3275 POST ROAD
WARWICK, RHODE ISLAND 02886

JOSEPH J. SOLOMON
MAYOR

RUTH NICASTRO
BUYER/INSPECTOR

401-921-9703

To: Honorable Members of the Finance Committee
From: Ruth Nicastro, Purchasing Department 
Regarding: Section 6-12 – MPA 105 – Bid 2017-061/ WBMason
Date: June 3, 2019

The State of Rhode Island has extended the Master Price Agreement (MPA – 105) for General Office Supplies, School Supplies, Standard Paper and Toner for one additional year through June 30, 2020. Currently the bid expires on 6/30/2019.

The Master Price Agreement covers the purchase and supply of general office supplies and the above mentioned items on an as needed basis for the State.

The City of Warwick receives superior pricing by piggybacking this state bid. The Purchasing Division still continues to check other vendors' pricing on these items to ensure we are receiving the best possible deal for the City of Warwick. Also included through the awarded vendor are the discounts of 2.25% offered to the city on purchases and a cash rebate at the end of the fiscal year based on the city's volume of purchases.

I am therefore requesting that the Purchasing Division be authorized to continue to participate in State of Rhode Island MPA 105 for an additional year, expiring 6/30/2020.

Thank you for your time and consideration in this matter.

Good Morning Meredith,

Once again I am seeking a status on the Office Supplies bid, State MPA 105.

I would like to go before council on June 17th to be granted permission to once again piggyback the state bid.

Any information you can share with me on the status?

Just trying to stay current.....regards,

Ruth M. Nicastro
Buyer/Inspector

To: Honorable Members of the Finance Committee

From: Patricia A Peshka, Purchasing Agent *PAP*

Date: July 5, 2016

Subject: Section 56-10, State of RI, MPA #105 General Office Supplies, School Supplies, Standard paper and toner.

The State of Rhode Island recently went out to bid on Master Price Agreement (MPA-105) for General Office Supplies, School Supplies, Standard Paper and Toner. The awarding vendor is again WB Mason, out of Cranston RI, for a term of three years from July 1, 2016 to June 30, 2019. This Master Price Agreement covers the purchase of general office supplies, school supplies, standard paper and toner as stated in the title.

As you will recall, the City of Warwick enjoyed superior pricing by piggybacking this bid in the past as well as receiving monthly discounts offered by the winning vendor and a cash rebate at the end of the fiscal year based on the City's volume of activity. It is our hope with your approval to continue doing this in the future.

We are requesting that the Purchasing Division and Various Departments be authorized to piggyback the State bid, MPA 105, for the new three year term negotiated by the State of RI Purchasing Division. This request is to cover purchases from July 1, 2016 until June 30, 2019 on an as needed basis. Various Departments will purchase items from the stock carried by the Purchasing Division for their use, or they will order directly from the vendor for items not included in the Purchasing Divisions stockroom inventory. Additionally, the Purchasing Division will continually check other vendors pricing to assure that we are receiving the best price under the State MPA.

Thank you for your consideration in this matter.

pap

JUN 03 2019

WARWICK
WATER DIVISION

MEMO

To: Patricia A. Peshka, Purchasing Agent
From: Daniel O'Rourke, Chief of Water Division 
Date: May 29, 2019
Subject: Bid #2017-222-Analytical Testing of Water Samples

As you are aware, the Warwick City Council awarded a contract to Rhode Island Analytical Testing of water samples for the period April 26, 2017 through April 25, 2019 for an amount not to exceed \$24,000 based on anticipated required federal and state testing. Subsequent to that award the City Council amended the contract for an additional \$14,588.50 for a new contract amount of \$38,588.50

Attached are two invoices for the month of March 2019 and April 2019 which exceeds the remaining drawdown bid balance of \$1096.50. Unfortunately, I did not accurately calculate estimates for the required known daily and miscellaneous samples (customer concerns, water breaks and unforeseen relocation of water lines) through April 25th within the bid contract period. In short, the dollar amount in excess of the awarded contract was exceeded by \$1104.

The breakdown is as follows:

(Bid#2017-222)

Contract award- \$24,000 (April 2017-2019)

Section #6-12 Increase \$14,588.50 (August 2018)

New contract amount- \$38,588.50

Additional #6-12 request- June 2019- \$1104.00

New Total- \$39,692.50

Therefore, in light of the aforementioned reasons to conduct mandatory bacteriological testing in excess of the previously estimated amount, I am requesting permission under Section #6-12, Alteration to Existing Contract of the Warwick Code of Ordinances to increase the bid award by \$1,104.00 to cover the attached invoices. Therefore, the new total contract amount will be \$39,692.50. Funding for this increase will originate from F.Y 2019, budget code 84-384.

If you have any questions or need additional information, please contact me at extension 9734.

July 27, 2018

To: Patricia Peshka, Purchasing Agent
From: Dan O'Rourke, Chief of Water Division 
Subject: Bid # 2017 - 222 Analytical Testing of Water Samples

As you are aware, the City Council awarded a contract for analytical testing of water samples for the period April 26, 2017 through April 25, 2019 for an amount not to exceed \$24,000. The projection I submitted was based on the fact that all indications were we would not have to continue with an additional year of citywide lead and copper testing, TTHM/HAA5 testing, and the myriad amount of miscellaneous sampling due to construction and customer concerns. In short, I underestimated our required monthly testing and did not anticipate the continued federally required testing.

Below is a breakdown of the anticipated additional funding which will be required during the remainder of the contract period:

- A) Monthly Bacteriological Testing \$9,992.50
(1,142 samples @ \$8.75/sample)
 - B) Lead and Copper Testing \$1,000
(50 samples @ \$20.00/sample)
 - C) HAA5 Testing \$1,764.00
(24 x \$73.50)
 - D) TTHM Testing \$1,332.00
(24 x \$55.50)
 - E) Miscellaneous Samples \$500.00
(Storage tanks, water breaks, customer concerns)
- TOTAL \$14,588.50

Therefore, in light of the aforementioned circumstances, I am requesting that the original contract be amended under Section #6-12 Alteration to Existing Contract for additional amount not to exceed \$14,588.50. The revised contract award will be \$38,588.50. Funding is available in fiscal year 2019 under budget code 84-384.

If you have any questions or need additional information, please contact me at extension 9734.

Re: Bid2018-060 Tire Repairs & Recapping

The above bid was awarded by the City Council in the amount of \$230,000 for a two-year period. The bid does not expire until September 7, 2019 and the award amount has nearly been exhausted. This department is requesting an increase of \$40,000 on the cap. This request will allow for expenses for the remainder of fiscal year 2019 and the remainder of the contract period for fiscal year 2020.

Please consider this memo a request for Sec. 6-12, alteration to contract, of the City Charter to continue services with Sullivan Tire for tire repairs and recapping, increasing the award amount from \$230,000 to \$270,000, an increase of \$40,000. This bid expires on September 7, 2019.

Re: Bid# 2018-207 – CPA Consulting Services for the Warwick City Council - Marcum

Please accept this memo as a request for a Section 6-12, alteration to a contract. The request is to extend the term of the contract from January 1, 2019 to June 30, 2020. The Department is also requesting additional funding in the amount of \$165,000. The bid commenced in January-2019 and is being extended to allow for exploration options as needed. The funding source is as follows:

- FY 2019, Account 16-360 (Professional Services) = \$50,000
- FY 2020, Account 16-360 (Professional Services) = \$115,000

Respectfully submitted,

Ed Ladouceur, Finance Chairman

Re: Bid Recommendation – Police Department
Bid# 2020-037 Medications for Emergency Medical Services, Section 6-12
Funding Source: Budget Code 30-230 Community Police

Dear Mrs. Peshka:

The department has reviewed the (2) two bids received for Bid #2020-037, “Medications for Emergency Medical Services.” The following is the list of bidders that provided a price on Item # 31:

1. Bound Tree Medical, LLC, 5000 Tuttle Crossing Blvd., Dublin, OH 43016
2. Henry Schein Inc., PO Box 3227, Irmo, South Carolina 29063

The police department recommends Bound Tree Medical, as they are the lowest qualified bidder and we request permission to spend up to **\$2,000.00** on an as needed basis, for this award.

