO: Patricia A. Peshka, Purchasing Agent

FROM: William R. Facente, Acting Program Coordinator / Housing Officer 

DATE: Monday, September 19, 2022

RE: Bid #2023-137 Apponaug Baseball Complex Site Improvements & Playground

Please accept this memorandum as request from the Office of Housing & Community Development ("Office") to have Bid#2023-137 Apponaug Baseball Complex Site Improvements & Playground be included on the October 3, 2022 City Council Finance Committee's Agenda for award. The Office is requesting that the Warwick City Council award Bid# 2023-137 Apponaug Baseball Complex Site Improvements & Playground to Yardworks, Inc., of Warwick with a bid amount of \$789,950.

The Office solicited bids on August 16, 2022 with a mandatory pre-bid meeting held on August 30, 2022 and a bid opening on September 13, 2022. Four (4) individuals, representing three (3) bidding firms attended the 30 August pre-bid. All of the firms that attended the pre-bid submitted a bids. Bids ranged in price from a low of \$630,400 to a high of \$789,950. After the bids were opened the Office received an email from Lucena Brothers, Inc. (the lowest cost bidder) rescinding their bid due to "a mathematical error", as a result the City was left with two (2) bids, Cardi Corporation of Warwick, in the amount of \$774,000 and Yardworks, Inc. of Warwick, in the amount of \$789,950.

The Office reviewed the bid submissions, while Cardi Corporation became the lowest bidder after the withdrawal of Lucena Brothers, and the Office is requesting that the City Council award the contract for Bid # 2023-137 Apponaug Baseball Complex Site Improvements & Playground to Yardworks, Inc. based on the firms project references, including Fr. Tirocchi Park in East Natick, and their utilization of MBE/WBE sub-contractors/suppliers (29% of total contract) as compared to Cardi Corporation's utilization (1.5%).

The Office was successful in receiving a 2022 DEM Recreation Grant in the amount of \$320,000 to offset the cost of construction and will be utilizing current & prior year CDBG funds in the amount of \$469,950 to cover the remaining cost.

Budget Codes to be charged: 500-41-210-019 (\$8,652.74), 500-41-210-021 (\$293,597.26), 500-41-210-022 (\$167,700), & 60-442 (\$320,000). Contract is term 1-year from award.

Re: Bid2023-174, "Original Equipment Manufacturer Parts for Various Vehicles"

Dear Mrs. Peshka,

The department has reviewed the two (2) bids received for Bid2023-174, "Original Equipment Manufacturer Parts for (OEM) for Various Vehicles".

Bids were received from the following companies:

1. Tasca Ford, 1300 Pontiac Avenue, Cranston RI 02920
2. Factory Motor Parts, 45 John Dietsch Blvd., North Attleboro, MA 02760

The Police Department is recommending that the bid for OEM parts be awarded to Tasca Ford, as they were the lowest, qualified bidder. However, specifically for item #1 (car batteries), the police department would like to split the bid between Tasca Ford and Factory Motor Parts. Factory Motor Parts is much easier to deal with than Tasca Ford, in regards to the warranty of the battery and receiving our credit back when a refund is warranted. We would also request that specific item's # 8, 9, and 10 be awarded to Factory Motor Parts because Tasca Ford did not bid on these items.

The current contract expires on 11/17/22.

The department is requesting \$95,000.00 for a one-year contract running from 11/18/22 through 11/17/23.

Funding for purchases under this bid would normally be allocated from the department's current operating budget, code 30-330, "Auto and Vehicle Maintenance". At times, however, such purchases may be made from the Insurance Proceeds Account #76-358, when repairs are being done to damaged vehicles for which we have compensation from insurance companies.

Please feel free to contact me should you need any further information.

