Tel (401) 738-2008

To: Francis Gomez, Purchasing Agent

From: Terry DiPetrillo, Chief of Water Division

Date: April 28, 2023

Subj: Engineering Services during Construction for Lincoln Avenue Pipeline
Rehabilitation- Contract 1

The Warwick Water Division is requesting an exception to notice to engage in services with Stantec Consulting Services, Inc for Engineering Services during the construction of the Lincoln Avenue Pipeline Rehabilitation.

The Lincoln Avenue Pipeline Rehabilitation Contract 1 has been designed to replace the central portion of the transmission main that runs between the Pettaconsett Meter House, across the Pawtuxet River, under Interstate 95, under State Route 37 and connects in at the end of Lincoln Avenue by the Cardi Corporation.

Contract 1 rehabilitates two (2) 36-inch ductile and cast-iron water mains (a primary and bypass pipe) with a 24-inch PVC pipe.

The Warwick Water Division has obtained Federal Funding for the project from the EPA, and State Revolving Fund Funding through Rhode Island Department of Health. Stantec's proposal for Contract 1 will include preparing specific paperwork required by the EPA and SRF during construction.

Please consider this memo a request for an exception to notice under Sec. 56-6 of the code for Stantec Consulting Services, Inc. in the amount of \$411,000 for services rendered as outlined above. This contract will be a one-time expense until completion of the project.

(84-799 \$411,000)

Stantec Consulting Services Inc.

Reference: Proposal for Engineering Services During Construction for Lincoln Avenue Pipeline Rehabilitation - Contract 1

Dear Mr. DiPetrillo

Stantec is please to present the following proposal for Engineering Services During Construction (ESDC) for the Lincoln Avenue Pipeline Rehabilitation Contract 1 project for the Warwick Water Division (WWD). The scope of services for the ESDC is as follows:

BACKGROUND

The Lincoln Avenue Pipeline Rehabilitation Contract 1 project has been designed to replace the central portion of the transmission main that runs between the Pettaconsett Meter House, across the Pawtuxet River, under Interstate 95 (I-95), under State Route 37 (SR 37) and connects in at the end of Lincoln Avenue by the Cardi Corporation. The portion of the pipeline that is covered in Contract 1 is from the eastern side of the Pawtuxet River, across I-95 and will end in the RIDOT salt shed just to the north of SR 37. The salt shed is on the eastern side of the I-95 lanes. Contract 1 rehabilitates two (2) 36-inch ductile and cast-iron water mains (a primary and bypass pipe) with 24-inch PVC pipe.

The WWD has obtained Federal Funding for the project from the EPA, and State Revolving Fund Funding through Rhode Island Department of Health. This proposal includes preparing the specific paperwork required by EPA and SRF during Construction.

TASK 1 – PROJECT MANAGEMENT SERVICES

Provide Project Management Services as needed throughout the duration of the project. Stantec's project manager shall:

- 1.1 Coordinate contractual issues with the WWD.
- 1.2 Monitor and manage workload, staffing, subconsultants, schedules and budgets.
- 1.3 Coordinate and monitor quality control and quality assurance of project deliverables.

Design with community in mind

Reference: Proposal for Engineering Services During Construction for Lincoln Avenue Pipeline Rehabilitation - Contract 1

with four (4) sets of prints, one (1) set of electronic files (CAD and PDF); and GIS Shapefiles.

TASK 3 – RESIDENT INSPECTION SERVICES

- 3.1 Provide resident inspection services. We have assumed 700 hours of resident inspection services over the course of the project.
- 3.2 Provide periodic site visits for specialty inspection or resolution of field issues. We have assumed up to six (6) eight-hour visits. The site visits will be attended as follows:
- Two (2) visits for environmental permitting (by Stantec's wetlands scientist).
 - One (1) visit by Stantec's trenchless engineer.
 - Three (3) visits by Stantec's Project Manager, Construction Administrator, or Sr. Technical Engineer to resolve field issues.
- 3.3 Provide Final Inspection (post punch list) to ensure the punch list is complete. We have assumed sixteen (16) hours for this effort.

BUDGET

Stantec proposes to complete these engineering services for a Not to Exceed amount of \$411,000.00 inclusive of expenses, to be paid on a Time and Materials basis. This budget is based on our 2023 USD Standard Rate Table 1.

| Task | Fee |
|--|------------------|
| Project Management | \$39,500 |
| Engineering Services During Construction | \$192,000 |
| Resident Inspection Services | \$179,500 |
| Total | \$411,000 |

SCHEDULE

The above budgets are based on Stantec starting ESDC services in June 2023. It is anticipated that Construction Notice to Proceed would be no later than June 1, 2023. ESDC services are anticipated to be completed at the end of March 2025.

ASSUMPTIONS AND EXCLUSIONS

1. The construction duration is anticipated to be 15 months, although active construction (excavation, slipline operations, etc.) is anticipated to be 4.5 months long.

Re: 56-6– Network Connectivity – COX Communication and Crown Castle

This is a request under City Ordinance 56-6 to award \$285,000 to Cox Communications, Inc. and Fibertech Holdings Corp. (also known as “Crown Castle”) to cover services July 1, 2023 through June 30, 2024. Cox Communications provides network equipment, configuration, and support services that unify the City’s buildings into one network. To a lesser degree, Crown Castle provides the Fiber connection between several of the City’s locations. Specifically, City Hall to the Public Works campus and then onto Fiber Dispatch, ending with Pilgrim Senior Center. Because of some recent location consolidations, this amount represents a slight reduction from the FY 2023 request.

While this represents a full year request for funding, the City is currently in the process of evaluating alternative connectivity models that will reduce the annual expense for these services. By investing ARPA monies to purchase up-front fiber connections to the main facilities, the monthly operating costs should be cut by approximately 50%. While we hope to cut over several facilities to this lower cost model before year-end, we are requesting the funding now to insure we cover the transition.

Vendors to be utilized are as follows:

1. **Crown Castle Fiber**
235 Promenade Street
Providence, RI 02908
2. **COX Communications**
9 J. P. Murphy Highway
West Warwick, RI 02893

The budget code this will come from is:

- 25-307 - \$285,000
 - Cox Communication \$240,000
 - Crown Castle Fiber \$ 45,000

Re: ~~56-6 – Exception to Bid – Tyler Technologies~~

This is a request under City Ordinance 56-6, Exception to Bid, to award the MUNIS Software maintenance contract to Tyler Technologies in the amount of \$250,215.81. This represents an approximate 4% increase over the previous year's invoice.

This bid is for the ongoing maintenance, upgrade support, and technical service contract for the entire MUNIS ERP software suite in use throughout the City. This one-year service agreement runs from July 1, 2023 through June 30, 2024.

Tyler Technologies Inc., 5101 Tennyson Pkwy, Plano TX 75024, is the current software provider for this application suite and as such, is the only available service provider to The City of Warwick.

This will be paid for out of Budget Code 25-334 in Fiscal Year 2024.

Cc: Peder Schaefer – Finance Director

To: Francis Gomez, Purchasing Agent

From: Terry DiPetrillo, Chief of Water Division

Date: May 8, 2023

Subj: State Street Water Pump Station and Water System Integration & Control Proposal

The Warwick Water Division is requesting an exception to notice to engage in services with Beta Group, Inc for the State Street Water Pump Station and the integration & control (I&C) of the water system.

The State Street Water Booster Station (SSWBS) has two (2) 10-horsepower (HP) electric booster pumps, one 50-HP electric fire pump and one 175-HP diesel driven fire pump. During power outages the State Street Water Booster Station utilizes the diesel fired engine to power a backup pump. The Water Division has temporarily installed power conductors to the existing motor control center to facilitate powering the electric pump during extended power outages. The pumps and power distribution equipment, particularly the motor control center are well beyond their intended life. Maintenance of this type of equipment is difficult and spare parts are not available.

The existing I&C for the water distribution system was installed in 1997 with limited improvements since then. RE Erickson, the original vendor who had installed the system has indicated that several of the critical components are no longer manufactured. Thus, any improvements completed at the State Street Water Booster Station would require a system wide upgrade due to the existing and new equipment being incompatible.

Please consider this memo a request for an exception to notice under Sec. 56-6 of the code for Beta Group, Inc in the amount of \$238,030 for services rendered as outlined above. Funding will be derived from budget code 84-799 and will be a one-time expense until completion of the project.

(84-799 \$238,030)

Re: State Street Booster Water Pump Station and Water System Integration & Control Proposal

Mr. DiPetrillo,

BETA Group, Inc. (BETA) is pleased to have this opportunity to submit our proposal to the City of Warwick Water Division to provide engineering services for the State Street Water Pump Station and the integration & control (I&C) for the water system. Alan Gunnison has been designated to serve as Project Manager on this Project. The services to be provided to complete this project are detailed in Section 1 – Scope of Services.

Project Background

The State Street Water Booster Station (SSWBS) in Warwick, RI. SSWBS is located at 4 State Street which the Warwick assessor identifies as a City owned parcel. The construction date of the facility is not known; however, a review of aerial photographs found that SSWBS was constructed prior to 1939.

The SSWBS has two 10-horsepower (HP) electric booster pumps, one 50-HP electric fire pump and one 175-HP diesel driven fire pump. The station pumps water from the City of Warwick's water system. The distribution piping in the system directs most of the flow to the 550,000-gallon Aldrich elevated tank. The station is controlled by levels in the Aldrich tank.

The SSWBS utilizes a diesel fired engine to power a backup pump during power outages. City personnel indicated that the engine driven pump requires replacement. The City has temporarily installed power conductors to the existing motor control center to facilitate powering the electric pump during extended power outages. Overall, the pumps and power distribution equipment, particularly the motor control center, are well beyond their intended useful life. Maintenance of this equipment is difficult and spare parts are not available.

The existing I&C for the City's water distribution system was installed in the 1997 with limited improvements since that time. The installer of the original system, RE Erickson, has indicated that several of the critical system components are no longer manufactured and are only available used if at all. Additionally, any I&C improvements completed at the SSWBS would require a system wide upgrade due to existing and new equipment being incompatible.

We have presented tasks for the City to evaluate and decide how to best proceed with this project.

Task 2: Hazardous Material Site Assessment

Under this task BETA will provide a hazardous material assessment for SSWBS. The assessment will be completed by BETA's environmental scientists and consist of the of the following

- Asbestos-containing materials (ACM), such as pipe, duct, and boiler insulation; floor and ceiling tiles and mastics; asphaltic roofing materials, flashing and mastics; miscellaneous interior finishes; plaster; and other suspect building materials. Asbestos bulk samples (up to 10) will be analyzed by polarized light microscopy with dispersion staining (PLM) at a licensed laboratory. The type and percentage of asbestos in the bulk samples will be determined.
- Field screening of surfaces for lead based paint (LBP). Painted surfaces will be screened for lead in paint concentrations using a NITON X-Ray Fluorescence (XRF) Spectrum Analyzer. Concentrations of lead in paint will be reported in milligrams per square centimeter (mg/cm²). Total concentrations of lead will be used to help evaluate the extent of and need for segregation of building components coated with LBP.
- Polychlorinated biphenyls (PCBs) which will include painted surfaces on the interior of the pump station. Up to eight (8) building component samples will be analyzed for PCBs by EPA Method 8082. If PCBs are identified, additional sampling of substrate materials (wood, brick, metal, etc.) may be required under separate authorization. No soil sampling is included with this task.
- The inspection will also include observations and preparation of an inventory of other "suspect" oil and hazardous materials (OHM), including but not limited to: chlorinated fluorocarbons (refrigerants); mercury lamps and thermostats; lead acid batteries; miscellaneous containers of OHM; and other "suspect" items.

Task 3 – 30% Design Phase

Under this task BETA will complete work as described below to provide to the City of Warwick a 30% design submission. The 30% design submittal will include a hard copy of the plans for review and comment. The 30% deliverables shall include the conceptual bypass layout, pump size/layout, and applicable construction details. BETA will mobilize to complete the following tasks:

- Base plans for the project will be developed utilizing the State of Rhode Island's and the City of Warwick's Geographical Information System (GIS) available layers (buildings, parcels etc.), available online high-resolution aerial imagery, and supplemented by field work by BETA personnel. BETA personnel will complete an interior and exterior field inspection to generate a base map of existing conditions. BETA will spatially locate assets not currently included in existing GIS data base using a Leica GG04 (sub-foot accuracy) GPS unit and incorporate them into the base mapping. BETA will coordinate with private utility owners (gas, electric, telephone etc.) for the procuring of existing utility records. Private utilities with record information available will be shown on the base plans.
- Construction plans shall include site/civil plans including conceptual bypass configuration, bypass connections, applicable restoration details; mechanical process will include pump and pumping layouts and applicable details; HVAC, electrical & plumbing improvements plans, and Instrumentation & Control plans for the eight locations noted.
- Specifications will be prepared using BETA's standard specification including Information for Bidders, Bid Forms, Bid Bond, Contract Agreement, Contract Bonds, General Requirements,

SECTION 2 – Compensation

The City of Warwick shall pay Consultant for Basic Services rendered under SECTION 1, in connection with all work described herein, on a time-charged plus expense basis, monthly as charges accrue, and not to exceed an amount of two hundred thirty-four thousand nine hundred twenty-six (\$238,030) without additional authorization by the City of Warwick.

Compensation for Labor charges will be based on actual hours worked at hourly billing rates for classifications of employee working on PROJECT. The hourly billing rate charged includes compensation for direct labor, salary cost/fringe benefits, overhead and profit. Hourly billing rates for this project are as follows:

| <u>Classification</u> | <u>2023 Billing Rates (\$/Hour)</u> |
|----------------------------|-------------------------------------|
| Principal in Charge | \$325.00 |
| Licensed Site Professional | \$235.00 |
| Project Manager | \$215.00 |
| Senior Engineer Designer | \$200.00 |
| Engineer | \$123.00 |

The cost for each task is presented below. Please see attached fee breakdown for additional details.

Task 1: Evaluation & Design Memo – \$77,743

Task 2: Hazardous Material Site Assessment – \$7,112

Task 3: 30% Design – \$66,606

Task 4: 90% Design – \$53,061

Task 5: Permitting – \$15,179

Task 6: Bidding Services & Support – \$18,330

EXCLUSIONS AND ASSUMPTIONS

The following exclusions and assumptions are made with respect to our Scope of Work. These services can be provided if required by the City.

- Full field survey is not required;
- Geotechnical investigations are not required;
- Dewatering and excavation support design is not required;
- Testing of site soils for the presence of oil and hazardous materials is not required;
- Architectural design; and,
- Structural design and analysis.

Francis Gomez
Purchasing Agent
City of Warwick

The bid for *Medical Supplies and Equipment, Bid#2024-034* has been carefully reviewed by the Fire Department.

Seven (7) vendors submitted bids, and after evaluating pricing the following vendors have met all the specifications outlined in our request and have proposed the lowest price. Therefore, I recommend the bid be awarded to the following vendors:

Bound Tree Medical, Dublin , OH

Bound Tree Medical submitted the lowest pricing on almost all the items specified. Therefore, the Department is recommending them as it would be in the best financial interest of the City.

The current bid expires on 7/20/2023 and the Department is requesting an award for one (1) year, in a total amount not to exceed \$80,000. Funding for this award will be from budget code 35-367 EMS Supplies & Equipment.

Please contact me should you have any questions.

Jason Umbenhauer
Assistant Chief

Re: Bid 2024-040 Post Type Fire Hydrants

The Warwick Water Division received four bids for Post Type Fire Hydrants and are recommending the vendors listed below and will order item numbers submitted for this bid. Items will be chosen based on the lowest qualified bidder. The current contract bid expires on June 30, 2023. The new contract period will be July 1, 2023 through June 30, 2024. All items will be ordered on an as needed basis.

The recommended vendors are as follows:

John Hoadley

Ferguson

Core & Main

Warwick Winwater

Funding for these projects will originate from budget code 84-364.

(84-364 \$65,000)

PHILIP CARLUCCI
MIS DIRECTOR

To: Francis Gomez, Purchasing Agent
From: Philip F. Carlucci – MIS Director *PFC*
Date: Friday, May 12, 2023
Re: 56-6 Workstations, Laptops, Tablets, Printers, Copiers and Computer Peripherals

This is a request under City Ordinance 56-6, Exception to Bid, for Workstations, Laptops, Tablets, Printers, Copiers and Computer Peripherals. The request will have an effective date of July 1, 2023 and run through June 30, 2024. These purchases will be made from the MIS hardware budget code 25-231 as budgeted; with a spending limit not to exceed \$50,000.00.