Currently, officers carry a 2mg Naloxone dose with an applicator that requires assembly. On average, when officers administer Naloxone, they are utilizing at a minimum two doses. With this in mind, the police department seeks to purchase a 4mg dose with an all in one applicator that doesn't require assembly.

If approved, this purchase will be paid for from the Police Department Operating Budget, Budget Code # 30-230, Community Police. The contract would be valid for a one year period from July 21, 2019 through July 20, 2020. The current contract expires July 20, 2019.

Please feel free to contact me if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads 'Lori Michailides'.

Major Lori Michailides
Administrative Bureau Commander

AND BE IT FURTHER RESOLVED, That such purchase or contract be awarded to the lowest responsible bidder.

1. Request permission to increase and extend PCR-103-18 (Sub A). Increase from \$10,000.00 to \$20,000.00. Extend from June 7, 2019 – June 6, 2020. MPA #78.
2. Request permission to increase PCR-118-18 (Sub A/Corrected) from \$782,500.00 to \$892,734.48. **Crown Castle:** from \$90,000.00 to \$99,000.00. **Cox Communications:** from \$692,500.00 to \$793,734.48. **Crown Castle:** \$9,000.00. **Cox Communications:** \$101,234.48.
3. Request permission to increase PCR-83-16 (Sub A) from \$21,038.46 to \$21,539.56 and to award items 28 and 29 to Full Circle Recycling.
4. Request permission to piggyback MPA #230.

THIS RESOLUTION SHALL TAKE EFFECT UPON ITS PASSAGE

Warwick Fire Department
111 Veterans Memorial Drive
Warwick, Rhode Island 02886

May 20, 2019

Patricia Peshka
Purchasing Agent
City of Warwick

The bid for *Medications for Emergency Medical Services #2020-037* has been carefully reviewed by the Fire Department.

Two (2) vendors submitted bids and after evaluating pricing, the following vendors have met all the specifications outlined in our request and have proposed the lowest prices. Therefore, I recommend the bid be awarded to the following vendors:

Bound Tree Medical, Dublin OH

Henry Schein, Irmo SC

After tabulating the bid prices, we found that of the 50 items that were specified that Bound Tree Medical was the lowest on 27 of the items and Henry Schein was lowest on 23 items. The Fire Department believes that it is of vital importance that more than one vendor be awarded due to the common availability issues we experience when ordering medications. Having two vendors will allow us to purchase life-saving medications from one vendor if the other vendor has the medication on a significant backorder.

Items will be purchased on an as needed basis from budget code 35-367 EMS Supplies & Equipment.

The current bid expires on 7/20/19 and, if approved, the new bid will be in effect for a 1-year period beginning 7/21/2019 for an amount not to exceed \$3,000.

Please contact me should you have any questions.

Jason Umberhauer
Assistant Chief

Email: Jason.Umberhauer@warwickri.com

POLICE ONLY

Re: Bid # 2020-038 Medical Supplies and Equipment (Rubber Gloves), Section 6-12
Funding Source: 30-260 Misc Police Gear

Dear Mrs. Peshka:

The Warwick Police Department has received (6) six bid responses on Bid # 2020-038. The following 3 companies provided responses for the rubber gloves (Item #165) the department is looking to purchase:

Bound Tree Medical LLC; 5000 Tuttle Crossing Blvd., Dublin, OH 43016
Concordance Healthcare Solutions, LLC; 85 Shaffer Park Drive, Tiffin OH 44883
Henry Schein Inc., PO Box 3227; Irmo SC 29063

After reviewing the bid, we recommend awarding the bid to **Concordance** who was the overall lowest qualified bidder. Each officer is required to carry a pair of rubber gloves that are to be used to protect themselves against exposure to blood borne pathogens, narcotics, as well as a host of other things that a police officer may encounter during their tour of duty. This requirement is not only indicated in our Policy and Procedures but is a matter of common practice and common sense.

We request permission to purchase up to **\$2,000.00** during the one year contract. Funding, if approved, would come from Budget Code # 30-260 Misc Police Gear. The current bid expires July 20, 2019. The new contract would be from July 21, 2019 – July 20, 2020.

Please feel free to contact me if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads 'Lori Michailides'. The signature is written in black ink and is positioned above the printed name.

Lori Michailides
Major
Administrative Bureau Commander

CITY OF WARWICK

STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS

RESOLUTION OF THE CITY COUNCIL

NO: _____

Fax: (401) 468-4043

Warwick Fire Department
111 Veterans Memorial Drive
Warwick, Rhode Island 02886

May 20, 2019

Patricia Peshka
Purchasing Agent
City of Warwick

The bid for *Medical Supplies and Equipment #2020-038* has been carefully reviewed by the Fire Department.

Six (6) vendors submitted bids and after evaluating pricing, the following vendors have met all the specifications outlined in our request and have proposed the lowest prices. Therefore, I recommend the bid be awarded to the following vendors:

Bound Tree Medical, Dublin OH

Henry Schein, Irmo SC

Concordance Healthcare Solutions, LLC

After tabulating the bid prices, we found that the three vendors had significantly lower pricing on certain areas of medical supplies and equipment than the others. For this reason, the Fire Department believes that it is in the best financial interest of the City to award the bid to all three vendors. In reviewing the bids submitted, it became obvious that the vendors appear to have a distribution focus in certain areas, i.e. disposable items vs. durable medical equipment. By splitting this bid into smaller, more specific categories, the Fire Department hopes to avoid awarding of bids to more than two vendors in the future.

Items will be purchased on an as needed basis from budget code 35-367 EMS Supplies & Equipment.

The current bid expires on 7/20/19 and, if approved, the new bid will be in effect for a 1-year period beginning 7/21/2019 for an amount not to exceed \$65,000.

Please contact me should you have any questions.

Jason Umbehauer
Assistant Chief

Patricia Peshka
Purchasing Agent
City of Warwick

The bid for *Janitorial & Cleaning Supplies for the Fire Department #2019-311* has been carefully reviewed by the Fire Department.

Ten (10) vendors submitted bids and after evaluating pricing, the following vendors have met all the specifications outlined in our request and have proposed the lowest prices. Therefore, I recommend the bid be awarded to the following vendors:

W.B. Mason, Cranston, RI

Banner Systems, Brockton, MA

After tabulating the bid prices, we found that that these two vendors had consistently lower pricing on most of the items specified. For this reason, the Fire Department believes that it is in the best financial interest of the City to award the bid to both vendors, as we do not foresee a hinderance from purchasing items at a lower cost between these two vendors. The Fire Department has done business with both vendors in the past and do not anticipate any issues.

Items will be purchased on an as needed basis from budget code 35-331 Custodial Supplies.

The previous bid, which was a piggyback of the State MPA, expired on 3/31/19 and, if approved, the new bid will have an effective date of 7/1/2019 through 6/30/2020, for an amount not to exceed \$14,000.

Please contact me should you have any questions.

Re: Request for Spending Authorization- APX8000 All Band Portable Radio
Bid # 2020-042
Funding Source: Emergency Management 34-354

Dear Ms. Peshka:

In reference to specific communications needs of the city's Emergency Management Director, the department went out to bid for an APX8000 All Band Portable Radio, with two bids being received:

1. CyberComm Inc., 90 Colorado Ave Warwick RI 02888, and
2. BK Technologies, Inc. 7100 Technology Dr. West Melbourne, FL 32904.

The radios from BK Technologies have not been tested on the system yet, and therefore, are not currently allowed on the state's 800 MHz network. As such, I am recommending awarding this bid to CyberComm as the only qualified bid received. Total bid price for the equipment is **\$6,847.24**.

