Request for Spending Authorization-Ammunition  
Bid#2020-229  
Funding: WPD Operating Budget-Code #30-236

Dear Mrs. Peshka,

The Police Department went out to bid for ammunition under Bid 2020-229 and received three bids from the following vendors:

AAA Police Supply, 940 Providence Highway (Rt1) Dedham MA 02026  
Eagle Point Gun/T.J. Morris & Son, 1707 Third St., Thorofare, NJ 08086  
RTP Armor LLC. 3501 McLaughlin Dr. Lincoln, NE 68516

Based on a comparison of prices for the items submitted, and their exemplary customer service in terms of delivery and accommodations, the Police Department is recommending that this award be awarded to **AAA Police Supply**. AAA Police Supply was the lowest bidder on Item #6, and only slightly more expensive on the remaining items than Eagle Point Gun. Both AAA Police Supply and Eagle Point Gun prices were substantially less than RTP Armor.

Notably, Eagle Point Gun provided a delivery window between one and four months. Attached to their bid form was a letter from T.J. Morris that provided in part, "The bid called for a 30 day delivery time. No one could guarantee that for a contract that the bid says runs through March 2021. I have quoted 30-120 days ARO which is what the manufacturers have told us to quote." He also states: "The prices includes the freight, tailgate delivery, and would normally be a drop ship direct from the manufacturer to your department."

The police department has used AAA Police Supply for the last several years. In their bid, they quote two days ARO. AAA Supply maintains a warehouse of in-stock ammunition, unlike Eagle Point Gun. During the last several years, they have consistently hand delivered items to the police department within two days of the order being placed. Their customer service and quick delivery time have been consistent throughout our previous contracts with them.

Ammunition purchased under this bid will be for the department's annual qualification, night shoot in-service training, remedial training as necessary, SWAT Team training and for our recruits who will be attending the Rhode Island

Municipal Police Academy. A potential four month wait for ammunition would be more than merely an inconvenience—it would affect our ability to train and to keep patrol shifts adequately staffed—thus affecting public safety.

If approved, financing for these purchases would be from the Police Department Operating Budget, Budget code # 30-236, Range and Target supplies, for a total not to exceed **\$35,000.00**. The current contract expires on 3/20/2020. **This contract would be for one year commencing on 3/21/2020 and running through 3/20/2021.**

Sincerely,

Lori Michailides

Major

Administrative Bureau Commander