This request is to cover the normal additions and replacement computers, printers and peripherals that are required for the general continuing operation of the City. This year's line item has no increase over the FY 2023 amount.

As with previous requests we are proposing that, extracted from an approved vendors listed on the RI Master Price Agreement (MPA) Number 345 and the Massachusetts Higher Education Consortium (MHEC), we will send a request for quote on specific equipment required at the time of purchase to a minimum of three different providers (see attached list). We will then select the lowest overall provider for that purchase and record all responses as backup to the PO. In this way we will be able to provide the most current available equipment to the City at the lowest available pricing.

Cc: Peder Schaefer – Finance Director

MPA CONTRACT USER GUIDE

MPA TITLE: Computer Equipment, Peripherals and Related Supplies

MPA #: 345

EFFECTIVE PERIOD: 10/1/2015 – 7/31/2023

MPA RENEWAL OPTION(S): None

SECTION 1. CONTRACT USE:

Who can use this? This is a Master Price Agreement and, as such, has Statewide Applicability. Political Subdivisions (municipalities, institutions for higher education, municipal/state schools, quasi-public agencies), as authorized by law, may participate in this Agreement. For any projects with a political subdivision, all ordering, and billing shall be between the vendor and the political subdivision.

Open Enrollment? No

Emergency Use? Yes

SECTION 2. INSTRUCTIONS FOR USE BY STATE AGENCIES:

Pricing shall be acquired by agencies by developing a scope of work per project and submitting to the qualified vendor list provided on the Contract Board.

A. THRESHOLDS

There is a \$150K threshold for any specific project. Projects expected to exceed this MPA's threshold must be bid, any exceptions will require Purchasing Agent and/or Deputy Purchasing Agent pre-approval.

B. QUOTES REQUIRED? YES

The state agency shall develop a scope of work/list of items for their specific project and obtain a minimum of three (3) quotes from this MPA's vendor list for a lump sum fixed fee. At least one (1) of the three (3) quotes must be with an MBE approved vendor (if one is available on the MPA). When obtaining three quotes, if a state agency does not wish to select the vendor offering the lowest quote, the Agency must provide justification to the Division of Purchases before issuing a tentative selection letter.

C. PROCESSING QUOTE WITH RECOMMENDED VENDOR:

The state agency will send a tentative selection letter to the recommended vendor in which the following information is requested:

- i. An agreement outlining the scope and special terms & conditions covering the work, executed by both the Agency's authorized agent and the vendor's authorized agent.
- ii. For procurement of goods only, MBE approval is not required. For procurement of services, an MBE Utilization Plan/Determination shall be required to submit to the Office of Diversity, Equity and Opportunity (ODEO) for approval. A formal determination letter shall be issued by ODEO.

STATE OF RHODE ISLAND - Department of Administration

No work is to commence until these items are completed and a Purchase Order is issued.

D. MPA SPECIFIC INFORMATION:

BACKGROUND:

The purpose of this MPA is to establish Minnesota WSCA-NASPO Master Agreement(s) with qualified manufacturers for **Computer Equipment, Desktops, Laptops, Tablets, Servers, Storage and Ruggedized Devices including related Peripherals and Services.**

All authorized governmental entities in any State are welcome to use the resulting Master Agreements through WSCA-NASPO with the approval of the State Chief Procurement Official.

Subj: Bid2020-162 State bid – Commercial and Industrial Equipment and Supplies

The above bid was awarded by the State of RI and subsequently piggybacked by this department with approval from the City Council to WW Grainger, Inc., MSC Industrial Supply and Fastenal Co. in September 2019. The State bid does not expire until June 30, 2024 and this department would like to extend this bid for the same timeframe. Currently, the City bid is set to expire June 30, 2023.

Please accept this memo as a request for Sec. 6-12, Alteration to Contract, of the City Charter to increase the original cap by \$40,000, from \$90,000 to \$130,000 and extend the expiration date to June 30, 2024.

MPA CONTRACT USER GUIDE

MPA TITLE: Facilities Maintenance and Repair and Operations (MRO), Industrial Supplies

MPA #: 348

MPA RENEWAL OPTION(S): 10/1/2018-6/30/2024 (The State is exercising its option to renew as per NaspoValuepoint amendment)

SECTION 1: CONTRACT USE:

Who can use this? This is a Master Price Agreement and, as such, has Statewide Applicability. Political Subdivisions (municipalities, institutions for higher education, municipal/state schools, quasi-public agencies), as authorized by law, may participate in this Agreement. For any projects with a political subdivision, all ordering and billing shall be between the vendor and the political subdivision.

Open Enrollment? No

Emergency Use? Yes

SECTION 2: INSTRUCTIONS FOR USE BY STATE AGENCIES:

Pricing shall be acquired by agencies by developing a scope of work per project and submitting to the qualified vendor list provided on the Contract Board.

A. THRESHOLDS

There is a \$50,000 threshold for any specific project. Projects expected to exceed this MPA's threshold must be bid, any exceptions will require Purchasing Agent and/or Deputy Purchasing Agent pre-approval.

B. QUOTES REQUIRED? YES

Agencies may order from the vendor of their choice if the total purchase price is \$5,000 dollars or less (multiple quotes are not required). Where purchases are anticipated to be between \$5,001 dollars and \$50,000 agencies must obtain 3 quotes.

Agencies are reminded not to split orders.

C. MPA SPECIFIC INFORMATION:

Market Basket

The State established a market basket of the 150 items most commonly purchased from each vendor. These prices are fixed for the duration of the contract. This serves as a supplement to the market basket already established by the NASPO contract. This market basket is attached to the vendor's purchase order.

Division of Purchases

One Capitol Hill | Providence, RI 02908 | (401) 574-8100
Nancy R. McIntyre, State Purchasing Agent

The State requested an additional price discount over and above the minimum discounts established for all product categories listed in the NASPO contract. The additional price discounts are attached to the vendor's purchase order.

May 22, 2023

Francis Gomez
Purchasing Agent
City of Warwick

The bid for *Universal Green Fluorine Free Foam*, Bid# 2023-436 has been carefully reviewed by the Fire Department.

Three (3) vendors submitted bids and the Fire Department is recommending the bid be awarded the following vendors:

C&S Specialty Inc., North Smithfield, RI

Fire Tech & Safety, Tyngsborough, MA

Fire Tech & Safety submitted a bid that was the lowest for the National Foam product that meets our specifications without exception, and which is compatible with the State funded Flammable Foam Task Force requirements. C&S Specialty submitted a bid for foam that is not alcohol resistant, therefore does not meet the specifications of the State Foam Task Force but should meet the needs of the Fire Department for everyday foam operations.

The Fire Department is requesting a 1-year bid award for an amount not to exceed \$40,000. Purchases made under this bid will be funded through budget code 35-283, Special Operations.

Please contact me should you have any questions.

Tampa, FL 33609

Contract Award: \$37,952.91

Contract Period: 7/1/2023 – 6/30/2024

Sole Source Justification

Training Management | Operations & Asset Management | Workforce Management | EHS Management

This document serves as a sole source justification for Vector Solutions' integrated suite of systems for online training and live skill evaluations, operations and asset management (TargetSolutions Check It™), workforce management (TargetSolutions Scheduling™), and EHS management which are all developed and provided solely by TargetSolutions.

Service Description

TargetSolutions' industry-leading online training, operations, scheduling, evaluations and EHS management system is a comprehensive suite of proprietary web-based solutions for Fire and EMS departments and is the industry's only all-in-one operational hub for the management of training, assets, employee scheduling, skill assessments and safety compliance. The unique, one-of-a-kind software features exclusive fire department software tools, including best-in-class training courses and recordkeeping applications.

Here are TargetSolutions' online training management system's key differentiators that make it stand apart in the industry:

- TargetSolutions features the industry's leading learning management system for scheduling, delivering and tracking online training courses
- TargetSolutions offers more than 500 hours of training for fire departments, including more than 250 hours of accredited EMS continuing education courses
 - TargetSolutions is organizationally accredited through CAPCE, the Commission on Accreditation for Pre-Hospital Continuing Education
 - TargetSolutions features NFPA 1001, NFPA 1021, NFPA 1410, NFPA 1500, as well as Occupational Safety and Health Administration (OSHA), and more in its training catalog
- The TargetSolutions platform features unique applications for managing fire department training, recordkeeping, and compliance tasks, including:
 - Activities Builder
 - Credentials Manager
 - ISO Training Tracker
 - Community Resources
 - File Center
 - Test Builder
 - Generate Reports
 - Events Manager
- TargetSolutions' Enterprise solution enables agencies to collaborate in a shared training platform while still managing their own TargetSolutions sites

Vector Evaluations+, a live skill evaluation solution, modernizes skill assessments with electronic skill sheets and forms that are accessible via a mobile app or web-based system. Here are a few key benefits of this solution:

- Measure and track competencies with digital skill sheets that help determine proficiency and compare employee performance over time
- Mobile app to evaluate employees from the field and take in-app videos to record individual's abilities
- Recorded skill demonstrations serve as an educational tool to analyze performance and provide feedback
- Add evaluations to Credentials through the integrated TargetSolutions to ensure true mastery of a skillset to complete a taskbook
- Comprehensive, visual reports make it simple to oversee competencies and indemnify any deficiencies among personnel

The TargetSolutions platform can be extended to the TargetSolutions Check It™ operations and asset management system for conducting inspections of equipment, apparatus and inventory. Here are the key differentiators of TargetSolutions Check It™ that make it stand apart in the industry:

- Integrated mobile application and web-based platform accessible 24/7 to streamline inspections and maintenance for vehicles, equipment, controlled substances, medical supplies and other logged inventory
- Exclusive module for secure, cradle-to-grave management of controlled substances for ALS agencies.
- Secure tracking of expiration dates of all types of controlled substances and other resources assigned to a specific vehicle, person, or storage facility
- Built-in verification features, such as eSignatures, employee pin numbers, and facial recognition technology, to ensure accountability
- Push notifications, email alerts, and custom check-step comments to communicate the completion of an inspection, create check-step comments, or notify supervisors of issues
- Ability to open service tickets for apparatus or equipment in need of repair to track its status, costs, and other information with intuitive workflows
- Comprehensive reports with visually-driven data to view inspection history, usage, and other measurable steps

TargetSolutions Scheduling™ provides a workforce management and employee resourcing software built for the complex organizational tasks for mission-critical industries. Here are key differentiators of TargetSolutions Scheduling™ that make it stand out in the industry:

- A snapshot overview of shift schedules, minimum staffing levels, and employees' qualification in a dynamic workforce management dashboard
- Cloud-hosted, reliable data that is available 24/7 and accessible via the mobile application or any web-based device
- Interactive roster map with a live view of employee locations, traffic patterns, and 'hot spot' areas.
- Automatization tools to streamline overtime hiring, callbacks, and vacation requests with custom qualifiers to reduce human error or bias

- Shift trade dashboard for employees to self-manage shifts trades (based on qualifications) and hours owed/credited to coworkers
- Customizable and exportable reports with in-depth filters to analyze employee hours, payroll, overtime, and more

Vector EHS Management is a comprehensive safety tracking solution that offers a web-based system and mobile application to streamline incident reporting, corrective actions and producing OSHA forms. Here are key differentiators for Vector EHS Management that make it stand out:

- A mobile application that streamlines the incident reporting process and records incident details at the scene for accurate account of what occurred
- Easily manage the claims process and track every variable to minimize costs of worker's compensation or employee leave
- Track hazards or potential exposures with detailed reports and notify key stakeholders
- Assign corrective actions after incident investigations, such as refresher training, and communicate corrective tasks to personnel through Vector EHS Management
- Automatically translate incident reports to produce OSHA forms 300, 300A and 301 to easily export OSHA logs
- Comprehensive reports show incident history to identify trends, address problem areas and more

Re: 56-6 – Exception to Bid – OpenGov, Inc.

This is a request under City Ordinance 56-6, Exception to Bid, to award the annual service and support contract for the OpenGov Cloud service to OpenGov, Inc., in the amount of \$31,844.00. This software is used for e-permitting throughout the City as well as throughout the state. It is currently being evaluated by the Warwick Police Department as a possible platform to replace their existing, mostly manual, permitting systems. This support contract runs from July 1, 2023 through June 30, 2024.

This year's expense shows a slight increase over last year's invoice of approximately 5%. The pricing is based on the State's continuing negotiations with the software provider, OpenGov, Inc. Since this is mandated software by the state, as happened last year, we anticipate that they will reimburse the City for the portion of the cost associated to the Building Department.

OpenGov, Inc., 955 Charter Street, Redwood City, CA 94063, is the proprietary owner of this software which has been standardized across the state.

This expense is budgeted in and will be paid for out of Budget Code 25-334.

Subj: Bid2023-052 HVAC Maintenance & Repair Services for City Buildings

The above was awarded by the City Council for HVAC repairs in City buildings in the amount of \$70,000. This department has expended that amount and the cooling season is just beginning, therefore, this request to increase the awarded amount by \$30,000.00 with the current vendor, D Larsen and Sons. This bid expires August 31, 2023.

Please consider this memo a request for Sec. 6-12, alteration to contract, of the City Charter to increase the cap to \$100,000, an increase of \$30,000, for HVAC services of City buildings.

Re: Bid2023-052 HVAC Maintenance & Repair for City Owned Buildings

We have reviewed the five bids submitted and recommend award to D Larsen and CAM HVAC as the lowest responsible bidders for maintenance and repairs in City owned buildings. This department is requesting two vendors to award simply due to the amount of buildings this department is responsible for maintaining. This will allow for the flexibility in expediting repairs should one of the vendors not be available, particularly in an emergency situation. The current bid expires August 29, 2022. The new contract period will be August 30, 2022 to August 29, 2023. The recommended cap for this award is \$70,000.00 for one year.

From: Philip F. Carlucci – MIS Director *PFC*
Date: Monday, May 15, 2023
Re: 56-10 State MPA 497 - OSHEAN, Inc.

This is a request to award the existing portion of the City's network currently covered by OSHEAN to OSHEAN, Inc. in the amount of \$21,450 covering July 1, 2023 through June 30, 2024. We will be Piggybacking off of the RI State MPA #497 which expires on July 1, 2025.

This cost consolidates several other previous individual requests into a consolidated centralized expenditure. These include, Verizon replacement circuits for the WFD, connection of the WPD Substation at Conimicut, as well as redundant feed into the Fire Dispatch facility.

OSHEAN, Inc., 6946 Post Road, Suite 402, North Kingstown, RI 02852, is a Co-Operative, not for profit organization that provides extremely low-cost telecommunication services to its membership. Membership is only available to Rhode Island based Governmental, Scholastic, and non-profit organizations. Funding for this will come out of budget code 25-307.

Cc: Peder Schaefer – Finance Director

Terms and Conditions

PURCHASE ORDER STANDARD TERMS AND CONDITIONS

TERMS AND CONDITIONS FOR THIS PURCHASE ORDER

CAMPAIGN FINANCE COMPLIANCE

CAMPAIGN FINANCE: In accordance with RI General Law 17-27-2, Every person or business entity providing goods or services of \$5,000 or more, and has in the preceding 24 months, contributed an aggregate amount in excess of \$250 within a calendar year to any general officer, or candidate for general office, any member, or candidate for general assembly, or political party, is required to electronically file an affidavit regarding political contributions at: <https://secure.ricampaignfinance.com/RhodeIslandCF/Public/VendorAffidavit.aspx>

ARRA SUPPLEMENTAL TERMS AND CONDITIONS

For contracts and sub-awards funded in whole or in part by the American Recovery and Reinvestment Act of 2009. Pub.L.No. 111-5 and any amendments thereto, such contracts and sub-awards shall be subject to the Supplemental Terms and Conditions For Contracts and Sub-awards Funded in Whole or in Part by the American Recovery and Reinvestment Act of 2009. Pub.L.No. 111-5 and any amendments thereto located on the Division of Purchases website at www.purchasing.ri.gov.