This radio will be used by myself in my capacity as the City's EMA director and will give me access to the UHF band (used by the police department), VHF band (used by the fire department), and 800Mhz radio band to be used throughout the state in the event of an emergency. This replaces the three portable radios I currently use to communicate with various agencies in an emergency or during an incident in one single radio.

Funding for this purchase, if approved, would be allocated from the Emergency Management Budget Code 34-354. There is no current prior bid or contract in place. The contract period will be 07/01/19 through 06/30/20.

Please feel free to contact me should you require any additional information.

Respectfully,

A handwritten signature in black ink, appearing to be "Rick J. Rathbun".

Rick J. Rathbun
Colonel
Emergency Management Director

MAY 30 2019

COPY

Current UHF, VHF, and 800 MHZ portable radios used by EMA Director for communicating during an emergency, incident or event.

APX™ 8000 ALL-BAND P25 PORTABLE RADIO

UNLIMITED MOBILITY. UNCOMPROMISING PERFORMANCE.

Take command with a 4-in-1 radio that offers limitless interoperability, the clearest, loudest audio and seamless Wi-Fi® connectivity. The compact, rugged and secure APX 8000 redefines mission critical communications.

ALL BANDS, NO BOUNDARIES

With four RF bands and multi-mode system access, the APX 8000 knows no limits when it comes to interoperability. Communicate across borders using a single device. Use analog MDC 1200 or digital P25 mode, conventional or trunked operation, SmartNet or SmartZone legacy systems, clear or secure - all across 7/800MHz, VHF and UHF Range 1 & 2 bands.

HEAR AND BE HEARD MORE CLEARLY

Whether it's loud or windy, whether you whisper or yell, the APX 8000 adaptive audio engine and ultra-loud speaker brings clarity into every conversation. The radio dynamically changes the level of noise suppression, microphone gain, windporting and speaker equalization on the fly to consistently produce the loudest, clearest audio in any environment.

VOICE AND DATA, ALL AT ONCE

With Wi-Fi® access, the APX 8000 can quickly receive new codeplugs, firmware and software features, as users keep talking without interruption. You can even connect to a broadband LTE network using the Data Modem Tethering feature. Mission-Critical Wireless Bluetooth® connects you quickly and securely with remote speaker microphones, surveillance kits and LEX Mission-Critical LTE devices for radio remote control.

FIT FOR THE MISSION

Intuitively designed with a familiar look and feel, the compact APX 8000 is always comfortable to use, from your holster to your grip. It contains 4 radio bands packaged into the award-winning design of the APX 6000. The all-band antenna is flexible so it doesn't get in the way.

RUGGED, ROBUST & RELIABLE

With a water-tight seal, drop-resistant dual battery latch, pressure-tested tempered glass display and a shock-absorbing aluminum alloy endoskeleton, the APX 8000 is ready for unpredictable environments. It can survive 2 meter water submersion for 2 hours (IP68) and Motorola's renowned Accelerated Life Test.

DESIGNED TO SECURE & PROTECT

The APX 8000's voice and data is secured by multiple hardware encryption algorithms (AES, DES, ADP), up to 128 keys and the ability to re-key over the air so that sensitive information stays protected from scanners and eavesdroppers. P25 Radio Authentication ensures only valid users can access the system while two-factor authentication allows users to securely log in to databases.

WIRELESS CONNECTIVITY & SECURITY

Frequency Range/Bandsplits:

Bluetooth: 2402 - 2480 MHz, WLAN (Wi-Fi®): 2400 - 2483.5 MHz

WLAN (Wi-Fi®) 802.11 b/g/n supports WPA-2, WPA, WEP security protocols; radio can be pre-provisioned with up to 20 SSIDs

Mission Critical Wireless Bluetooth 2.1 uses 96 bit encryption for pairing & 128 bit encryption for voice, signaling and data. The radio BT supports up to 6 data connections and 1 audio connection.

Bluetooth Low Energy uses 128-bit AES-CCM encryption

Finance Committee Members,

I spoke to Tony Degerlia from Comtronics Corp in Quincy MA while looking into vendors who did not bid on the RFP posted on May 1st for an all band Motorola APX8000 Radio for the EMA Director's use.

I learned that Motorola only authorizes their approved vendor(s), in this case, Cybercom, to bid on this particular model radio because of the 800mhz capability. I believe that is because of state EMA radio system requirements. This means we could purchase in one of two ways: directly from Motorola or through Cybercom, who uses Motorola's government pricing (Motorola's MPA Quote) for a set price by the company.

Bottom line no other vendors were authorized to bid by Motorola and the second bid was not for the item we requested in the RFP but the company's own "proprietary" radio that wouldn't be authorized for use on the states 800 MHz radio system.

Respectfully,

*Colonel Rick J. Rathbun
Chief of Police
Warwick Police Department*

Subj: Bid2020-049 Winter Sand

Please be advised that we have reviewed the four bids submitted for the above and recommend award to We Lease It, Inc. and Cardi Corporation as the lowest responsible bidders. The request to award two vendors for this bid is being made so that in the event the lowest bidder is unable to make delivery for the purpose of treating City roads during winter storms, there is an alternative in place to secure the product. The current bid expires on June 30, 2019. The new contract period is July 1, 2019 to June 30, 2020. The requested cap is \$40,000 for a one-year period.

Subj: May Foodservice Equipment

It has been brought to the attention of this office that calls for service were made to the above company for repairs to the dishwasher at the Pilgrim Senior Center. This facility serves lunch to seniors daily and cannot do so without a functioning dishwasher. Due to the importance of the lunch program for seniors that utilize the Pilgrim Senior Center, as well as a health and safety issue for keeping a sanitary environment, it was with the utmost importance that the repair be made immediately. This local vendor was available to assess and make the repairs as quickly as possible.

Please consider this memo a request for an exception to notice under Sec. 56-6 of the Warwick Code for May Foodservice Equipment in the amount of \$1,758.80 for the repair of the dishwasher at the Pilgrim Senior Center.. Please note that this is a one-time purchase.

Re: 56-6 – Exception to Bid – Symposium Technologies USA, Inc. - Bid 2019 – 322

This is a request under City Ordinance 56-6, Exception to Bid, to award the annual service and support contract for the Horizon Event Management Environment Software to Symposium Technologies USA, Inc. in the amount of \$27,295.00, as the sole provider of this service. This software provides the Fire Department a real-time web-based emergency response platform which includes computer-aided dispatch, E911 ANI/ALI data integration, in-vehicle response system, map-based mobile response alerting system and a station monitoring feature. The Fire Department has been using Symposium Technologies since April of 2016. The previous bid expired on April 30, 2019.

This support contract runs from May 1, 2019 through April 30, 2020. This invoice was just received at the end of May which is the reason that this does not afford the requested 60 day notice to the Council. You may even notice that the Invoice itself is dated May 2nd, one day after the commencement of the contract.

Symposium Technologies USA, Inc., 81 Mill Way, PO Box 1180, Barnstable, MA 02630, is the proprietary owner of this software and as such are the Sole Source for the service and support of the product.

This expense is budgeted in and will be paid for out of Budget Code 25-334.

Cc: Brian Silvia, Finance Director

June 4, 2019

To Whom it May Concern,

Symposium Technologies USA, Inc. develops, markets, sells and supports Horizon EME, a Computer Aided Dispatch system for the Fire Service.

Liberty Business Systems, Inc. is the exclusive Authorized Representative of Horizon EME in New England. We are authorized to promote, sell, install, maintain and provide training for Horizon EME in the state of Rhode Island.

Sincerely,

Peter Eleftherakis

3 June 2019

Mrs. Peshka,

The Fire Department is seeking a 56-6 exception to bid for the purchase of a replacement engine for Rescue 4. Rescue 4 is a 2012 International Terastar ambulance. Coastal International from Warwick, RI, is the sole vendor for OEM parts in Rhode Island. The repair division notified this department that Rescue 4 is in need of engine replacement and that this is the most cost effective solution. The total cost for engine replacement is \$25,299.67.

