Subj: Sec 56-6 MHQ, Inc

The vendor that was originally awarded the purchase of the aerial lift truck has been unresponsive to the upfitter. Due to the volatility of the automotive market and price increases, the upfitter, CUES has engaged with MHQ to provide the City of Warwick with this vehicle that is sorely needed. It is vital to have this purchase is approved or the cost of this vehicle will continue to rise if it is not locked in. The original vendor award was \$165,725.00. The cost of this vehicle through MHQ is \$169,832.70. The difference in price is \$4,107.70. The vehicle quoted is a 2022. If there is a delay of this purchase, this vehicle will be a 2023, with a price increase.

Please consider this memo a request for an exception to notice under Sec. 56-6 of the Warwick Code for MHQ to purchase this aerial tree truck. Funds will be drawn from the lease purchase. This is a one-time purchase therefore no contract period is necessary. Please note that the Finance Department is aware of the price increase and has approved cost of this purchase.