DIVESTITURE OF INVESTMENTS IN IRAN REQUIREMENT:

No vendor engaged in investment activities in Iran as described in R.I. Gen. Laws §37-2.5-2(b) may submit a bid proposal to, or renew a contract with, the Division of Purchases. Each vendor submitting a bid proposal or entering into a renewal of a contract is required to certify that the vendor does not appear on the list maintained by the General Treasurer pursuant to R.I. Gen. Laws §37-2.5-3.

For all Purchase Orders issued on behalf of the University of Rhode Island, Community College of Rhode Island, and Rhode Island College, vendors will receive a confirming order from the respective entity prior to proceeding.

MASTER PRICE AGREEMENT CONTRACT ADMINISTRATIVE FEE

In 2017 the General Assembly amended the "State Purchases Act", R. I. Gen. Laws § 37-2-12 (b) to authorize the Chief Purchasing Officer to establish, charge and collect from vendors listed on master price agreements ("MPA") a contract administrative fee not to exceed one percent (1%) of the total value of the annual spend against their MPA contracts. All contract administrative fees collected from MPA vendors shall be deposited into a restricted receipt account which shall be used for the purposes of implementing and maintaining an online eProcurement system and other costs related to State procurement. In accordance with this legislative initiative the Division of Purchases is upgrading the State procurement system through the purchase and installation of an eProcurement system.

The contract administrative fee shall be applicable to all purchase orders issued relative to State MPA contracts. Therefore, effective January 1, 2020 all MPA contracts shall be assessed the 1% contract administrative fee.

INSURANCE REQUIREMENTS (ADDITIONAL)

ANNUAL RENEWAL INSURANCE CERTIFICATES FOR WORKERS' COMPENSATION, PUBLIC LIABILITY, PROPERTY DAMAGE INSURANCE, AUTO INSURANCE, PROFESSIONAL LIABILITY INSURANCE (AKA ERRORS & OMISSIONS), BUILDER'S RISK INSURANCE, SCHOOL BUSING AUTO LIABILITY, ENVIRONMENTAL IMPAIRMENT (AKA POLLUTION CONTROL), VESSEL OPERATION (MARINE OR AIRCRAFT) PROTECTION & INDEMNITY, ETC., MUST BE SUBMITTED TO THE SPECIFIC AGENCY IDENTIFIED IN THE "SHIP TO" SECTION OF THE PURCHASE ORDER. CERTIFICATES ARE ANNUALLY DUE PRIOR TO THE BEGINNING OF ANY CONTRACT PERIOD BEYOND THE INITIAL TWELVE-MONTH PERIOD OF A CONTRACT. FAILURE TO PROVIDE ANNUAL INSURANCE CERTIFICATION MAY BE GROUNDS FOR CANCELLATION.

MULTI YEAR AWARD

THIS IS A MULTI-YEAR BID/CONTRACT. PER RHODE ISLAND STATE LAW 37-2-33, CONTRACT OBLIGATIONS BEYOND THE CURRENT FISCAL YEAR ARE SUBJECT TO AVAILABILITY OF FUNDS. CONTINUATION OF THE CONTRACT BEYOND THE INITIAL FISCAL YEAR WILL BE AT THE DISCRETION OF THE STATE. TERMINATION MAY BE EFFECTED BY THE STATE BASED UPON DETERMINING FACTORS SUCH AS UNSATISFACTORY PERFORMANCE OR THE DETERMINATION BY THE STATE TO DISCONTINUE THE GOODS/SERVICES, OR TO REVISE THE SCOPE AND NEED FOR THE TYPE OF GOODS/SERVICES; ALSO MANAGEMENT OWNER DETERMINATIONS THAT MAY PRECLUDE THE NEED FOR GOODS/SERVICES.

BLANKET PAYMENT

DELIVERY OF GOODS OR SERVICES AS REQUESTED BY AGENCY. PAYMENTS WILL BE AUTHORIZED UPON SUBMISSION OF PROPERLY RENDERED INVOICES NO MORE THAN MONTHLY TO THE RECEIVING AGENCY. ANY UNUSED BALANCE AT END OF BLANKET PERIOD IS AUTOMATICALLY CANCELLED.

PURCHASE AGREEMENT AWARD

THIS IS A NOTICE OF AWARD, NOT AN ORDER. Any quantity reference in the agreement or in the bid preceding it are estimates only and do not represent a commitment on the part of the state to any level of billing activity, other than for quantities or volumes specifically released during the term. No action is to be taken except as specifically authorized, as described herein under AUTHORIZATION AND RELEASE. ENTIRE AGREEMENT - This NOTICE OF AWARD, with all attachments, and any release(s) against it shall be subject to: (1) the specifications, terms and conditions set forth in the Request/Bid Number cited herein, (2) the General Terms and Conditions of Contracts for the State of Rhode Island and (3) all provisions of, and the Rules and Regulations promulgated pursuant to, Title 37, Chapter 2 of the General Laws of the State of Rhode Island. This NOTICE shall constitute the entire agreement between the State of Rhode Island and the Vendor. No assignment of rights or responsibility will be permitted except with the express written permission of the State Purchasing Agent or his designee. CANCELLATION, TERMINATION and EXTENSION - This Price Agreement shall automatically terminate as of the date(s) described under CONTRACT PERIOD unless this Price Agreement is altered by formal amendment by the State Purchasing Agent or his designee upon mutual agreement between the State and the Vendor.

AUTHORIZATION AND RELEASE

In no event shall the Vendor deliver goods or provide service until such time as a duly authorized release document is certified by the ordering Agency. A Direct Purchase Order (DPO) shall be created by the agency listing the items ordered, using the pricing and format set forth in the Master Blanket. All pricing shall be as described in the Master Blanket and is considered to be fixed and firm for the term of the Agreement, unless specifically noted to the contrary herein. All prices include prepaid freight. Freight, taxes, surcharges, or other additional charges will not be honored unless reflected in Master Blanket.

TERMS AND CONDITIONS OF PRICING AGREEMENT

SCOPE AND LIMITATIONS - This Agreement covers requirements as described herein, ordered by State agencies during the Agreement Period. No additional or alternative requirements are covered, unless added to the Agreement by formal amendment by the State Purchasing Agent or his designee.

Under State Purchasing Law, 37-2-54, no purchase or contract shall be binding on the state or any agency thereof unless approved by the department [of administration] or made under general regulations which the chief purchasing officer may prescribe. Under State Purchasing Regulation 8.2.1.1.2, any alleged oral agreement or arrangements made by a bidder or contractor with any agency or an employee of the Office of Purchases may be disregarded and shall not be binding on the state.

PRODUCT ACCEPTANCE - All merchandise offered or otherwise provided shall be new, of prime manufacture, and of first quality unless otherwise specified by the State. The State reserves the right to reject all nonconforming goods, and to cause their return for credit or replacement, at the State's option.

- a) Failure by the state to discover latent defect(s) or concealed damage or non-conformance shall not foreclose the State's right to subsequently reject the goods in question.
- b) Formal or informal acceptance by the State of non-conforming goods shall not constitute a precedent for successive receipts or procurements.

Where the vendor fails to cure the defect promptly or replace the goods, the State reserves the right to cancel the Release, contract with a different vendor, and to invoice the original vendor for any differential in price over the original contract price.

ORDER AUTHORIZATION AND RELEASE AGAINST PRICING AGREEMENT

In no event shall the Vendor deliver goods or provide service until such time as a duly authorized release document is certified by the ordering Agency.

State Agencies shall request release as follows: All releases shall reference the Price Agreement number, the Contract Issue number, the item(s) covered, and the unit pricing in the same format as described herein.

A Department Purchase Order (DPO) listing the items ordered shall be created by the agency. The agency may mail or fax a copy of the order to the Vendor. In some cases the agency may request delivery by telephone, but must provide the Vendor with a DPO Order Number reference for billing purposes. Vendors are encouraged to require written orders to assure payments are processed accurately and promptly.

DELIVERY If this is an MPA, Vendor will obtain "ship to" information from each participating agency. This information will be contained in the DPO. APA delivery information will be contained in the Notice of Award.

PRICING - All pricing shall be as described herein, and is considered to be fixed and firm for the term of the Agreement, unless specifically noted to the contrary herein. All prices include prepaid freight. Freight, taxes, surcharges, or other additional charges will not be honored unless reflected herein.

INVOICING All invoices shall reference the DPO Order Number(s), Price Agreement number, the Contract Issue number, the item(s) covered, and the unit pricing in the same format as described herein. If this is an MPA, Vendor will obtain "bill to" information from each participating agency. This information will be contained in the

DPO. APA billing information will be contained in the Notice of Award.

PAYMENT - Invoices for items not received, not priced according to contract or for work not yet performed will not be honored. No payment will be processed to any vendor for whom there is no IRS W-9 on file with the State Controller.

RFP# 7607815

INSTRUCTIONS TO VENDORS:

Vendors are to submit cost proposals using this file ONLY. Vendors can propose a site be converted to fiber but the build cost is not to be included in the Monthly Reoccurring Charge (MRC).

The column labelled "Service" indicates existing bandwidth for a site or shows a requested increase. Vendors are encouraged to propose increases to "service", also.

MAYOR

Philip Carlucci
MIS DIRECTOR

To: Francis Gomez, Purchasing Agent
From: Philip F. Carlucci – MIS Director *PFC*
Date: Monday, May 15, 2023
Re: 56-6 – VISION Government Solutions

This is a request under City Ordinance 56-6 to award VISION Government Solutions the Web Hosting maintenance and technical support in the amount of \$7,368 and the CAMA software maintenance in the amount of \$13,646. The total expense is \$21,014. This represents just under a 12% increase from last year.

The current contract will expire on June 30, 2023. This bid will allow the Accessor's Office to receive software upgrades and technical support for their application suite and related Website Hosting; making this information accessible to the general public.

VISION Government Solutions, 1 Cabot Road, Suite 100, Hudson, MA 01749, is the sole source for these services and as such, offers no alternative for The City of Warwick to obtain the required support.

This will be paid for out of Budget Code 25-334 and will expire on June 30, 2023.

Subj: Bid2022-074 State bid – Tree Trimming and Removal

The above bid was awarded by the State of RI and subsequently piggybacked by this department with approval from the City Council to Warwick Tree Service, Northeastern Tree Service and Malec Tree Service in July 2021. The State bid has been extended to expire on May 31, 2024 and this department would like to extend this bid for the same time period. As well, this request also includes an increase the cap for the extension period.

Please accept this memo as a request for Sec. 6-12, Alteration to Contract, of the City Charter to increase the original cap by \$20,000, from \$25,000 to \$45,000 and extend the expiration date to May 31, 2024.

Re: Request for Spending Authorization – Police radio tower rental
City Ordinance 56-6: Exception to Notice Requirement
Funding Source: Budget code 30-303, "Telephone"

Dear Ms. Gomez,

The police department is requesting a 56-6 exception to notice for spending authority for our police radio infrastructure tower rental. The police department's new radio infrastructure has equipment affixed to a tower located at 101 Venturi Road. This tower is owned by Crown Castle of 2000 Corporate Drive, Canonsburg, PA 15317. We began leasing this tower space when our radio infrastructure installation project began in August, 2022. This tower location is crucial to the safe and effective operation of our police radio signal.

The monthly tower lease costs are as follow:

- July 1, 2023-April 1, 2024: \$1,158.75/per month
- May 1, 2024: \$1,172.20 (reflects prorated 3% increase)
- June 1, 2024: \$1,193.51 (reflects full month at new 3% increase)

Total annual cost: \$13,953.21

This tower lease has a built-in 3% "recurring escalation" on the anniversary of the term commencement date. Put simply, the monthly lease rate will increase 3% annually on May 19th.

The current contract expires on June 30, 2023. If approved, funding in the amount of \$13,953.21 will be allocated from Budget code 30-303, "Telephone." This is a one-year contract valid from July 1, 2023 through June 30, 2024.

Please feel free to contact me if you require any further information.

Sincerely

A handwritten signature in black ink, appearing to read "Andrew P Sullivan".

To: City of Warwick
Regarding: City of Warwick // Venturi Ave.
BUN: 875051 // UNIT TOOL CO. / Order/Application # 598328

Dear Sir or Madam:

Please find enclosed for your review and execution by an authorized signatory of City of Warwick, the collocation agreement or amendment for the above-referenced wireless communication facility with respect to the above-referenced Order/Application Number (the "Enclosed Agreement"). Any other documentation (if any) enclosed within the DocuSign Envelope ("Other Documentation") is being provided for convenience and/or administrative purposes only and is not part of the Enclosed Agreement, unless and to the extent that such Other Documentation is specifically incorporated into the Enclosed Agreement by its terms. If you have any questions regarding the details of the Enclosed Agreement, please contact Oswin Chackochan at 847-273-2941.

Crown Castle now accepts digital signature. Please follow the prompts within the Enclosed Agreement for providing your digital signature and approval. Unless otherwise indicated, any Other Documentation (if applicable) will have no digital signature functionality within the DocuSign envelope. We will execute documents that require notarizations with digital signatures or ink signatures as required for notary purposes.

If you choose not to execute electronically, you may instead print out two (2) complete copies of the Enclosed Agreement, sign both in ink and mail them to Crown Castle at the address below. Please include the name, e-mail address, telephone number, and physical street address of the individual to whom one (1) complete fully-executed version of the Enclosed Agreement should be returned. (Note: FedEx and UPS cannot deliver to a Post Office Box.)

Crown Castle Address for mailing signed hard copies:

SITE LICENSE AGREEMENT
(FOR INSTALLATION ON A TOWER)

This Site License Agreement ("SLA") is made and entered into as of this _____, (the "SLA Date"), by and between City of Warwick RI, a government entity of the state of Rhode Island ("Licensee"), and Global Signal Acquisitions II LLC, a Delaware limited liability company ("Licensor"), with respect to Licensee's use of certain Licensed Space at the following site (the "Site") in connection with the approved order attached hereto as Exhibit A (the "Order"):

Site and Licensee Identifiers:
Crown Castle BU#: 875051
Licensee Site ID: N/A
Licensee Type:

General Terms and Conditions Information:
Version ID: 2626253
Version Date: October 28, 2021
Licensee Approval Date: TBD

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree to be legally bound to this SLA as follows:

1. **INCORPORATED AND DEFINED TERMS:** The General Terms and Conditions (for Co-Location by Licensees on Tower Sites and/or Rooftop Sites) referenced above (the "General Terms and Conditions"), are hereby incorporated herein and made part of this SLA; provided, however, in the event of any inconsistencies between this SLA and the General Terms and Conditions, the terms of this SLA shall control. Unless otherwise clear from the context in which they are used, all capitalized terms used in this SLA shall have the same meanings ascribed to them in the General Terms and Conditions.
2. **EQUIPMENT:** Pursuant and subject to this SLA, Licensor hereby grants a license to Licensee to install, operate and maintain on the Site only the Equipment described in the Order. Such License is subject to the Installation Standards and the Building Rules (if applicable).
3. **LICENSED SPACE:** The Equipment shall be contained only within the Licensed Space, which consists of those certain locations designated for the placement of Equipment on the tower, on the ground, within an existing building, and/or on the rooftop, as described in the Order and, if applicable, as shown in the Level Drawing attached hereto as Exhibit B (the "Level Drawing") and/or the Site Plan attached hereto as Exhibit C (the "Site Plan"). For the avoidance of doubt, the Licensed Space does not include any space located within any non-exclusive easements or any other space that is not designated for the placement of Equipment as described above.
4. **SLA TERM:** The following items shall be used to define the SLA Term of this SLA:
 - (a) "Term Commencement Date": Upon full execution of this SLA
 - (b) Duration of Initial SLA Term: 5 years
 - (c) Number of Renewal SLA Terms: 4
 - (d) Duration of Renewal SLA Terms: 5 years
 - (e) Required minimum number of days written notice not to renew: ninety (90) days prior to the expiration of the then-current term that is in effect as of the date of delivery of such written notice

GENERAL TERMS AND CONDITIONS

(for Co-Location by Government Licensees on Tower Sites and/or Rooftop Sites)

Version ID: 2626253

Version Date: October 28, 2021

These General Terms and Conditions (these “General Terms and Conditions”) are incorporated into and made a part of any Site License Agreement that specifically refers to and incorporates these General Terms and Conditions. Unless otherwise noted, as used in these General Terms and Conditions, use of “including” and “includes” means a non-exhaustive list of examples, and use of “or” means “and/or”.