Sincerely,

Pete McMichael

MATHEW SOLITRO
DIRECTOR

To: Patricia Peshka, Purchasing Agent

From: Mathew Solitro, Director of Public Works *MS*

Date: May 15, 2019

Subj: The Pennsylvania Globe Gaslight Co.

The Public Works Department is requesting to purchase three (3) new decorative light poles for Conimicut Village. These light poles have been all been knocked down due to traffic accidents. The above vendor is the original manufacturer and sole source provider of the existing light poles and therefore the bid process is moot. The department is preemptively making this request to purchase the light poles so when the insurance proceeds are received the purchase order can be issued. There is a lead time of 8 to 10 weeks for receipt of the material. Purchase orders will not be issued until the monies are received. This is a one-time purchase.

Please consider this memo a request for an exception to notice under Sec. 56-6 of the Warwick Code for The Pennsylvania Globe Gaslight Co. in the amount of \$19,312.50 (\$6,437.50 each) for the purchase of three decorative light poles.

RE: Request for Spending Authorization- Cellebrite UFED Software Renewal
56-6 Exception to Notice Requirement
Funding Source: Police Operating Budget Code 30-340

Dear Mrs. Peshka:

The Police Department Detective Division's Computer Forensics Unit (CFU) has the primary task of searching for and extracting evidence of criminal acts on electronic storage devices such as computers, PDA's, Laptops, Tablets, and cell phones. One of the tools that assist them with this evidence extraction is a Universal Forensic Extraction Device (UFED) made by Cellebrite. It is an invaluable tool for this purpose and significantly reduces the waiting time needed for evidence extraction should we have to examine devices externally.

As you are aware, the Police Department purchased an updated UFED machine called the UFED 4PC in 2014. In order to keep the machine up to date for use as a forensic examiner, we are required to purchase a software renewal package each year. The cost of this package is \$3,700.00. The annual fee has not gone up since last year's contract.

Cellebrite is the sole source vendor for the UFED machine and therefore, by extension, its software packages are as well.

If approved, funding would come from the Police Department's Operating Budget Code: 30-340. This is a 1 year contract that would be valid from August 2, 2019 through August 1, 2020. The current contract expires August 1, 2019.

If there are any questions or concerns, please call me at 468-4230.

Sincerely,

Date: May 30, 2019
RE: 56-6 EXCEPTION TO PUBLICATION – City Clerk Advertising

I am requesting an exception to publication under the City of Warwick Code of Ordinances Chapter 56-6, due to the fact that The Warwick Beacon is the sole source vendor for placing these advertisements. It would be a disadvantage for the City to bid this service.

These expenses are to advertise zone changes, abandonments and any ordinances that the City Council passes during fiscal year 2020. The code used will be 13-203. The budgeted amount is \$17,000.

If you have any questions, I can be reached at ext. 9553.

Note: This bid is for FY 2020 - 7-1-2019 through 6-30-2020, the funds will be in the FY2020 Budget under City Clerk's Commodities 13-203. The current bid expires 6/30/19

From: Lynn D'Abrosca – Deputy City Clerk
Date: June 7, 2019 
RE: 56-6 EXCEPTION TO PUBLICATION – Probate Court Advertising

I am requesting that the City Council award the advertising of Probate Court matters to the Warwick Beacon, the Kent County Daily Times and the Providence Journal. Probate Court is required to advertise their hearings in a newspaper with "countywide circulation". Placing the ads in these newspapers would cover the state & entire county, as well as save the petitioners advertising fees.

The budget amount is \$25,000, which would be used for all publications. This will be a drawdown to code 14-203 for fiscal year 2019-2020. These fees are paid by the petitioners and the revenue will appear in budget code 14-929.

If you have any questions, I can be reached at ext. 9553.

Note: This bid is for FY 2020 - 7-1-2019 through 6-30-2020, the funds will be in the FY2020 Budget Under City Clerk's Commodities 14-203. The current bid expires 6/30/19

JUN 03 2019

To: Patricia Peshka – Purchasing Agent
From: Lynn D'Abrosca – Deputy City Clerk 
Date: June 3, 2019
RE: 56-6 EXCEPTION TO PUBLICATION – Sole Source Vendor

This is a request for funds for the Code of Ordinances and to cover the annual web hosting. This supplement will cover any ordinances that have been passed by the City Council since the beginning of the fiscal year. I would request that \$6650.00 be awarded. The funds will be taken from 13-228.

Please consider this memo a request for an exception to publication under 56-6 of the Warwick Code of Ordinances. Municipal Code Corporation is a sole source vendor for this service.

The funds will be encumbered on an as needed basis. On average there are 2 to 3 supplements per year. Annual Web hosting and administrative support fees are \$1375.00. This is a guaranteed price through fiscal year 2020. Supplements are \$18.94 per page, not inclusive of graphs, tabs, shipping and tax. As such, the supplement costs can only be estimated as they will vary due to size and needed graphs and tabs and applicable shipping and tax.

Note: This bid is for FY 2020 - 7-1-2019 through 6-30-2020, the funds will be in the under budget code 13-228. The current bid expires 6/30/19

Supplement Service Base Page Rate

| Page Format | Base Page Rate |
|---|------------------|
| Single Column | \$18.94 per page |
| Images, Graphics and Tabular Matter, each | \$10 |

Base page rate above includes:

- ★ Acknowledgement of material
- ★ Data conversion, as necessary
- ★ Editorial work
- ★ Proofreading
- ★ Updating the index
- ★ 1 printed supplement copy, quarterly each March, June, September and December
- ★ Supplement in PDF format

Invoices for Supplements and Additional Services will be submitted upon shipment of project(s).

Online Services Quotation Sheet

MunicodeNEXT Online Code, billed annually each July, includes **\$900**

- ★ Online Hosting and Maintenance (\$500)¹
- ★ CodeBank (\$150)
- ★ CodeBank Compare (\$250)

Additional Services

- ★ Administrative Support Fee, invoiced annually each June **\$475**
- ★ NOW² service (New Ordinances on the Web), per ordinance **\$25**

Please see pages 4 & 5 to review additional services available. See Attachment A to review all Standard & Premium MunicodeNEXT online features, any of which can be added to your online code upon request

¹ Effective July 1, 2020, Online Hosting and Maintenance will increase from \$500 to \$675 in response to the increased cost of server space and cybersecurity. The current \$500 cost for Online Hosting was originally established in 2011.

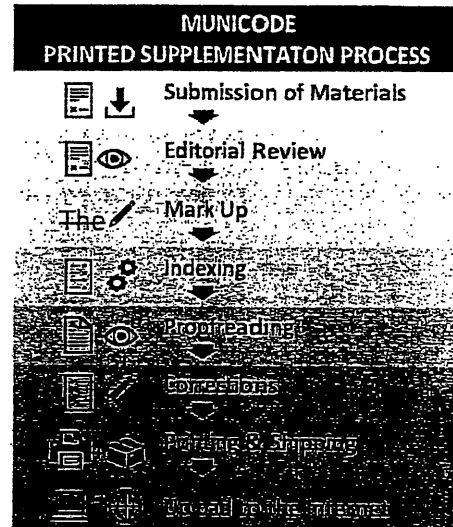

² Applies to amendatory (included) ordinances only

SCOPE OF SERVICES

Supplement Services

During the supplement process, all legislation received is confirmed immediately, organized, reviewed, codified and posted online. The supplementation process is outlined below.