Sincerely,

Michael Lima

Re: Request for Spending Authorization- GeTac F110 Tablets and Vehicle Mounting Hardware
Bid2023-176
Funding Source: Supplies- Computer 30-231

Dear Ms. Peshka,

The department went out to bid for GeTac F110 tablets and the vehicle mounting hardware associated with the GeTac F110 tablets. This equipment is utilized to both outfit new police cruisers and replace any worn or damaged parts in the older police vehicles. The GeTac F110 is the computer platform that all police officers use to run criminal history checks, vehicle registrations, wanted persons, etc. The tablets also provides officers with the dispatch console screen, so they can see all the calls for service that are occurring in the city. The department received three (3) bids from the following vendors:

1. Island Tech Services, 980 S. 2nd Street, Ronkonkoma, NY 11779
2. Holzberg Communications, Inc., P.O. Box 322, Totowa, NJ 07511
3. Connected Solutions Group, LLC, 8529 Meadowbridge Rd. STE 300, Mechanicsville, VA 23116

The department recommends the contract be awarded to Island Tech Services, who specializes in tablets/laptops. They were also the lowest, qualified bidder.

The current contract expires on November 8, 2022.

The department is requesting \$50,000.00 for a one year contract running from November 9, 2022 through November 8, 2023. Funding for this purchase, if approved, would be allocated from the Police Computers budget – 30-231.

Sincerely,

RE: Bid2022-268, 6-12 Alteration to Contract
Funding Source: Misc. Police Gear and Uniforms – Budget Code 30-260

Dear Mrs. Peshka,

The police department is requesting an additional \$45,000.00 in spending authority under Bid2022-268 "Ballistic Vests"

The police department had originally requested \$50,000.00 in spending authority for the ballistic vest bid that is scheduled to expire on January 30, 2023. We currently have \$14,338.97 in spending authority left. During this current contract we have purchased 29 vests. We anticipate on having to purchase 43 more vests by the end of this contract. The 43 anticipated vest purchases, includes six (6) current academy recruits and 37 officers whose vests have reached the five (5) year life span. If all 43 vests are purchased at the maximum allowable spending amount for each vest, the total cost would be \$55,249.84. The additional \$45,000.00 in spending authority we are requesting now, would allow us to cover these costs.

In order to meet contractual requirements provided for in Section 31 of the current CBA that allows officers to select a vest of their choice for which the department would pay the average cost of the top three (3) brands for a level 2A vest or the top three (3) brands for level 3A vest. This cost is reviewed each year and is currently set at \$1,121.40 per vest for level 2A and \$1,284.88 per vest for level 3A. Any costs over that amount are incurred by the officer.

The vests are replaced at the department's expense upon reaching the maximum life that is normally five (5) years unless the vest is traumatized or otherwise impacted by other elements. It should be noted that each vest purchased is specifically made for the individual officer. The department is not in the practice of purchasing vests in order to keep an inventory or stockpile body armor.

The department is requesting the original amount of \$50,000.00 in spending authority to purchase vests to be increased by \$45,000.00 to \$95,000.00. If approved, funding for this purchase would continue to be made from the Police Operating Budget, Budget Code #30-260"

Please feel free to contact me should you require any further information.

Sincerely

A handwritten signature in black ink that reads 'Michael Lima'.

RE: Request for Spending Authorization; Ballistic Vests for Police Officers
C.O. 56-6; Exception to Notice Requirement; Various Vendors
Budget Code 30-260

Dear Mrs. Peshka:

The department is seeking authorization to purchase ballistic vests from various vendors for police officers under the provisions of City Ordinance 56-6, "Exception to Notice Requirement" on an as needed basis.

The exception is requested in order to meet contractual requirements provided for in Section 31 of the current CBA that allows officers to select a vest of their choice for which the department would pay the average cost of the top three (3) brands for a level 2A vest or the top three (3) brands for level 3A vest. This cost is reviewed each year and is currently set at \$1,121.40 per vest for level 2A and \$1,284.88 per vest for level 3A. Any costs over that amount are incurred by the officer.

The vests are replaced at the department's expense upon reaching the maximum life that is normally five (5) years unless the vest is traumatized or otherwise impacted by other elements. It is anticipated that up to 50 officers (including new hires) will require new vests during the next 1 year contract. It should be noted that each vest purchased is specifically made for the individual officer. The department is not in the practice of purchasing vests in order to keep an inventory or stockpile body armor.