1. DEFINITIONS

The following terms as used in these General Terms and Conditions are defined as follows:

“Basic Payment” means the consideration paid by Licensee for the right to use the Licensed Space as described in Section 5.1 below, which consideration is subject to adjustment as described in Section 5.2 below.

“Basic Payment Commencement Date” shall have the meaning ascribed to it in the SLA.

“Building” means the building or structure on which the Site (or a portion thereof) is located, if applicable.

“Building Rules” means, if any, the rules and regulations issued by the owner of the Building, if applicable.

“Building Use Fees” means, with respect to any Building, any fees (other than recurring licensee fees, rents or revenue sharing payments payable by Licensor to the Landlord) imposed by the Landlord or any Government Entity with respect to Licensee’s installation and operation of Equipment on, or Licensee’s access to and use of, the Building, the Site and the Licensed Premises (e.g., afterhours access fees, government inspection fees, etc.).

“Closeout Documentation” means the as-built drawings and other installation documentation required by Licensor with respect to the subject installation of or Modification to Equipment.

“Crown Castle” means Crown Castle USA Inc. or an affiliate of Crown Castle USA Inc. that is designated by Licensor to perform any Work for Licensee, or to inspect any work that is performed for Licensee, pursuant to Section 2.4 below.

“Deed” means the deed(s) or other similar prior instrument(s) from which Licensor’s rights in any portion of the Site are derived, together with any restrictive covenants pertaining thereto, whether or not such restrictive covenants are contained in the deed(s) or other similar prior instrument(s) or in a separate prior legal instrument(s).

“Equipment” means Licensee’s communications equipment placed on the Site, including Licensee’s antennas, cables, connectors, wires, radios, radio shelter or cabinet and related transmission and reception hardware and software, and other personal property.

“Event of Default” means any material breach of the SLA or these General Terms and Conditions for which no cure period applies, or any other breach of the SLA or these General Terms and Conditions that is not cured within the applicable cure period stipulated herein, as described in Section 13 below.

“FAA” means the Federal Aviation Administration.

“FCC” means the Federal Communications Commission.

“Government Entity” means any federal, state or local governmental unit or agency thereof, or any Indian Tribe or Native Hawaiian organization, with jurisdiction applicable to the Site.

“Grantor” means the grantor named in the Deed, if applicable.

“Initial SLA Term” means the initial term of the SLA that commences on the Term Commencement Date and continues for the duration specified in the SLA.

“Installation Standards” means the “Installation Standards for Construction Activities on Crown Castle Tower Sites” or its successor, issued by Licensor (or its affiliates) from time to time, as described in Section 2.1 below.

“Intermodulation Study” means a study to determine whether an RF interference problem may arise.

“Landlord” means the lessor, sublessor, or licensor under the Prime Lease, if applicable.

“Laws” means any and all laws, regulations, rules, or requirements promulgated by Government Entities.

“Level Drawing” means the level drawing attached to the SLA.

“Licensed Equipment” means, if applicable, Licensee’s permitted equipment installed at the Site that is transmitting or receiving signals within frequencies for which has an FCC license, to the extent that such equipment is transmitting or receiving signals within such frequencies.

“Licensed Space” means that portion of the Site that is licensed to Licensee hereunder, which may include space at an elevation on the tower or Building used by other licensees.

“Licensee” means the party named as “Licensee” in the SLA and its successors-in-interest.

“Licensor” means the party named as “Licensor” in the SLA and its successors-in-interest.

“Modification” means (a) any addition of equipment outside the boundaries of any permitted equipment pads on the ground or rooftop, (b) any addition of antennas or antenna structures on the ground, or on any rooftop or equipment pad, (c) any use of space on the ground, tower or rooftop outside of the Licensed Space, except as otherwise expressly permitted in the SLA, (d) any change to the shape or location of the Licensed Space on the

ground, tower or rooftop, as applicable, (e) the addition of generators or generator fuel tanks in any location, (f) any addition, modification, or replacement of equipment on the tower or rooftop other than as may be specified in the SLA, (g) any change to the frequency ranges specified in the SLA or the use of any frequency outside of the frequency ranges specified in the SLA, or (h) any use of power in excess of the power level specified in the SLA. Notwithstanding the foregoing, the replacement of any of Licensee's equipment (if any) on the tower or rooftop with new, identical equipment (i.e., equipment of the same quantity, make, model, size and weight), in the same location as the previously permitted equipment, shall not by itself constitute a "Modification", provided that such replacement does not negatively affect the tower's or rooftop's loading capacity, as determined by Licensor.

"NTP" means a written notice to proceed.

"Order" means the order form (as may be amended by Licensor from time to time), which shall be submitted to Licensor by Licensee when Licensee desires to apply for a license to install or make a Modification to Equipment or the Licensed Space. The approved Order for Licensee's initial permitted Equipment at the Site is attached to the SLA.

"Pre-Existing Use" means any installation or modified use of Licensor's or another user's equipment prior to the installation or modified use of Licensee's Equipment.

"Prime Lease" means the lease(s), sublease(s), or other similar prior agreement(s) from which Licensor's rights in any portion of the Site are derived, and which may contain restrictions on use of the Site.

"Prior Agreement" means, if applicable, any active prior oral or written agreements (as may have been amended or assigned) between Licensor and Licensee to the extent applicable to both the Site and the subject matter described in the SLA.

"Renewal SLA Term" means each renewal term of the SLA that commences upon the expiration of the immediately preceding term and continues for the duration specified in the SLA.

"RF" means radio frequency.

"Services Agreement" means any active agreement(s) between Licensee and Crown Castle with respect to the performance of Work for Licensee by Crown Castle, which active agreement(s) may include, without limitation, any master services agreement, project appendix, purchase order for services, and/or other similar agreement.

"Site" means the property referred to in the SLA, which is owned, leased, or otherwise controlled by Licensor and which contains the Licensed Space.

"Site Plan" means the site plan or site sketch attached to the SLA.

"SLA" means the Site License Agreement into which these General Terms and Conditions are incorporated by reference.

"SLA Term" means the term of the SLA, inclusive of the Initial SLA Term and the Renewal SLA Term(s).

"Structural Analysis" means an engineering analysis performed to determine whether the physical and structural capacity of the tower or rooftop are sufficient to accommodate the proposed tower-mounted or rooftop-mounted Equipment, if any. Such

engineering analysis takes into consideration factors such as weight, wind loading and physical space requirements.

"Subsequent Use" means any installation or modified use of Licensor's or another user's equipment subsequent to the installation or modified use of the Licensed Equipment as described in Section 6.1 below.

"Term Commencement Date" shall have the meaning ascribed to it in the SLA.

"Unlicensed Equipment" means, if applicable, Licensee's permitted equipment installed at the Site that is transmitting or receiving signals within frequencies that do not require an FCC license, to the extent that such equipment is transmitting or receiving signals within such frequencies.

"Up-Front Co-Location Fee" means, with respect to Licensee's initial installation on the Site, the fee payable by Licensee to Licensor in the amount specified in the SLA to defray Licensor's costs associated with those certain items covered by the Up-Front Co-Location Fee as set forth in the SLA, which covered items may include any or all of the following: (a) Crown Castle's submittal or evaluation of the Order, (b) the performance of one (1) Structural Analysis with respect to Licensee's proposed tower-mounted or rooftop-mounted Equipment described in the Order, and/or (c) Crown Castle's inspection of any Work not performed by Crown Castle, if applicable, in relation to the Order. For the avoidance of doubt, the Up-Front Co-Location Fee does not cover the cost of any structural or Site modifications that may be required to accommodate Licensee's Equipment on the Site, or any expenses related to any Modification to Licensee's Equipment or Licensed Space.

"Work" means the installation of Equipment at the Site, construction of an approved Modification to Equipment at the Site, or removal of Equipment from the Site, as set forth in Section 2.4 below.

"Zoning Application" means any application for a Zoning Approval.

"Zoning Application Amendment" means any amendment to a Zoning Application.

"Zoning Approval" means an approval required by or issued pursuant to any applicable land use, planning, zoning, development, or similar law by a state or local Government Entity, Indian Tribe, or Native Hawaiian organization.

"Zoning Authority" means an entity that has jurisdiction over the zoning of the property where a Site is located.

2. LICENSE, EQUIPMENT, LICENSED SPACE, MODIFICATIONS, NOTICE TO PROCEED, ACCEPTANCE OF SITE

2.1 License to Install, Operate and Maintain the Equipment. Pursuant and subject to the SLA and these General Terms and Conditions, Licensor grants a license to Licensee to install, operate and maintain the Equipment on the Site within the Licensed Space, as such Equipment and Licensed Space are described in, and subject to, the approved Order attached to the SLA and as shown in the Level Drawing and Site Plan attached to the SLA. Such license is restricted exclusively to the installation, operation and maintenance of Equipment consistent with the specifications and in the locations identified in the Order, Level Drawing and Site Plan; provided, however, installation of the Equipment is subject to the Installation Standards, changes in

applicable wind codes, and, with respect to any tower-mounted Equipment that is not installed within one hundred eighty (180) days following commencement of installation of the Equipment on the Site, submission of a new Order by Licensee and available capacity as determined by Licensor. If the SLA is replacing a Prior Agreement, the parties acknowledge that the Equipment (or a portion thereof) may already be installed on the Site and that Licensee may currently operate and maintain, the Equipment (or a portion thereof) on the Site.

2.2 Application for Modifications. Licensee shall apply to make a Modification by submitting an Order therefor to Licensor. Following its receipt of such Order and prior to the parties' execution of an amendment for the subject Modification, Licensor will determine and inform Licensee if there are any required studies or processing fees for which Licensee would be responsible in connection with such Order and/or the proposed Modification. Any approved Modification shall be evidenced by an amendment to the SLA, and the subject Order shall be incorporated into said amendment. Any Modification, or change in Licensee's use of the Licensed Space, as approved in the SLA, may entitle Licensor to additional compensation. Licensor is not obligated to approve Orders for Modifications.

2.3 NTP Required for Installation of Equipment or Modification. With respect to the installation of Equipment not already installed on the Site pursuant to a Prior Agreement, and with respect to any Modifications to Equipment, the parties agree that, notwithstanding anything to the contrary herein, Licensee's right to install Equipment or make a Modification to Equipment at the Site shall not commence until (a) an NTP pertaining to such installation or Modification has been issued by Licensor, subject to and in accordance with Licensor's NTP process, which NTP process may require satisfaction of one or more conditions precedent prior to NTP issuance, and (b) such NTP has been fully-executed in accordance with Licensor's NTP process. With respect to Licensee's initial installation of Equipment on the Site, if any applicable conditions precedent are not satisfied within one hundred eighty (180) days after the date of full execution of the SLA, either party shall have the right to terminate the SLA upon written notice to the other party; provided, however, the foregoing right to terminate the SLA shall expire upon satisfaction of all applicable conditions precedent if said termination right was not previously exercised by either party. Licensor and Licensee shall cooperate to satisfy any conditions precedent.

2.4 Performance of Work. Licensee may engage Crown Castle to install Licensee's Equipment, to make approved Modifications to Licensee's Equipment, or to remove Licensee's Equipment from the Site pursuant to this Section 2 (the "Work"). With respect to each such engagement, such Work shall be performed upon terms mutually agreed upon by Licensee and Crown Castle as set forth in an applicable Services Agreement; provided, however, in the event that Licensee does not engage Crown Castle to perform the Work, Licensee shall only engage a contractor approved by Crown Castle to perform the Work. Notwithstanding Crown Castle's inspection of any Work not performed by Crown Castle, neither Licensor nor Crown Castle shall in any way be liable for any defect in the Work or any of the materials used, and Licensee shall not rely on Licensor's inspection of the Work as confirmation that no defects exist. All Work shall be performed in accordance with the standards set forth in the Installation Standards. The foregoing requirement that Licensee only engage Crown Castle or a contractor approved by Crown Castle to perform Work on the Site is a material term of the SLA and these General Terms and Conditions.

2.5 Closeout Documentation. In the event that Licensee engages Crown Castle to perform any Work for Licensee pursuant

to Section 2.4 above, Licensor shall provide or cause Crown Castle to provide to Licensee all Closeout Documentation with respect to such Work within forty-five (45) days after completion of the Work. In the event that Licensee does not engage Crown Castle to perform any Work for Licensee and Licensee engages a contractor approved by Crown Castle to perform the Work pursuant to Section 2.4 above, Licensee shall provide to Licensor all Closeout Documentation with respect to such Work within forty-five (45) days after completion of the Work.

2.6 Licensor's Remedies for Undocumented Installation or Modification. In the event that Licensee breaches the SLA or these General Terms and Conditions by installing Equipment or making a Modification other than as permitted hereunder, it shall constitute a material breach of contract and Licensor shall have the following remedies, notwithstanding any other terms of the SLA or these General Terms and Conditions: (a) the right to collect from Licensee an administrative fee equal to six (6) times the monthly portion of the Basic Payment (based on the amount of the Basic Payment at the time of said notice), plus any costs incurred to assess the impact of the unauthorized installation or Modification; (b) the right to collect from Licensee any direct and consequential damages related to such unauthorized installation or Modification; and (c) the right to collect the Basic Payment for the Site retroactive to the date of the unauthorized installation or Modification.

2.7 Acceptance of Licensed Space and Site. By executing and delivering the SLA, Licensee: (a) accepts the Licensed Space, Site and Building (if any), including any improvements located thereon, in their "AS IS, WHERE IS" condition, and as suitable for the purposes for which the Licensed Space is licensed to Licensee hereunder; and (b) waives any claims against Licensor related to defects in the Licensed Space, Site or Building (if any), including any improvements located thereon, and their habitability or suitability for any permitted purposes, except if otherwise expressly provided hereunder.

3. ACCESS, USE OF SITE, ZONING APPROVAL, UTILITIES, EMERGENCY SITUATIONS

3.1 Access to Site. Licensor hereby grants to Licensee a non-exclusive license for pedestrian and vehicular ingress to and egress from the Site (where and to the extent available), and a non-exclusive license to access Licensor's utility easement, if any, on a 24 hour per day, 7 day per week basis, for the purposes of maintaining, operating and repairing the Equipment (but not for the purpose of making any unauthorized Modification), together with a license to maintain, operate and repair utility lines, wires, cables, pipes, lines, or any other means of providing utility service, including electric and telephone service, to the Licensed Space. Licensee acknowledges that the foregoing access rights are subject to any restrictions identified in the underlying real estate interests related to the Site, including, but not limited to, any restrictions identified in the Prime Lease or Building Rules (if any) and subject to and limited by the terms of any underlying easement held by Licensor. Licensor gives no guarantee to Licensee regarding Licensee's ability to enter or exit the Site when weather conditions, road conditions, and any other element outside Licensor's control might affect Licensee's ability to enter the Site.

3.2 Authorized Persons; Safety of Personnel. Licensee's right of access shall be limited to authorized employees, contractors or subcontractors of Licensee, FCC inspectors or persons under their direct supervision. Licensee shall not allow any person to enter upon or climb on a tower (if any) on a Site for or on behalf of Licensee without ensuring that such person works for a contractor approved by Licensor and is using appropriate fall prevention protection. In furtherance of and not in limitation of the foregoing, any contractor of Licensee ascending or descending a tower shall be

properly trained and securely attached to the tower by means of an OSHA-approved device and shall comply with OSHA regulations. Notwithstanding the foregoing, in no event shall Licensee allow any person to climb a tower (if any) for or on behalf of Licensee if the SLA does not permit Licensee to install equipment on the tower. The foregoing limitations on Site access are material terms of the SLA and these General Terms and Conditions.

3.3 Notice to Licensor. Licensee agrees to provide prior notice of any access to be made by Licensee or its contractors or subcontractors to the Site by calling Licensor's Network Operations Center at (800) 788-7011 (or by providing notice as otherwise directed by Licensor). For safety reasons, access to the Site is restricted to times when elevated work is not being performed on any tower at the Site by any other person. If Licensor's Network Operations Center informs Licensee of an existing condition that must be eliminated before Licensee may access the Site or tower, then Licensee may not access the Site or tower, as the case may be, unless and until such condition is eliminated and Licensee is subsequently informed of same.

3.4 Licensee's Use of the Site. Licensee shall use the Licensed Space at the Site to install, operate and maintain only the Equipment specified in the Order to which the SLA applies and shall transmit and receive only within the FCC-licensed or unlicensed frequency ranges specified in the Order, at the power levels specified in the Order. Licensee shall comply with all permits, directives, Laws, the Installation Standards and the Building Rules (if any).