1. Receipt of new legislation will be acknowledged within 24 hours. Our production support team will record the adoption date, effective date and ordinance number(s) and ensure that all necessary exhibits, tables and graphics are included. You will be advised promptly if any pertinent information is missing from your submission. Your material will be sent for a cost estimate and upon your authorization to proceed, it is then forwarded to our Supplement Department for codification. Your municipality will be assigned a permanent editorial team that will quickly become familiar with the unique laws of your municipality. With the OrdBank Service active on the account, the legislation will be posted online with 24 hours as a PDF under "Adopted Legislation not yet Codified" at this time.
2. Editorial Review – Our editorial team will review all ordinances received to determine whether the ordinance should be included in your code; where the ordinance should be placed; whether the ordinance conflicts with your existing code format; what material should be removed from your existing code; whether history notes will be added; what tables will be updated and whether the Table of Contents in the front of the code and at the Chapter level should be amended. Your editorial team includes an experienced codification attorney that is available to answer any questions the legal editor may have to ensure that the new legislation conforms to the existing provisions of your code. If any significant errors or numbering issues are noted, your editor will contact you for clarification. No substantive changes to your legislation will be made by our editorial team, however minor typographical errors will be corrected as part of the supplement process. Should the editorial, legal and/or proofreading team find discrepancies in your ordinances, we will communicate with you in order to ensure that the ordinances are correct and consistent with the existing code.
3. Indexing – When the editorial process has been completed, your supplement will be sent to our indexing team, where all new legislation is indexed and cross-referenced in all appropriate locations.
4. Proofreading - The proofreader assigned to your editorial team will then examine your supplement line by line to ensure editorial accuracy, code hierarchy and layout and to confirm that your supplement is grammatically correct and free of errors in spelling and capitalization. Your supplement is then re-examined line by line to ensure that the improvements made by the editorial team were thorough and accurate. During this process, the original ordinance is compared again with the newly added text to further ensure editorial accuracy.
5. Posting the supplement online (MunicodeNEXT) – After your supplement has been completed, your online code will be updated within 1 day and any electronic products requested, to include WORD-DOCX, PDF and Folio downloads, will be provided. You will receive notification that the website has been updated via email notification. If our eNotify service is selected, citizens can also sign up to be notified each time the online code is updated. When your code is updated on MunicodeNEXT, the mobile sites are updated simultaneously and all internal cross reference links are updated. With our OrdBank feature, each history note will be linked to the ordinance that amended the respective section.
6. Printing and Shipping - Our print team will print, cut, 3 hole-punch, and ship your supplement to you and to your subscribers quarterly unless otherwise instructed. *Instruction Sheet:* With each printed supplement, we will furnish a page of instructions for removal of the obsolete pages and insertion of the new pages; *Checklist:* We will furnish a checklist of up-to-date pages with each supplement.

Scope of Services - Website Hosting

Our code hosting platform, MunicodeNEXT, includes both Standard and Premium features, designed to provide a wide variety of additional capabilities for the research and navigation of your code, as well as for preserving its history. With our MunicodeNEXT advanced features, your staff and citizens need only click the link provided on your municipality's website to access your full Code of Ordinances. They not only have access to your complete and current Code of Ordinances, but to all archived versions of your code, every official copy of your ordinances, the power to compare versions of your code over time, the ability to be notified every time your code is updated, and the ability to translate your code into over 100 languages via *Google Translate*, which is included at no additional charge.

Our web application is WCAG 2.0 Level AA compliant and will scale to the viewport of any modern smartphone or tablet running iOS, Android, or Windows Phone 7 or higher. Our tech stack includes HTML5 & CSS3, Javascript (AngularJS), and a restful API written in C# running on .Net Core. All content is rendered in standard HTML and is viewable in all modern browsers including PC: Microsoft Internet Explorer 10 or later, Firefox 3.6 or later, and Chrome 18 or later. macOS®: Safari™ 5.0 or later, Firefox 3.6 or later, Chrome 18 or later.

We house our public facing website in a secure, SAS70, PCI compliant data center owned and operated by Flexential in Atlanta, Georgia. All systems are backed up and synchronized between our Tallahassee, Florida and Atlanta, Georgia locations for full geographic redundancy. We actively monitor the status of our hosting facility. We utilize Veeam Backup & Recovery to take daily snapshots of all servers in both of our data centers. Snapshots are performed from 8 pm EST to 5 am EST, are replicated between sites and are routinely tested. Biometric authentication is required to enter the data center facility, and anyone entering the premises must be either active customers or authorized vendors with badge and PIN access. Each rack is locked with a combination lock to prevent unauthorized entry or access. The facility is monitored by camera 24/7 to further provide physical security.

We secure our systems using enterprise grade security products. We employ firewalls from Palo Alto networks to secure the perimeter and endpoint security from Carbon Black to provide anti-virus scanning and threat detection on all servers, desktops, laptops, virtual machines and mobile devices. Carbon Black actively scans all file access on all endpoints of our network and quarantines any suspected malware, immediately sending notification to our systems administration staff. We use Nimble and 3Par SANs for all our storage needs. Each SAN member is fully redundant – redundant power supplies, controllers, NICs, etc. The drives on each array are configured as either RAID 5, RAID 50, or RAID 60 arrays.

Our powerful search engine allows users to enter simple or advanced searches and supports Boolean operators, stemming, wildcards, proximity searches, and a global synonym list. Users can easily search the code using keywords or phrases, and can print, download and/or email any portion of your code. Search terms can be applied to the entire code or narrowed to search only within specific chapters or sections. Our recent website upgrade allows users to sort results by relevance or book order! Our collapsible Table of Contents, continuous next-hit feature and internal and external hyperlinking and cross-referencing features simplify and enhance the navigation of your online code, allowing your staff and citizens the capability of simultaneously searching your code, ordinances, minutes, resolutions, budgets and more.

MunicodeNEXT is designed with accessibility in mind. Our application is fully responsive, ensuring all features are available on appropriately sized desktop, tablet, and smartphone viewports. Designed to provide easy access and an intuitive interface, it is extremely well-suited for use on tablets and mobile devices running iOS or Android. Our application also conforms to Level AA of the Web Content Accessibility Guidelines 2.0.

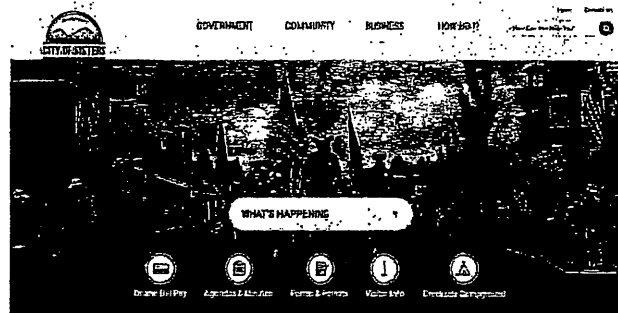

ADDITIONAL SERVICES AVAILABLE FOR PURCHASE

Municode offers a wide variety of services, all of which have been designed primarily to serve local governments. Please contact us for information and pricing on any of the services listed below, all of which may be purchased under this contract and all of which are competitively priced.

Website Design and Hosting Services

Let our team of web analysts and developers create or redesign a website for your municipality that provides your staff and citizens with a stunningly beautiful website that is simple for staff to use, easy for citizens to access, responsive, interactive, dynamic, and extremely efficient! Using the popular Drupal, open-source framework, we will work with you to understand your history, anticipate your future, define your priorities and achieve the long-term goals of your community.

When Municode designs your completely mobile friendly website, our goal is to improve your image and your community profile, increase the self-service capacity of your residents, and empower your staff to create, edit and maintain website content as simply and efficiently as possible. The result will be an unparalleled municipal website solution at a very compelling price.

Meeting and Agenda Management

Municode provides a cloud-based agenda meeting management system that enables our clients to save time and money by streamlining and automating the agenda process. With zero set-up requirements, minimal budget impact, built in automatic upgrades and internal and external IT support issues managed directly by Municode's expert team of web analysts and system developers, your staff will spend significantly less time on agenda management, while still maintaining total administrative control of your agenda packets.