The department is requesting the amount of \$50,000 to purchase vests on an as needed basis. If approved, funding for this purchase would come from the Police Operating Budget, Budget Code #30-260 "Ballistic Vests."

The current contract expires on January 30, 2022.

The contract period would be valid from January 31, 2022 through January 30, 2023.

Please feel free to contact me should you require any further information.

Sincerely

Major Michael Lima
Administrative Bureau Commander

RE: Bid Recommendation: Various Vendors; Bid2023-170, "Various Auto Replacement Parts"

Dear Mrs. Peshka,

The department has reviewed the six (6) qualified bids received for Bid2023-170, "Various Replacement Auto Parts." The vendors are:

Action Auto Parts Inc., 795 North Main St., Providence, RI 02904
Raps Auto Supply (NAPA), 3666 West Shore Rd. Warwick, RI 02886
Tasca Parts LLC, dba Slater Auto Parts, 25 Slater Rd. Cranston, RI 02920
East Coast Terminals Inc. 267 Allen St., Springfield, MA 01108
Advance Stores Company, Inc. dba Advance Auto Parts, 2634 E. Millbrook Rd., Raleigh, NC 27604
O'Reilly Automotive Stores, Inc. dba O'Reilly Auto Parts, 2680 West Shore Rd, Unit D., Warwick, RI 02889

The department is recommending that the bid be awarded and split between Slater Auto Parts, Action Auto Parts, Raps (NAPA) Auto Supply, and East Coast Terminals:

- 1) Slater Auto Parts, Action Auto Parts and Raps (NAPA) offered the lowest, qualified bids. We have used all three vendors in the past and they have all proven themselves with quick delivery and good pricing. Raps are also Warwick based within a mile of the police department, which enables parts to be picked up quickly. The necessity to continue to split this bid is because in the past year we are still seeing delays in product availability and shipping delays. The option of having three (3) vendors will hopefully mitigate this concern to a degree.
- 2) East Coast Terminals only bid on electrical parts, necessary for garage operations, such as switches, zip ties, electrical tape, and butt connectors.

NOTE - While we do not anticipate spending a considerable amount of money with East Coast Terminal, they were included because of their ability to provide our department with these specialty products.

We request permission to expend up to \$40,000.00 in total for various auto parts. This contract would be for one year; 11-18-2022 through 11-17-2023. Funding for these purchases, if approved would be allocated from the department's budget, code 30-330, "Auto and Vehicle Maintenance".

The current contract expires on 11-17-2022. Please feel free to contact me should you require any further information.

Sincerely,

Commander Michael Lima
Deputy Chief of Police

Re: Request for Spending Authorization- Motorola Two Way Radio Accessories,
Replacement Parts & Vehicle Mounting Hardware
Bid2023-177
Funding Source: Parts-Communication 30-271

Dear Ms. Peshka,

The police department went out to bid for accessories, replacement parts, and vehicle mounting hardware for Motorola two way radios. These items are will be used for both the radio system in each police cruiser and the portable radios that our officers carry on their person. The department received two (2) bids from the following vendors:

1. Industrial Communications, 1019 E. Euclid Ave. San Antonio, TX 78212
2. Holzberg Communications, Inc., P.O. Box 322, Totowa, NJ 07511

The department recommends this bid be awarded to Industrial Communications, who was the overall lowest, qualified bidder. This current contract expires on November 8, 2022.

Funding for this purchase, if approved, would be allocated from the Police Communications-Parts budget (30-271), for an amount not to exceed \$25,000.00. This would be a one year contract starting on November 9, 2022 through November 8, 2023.