3.5 Permits, Authorizations and Licenses. Except as may be otherwise expressly set forth herein or agreed to by Crown Castle and Licensee in a Services Agreement, Licensee shall be solely responsible for obtaining and maintaining, at its own expense, all required permits, authorizations and licenses (if any) associated with its occupancy of Licensed Space at the Site and utilization of Equipment thereon and shall promptly provide copies thereof to Licensor.

3.6 Zoning Approval. At least seventy-two (72) hours before submitting any Zoning Application or Zoning Application Amendment to the applicable Zoning Authority in relation to its installation of or Modification to Equipment at the Site, Licensee must provide Licensor with copies of such Zoning Application or Zoning Application Amendment. Licensor shall respond to Licensee with its approval or rejection of such Zoning Application or Zoning Application Amendment within seventy-two (72) hours after its receipt of copies thereof. Licensor reserves the right to (a) require that it or the tower owner be named as applicant or co-applicant on any such Zoning Application or Zoning Application Amendment or (b) require revisions to any such Zoning Application or Zoning Application Amendment. Licensor also reserves the right, prior to any decision by the applicable Zoning Authority, to approve or reject any conditions of such Zoning Authority's Approval (including, without limitation, any limitations or obligations imposed by the Zoning Authority) that would apply to (i) the entire Site, (ii) the owner of the Site, (iii) the owner of the property on which the Site is located, (iv) the owner or operator of any tower on the Site, or (v) any existing or future Site licensee; provided, however, Licensor shall not unreasonably withhold or delay approval of any such conditions of such Zoning Authority's Approval. Except as otherwise agreed by the parties in writing, Licensee shall be solely responsible for all costs and expenses associated with (A) any Zoning Application or Zoning Application Amendment submitted by Licensee, (B) making any improvements or performing any other obligations required as a condition of approval with respect to same and (C) any other related expenses. Any such costs and expenses paid by Crown Castle or Licensor will be passed through to Licensee.

3.7 Utilities. Licensee shall pay for all electricity and other utilities it uses. If separate metering is unavailable and Licensor is providing electricity to Licensee, Licensee shall pay a share of Licensor's electricity costs as reasonably allocated by Licensor. Except as may be otherwise agreed to by Licensor in a separate active written agreement, Licensor shall not be responsible or liable for any disruption or unavailability of any utility at the Site.

3.8 Emergency Situations. If Landlord or Licensor determines that an emergency situation exists whereby the continued operation of Licensee's Equipment shall cause substantial risk to human health or property damage as determined by Landlord or Licensor in its sole judgment, then Licensee shall promptly be notified verbally, and Licensee shall act diligently and expeditiously to remedy the emergency situation. Should Licensee fail to so remedy the emergency situation or should Landlord or Licensor reasonably determine that the response time by Licensee is not adequate given the nature of the emergency, then Landlord or Licensor may shut down the Equipment for only so long as it takes to rectify the emergency and Licensee shall have no recourse against Landlord or Licensor as a result of such action.

4. SLA TERM

4.1 Initial SLA Term. The Initial SLA Term shall commence on the Term Commencement Date set forth in the SLA and continue for the duration set forth in the SLA.

4.2 Automatic Term Renewal. Following the Initial SLA Term, the SLA Term shall automatically extend for the number and duration of Renewal SLA Terms set forth in the SLA, unless Licensee provides Licensor with the required advance written notice of its election not to renew the SLA Term as set forth in the SLA.

4.3 SLA Term Subject to Prime Lease. Notwithstanding the foregoing, if a Prime Lease applies to the Site, and the term of the Prime Lease expires or terminates sooner than the expiration or termination of the SLA, and Licensor has not assigned (and is not obligated to assign) its rights hereunder to Landlord, then the SLA Term shall continue and remain in effect only as long as Licensor retains its interest under the Prime Lease.

5. CONSIDERATION, ASSESSMENTS

5.1 Basic Payment. Licensee shall pay to Licensor the monthly Basic Payment specified in the SLA, subject to adjustment in accordance with Section 5.2 below (the "Basic Payment"), for its license and use of the Licensed Space. The Basic Payment shall be paid in advance and without demand, in equal monthly payments payable on the Basic Payment Commencement Date, and on the first day of each month thereafter continuing for the SLA Term, subject to extensions as provided for herein. Payments shall be made by check to the payee and address set forth in the SLA. Payments for any partial month shall be prorated.

5.2 Adjustments to Basic Payment. The Basic Payment shall be increased on the first escalation date identified in the SLA and every anniversary of such date thereafter by the percentage amount identified in the SLA. Licensor's failure to demand any such increase shall not be construed as a waiver of any right thereto and Licensee shall be obligated to remit all increases notwithstanding any lack of notice or demand thereof.

5.3 Taxes, Fees and Assessments, Building Use Fees. Licensee shall pay directly to the applicable Government Entity, or to Licensor if Licensor is invoiced by such Government Entity, if and when due, all taxes, fees, assessments or other charges assessed by such Government Entity against the Equipment or Licensee's use

of the Site or the Licensed Space. Licensee shall pay to Licensor or the appropriate taxing authority, if and when due, any sales, use, ad valorem or other similar taxes or assessments which are assessed or due by reason of these General Terms and Conditions or Licensee's use of the Site or the Licensed Space. Licensor shall provide notice (together with supporting documentation) of any assessments to be paid by Licensee promptly upon receipt. Licensor shall invoice Licensee annually, indicating the amount of the assessment and the amount due. Said invoices shall be paid within thirty (30) days of Licensee's receipt. With respect to Sites located on Buildings, Licensee shall also be solely responsible for any Building Use Fees and shall pay all Building Use Fees if and when due.

6. INTERFERENCE

6.1 **Interference to Licensee's Licensed Operations.** Licensor agrees that neither Licensor nor Licensor's other licensees or tenants at the Site, whose equipment at the Site is installed or modified subsequently to the installation or Modification of Licensee's Licensed Equipment ("Subsequent Use"), shall permit their equipment to interfere with Licensee's FCC-licensed transmissions or reception in excess of levels permitted by the FCC. In the event that any Subsequent Use causes RF interference to Licensee's FCC-licensed transmissions or reception in excess of levels permitted by the FCC, then (a) Licensee shall notify Licensor in writing of such RF interference, (b) Licensor shall cause the party whose Subsequent Use is causing said RF interference to reduce power or cease operations in order to correct and eliminate such RF interference within seventy-two (72) hours after Licensor's receipt of such notice, and (c) the entity responsible for the Subsequent Use shall be obligated to perform (or cause to be performed) whatever actions are commercially reasonable and necessary at no cost or expense to Licensee to eliminate such RF interference to Licensee's FCC-licensed transmissions or reception. Licensor further agrees that any new licenses or other agreements that Licensor executes with third parties for a Subsequent Use will contain provisions that similarly require such users to correct or eliminate RF interference with Licensee's operation of its Licensed Equipment following receipt of a notice of such RF interference.

6.2 **Interference by Licensee.** Notwithstanding any prior approval by Licensor of Licensee's Equipment, Licensee agrees that it will not allow its Equipment to cause RF interference to Licensor or other users of the Site (including Pre-Existing Uses) in excess of levels permitted by the FCC. If Licensee is notified in writing that its operations are causing such RF interference, Licensee will immediately take all commercially reasonable and necessary steps to determine the cause of and eliminate such RF interference. If the RF interference continues for a period in excess of seventy-two (72) hours following such notification, Licensor shall have the right to require Licensee to reduce power or cease operations until such time as Licensee can make repairs to the interfering Equipment. In the event that Licensee fails to promptly take such action as agreed, then Licensor shall have the right to terminate the operation of the Equipment causing such RF interference, at Licensee's cost, and without liability to Licensor for any inconvenience, disturbance, loss of business or other damage to Licensee as the result of such actions. To the extent allowed by law, Licensee shall indemnify and hold Licensor and its subsidiaries and affiliates harmless from all costs, expenses, damages, claims and liability that result from RF interference caused by Licensee's Equipment.

6.3 **Interference to Licensee's Unlicensed Operations.** Licensee acknowledges that if Licensee's operation of any Unlicensed Equipment is subject to any RF or physical interference, then neither Licensor nor other users of the Site have any duty or obligation to remedy the interference to such Unlicensed Equipment. Licensee may, after taking all commercially reasonable

actions to remedy the interference to the operation of its Unlicensed Equipment, submit an Order to request relocation of such Equipment to another location at the Site. Licensor shall approve the Order if sufficient space and capacity are available at the Site to accommodate such Unlicensed Equipment without interference (physical or electrical) to other users of the Site, as determined by Licensor in its sole judgment. All costs for said relocation shall be the sole responsibility of Licensee. If the Order for said relocation is approved by Licensor, all other terms of the SLA and these General Terms and Conditions shall continue to apply to such Unlicensed Equipment as relocated and the SLA shall be amended to reflect such relocation.

6.4 **Interference to Building Users.** If the Site is located on a Building, (a) the operation of Licensee's Equipment shall not interfere with the maintenance or operation of the Building, including, but not limited to the roof, MATV, CATV or other video systems, HVAC systems, electronically controlled elevator systems, computers, telephone systems, or any other system servicing the Building and/or its occupants; (b) Licensee shall not allow any excessive or objectionable levels of noise to be generated by its Equipment during normal operations; and (c) Licensee shall indemnify and hold Landlord and Licensor and its subsidiaries and affiliates harmless from all costs, expenses, damages, claims and liability that result from interference caused by Licensee to Landlord or its tenants in the Building.

7. LICENSOR'S RIGHT TO CHANGE LOCATION OF EQUIPMENT

Licensor shall have the right, at Licensor's sole cost and expense, to change the location of the Equipment on the Site (including relocation of Equipment on the tower to an elevation used by other licensees, or re-location of Equipment to another tower located or to be constructed on the Site) upon sixty (60) days written notice to Licensee, provided that said change does not, when completed, materially alter the signal pattern of the Equipment existing at the Site prior to the change; provided, however, in the event that any such relocation is required upon the demand of Landlord and pursuant to the terms of the Prime Lease, then the terms of the Prime Lease shall apply with respect thereto (including, without limitation, any notice provisions set forth in the Prime Lease), and such relocation shall be performed at Licensee's sole expense. Licensee agrees to reasonably cooperate with Licensor to facilitate any relocation pursuant to this Section 7, and any such relocation shall be performed with reasonably minimal disruption to Licensee's operations and shall be evidenced by an amendment to the SLA.

8. RF EXPOSURE

Licensee agrees to reduce power or suspend operation of its Equipment if necessary and upon reasonable notice to prevent exposure of workers or the public to RF radiation in excess of the then-existing regulatory standards.

9. LIENS

Licensee shall keep the Licensed Space, the Site, the Building (if any) and any interest it or Licensor has therein free from any liens arising from any work performed, materials furnished or obligations incurred by or at the request of Licensee, including any mortgages or other financing obligations, and shall discharge any such lien filed, in a manner satisfactory to Licensor, within thirty (30) days after Licensee receives written notice from any party that the lien has been filed.

10. INDEMNIFICATION

Licensee shall indemnify, defend and hold Licensor, and Licensor's affiliates, subsidiaries, directors, officers, managers, employees and contractors, harmless from and against any claim, action, damages, liability, loss, cost or expense (including reasonable attorney's fees), resulting from or arising out of (a) Licensee's or any of Licensee's contractors', subcontractors', servants', agents' or invitees' use or occupancy of the Site, (b) the use of any hazardous materials on the Site by Licensee or persons acting under Licensee, or (c) the existence of any hazardous materials on the Site caused by Licensee or persons acting under Licensee.

11. INSURANCE

11.1 **General.** Licensee shall maintain commercial general liability insurance on a form providing coverage at least as broad as the most current ISO CG 0001 policy form covering its occupancy and use of Sites. The liability insurance policies (automobile, commercial general liability, and umbrella) shall be endorsed to cover Licensor, Licensor's manager (as applicable), and Landlord (as required by the terms of the Prime Lease, if applicable) as an additional insured on a primary and non-contributory basis such that the umbrella liability policy, primary auto liability and commercial general liability all apply as primary with regard to any primary and excess/umbrella liability insurance maintained by the subject additional insured on a form that does not exclude the concurrent negligence of the additional insured. All insurers will carry a minimum A.M. Best A-(FSC VIII) or equivalent rating and must be licensed or authorized to do business in the state where the subject Site is located.

11.2 **Minimum Limits.** At a minimum, Licensee shall obtain and maintain the following insurance coverage, covering itself, its employees and its agents:

(a) statutory workers' compensation including employer's liability with the following limits: \$1,000,000 per accident; \$1,000,000 disease, each employee; and \$1,000,000 disease policy limit;

(b) commercial general liability covering bodily injury, death and property damage (including coverage for products/completed operations, and not excluding coverage for explosion, collapse and underground exposures (XCU)), with limits not less than \$1,000,000 per occurrence, combined single limit with a \$2,000,000 general policy aggregate and a separate products/completed operations aggregate of \$2,000,000, plus umbrella liability insurance of \$5,000,000;

(c) automobile liability covering all owned, hired and non-owned vehicles with combined single limits not less than \$1,000,000 per accident; and

(d) commercial all risk of loss fire with extended coverage insurance covering all of Licensee's equipment and improvements at the Site.

Licensee must ensure that all independent contractors accessing Sites for or on behalf of Licensee maintain insurance as separately specified by Licensor.

11.3 **Increases to and Application of Limits.** Licensor reserves the right, no more than once every five (5) years, to require reasonable increases in the commercial general liability limits and umbrella liability limits identified above, which increases shall be reflective of then-current industry exposures. Licensor shall exercise such right by providing written notice thereof to Licensee, in which event Licensee shall become compliant within thirty (30) days after receipt of written notice of the subject increases to such limits. If

Licensee maintains insurance with limits higher than the minimum limits required by this Section 11, then such higher limits shall apply as to comply with the limits required by this Section 11. The insurance requirements in these General Terms and Conditions shall not be construed to limit or otherwise affect the liability of Licensee.

11.4 **Policies and Certificates.** All policies required to be provided pursuant to this Section 11 shall contain a waiver of subrogation in favor of Licensor, Landlord (as applicable) and Licensor's manager (as applicable). Licensee shall provide certificates of insurance evidencing said coverage to Licensor upon execution of the SLA and at least annually as the policies renew. Any failure on the part of Licensor to request the required certificates of insurance shall not in any way be construed as a waiver of any of the aforesaid insurance requirements. All policies required hereunder shall provide that the insurer shall notify Licensor of any policy cancellation not less than thirty (30) days in advance of the effective date of such cancellation, or, if such cancellation is due to non-payment of premium, not less than ten (10) days in advance of the effective date of such cancellation.

12. CASUALTY, CONDEMNATION

12.1 **Casualty.** In the event that the Site, or any part thereof, is damaged by fire or other casualty not caused by Licensee, and the Site is not repaired or restored within ninety (90) days from the date of damage, if the damage is less than total destruction of the Site, or within one hundred and eighty (180) days from date of destruction, if the Site is destroyed, and the damage or destruction effectively precludes Licensee's use of the Site as authorized under the applicable SLA, then either party may, at its option, terminate the SLA without further liability of the parties, as of the date of partial or complete destruction. If, for any reason whatsoever, Licensee's use of the Site is interrupted due to casualty, Licensee's sole remedies shall be (a) abatement of the Basic Payment for the period during which Licensee's use of the Site is interrupted and (b) the aforementioned contingent right to terminate the SLA. In no event shall Licensor be liable to Licensee for damage to the Equipment or interruption or termination of Licensee's operations caused by force majeure, acts of God or acts or omissions of third parties. In no event shall the discontinuance or disruption of any utility to the Site be deemed to be a casualty for the purposes of the SLA.

12.2 **Condemnation.** If any part of the Site is taken under the power of eminent domain, Licensor and Licensee shall be entitled to assert their respective claims in accordance with applicable state Law.