Municode provides the highest level of government transparency to your citizens. We will show you how to live stream your meeting videos at no cost and can provide archived video and audio linking capabilities that will allow your constituents to access the exact point in the meeting video where a specific piece of business is discussed. You can take roll call and record votes live in the meeting – and legislators can also vote directly from their Mac, PC, iPad, or Android device!

Other benefits include agenda process visibility, easy agenda updates, approval workflow, live Council voting & roll call, Email notifications, a Unified Document Search and automated approval routing. When you are ready to publish your Agenda, our "single click publishing" will provide you with automatic agenda and packet creations.

STANDARD FEATURES OF MunicodeNEXT

Responsive Design – Our team designed MunicodeNEXT to function on any device. Over 20% of our traffic is generated from a smartphone or tablet. Our user interface, based on Google's Material Design guidelines, ensures any device that accesses our application will have access to our full suite of features.

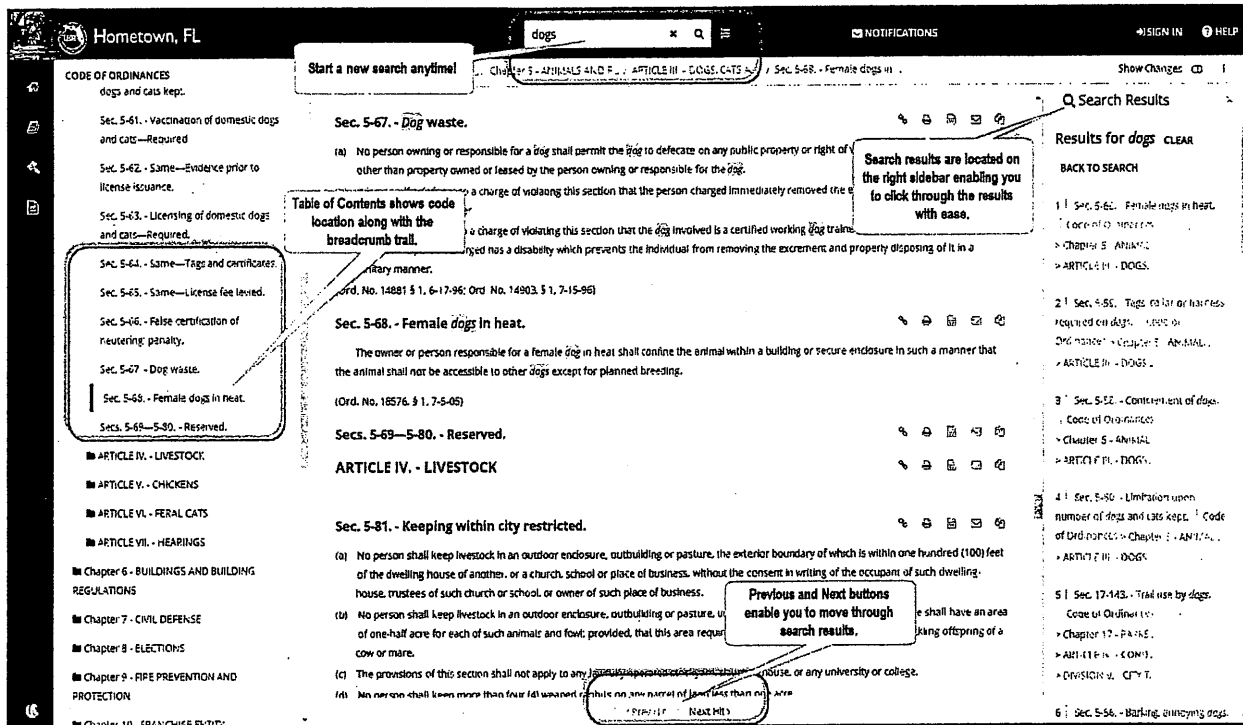

Mobile and Tablet friendly – Our application uses touch friendly icons, easy to access menus, and fly overs to expose all functionality while maintaining a clean, intuitive interface.

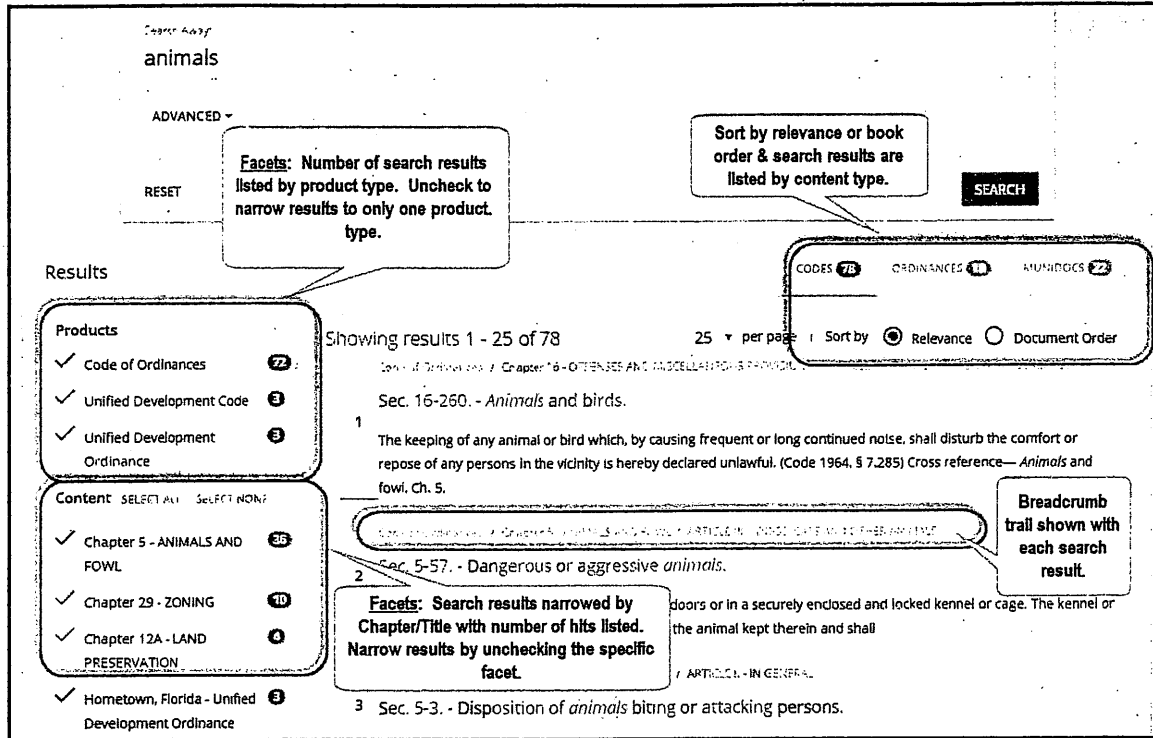

Print/Save/Email – Users can print, save (as WORD) or email files at the section level, as well as at the article or chapter level. You can print, save or email non-sequential sections from multiple portions of your Code(s). Not all codification companies enable you to download WORD documents directly from the website. Being able to do so greatly enhances your ability to draft new legislation.

Searching – Municode leverages a powerful open source search platform that also powers sites such as Stackexchange, Github, and Wikipedia. Search starts on a dedicated page, then moves to a persistent right-hand sidebar as you cycle through the results. This enables you to quickly move through search results without clicking “back” to a search results page. The Code is also indexed by the section, returning more accurate, granular results. Search results can be sorted by relevance or book order as seen in the screenshot below.