Sincerely,

RE: Bid Recommendation: Bid2023-169 "Police Motorcycle Repairs"

Dear Mrs. Peshka,

The police department went out to bid to seek a qualified vendor for the repairs of our motorcycle fleet as needed. The department received one (1) qualified bid for Bid2023-169, Police Motorcycle Repairs. The vendor is:

Russ' Ocean State, Inc., DBA Russ' Ocean State Harley –Davidson, 35 Albany Rd. Warwick, RI 02888

The department is recommending that the bid be awarded to **Russ' Ocean State Harley-Davidson** as the overall lowest, qualified bidder. Russ' Ocean State Harley-Davidson is also a Warwick-based business. Their bid was exactly the same as last year's bid. The police department will pick up and deliver the motorcycles to Ocean State Harley-Davidson when applicable, thus negating the \$85 fee.

The Warwick Police Department does have a fully staffed garage with certified mechanics operating therein. However, none of our mechanics are certified in the repair of Harley-Davidson motorcycles. Allowing our mechanics to work on these motorcycles, even for the smallest repair would not be prudent and could result in liability to the agency and the City of Warwick. The police department currently has a fleet of 6 motorcycles, including 2010 through 2022 Harley Davidson Electra Glide model FLHTP motorcycles. These motorcycles are essential to the mission of the traffic unit; they provide funeral escorts, VIP escorts and are utilized to conduct traffic enforcement.

We request permission to expend up to \$15,000.00, which if approved, would be allocated from the department's budget, code 76-358, "Insurance Proceeds" and/or the department's budget code 30-330, "Auto and Vehicle Maintenance". This contract would be for one year; 12/13/22 through 12/12/23.

The current contract expires on 12/12/22.

Please feel free to contact me at 468-4230, should you require any further information.

RE: Vehicle Window Tinting
Bid2023-173
Funding Source: Auto/Vehicle Maintenance - 30-330

Dear Ms. Peshka,

The Police Department went out to bid for window tinting for police vehicles. This would include all of our marked and unmarked vehicles.

We received one (1) bid from the following vendor:

All Mobile Towing & Recovery, LLC P.O. Box 14544, East Providence, RI 02914

The police department recommends **All Mobile Towing & Recovery, LLC** be awarded this contract as the overall lowest bidder. Most often, we are seeking to only have the front two windows tinted. There is no contract currently in place. If approved, it will be funded by Police Operating budget code: 30-330, for an amount not to exceed \$3,000.00 and expire one year from the date of award. Purchases will be made on an as needed basis.

If you have any questions or concerns, please contact me at 468-4230.

Re: 6-12 Computer Hardware Purchases BID 2023-073

This is a request under City Ordinance 6-12 to amend Bid 2023-073, expiring June 30, 2023, increasing the spending authority by \$29,736.08. This will bring the total of this Bid to \$79,736.08. This increase will be used to purchase two (2) new application servers for the Fire-Department's Dispatch Operations Application. They will be deployed in tandem to offer a High-Availability environment to ensure continuous operation within the department. The cost of the two (2) servers is 22,736.08. We are requesting an additional \$7,000 to cover potential software and integration services. This request would retain the June 30, 2023 through date of the Bid as well as the previously approved acceptable vendor list.

The current server configuration in use has become unreliable and is no longer covered under support. A failure of the hardware would render the Dispatch application useless and manual back-up procedures would have to be implemented until replacement hardware could be obtained and configured. With this request we are being pro-active; replacing the hardware with a supported configuration that would offer higher reliability and a much faster recovery time.

Funding for this expenditure will come from 34-354 which is the Fire Department's Emergency Operations budget.

Re: 6-12 Computer Hardware Purchases BID 2023-073

This is a request under City Ordinance 6-12 to amend Bid 2023-073, expiring June 30, 2023, adding in one vendor to the acceptable vendor list. This request would retain the June 30, 2023 through date of the Bid as well as retain the current spending authority.

With the addition of the digital time clocks being used throughout the City, we have in essence added a new type of computer to our infrastructure. These digital time clocks, like computers, do break at times and are not cost-effective to repair in most cases. Since they are tied to the EasyWorkforce Time Tracking system, they are proprietary to that company. For that reason, I would like to add:

Easy Workforce Software
3141 Commerce Pkwy
Miramar, FL 33025

As an authorized vendor to this bid. They do not sell non-time clock related equipment so they would only be used for this narrow product range.