13. DEFAULT, REMEDIES, WAIVER OF CONSEQUENTIAL DAMAGES

13.1 **Events of Default.** Each of the following shall constitute an Event of Default hereunder: (a) Licensee's failure to pay any amount due hereunder within ten (10) days after receipt of written notice from Licensor that said payment is delinquent; (b) Licensee's engagement of a contractor not approved by Crown Castle to perform Work on the Site in violation of the requirements of Section 2.4 above; (c) Licensee's breach of these General Terms and Conditions by installing Equipment or making a Modification other than as permitted hereunder as described in Section 2.6 above; (d) Licensee's violation of the Site or tower access limitations in Section 3 above; (e) Licensee's failure to stop its Equipment from causing RF interference to Licensor or other pre-existing uses of users of the Site in violation of the requirements of Section 6.2 above; and (f) either party's failure to cure any breach of any other covenant of such party herein within thirty (30) days after receipt of written notice from the non-breaching party of said breach, provided, however, such thirty (30) day cure period shall be extended upon the breaching party's request if deemed by the non-

breaching party to be reasonably necessary to permit the breaching party to complete the cure, and further provided that the breaching party shall commence any cure within the thirty (30) day period and thereafter continuously and diligently pursue and complete such cure.

13.2 Remedies. In the Event of Default by Licensee, upon Licensor's demand, Licensee shall immediately make full payment of all amounts that Licensor would have been entitled to receive hereunder for the remainder of the then-current SLA Term, and Licensor shall have the right to accelerate and collect said payments, which right is in addition to all other remedies available to Licensor hereunder or at law, including the right to terminate the SLA as set forth in Section 19.3 below. All delinquent amounts shall bear interest at the lesser of one and one-half percent (1 ½%) per month, or the maximum amount permitted by law.

13.3 Waiver of Consequential Damages. Except as otherwise provided in Section 2.6 above, neither party shall be liable to the other for consequential, indirect, special, punitive or exemplary damages for any cause of action whether in contract, tort or otherwise, hereunder to the extent allowed by law.

14. USE OF HAZARDOUS CHEMICALS

Licensee must inform Licensor (in the Order attached to the SLA or in a separate written notice) if it will house batteries or fuel tanks on the Site. The use of any other hazardous chemicals on the Site requires Licensor's prior written approval. Licensee agrees to provide to Licensor no later than each January 15th, an annual inventory of its hazardous chemicals on the Site.

15. GOVERNING LAW

The SLA inclusive of these General Terms and Conditions shall be governed by the laws of the State of New York without regard to its choice of law principles.

16. ASSIGNMENT, SUBLEASE, SHARING

The SLA inclusive of these General Terms and Conditions may not be sold, assigned or transferred in whole by Licensee without the prior written approval or consent of Licensor, which consent may not be unreasonably withheld. The SLA inclusive of these General Terms and Conditions may not be sold, assigned or transferred in part by Licensee without the prior written approval or consent of Licensor, which consent may be withheld in Licensor's sole discretion. Licensor's consent to any such assignment, and Licensee's and the assignee's representations to, and agreements with, Licensor pertaining to such assignment, shall be evidenced by a form to be provided by Licensor and executed by Licensor, Licensee and the assignee. Notwithstanding the foregoing, Licensee shall have the right to assign in whole its interest under the SLA without the consent of Licensor, upon ninety (90) days prior written notice to Licensor, to Licensee's parent, to any of its wholly-owned subsidiaries, to any entity that controls, is controlled by or under common control with Licensee, or to any entity that owns or acquires all or substantially all of Licensee's assets or shares of ownership. Licensee shall not sublease or license its interest in the SLA, in whole or in part, either directly or through subsidiaries or affiliated entities. Licensee shall not share the use of its Equipment with any third party.

17. NOTICES

Except for notices of access which are to be provided as set forth in Section 3.3 above, all notices hereunder shall be in writing and shall be given by (a) established express delivery service which maintains delivery records, (b) hand delivery or (c) certified or registered mail,

postage prepaid, return receipt requested. Notices are effective upon receipt, or upon attempted delivery if delivery is refused or if delivery is impossible. The notices shall be sent to the parties at the notice addresses set forth in the SLA. Licensor or Licensee may from time to time designate any other address for this purpose by giving written notice to the other party.

18. PRIME LEASE OR DEED

Licensor and Licensee acknowledge that Licensee's use of the Site is subject and subordinate to the Prime Lease or Deed for the Site, a redacted copy of which is available to Licensee upon request or through Licensor's online database. Notwithstanding anything to the contrary herein, if a Prime Lease applies to the Site and approval from or payment to Landlord is required under the Prime Lease, the effectiveness of the SLA (or amendment to the SLA, if applicable), shall be specifically subject to obtaining such approval, or making such payment or both. Licensee is obligated to access and review said Prime Lease or Deed prior to accessing or installing any Equipment on the Site, and Licensee agrees to be bound by and to perform all of the duties and responsibilities required of the lessee, sublessee, licensee or grantee as set forth in the Prime Lease or Deed to the extent they are applicable to Licensee's access to and use of the Site. If the Site is located on a Building, Landlord may require that a rooftop antenna stealthing or screening system be installed to conceal Licensee's Equipment, in which event such rooftop antenna stealthing or screening system, if applicable, will be installed at Licensee's sole cost and expense and shall become a fixture of the Building and shall be deemed personal property of Landlord.

19. TERMINATION

19.1 Withdrawal or Termination of Site Zoning Approval or Permit. In the event that any Site zoning approval or any of Licensor's permits to operate the Site as a communications facility is withdrawn or terminated, the SLA shall terminate effective as of the termination of such Site zoning approval or permit.

19.2 Termination of Prime Lease. If a Prime Lease applies to the Site and the Prime Lease terminates for any reason, the SLA shall terminate effective as of the termination of the Prime Lease.

19.3 Termination in the Event of Default. In the Event of Default by either party (the "defaulting party"), the other party (the "non-defaulting party") may terminate the SLA by providing written notice of such termination to the defaulting party. Such written notice shall describe (a) the Event of Default, and (b) in the case of a breach that could have been cured in accordance with Section 13, the defaulting party's failure to cure such breach within the stipulated cure period. The non-defaulting party's right to terminate the SLA pursuant to this Section 19.3 is in addition to any other rights and remedies provided to the non-defaulting party by law or under these General Terms and Conditions.

20. NO WAIVER

No provision of the SLA or these General Terms and Conditions will be deemed to have been waived by either party unless the waiver is in writing and signed by the party against whom enforcement is attempted.

21. NON-DISCLOSURE

For a period ending one hundred eighty (180) days after the expiration or termination of all SLAs executed under these General Terms and Conditions, the parties agree that, except to the extent otherwise required by law, without the express written consent of the other party, neither party shall reveal, disclose or publish to any third party these General Terms and Conditions, any SLA or any

portion thereof, except that a party to an SLA may disclose the terms of these General Terms and Conditions, any SLA or any portion thereof to (a) such party's auditor, accountant, lender or attorney, (b) such party's employees, directors, consultants, or agents who have a reasonable need to know such information and who shall agree in writing to be bound by the terms and conditions of this non-disclosure provision, or (c) a Government Entity to the extent required by regulation, subpoena or government order to reveal, disclose or publish such information. Notwithstanding the foregoing, either party may disclose the terms of these General Terms and Conditions, any SLA or any portion thereof to any of its affiliated entities, and Licensor may disclose the terms of these General Terms and Conditions, any SLA or the relevant portions thereof to (i) Landlord, if a Prime Lease applies to the Site, (ii) the manager of the Building (if applicable), (iii) any of Licensor's creditors, or (iv) third parties that are existing or potential lessees or licensees of space at the Site, to the extent such disclosure to such potential lessees or licensees is reasonably necessary for the operation, leasing, licensing and marketing of the Site. The terms that may be disclosed to such potential lessees or licensees may include terms relating to Licensee's permitted frequencies for the purposes of RF compliance tests, and terms relating to Licensee's Equipment (if any) installed, or to be installed, on the tower for the purposes of Structural Analysis.

22. SUBORDINATION, NON-DISTURBANCE, ATTORNMEN

22.1 Defined Terms. The following terms as used in this Section 22 are defined as follows:

"Acquiring Party" means any person acquiring title to Licensor's interest in the real property of which the Site forms a part through a Conveyance.

"Conveyance" includes any exercise by a Lender of its rights under the Security Instrument, including a foreclosure, sheriff's or trustee's sale under the power of sale contained in the Security Instrument, the termination of any superior lease of the Site and any other transfer, sale or conveyance of the Licensor's interest in the property of which the Site forms a part under peril of foreclosure or similar remedy, including to the generality of the foregoing, an assignment or sale in lieu of foreclosure or similar remedy.

"Lender" means any and all lenders, creditors, indenture trustees and similar parties.

"Security Instrument" means any and all mortgages, deeds of trust or other deeds, and any similar security agreements that encumber the Site to secure the debt of Licensor.

22.2 Subordination. Subject to Section 22.3, the SLA and Licensee's rights under the SLA are and will be subject and subordinate in all respects to: (a) a Security Instrument from Licensor in favor of Lender insofar as the Security Instrument affects the property of which the Site forms a part; (b) any and all advances to be made thereunder; and (c) any and all renewals, extensions, modifications, consolidations and replacements thereof. Said subordination is made with the same force and effect as if the Security Instrument had been executed prior to the execution of the SLA.

22.3 Non-Disturbance. The subordination described in Section 22.2 is conditioned upon the agreement by Lender that, so long as the SLA is in full force and effect and Licensee is not in material default (beyond applicable notice and cure periods) hereunder, Lender, for itself and on behalf of its successors in interest, and for any Acquiring Party, agrees that the right of

possession of the Site and all other rights of Licensee pursuant to the terms of the SLA shall remain in full force and effect and shall not be affected or disturbed by Lender in the exercise of its rights under the Security Instrument.

22.4 Liability of Parties. Licensee and Licensor agree (a) that any Conveyance shall be made subject to the SLA and the rights of Licensee hereunder and (b) that the parties shall be bound to one another and have the same remedies against one another for any breach of the SLA or these General Terms and Conditions as Licensee and Licensor had before such Conveyance; provided, however, that Lender or any Acquiring Party shall not be liable for any act or omission of Licensor or any other predecessor-in-interest to Lender or any Acquiring Party. Licensee agrees that Lender may join Licensee as a party in any action or proceeding to foreclose, provided that such joinder is necessary to foreclose on the Security Instrument and not for the purpose of terminating the SLA.

22.5 Attornment. Licensee agrees that, upon receipt by Licensee of notice to attorn from Lender or any Acquiring Party, (a) Licensee shall not seek to terminate the SLA and shall remain bound under the SLA, provided that Licensee does not waive any rights that it may have hereunder to terminate the SLA, in accordance with its terms and these General Terms and Conditions, and (b) Licensee shall attorn to, accept and recognize Lender or any Acquiring Party as the licensor hereunder pursuant to the provisions expressly set forth herein for the then remaining balance of the SLA Term and any extensions or expansions thereof as made pursuant hereto. Licensee agrees to execute and deliver, at any time and from time to time, upon the request of Lender or any Acquiring Party any reasonable instrument which may be necessary or appropriate to evidence such attornment.

23. SURRENDER OF LICENSED SPACE, REMOVAL OF EQUIPMENT, REMAINING EQUIPMENT FEE

Licensee shall remove all of its Equipment and other personal property from the Site prior to, and shall surrender the Licensed Space upon, the termination or expiration of the SLA. The removal of Licensee's Equipment and other personal property shall be performed in such a manner as not to interfere with the continuing use of the Site by Licensor and others. Licensee shall, at Licensee's sole expense, promptly repair any damage caused by such removal, reasonable wear and tear excepted, to the Site, to the Licensed Space or to the equipment of any third party on the Site. Should any of Licensee's Equipment or other property remain on the Site after the expiration or termination of the SLA, then:

- (a) no tenancy or interest in the Site shall result, and all such Equipment and other property shall be subject to immediate removal;
- (b) in addition to any other rights or remedies that Licensor may have hereunder or at law or in equity:
 - (i) Licensee shall, upon demand, pay to Licensor a fee equal to one and one-half (1 ½) times the monthly portion of Basic Payment (based on the amount of the Basic Payment at the time of said expiration or termination) for each month or partial month during which any portion of Licensee's Equipment remains at the Site after the expiration or termination of the SLA,
 - (ii) Licensee shall pay to Licensor all expenses that Licensor may incur by reason of such Equipment or other property remaining at the Site after the expiration or termination of the SLA, and

- (iii) Licensee shall indemnify and hold Licensor harmless from and against all claims made against Licensor by any third party founded upon delay by Licensor in delivering possession of the Site to such third party or upon the improper or inadequate condition of the Site, to the extent that such delay or improper or inadequate condition is occasioned by the failure of Licensee to perform its said surrender obligations or timely surrender of the Licensed Space; and
- (c) at any time, Licensor shall have the right, but not the obligation, to remove the Equipment or other property and store it, all at Licensee's expense, subject to the following terms:
 - (i) Licensor's liability for any damage to the Equipment or other property occasioned by such removal and storage is expressly waived by Licensee,
 - (ii) Equipment so removed shall be returned to Licensee upon payment in full of all removal and storage costs and any other fees owing under the SLA, plus an administrative charge equal to fifty percent (50%) of the total of said removal and storage costs, and
 - (iii) notwithstanding the foregoing, any Equipment not retrieved by Licensee within ninety (90) days after its removal shall be deemed abandoned by Licensee, and shall become the property of Licensor without further action by either party, provided that such abandonment shall not relieve Licensee of liability for the costs of removal, storage and disposal of the Equipment, and Licensee shall reimburse Licensor for the cost of disposing of abandoned Equipment plus an administrative charge equal to fifty percent (50%) of the costs of said disposal.

24. PRIOR AGREEMENT SUPERSEDED

The parties hereby agree that the SLA shall be deemed to have revoked and superseded any Prior Agreement as of the SLA Date (as such term is defined in the SLA), and the terms of the SLA inclusive of these General Terms and Conditions (together with applicable Laws) shall govern with respect to all matters under the SLA occurring on or after said date.

25. COMPLIANCE WITH LAWS

Licensor shall, at Licensor's expense, ensure that the tower structure (if any) operated by Licensor on the Site complies with all applicable Laws, including all rules and regulations promulgated by the FCC and FAA with regard to lighting, marking and painting, except where noncompliance is due to Licensee's, Landlord's, Grantor's or other Site users' negligence or willful misconduct. Licensor assumes no responsibility for compliance with any Laws applicable to Landlord, Licensee or any other user of the Site other than Licensor. All installations and operations by Licensee in connection with the SLA shall meet and comply with all applicable Laws, including all applicable local codes and regulations, and all applicable rules and regulations promulgated by the FCC and the FAA. Licensee shall promptly notify Licensor when Licensee becomes aware of a violation of any such Laws at the Site.

26. ITEMS CONTROLLED BY EXPORT ADMINISTRATION REGULATIONS

If in relation to these General Terms and Conditions or any SLA Licensee (or any of its affiliates, employees, agents or contractors) provides to Licensor (or any of its affiliates, employees, agents or contractors) any items controlled by U.S. Export Administration Regulations (collectively, "EAR Controlled Items"), including, without limitation, any documentation containing information or technical data that is restricted by the Export Administration Act of 1979, as amended (Title 50, U.S.C., App. 2401 et seq.) (the "Act"), or if Licensee (or any of its affiliates, employees, agents or contractors) places on the Site (or property containing the Site) any EAR Controlled Item(s), (a) Licensee shall ensure that such EAR Controlled Items are clearly marked with a warning to the extent required, and in a format as required, by the Act, (b) Licensee shall provide Licensor with the Export Control Classification Numbers for such goods or information, and (c) Licensee shall immediately notify Licensor in writing of its provision or placement of such EAR Controlled Items as described above.

27. COUNTERPARTS AND ELECTRONIC SIGNATURE

The SLA may be executed by original, facsimile, or electronic signatures (complying with the U.S. Federal E-SIGN Act of 2000, 15 U.S.C. 96) and in any number of counterparts which shall be considered one instrument. Counterparts, signed facsimile and electronic copies of the SLA shall legally bind the parties to the same extent as original documents.