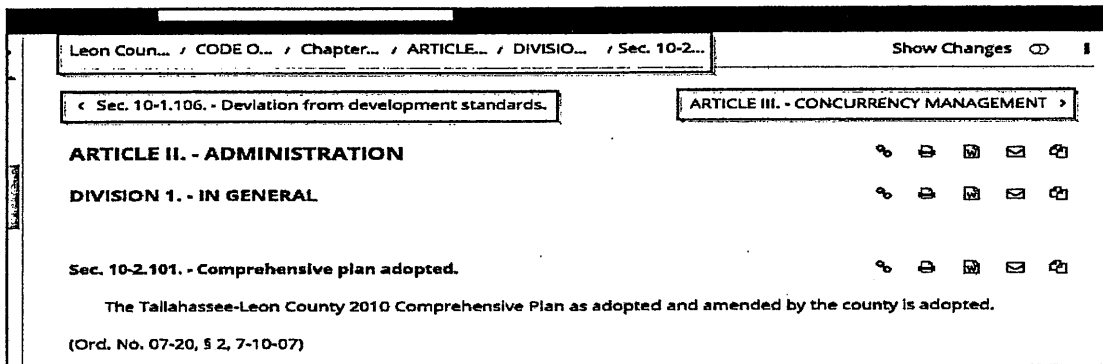

Municode Search Components:

- ★ **Advanced Searching** – You and your power users can conduct searches using Natural Language (think Google) or Boolean Logic.
- ★ **Multiple Publications** – If you have multiple publications (Code, zoning, etc.), they will all be searchable from one interface.
- ★ **Searchable ordinances** – With our OrdBank service, ordinances posted pre and post-codification are full-text searchable.
- ★ **Searching all content types** – If you use our OrdBank or MuniDocs service, you can search any combination of the Code, ordinances, and MuniDocs simultaneously. Search results are labeled for easy identification.
- ★ **Narrow Searching** – Your users could search selected chapters or titles in order to pinpoint their searches and find what they are looking for as quickly as possible!
- ★ **Stored Searching** – MunicodeNEXT allows all search result listings to be bookmarked under your browser's bookmark tabs. Users need only conduct a search and press Ctrl+D to add the search result listing to your browser's tabs.

Search enhancements provided with our latest website upgrade include (see screenshot above):

Browsing – MunicodeNEXT provides a persistent breadcrumb trail when browsing or searching and a Previous/Next button at the top and bottom of any document you're viewing. The table of contents and content pane also stay in sync as you scroll to deliver the most intuitive reading experience possible.

- ★ **Internal Cross-Reference Linking** – Cross-references within your Code are linked to their respective destination Article, Chapter or Section.
- ★ **Collapsible TOC** – The table of contents collapses, providing additional real estate with which you may view your Code. Easily view your maps, graphs and charts by simply enlarging the item.
- ★ **Mouseover (cluetips)** – Navigate to your Code and any linked cross-reference will quickly display in the pop-up preview window.
- ★ **Google Translate** – includes the Google Translate plugin, allowing users to view and navigate our hosted Codes in over 100+ languages.

(Cross-reference linking and mouseover shown below)

The screenshot displays a web interface with a sidebar on the left containing a list of code sections. The main content area shows a detailed view of section 4.12.100. A mouseover box is visible over a link in the text, showing a detailed view of the linked section (4.12.100 - Assessment procedures).

4.12.020 - Council to prescribe conditions.

4.08.030 - Warranty limited.

1A.08.040 - Exemptions to competitive bidding.

Chapter 4.12 - LOCAL IMPROVEMENTS

4.12.010 - Applicability.

4.12.020 - Intent.

4.12.030 - Petition to initiate proposal.

4.12.040 - Public hearing.

4.12.050 - Bidding by property owners.

4.12.060 - Effect of ballot results.

4.12.070 - Who may initiate petition.

4.12.080 - Waiver of sixty-percent requirement.

4.12.090 - Council approval of project budgeting.

In the event the petition is finalized as outlined in Section 4.12.050 and 4.12.055, the public works department shall place in its next proposed capital improvement project budget a line-item amount equal to the project construction cost plus ten percent. The city council is not obligated in a result of the petition for extension to approve the line-item amount budgeted for the project, and may delete the line-item amount if the cost is unfavorable or if other fact cause is shown.

(Ord. 395 § 5 (part), 1978; prior code § 48.10.035)

4.12.100 - Assessment procedures.

A. If the budget item is approved, all city costs related to the project, including identifiable initial administrative costs, recorded in order that the actual project cost can be determined.

B. At the completion of the project, the actual cost plus the interest generated on the account shall be divided among Section 4.12.120 to determine each property's assessment.

C. Within four months following the city council's adoption of the capital-improvement budget containing funding for establishing a local improvement district or service area for the project, describing the included and affected properties imposing assessments on an allocated basis and imposing liens.

D. The city shall, after determining the assessments, transmit a copy of the assessment to each lien-owner of record of required payment. The assessment shall run with the land and be an unrecorded lien there against, which may, at option, be formally filed and recorded in the office of the recorder to become a lien of record.

(Ord. 395 § 5 (part), 1978; prior code § 48.10.040)

A. The council shall fix times of payment, penalties on delinquent payments, and the rate of interest on the unpaid balance of the assessments. Payment may be in one sum or by installments over such terms as the council deems appropriate. If payment is to be in one sum, payment may not be required sooner than sixty days after mailing of the assessment statement. The entire assessment may be prepaid without interest or penalty within thirty days after mailing of the assessment statement, and

Translation – MunicodeNEXT includes the Google Translate plugin, allowing users to view and navigate our hosted Codes in over 100+ languages.

Social Media Sharing – You and your users are able to share Code sections via Facebook and Twitter. This will make it easier for you and your team to utilize social media in order to engage your citizenry and enhance your level of transparency.

Static Linking – Copy links of any section, chapter or title to share via email or social media.

Scrolling Tables and Charts – Headers stay fixed while you scroll through the table/chart.

GIS – We can provide a permalink to any Code section and assist staff to create a link from your GIS system to relevant Code sections.

In-line Images & PDFs – We take great care to ensure that your images match online and in print and are captured at the highest quality possible. Our online graphics can be enlarged by hiding the table of contents to maximize the image. Municode can also incorporate PDFs of certain portions of the Code that have very specific viewing and layout requirements.

Website Accessibility – Our current website complies with level A of the Web Content Accessibility Guidelines (WCAG) 2.0.

Support – Phone, email and web support for citizens and staff: 24-hour email response; phone support from 8:00 a.m. to 8:00 p.m. (Eastern). A variety of video tutorials are offered, and we are always available to host a personalized webinar for you and your staff to demonstrate our online features.

PREMIUM FEATURES OF MunicodeNEXT

Custom Banner. We can customize the look and feel of your Code to more closely match your website. Please note the custom banners in each of the screenshots provided in this sample.

OrdBank. With our OrdBank solution, newly adopted legislation will be posted online in between supplements. Upon the completion of your supplement, the ordinances will be linked in your history notes and stored in your OrdBank Repository under the "OrdBank" tab.