NOTICE: Structural Analysis shall be performed in accordance with the current revision of the TIA/EIA 222 standard and applicable local building permit codes and standards. EME analysis shall be consistent with current revision of FCC/OSHA standard OETB 65. AM detuning, when required, will be performed to 47 CFR22.371. The customer

is responsible for all analysis expenses. All construction drawings are subject to Crown Castle engineering approval prior to commencement of tower attachments and compound installations. Installation of equipment not conforming to approved drawings may violate the terms of the occupancy agreement and will be corrected at the customer's expense. Crown Castle requires drawings for pre-construction approval and as built drawings for physical configuration validation to be submitted as unlocked AutoCAD files (Version 2000i preferred). Because manufacturers may change equipment specifications (e.g., length, width, height, depth or weight) for a Model Number without changing the Model Number itself, the equipment specifications for such Model Number as identified herein shall be used to determine exactly which version of equipment with such Model Number is approved by Crown Castle herein. Crown Castle may include the suffix "CCiv" together with a number (indicating a version number) after a Model Number, which suffix is not part of the actual Model Number, but indicative of a known change to the equipment specifications applicable to such Model Number.

Re: Request for Spending Authorization – Grayshift “GrayKey” cellphone extraction software license
City Ordinance 56-6: Exception to Notice Requirement
Funding Source: Budget code 30-340, “Service Contracts”

Dear Ms. Gomez,

The police department is seeking a 56-6 exception to bid to purchase a “GrayKey” cellphone extraction software license. Grayshift is the sole proprietor of their GrayKey software which has proven results and is the industry standard in cellphone extractions and investigations. Currently, if we have an investigation in which the GrayKey software is necessary, we need to coordinate with another law enforcement agency that does have the software and go to them with the device. This creates investigative delays and potential chain of custody issues. With a fully staffed and operational Computer Forensics Unit, our police department would be better able to serve the public and victims of crimes.

GrayKey has numerous features including, but not limited to, the ability to bypass cellphone passwords, recover encrypted or inaccessible data, and access 3rd party apps. Modern day criminal investigations almost always include a cellphone component and can, pursuant to legal process, provide investigators the necessary information to complete their investigation. It can also be used to access a deceased person’s phone in order to help to identify them or identify circumstances surrounding their passing, such as in a suspected overdose investigation. It would also benefit missing persons investigation where there is relevant information to be obtained from a cellphone device.

If approved, funding in the amount of \$12,969.00 will be allocated from the police department Budget Code 30-340, “Service Contracts.” The software license would be valid for a one-year term commencing upon approval.

Sincerely

Major Andrew P Sullivan
Administrative Bureau Commander

Quote Terms

Purchaser's signature below or payment creates a binding contract to purchase the products and services set forth in this Quote subject to the following:

- The ArtifactIQ by Grayshift service and purchaser's use thereof is governed by the ArtifactIQ by Grayshift Software Services Agreement available at <https://www.grayshift.com/grayshift-software-services-agreement/> (the "SaaS Agreement"), as updated from time to time.
- Delivery and use of GrayKey is governed by the GrayKey End User License Agreement available at <https://www.grayshift.com/graykey-eula/> ("End User License Agreement"), as updated from time to time.
- **NO ADDITIONAL TERMS AND CONDITIONS OUTSIDE OF THE ARTIFACTIQ BY GRAYSHIFT SOFTWARE SERVICES AGREEMENT AND THE GRAYKEY END USER LICENSE AGREEMENT, AS APPLICABLE, AND THIS QUOTE APPLY WHATSOEVER INCLUDING BUT NOT LIMITED TO ANY TERMS SET FORTH IN A PURCHASE ORDER OR OTHER DOCUMENTATION PROVIDED BY PURCHASER.**
- Your contract will start on 5/31/2023 and will end after the term identified above expires, or if no expiration date is identified, 1 year after the start date.
- If this Quote is for an amount in excess of (i) \$15,000 for the ArtifactIQ by Grayshift service, (ii) \$50,000 for any new GrayKey license(s) or (iii) \$100,000 for renewal GrayKey license(s), respectively, then it may be subject to further approval and acceptance by Grayshift notwithstanding purchaser's acceptance.

Payment Terms

- Non-payment thirty days after issuance of your invoice may result in a suspended license.
- Credit Cards: Major credit cards accepted including Visa, Mastercard, and American Express.
- Additional Information: Fees under this Agreement are exclusive of all taxes, including national, state or provincial and local income, use, sales, value-added, property and similar taxes, if any. Customer agrees to pay such taxes (excluding US taxes based on Grayshift's net income). The final invoice may include such taxes, as applicable.
- Please reference quote number on payment method.

ATTENTION PLEASE READ CAREFULLY

BY SIGNING THIS QUOTE, YOU CERTIFY THAT:

1. **THE INFORMATION IN THIS QUOTE IS ACCURATE, THAT YOU HAVE READ THE TERMS OF THIS QUOTE, THE ARTIFACTIQ BY GRAYSHIFT SOFTWARE SERVICES AGREEMENT, AND THE GRAYKEY END USER LICENSE AGREEMENT, AS APPLICABLE TO THE PRODUCTS IDENTIFIED IN THIS QUOTE, AND AGREE TO THE APPLICABLE TERMS IN THEIR ENTIRETY WITHOUT EXCEPTION OR RESERVATION;**
2. **THAT YOU ARE AN AUTHORIZED REPRESENTATIVE OF THE INTENDED PURCHASING ENTITY IDENTIFIED IN THIS QUOTE WITH THE AUTHORITY TO LEGALLY BIND YOUR AGENCY AND TO ENTER INTO THIS AGREEMENT, AND THAT YOU CAN PROVIDE WRITTEN VERIFICATION OF SUCH AUTHORITY UPON REQUEST; AND**
3. **THAT YOU UNDERSTAND THAT SIGNING THIS QUOTE CREATES A BINDING CONTRACT.**

Limited Source Justification

To Whom It May Concern:

This letter is to provide notification that GrayKey is a proprietary product that is internally developed and manufactured only by Grayshift, LLC ("Grayshift"). There are no competitors in existence that offer the GrayKey product. Grayshift owns all distribution and marketing rights of GrayKey and designates how GrayKey may be marketed and sold.

GrayKey is available for sale as follows:

- GrayKey is only available to approved entities that include law enforcement, consultants retained by law enforcement, public safety, and national defense agencies in select countries.
- Grayshift delivers GrayKey directly to its end customers.
- Grayshift has authorized resellers of the GrayKey line of products. Customers may license GrayKey through a direct transaction with Grayshift or through an indirect transaction with an authorized reseller. In all cases, Grayshift makes the final determination on any completed sale.
- A list of authorized resellers may be found at Grayshift.com.

If you desire additional information, please contact us at the email address or phone number below.

Sincerely,

DocuSigned by:

Request for Taxpayer Identification Number and Certification

Give Form to the requester. Do not send to the IRS.

▶ Go to www.irs.gov/FormW9 for instructions and the latest information.

Print or type. See Specific Instructions on page 3.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.
Grayshift, LLC

2 Business name/disregarded entity name, if different from above

3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only one of the following seven boxes.

Individual/sole proprietor or single-member LLC

C Corporation

S Corporation

Partnership

Trust/estate

Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) ▶ C

Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is not disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner.

Other (see instructions) ▶

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any) _____

Exemption from FATCA reporting code (if any) _____

(Applies to accounts maintained outside the U.S.)

5 Address (number, street, and apt. or suite no.) See instructions.
931 Monroe Drive NE, Suite A102-340

6 City, state, and ZIP code
Atlanta, GA 30308

7 List account number(s) here (optional)

Requester's name and address (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number

or

Employer identification number

| | | | | | | | | | |
|---|---|---|---|---|---|---|---|---|---|
| 8 | 1 | - | 3 | 8 | 0 | 6 | 7 | 5 | 3 |
|---|---|---|---|---|---|---|---|---|---|

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here Signature of U.S. person ▶  Date ▶ 01.11.2023

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

GRAYSHIFT, LLC

END USER LICENSE TERMS

IMPORTANT: PLEASE READ THIS END USER LICENSE AGREEMENT CAREFULLY. DOWNLOADING, INSTALLING OR USING GRAYSHIFT-SUPPLIED SOFTWARE AS PART OF THE GRAYSHIFT PRODUCT (THE "PRODUCT") CONSTITUTES ACCEPTANCE OF THIS AGREEMENT.

THIS PRODUCT CONTAINS CERTAIN SOFTWARE ("SOFTWARE") AND OTHER PROPRIETARY MATERIAL, THE USE OF WHICH IS SUBJECT TO THIS END USER SOFTWARE LICENSE AGREEMENT ("AGREEMENT"). IF YOU DO NOT AGREE TO THE TERMS AND CONDITIONS OF THIS AGREEMENT, DO NOT USE THE SOFTWARE. YOUR USING THE PRODUCT OR SOFTWARE INDICATES THAT YOU ACCEPT THESE TERMS. IF YOU DO NOT AGREE WITH ALL TERMS, YOU MUST RETURN THE PRODUCT, ALL MANUALS AND DOCUMENTATION, AND PROOF OF PAYMENT AND DISCONTINUE USE OF THE SOFTWARE. WRITTEN APPROVAL IS NOT A PREREQUISITE TO THE VALIDITY OR ENFORCEABILITY OF THIS AGREEMENT AND NO SOLICITATION OF ANY SUCH WRITTEN APPROVAL BY OR ON BEHALF OF GRAYSHIFT SHALL BE CONSTRUED AS AN INFERENCE TO THE CONTRARY. IF YOU HAVE ORDERED THIS PRODUCT, GRAYSHIFT'S ACCEPTANCE IS EXPRESSLY CONDITIONAL ON YOUR ASSENT TO THESE TERMS TO THE EXCLUSION OF ALL OTHER TERMS.

1. **ENTIRE AGREEMENT.** The parties hereby agree that all rights connected to the use of the Software by the Licensee are governed exclusively by the terms and conditions set out in this Agreement and shall prevail over any additional, different, or conflicting terms and conditions contained in any pricing statement from Grayshift for the Product ("Quote"), bid package, or other communication or document relating to this Agreement. Acknowledgement, whether express or implied, by either party of the other party's bid packages, Quotes, or other communications or documents relating to this Agreement which contain additional, different or conflicting terms shall not constitute acceptance of such terms and conditions by the acknowledging party. This Agreement may be amended only by a writing executed by both parties.

2. **ACCEPTANCE AND DELIVERY.** Software will be provided by electronic means. Acceptance of Software ("Acceptance") shall be automatic upon the successful completion of Grayshift's standard installation procedures on the Product.

3. **LICENSE GRANT.** Subject to the terms of this Agreement and for the consideration specified in the Order (defined below), Grayshift, LLC ("Grayshift") hereby grants to you ("Licensee" or "You") a limited, revocable, nontransferable, non-assignable, non-sublicensable, non-exclusive license to use and allow Authorized Users to use the Software, in object code form, solely as such Software is embedded in proprietary equipment provided herewith ("Product") and solely for the intended purpose and consistent with Section 9 hereto when accessing mobile devices ("Devices") in your possession or control. Licensee may only use the Product in online mode at authorized physical locations (the "Authorized Locations") specified in the online order (the "Order") or that Licensee has otherwise registered with Grayshift, and Licensee further acknowledges and agrees that in order for the Product to function properly in online mode, the Product must be connected to the Internet. Use of the Product in offline mode does not require the Product to be connected to the Internet. Grayshift may use certain

third-party monitoring tools to ensure that Licensee is in compliance with the foregoing restrictions, which such tools may be subject to Third Party Components terms as further described herein. For purposes of this Agreement, "Authorized Users" means collectively, employees, agents, or contractors who are empowered by Licensee to access or use the Product and Software. The Licensee shall notify Grayshift in writing within thirty (30) calendar days following a change of an Authorized User's employment status such that the Authorized User ceases to be empowered by the Licensee to access or use the Product and Software either through ceasing to be employed by the Licensee or a change in his or her position within the Licensee's organization such that he or she is no longer authorized to access or use the Product and Software.

4. **THIRD PARTY COMPONENTS.** The Software makes use of or otherwise incorporates third party components, including certain Google Maps features and content. Use of Google Maps features and content is subject to the then-current versions of the: (1) Google Maps/Google Earth Additional Terms of Service at https://maps.google.com/help/terms_maps.html; and (2) Google Privacy Policy at <https://www.google.com/policies/privacy/>.

5. **LICENSE RESTRICTIONS.** Notwithstanding anything to the contrary in this Agreement, Licensee will not (or allow an Authorized User or any other individual to): (a) modify any Product; (b) reverse compile, reverse assemble, reverse engineer or otherwise translate all or any portion of any Product, including by removal, disassembly or alteration of any of the Product's components; (c) pledge, rent, lease, share, distribute, sell or create derivative works of any Product; (d) use any Product on a time sharing, service bureau, application service provider (ASP), rental or other similar basis; (e) make copies of any Product; (e) remove, alter or deface (or attempt any of the foregoing) proprietary notices, labels or marks in any Product; (f) distribute any copy of any Software to any third party, including without limitation selling any Product in a secondhand market; (g) use the Software other than with Products provided by

Grayshift; (h) use the Product in online mode other than at an Authorized Location; (i) deactivate, modify or impair the functioning of any disabling code in any Software; (j) circumvent or disable Grayshift copyright protection mechanisms or license management mechanisms; (k) use any Product in violation of any applicable Law or to support any illegal activity; (l) use any Product to violate any rights of any third party; or (m) photograph any of the Product's components, whether internal or external. To the extent legally practicable, Devices must remain in the Licensee's possession and control until after the software agent has been successfully uninstalled on the Devices. Grayshift expressly reserves the right to seek all available legal and equitable remedies to prevent any of the foregoing and to recover any lost profits, damages or costs resulting from any of the foregoing.

6. FEES. Licensee shall pay the license fees set forth in the relevant Quote for the Software and Product. Except as exempt by law, Licensee will be responsible for payment of any applicable sales, use and other taxes and all applicable export and import fees, customs duties and similar charges (other than taxes based on Grayshift's income), and any related penalties and interest for the grant of license rights hereunder, or the delivery of related services. Licensee will make all required payments to Grayshift free and clear of, and without reduction for, any withholding taxes. Any portion of any amount payable hereunder that is not paid when due will accrue interest at two percent (2%) per month or the maximum rate permitted by applicable law, whichever is less, from the due date until paid.

7. TITLE. As between the parties, Grayshift and its licensors retain all right, title, and interest, including, without limitation, all intellectual property rights to the Product. Licensee understands that Grayshift may modify or discontinue offering the Product at any time. The Product is protected by the copyright laws of the United States and international copyright treaties. This Agreement does not give Licensee any rights not expressly granted herein. This Agreement does not constitute a sale of the Product or any portion or copy of it. All rights not granted are reserved for Grayshift.

8. LIMITATION OF LIABILITY. UNDER NO LEGAL THEORY, INCLUDING, BUT NOT LIMITED TO, NEGLIGENCE, TORT, CONTRACT, STRICT LIABILITY, OR OTHERWISE, SHALL GRAYSHIFT OR ITS LICENSORS BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, PUNITIVE, EXEMPLARY, RELIANCE OR CONSEQUENTIAL DAMAGES INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOST PROFITS, LOSS OF GOODWILL, WORK STOPPAGE, ACCURACY OF RESULTS, COMPUTER FAILURE OR MALFUNCTION, OR DAMAGES RESULTING FROM USE. GRAYSHIFT'S LIABILITY FOR DAMAGES OF ANY KIND WHATSOEVER ARISING OUT OF THIS AGREEMENT SHALL BE LIMITED TO THE FEES PAID BY LICENSEE FOR THE PRODUCT.

9. LICENSEE WARRANTIES. Licensee represents, warrants and covenants to Grayshift that (a) only Authorized Users of Licensee who have obtained any necessary consents and approvals pursuant to applicable laws shall be permitted to use

any of the Grayshift Products or Software in connection with any Devices; (b) Licensee and its Authorized Users shall only use the Products and Software in compliance with all applicable laws; and (c) Licensee and its Authorized Users shall only use the Products and Software in accordance with the consents and approvals obtained pursuant to applicable laws.

10. WARRANTY DISCLAIMER. EXCEPT AS SET FORTH ABOVE, GRAYSHIFT PROVIDES THE PRODUCTS AND SOFTWARE "AS IS" AND WITHOUT WARRANTY OF ANY KIND, AND HEREBY DISCLAIMS ALL EXPRESS OR IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, PERFORMANCE, ACCURACY, RELIABILITY, QUIET ENJOYMENT, INTEGRATION, TITLE, NON-INTERFERENCE AND NON-INFRINGEMENT. FURTHER, GRAYSHIFT DOES NOT WARRANT, GUARANTEE, OR MAKE ANY REPRESENTATIONS THAT THE PRODUCT OR SOFTWARE WILL BE FREE FROM BUGS OR THAT ITS USE WILL BE UNINTERRUPTED OR THAT THE PRODUCT, SOFTWARE OR ANY WRITTEN MATERIALS WILL BE CORRECT, ACCURATE, OR RELIABLE. THIS DISCLAIMER OF WARRANTY CONSTITUTES AN ESSENTIAL PART OF THIS AGREEMENT.