Hyperlinked ordinance in text

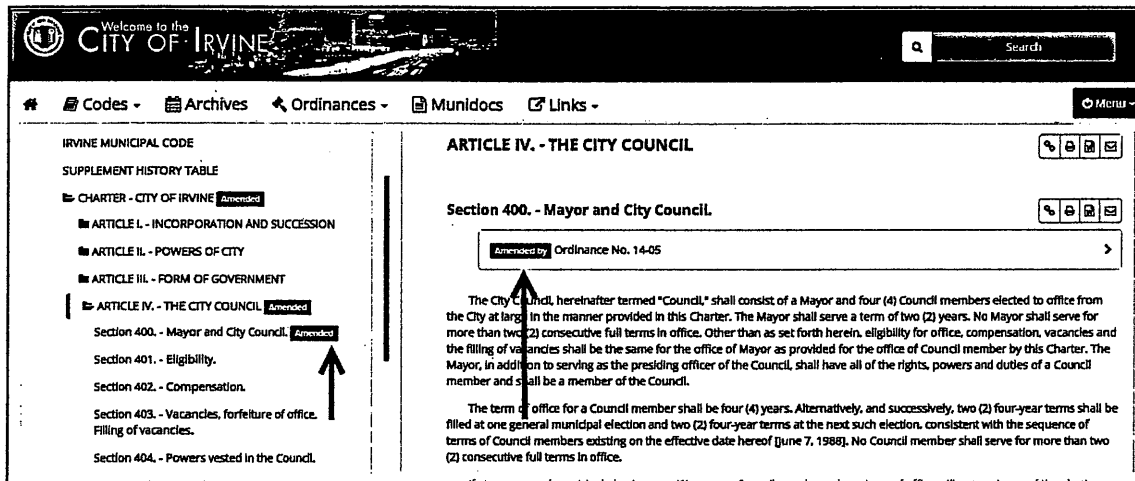

The screenshot shows the City of Arvada Code of Ordinances interface. On the left, a sidebar lists various ordinance sections, including 'Sec. 102-161.5 - Residential water fees within the city' which is marked as 'modified'. The main content area displays the text of this ordinance, which includes a list of hyperlinked ordinance numbers: 'Ord. No. 4027, § 1, 10-16-2006; Ord. No. 4099, § 1, 11-19-2007, eff. 1-1-2008; Ord. No. 4139, § 1, 11-17-2008, eff. 1-1-2009; Ord. No. 4184, § 2, 10-19-2009, eff. 1-1-2010; Ord. No. 4193, § 1, 1-11-2010, eff. 7-1-2010, 1-1-2011; Ord. No. 4361, § 1, 10-22-2012, eff. 1-1-2013; Ord. No. 4411, § 1, 10-21-2013, eff. 1-1-2014; Ord. No. 4465, § 1, 10-20-2014, eff. 1-1-2015; Ord. No. 4524, § 1, 10-19-2015, eff. 1-1-2016'. The ordinance text describes residential water fees and references an intergovernmental agreement from 2005.

(One-Click access to the original ordinance in the OrdBank Repository)

The screenshot shows the City of Arvada Code of Ordinances interface with a sidebar on the left listing various ordinance numbers. The main content area displays the full text of Ordinance No. 4099, titled 'AN ORDINANCE AMENDING VARIOUS SECTIONS OF CHAPTER 102, UTILITIES, OF THE ARVADA CITY CODE PERTAINING TO WATER, WASTE WATER AND STORMWATER TAP FEES AND USES RATES'. The ordinance text includes a table of fees for residential facilities:

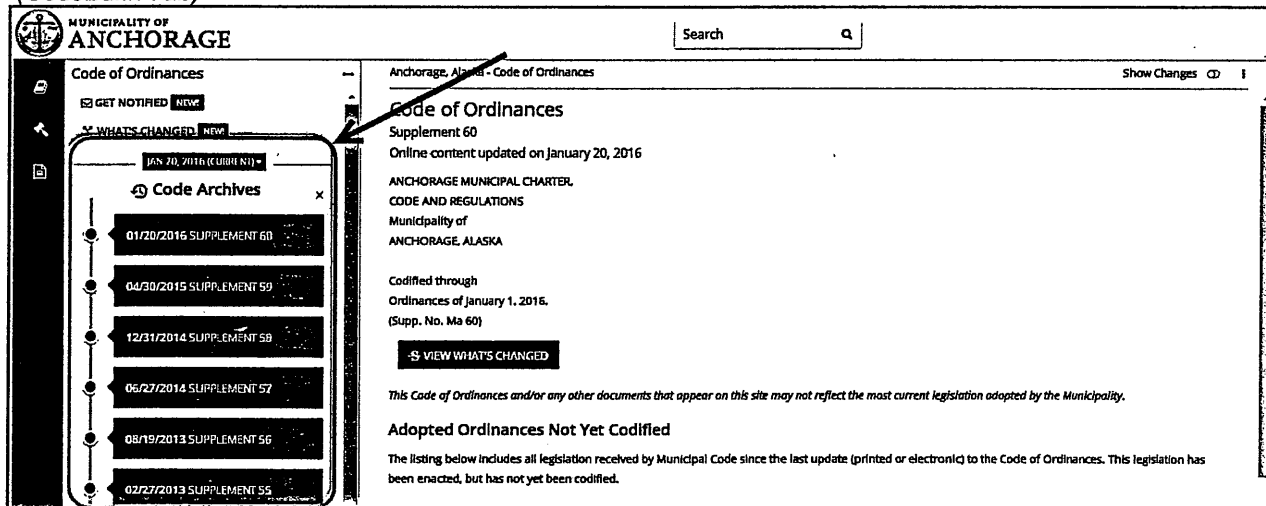

| Type of Residence | Amount per Unit |
|-------------------|-----------------|
| a. Single-family | \$10,020.00 |
| b. Duplex | \$8,190.00 |
| c. Multifamily | |

OrdLink + OrdBank. Prior to incorporating the ordinances into your Code via supplementation, the OrdLink feature can hyperlink newly adopted ordinances to the section being amended. Linked sections are highlighted in the table of contents and links are created from the amended sections to the new ordinances. Once the linked ordinances are incorporated into your Code, they are added to your OrdBank repository and hyperlinked to your history notes. This service lets everyone know that new ordinances have been adopted.

CodeBank. Our CodeBank feature provides an online archival platform for previous supplements of your Code. Empower your staff and citizens to access every previous version of your Code with one click.

(CodeBank Tab)

CodeBank Compare. Our CodeBank Compare service is a powerful feature that provides users the ability to select a past version of your online Code and compare it to any other version of your online Code. The differences will be shown via highlights (added material) or strikethrough (deleted material). The CodeBank feature is required in order to access CodeBank Compare. Users will be notified of the changes in the table of contents and within the text of the Code via "modified," "new" or "removed" badges. Users can also select an option to view all of the changes in a single view, complete with strikethrough and highlights showing the specific textual changes that were made. The CodeBank Compare service will show all amendments to your Code that were implemented during the most recent update.

eNotify. Our eNotify service allows users to enroll online and receive email notifications each time your online Code is updated. This will empower your staff and citizens to receive instant notifications every time your online Code is updated. The CodeBank Compare feature is required in order to utilize the eNotify service.

This Code of Ordinances and/or any other documents that appear on this site may not reflect the most current legislation adopted by the Municipality.

MuniDocs. MuniDocs Upload allows you to upload many types of documents to browse and search alongside your online code and is fully searchable and filterable. After users login, they are presented with a dashboard that allows them to upload new documents and manage previously uploaded documents. When uploaded, users are able to pick from a list of predefined document types

Name

- Minutes
- Agendas
- Budgets
- Resolutions
- Applications
- Forms
- Policies
- Manuals
- Misc. Documents

Uploading a document is as simple as dragging and dropping the document from your computer into the upload dialog box on the admin dashboard. Uploaded documents are immediately converted to PDF and indexed for search. Users may upload .rtf, .doc, .docx, and .pdf documents and organize these documents by nested folders. The public can then browse and search these documents immediately.

2017 Municode

MuniPRO. MuniPRO Searching allows you to search the over 3,500 Codes we host (the entire country, a single state or individually selected Codes of your choosing). MuniPRO searches are ideal for researching local regulations of special interest or to find out how other communities are dealing with similar issues. If the IP based model is selected, only Multiple Code Searching is available. MuniPRO provides subscribers with the following tools:

- ★ **Multiple Code Search.** Search all Codes within one state, multiple Codes within one state, or search all Codes in the entire US hosted by Municode. Search results are sorted by relevancy and indicate the source publication, showing excerpts and keyword highlighting.
- ★ **MuniPRO Saved Searches.** Save frequently used or complex searches for easy retrieval from the MuniPRO Dashboard.
- ★ **MuniPRO Notes.** Create a note and attach it to any section in any publication. Note icons are present when viewing the section, alerting the user to a previously written note. A global listing of notes can be accessed and managed from the MuniPRO Dashboard.
- ★ **MuniPRO Drafts.** Begin a new ordinance draft to keep track of pending legislation. Drafts icons are present when viewing the section, alerting the user to a previously created draft. A global listing of drafts can also be accessed and managed from the MuniPRO Dashboard.