Licensee acknowledges that all case stakeholders are aware of and understand the associated risk that the Device may become damaged and/or Device data may be unrecoverable when used with the Product or Software, in particular for Devices (a) with aftermarket repairs or hardware and nonstandard software builds; (b) that boot loop or are otherwise unable to boot normally; (c) that have preexisting damage, defects, or faults that may or may not be detectable; or (d) with software, software builds, states, or usage profiles not identified on the applicable support matrix. Licensee further understands that not all permutations of Device software, software builds, Device states, and usage profiles have been tested by Grayshift. Before utilizing the Product and Software on Devices under any of the above conditions, please consult support.grayshift.com.

11. CONFIDENTIALITY AND NON-DISCLOSURE OBLIGATIONS. Subject to applicable law, Licensee acknowledges that the Product and Software are sensitive technologies whose Confidential Information requires the highest duty of care. Licensee, Licensee's employees or agents who require access in order to perform hereunder, and all final users of the Product (collectively, "Receiving Party") shall not disclose, use, sell, transmit, inform or make available to any entity, person or body any of the Confidential Information, as defined below, nor shall it copy, photograph, or otherwise reproduce any Confidential Information, except as a necessary part of performing its obligations hereunder, and shall take all such actions as are reasonably necessary and appropriate to preserve and protect the Confidential Information and Grayshift's rights therein, at all times exercising the highest duty of care. Further, the Receiving Party shall not attempt to use any Confidential Information to discover, reverse compile, reverse assemble or reverse engineer the Product, including by removal, disassembly or alteration of any of the Product's components,

whether internal or external. Receiving Party agrees to restrict access to Grayshift's Confidential Information to those Authorized Users who require access in order to perform hereunder, and, except as otherwise provided, the Receiving Party shall not make Confidential Information available to any other person or entity without the prior written consent of Grayshift.

11.1. For the purposes of this Agreement, "Confidential Information" means any proprietary, trade secret, financial, technical and non-technical information related to Grayshift's business and current, future and proposed products and services and any derivatives therefrom containing, including, referring to, or otherwise reflecting and/or generated from such Confidential Information. Confidential Information includes, without limitation, (i) information concerning the methods of use, internal components, features, functions and solutions of Grayshift's software or product offerings (including the Product and the Software), information found on the Grayshift support website, and (ii) any copies, photographs, or other reproductions of the foregoing, whether or not marked as "confidential" or "proprietary."

11.2. Confidential Information shall not include any information that is (i) already known to the Receiving Party at the time of the disclosure; (ii) publicly known at the time of the disclosure or becomes publicly known through no wrongful act or failure of the Receiving Party; (iii) subsequently disclosed to the Receiving Party on a non-confidential basis by a third party not having a confidential relationship with Grayshift that rightfully acquired such information; or (iv) communicated to a third party by the Receiving Party with Grayshift's express written consent.

11.3. A disclosure of Confidential Information that is legally compelled to be disclosed pursuant to a subpoena, summons, order or other judicial or governmental process shall not be considered a breach of this Agreement; provided the Receiving Party promptly notifies Grayshift in writing, if notification is permitted by law, and uses commercially reasonable efforts to assist Grayshift, at Grayshift's expense, in opposing such disclosure or obtaining a protective order or other reliable assurance preventing or limiting such disclosure and/or ensuring that confidential treatment will be accorded to any Confidential Information that is disclosed. Such disclosure does not remove the Confidential Information so disclosed from the protection of this Agreement. No further disclosure beyond the scope of such order is allowed.

11.4. The Receiving Party acknowledges and agrees that due to the unique nature of Grayshift's Confidential Information, there can be no adequate remedy at law for any breach of its obligations under this Section 11, that any such breach will cause irreparable and continuing damage to Grayshift and, therefore, that upon any such breach or any threat thereof, Grayshift shall be entitled to whatever remedies it might have by law and equity, including injunctive relief, a decree for specific performance, and all other relief as may be proper (including money damages, if appropriate). The Receiving Party further acknowledges and agrees that the covenants contained herein are necessary for the

protection of legitimate business interests and are reasonable in scope.

12. **TERM AND TERMINATION.** This Agreement shall continue until terminated as set forth herein. Notwithstanding the foregoing, the license to any Product or Software is only during the license term applicable to such Product or Software. The license term shall be determined in the Quote. At Grayshift's sole discretion, Grayshift may also revoke such license and/or terminate this Agreement immediately without refund or reimbursement if Licensee violates any Material Provision of this Agreement. For the purposes of this Section 12, "Material Provision" means each of Sections 3 (License Grant), 5 (License Restrictions), 9 (Licensee Warranties), and 11 (Confidentiality and Non-Disclosure Obligations). Any termination of this Agreement shall terminate the licenses granted hereunder. All Confidential Information, Software and/or derivatives therefrom delivered pursuant to this Agreement shall be and remain the property of Grayshift, and upon expiration or termination of this Agreement for any reason, Licensee shall destroy (or return, at Grayshift's election) (i) all materials in the possession of Licensee in any medium that contain, refer to, or relate to all other written, printed, or tangible materials containing Confidential Information; and (ii) any derivatives therefrom, and shall so certify to Grayshift that such actions have occurred. No such material shall be retained or used by the Receiving Party in any form or for any reason. Except for the license and except as otherwise expressly provided herein, the terms of this Agreement, including the Confidentiality and Non-Disclosure obligations in Section 11 hereto and any additional terms agreed-to in writing by both parties pursuant to Section 1 hereto, shall survive expiration and termination. Notwithstanding any other provision of this Agreement, the obligations of the parties as to Confidential Information shall remain binding in perpetuity until such information no longer qualifies as Confidential Information or until Grayshift sends the Receiving Party written notice releasing the Receiving Party from its obligations under Section 11 hereto, whichever occurs first.

13. **INDEMNITY.** Subject to applicable law, Licensee shall indemnify, defend, or at its option settle, any third party claim or suit against Grayshift based on a claim: (i) of any breach of this Agreement by Licensee, its affiliates, employees, agents, successors and assigns; and (ii) relating to or based on the activities conducted by Licensee or its Authorized Users, using or that used the Software and Product; and Licensee shall pay any final judgment entered against Grayshift in any such proceeding or agreed to in settlement. Grayshift will notify Licensee in writing of such claim or suit and give all information and assistance reasonably requested by Licensee or such designee.

14. **GOVERNMENT USE.** If Licensee is part of an agency, department, or other entity of the United States Government ("Government"), the use, duplication, reproduction, release, modification, disclosure or transfer of the Product or any related documentation is restricted in accordance with the Federal Acquisition Regulation 12.212 for civilian agencies and the Defense Federal Acquisition Regulation Supplement 227.7202 for military agencies. The Product and documentation is a "commercial item", "commercial computer software" and

“commercial computer software documentation.” The use of the Product and documentation is further restricted in accordance with the terms of this Agreement, or any modifications thereto.

15. EXPORT CONTROLS. Licensee shall comply with the U.S. Foreign Corrupt Practices Act and all applicable export laws, restrictions, and regulations of the United States or foreign agency or authority. Licensee will not export, or allow the export or re-export, of the Product in violation of any such laws, restrictions or regulations.

16. MISCELLANEOUS. If any provision of this Agreement is held to be invalid, illegal, or unenforceable in any respect, that provision shall be limited or eliminated to the minimum extent necessary so that this Agreement shall otherwise remain in full force and effect and enforceable. The failure of Grayshift to act with respect to a breach of this Agreement by

Licensee or others does not constitute a waiver and shall not limit Grayshift's rights with respect to such breach or any subsequent breaches. This Agreement is personal to Licensee and may not be assigned, sublicensed, or transferred for any reason whatsoever (including, without limitation, by operation of law, merger, reorganization, or as a result of an acquisition or change of control involving Licensee) without Grayshift's consent and any action or conduct in violation of the foregoing shall be void and without effect. This Agreement shall be governed by and construed under the laws of the State of Georgia, U.S.A. without regard to the conflicts of laws provisions thereof, and without regard to the United Nations Convention on Contracts for the International Sale of Goods. The sole and exclusive jurisdiction and venue for actions arising under this Agreement shall be the state and federal courts in Georgia; Licensee hereby agrees to service of process in accordance with the rules of such court.

Re: Bid Recommendation – OEM Parts for Mercury Motors Re-bid
Bid2023-431
Funding Source: Police department operating budget code 30-340, "Service Contracts"

Dear Ms. Gomez,

The department received one (1) bids for Bid2024-015, "OEM Parts for Mercury Motors Re-bid." The bid was received from the following vendor:

1. CL Marine, Inc of 2501 West Shore Road Warwick, RI 02889

The Police Department recommends CL Marine, Inc be awarded the bid as they were the sole qualified bidder. CL Marine is a Warwick business and is who the current bid is with. The department is satisfied with their services.

If approved, the bid would provide spending authorization in the amount of up to \$10,000 for the purchase of marine motor replacement parts, as indicated in the bid, for the department's Mercury Marine 200 hp Verado 4cyl motors on an as-needed basis. Also included in this bid are the hourly labor rates for diagnostic and repairs.

The department is requesting permission to spend up to **\$10,000** for the as-needed diagnostics, parts, and repairs. Funding for purchases under this bid will be allocated from the department's budget code 30-340, "Service Contracts." The bid contract would begin June 11, 2023 and end June 10, 2024.

Please feel free to contact me should you need any further information.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew P Sullivan".

Major Andrew P Sullivan
Administrative Bureau Commander

Bid2023-410 OEM Parts for Mercury Marine Motors BID RESULTS

The below listed parts are the most frequently used Mercury OEM Parts utilized in the service of the WPD motors. This is just a sampling—and NOT meant to be an exhaustive list of parts the police department is seeking to purchase.

The bid for *Medications for Emergency Medical Services, Bid#2024-033* has been carefully reviewed by the Fire Department.

Two (2) vendors submitted bids, and after evaluating pricing the following vendors have met all the specifications outlined in our request and have proposed the lowest price. Therefore, I recommend the bid be awarded to the following vendors:

Bound Tree Medical, Dublin, OH

The current bid expires on 7/20/2023 and the Department is requesting an award for one (1) year, in a total amount not to exceed \$10,000. Funding for this award will be from budget code 35-367 EMS Supplies & Equipment.

Please contact me should you have any questions.

Re: Bid # 2024-034 Medical Supplies and Equipment
Funding Source: 321-0478, "Opioid Outlay"

Dear Ms. Gomez:

The police department received bid responses from the following six companies for medical supplies/equipment:

Bound Tree Medical LLC of 5000 Tuttle Crossing Blvd., Dublin, OH 43016
Stryker Sales LLC of 2825 Airview Boulevard, Kalamazoo, MI 49002
McKesson Medical-Surgical Government Solutions LLC of 9954 Maryland Dr Suite 5176 Henrico, VA 23233
Mercedes Medical LLC d/b/a Mercedes Scientific of 12210 Rangeland Pkwy Bradenton, FL 34211
Technimount System LLC of 3505 Lake Lynoa Dr Suite 200 Orlando, FL 32817
Lerolav NE LLC of 2600 Miles Ave #2 Bronx, NY 10465

The main items the police department would purchase from the extensive bid item list are:

Rubber gloves- Item # 137-140
N95 masks- Item # 142
Surgical masks- Item # 144
Face shields- Item # 146
Purell dispenser/refills- Item # 149-150

Stryker Sales LLC and Technimount System LLC did not bid on any of the above items. Mercedes Medical LLC bid only on surgical masks and were the highest price for that item. Lerolav NE LLC bid only on rubber gloves and was the highest price for that item.

The police department recommends awarding the bid to both McKesson Medical and Bound Tree Medical. Overall, their bid prices were comparable to each other and both bid on all the items the police department would commonly purchase. Although there is no current issue purchasing the above listed items, the uncertainty of global health issues can change availability and supply chain issues rapidly. By having the two approved vendors we'll have more flexibility to obtain necessary items without delay.

The police department is seeking spending authority of up to \$10,000.00 during the one-year contract. Funding, if approved, would come from Budget Code #321-0478, "Opioid Outlay." The current bid expires July 20, 2023. The new contract would be from July 21, 2023 – July 20, 2024.

Please feel free to contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew P Sullivan".

Major Andrew P Sullivan
Administrative Bureau Commander

SECTION 56-6

Bid2024-059 LifePak-15 Monitor Service

Stryker Medical
3800 E. Centre Ave.
Portage, MI 49002

Contract Award: \$9,282.60

Contract Period: 8/1/2023 – 7/31/2024

*Jason Umbenhauer
Assistant Chief*

*Office: (401) 468-4044
Fax: (401) 468-4043*

*Warwick Fire Department
111 Veterans Memorial Drive
Warwick, Rhode Island 02886*

May 22, 2023

Francis Gomez
Purchasing Agent
City of Warwick

The Fire Department is seeking a 56-6 exception to bid for the purchase of a Technical Service Support Agreement between the City of Warwick and Stryker Medical. This is a comprehensive agreement which will provide parts, labor, and service to six (6) Lifepak-15 Cardiac Monitor/Defibrillators owned by the city.

Due to the age of these units, Stryker Medical now only offers a 1-year contract for their service agreements. The cost of the annual contract is \$1,547.10 per unit for a total cost of \$9,282.60. This price includes a 10% discount because the City has maintained an uninterrupted contract with Stryker Medical since purchasing these units.

The Fire Department is required by the Department of Health, as a condition of its ambulance licensure, to maintain a factory-authorized service and maintenance contract on its Cardiac monitors/defibrillators. Furthermore, any lapse of the service contract by the City would result in the loss of a "point of sale" discount offered by Stryker Medical. This 15% discount is only applied to service contract quotes if a monitor has had an uninterrupted service plan since the original purchase date.

The current bid expires on 7/31/2023 and the Department is requesting an award for one (1) year, in a total amount not to exceed \$9,282.60. Funding for this award will be from budget code 35-340 Service Contracts.

Stryker Medical is the sole provider in all markets for factory-authorized inspection and repair services which include repair parts, upgrades, inspection, and repairs for the Lifepak-15 monitor/defibrillator.

Please contact me should you have any questions.

|---------|----------------------------------|
| To | Whom it may concern |
| Subject | Emergency Care parts and service |
| Date | May 2022 |

Stryker’s Medical division certifies that it is the original equipment manufacturer (OEM) or sole source distributor of parts for Emergency Care products. All parts are either manufactured by Stryker or outside suppliers and are new, tested and approved for use on Stryker’s products.

Stryker employs its own field service team (known as ProCare Services) to service its products and only uses OEM parts for repairs and has exclusive use of certain proprietary tools for diagnostics and repairs. Stryker’s Emergency Care products that require the use of such proprietary tools include, but are not limited to:

- Power-LOAD powered fastener system
- Power-PRO 2 powered ambulance cot
- Power-PRO XT powered ambulance cot
- Stair-PRO
- LUCAS 3, v3.1 chest compression system
- LIFEPAK 15 monitor/defibrillator
- LIFEPAK 20e defibrillator/monitor
- LIFEPAK 1000 defibrillator
- LIFEPAK CR Plus defibrillator/LIFEPAK CR2 defibrillator

Tooling is calibrated, documented and controlled by Stryker’s home offices in Portage, MI, U.S. and Redmond, WA, U.S. Calibration and training records are available upon request.

Stryker’s quality team reviews and documents service repairs. We track and trend service to help ensure the highest level of product performance. Preventive maintenance (PM) and service history documentation is available upon request.

Please contact your local Stryker representative with questions.

Stryker or its affiliated entities own, use, or have applied for the following trademarks or service marks: LIFEPAK, LIFEPAK CR, LUCAS, Power-LOAD, Power-PRO, ProCare, Stryker. All other trademarks are trademarks of their respective owners or holders.

The absence of a product, feature, or service name, or logo from this list does not constitute a waiver of Stryker’s trademark or other intellectual property rights concerning that name or logo.

Re: 56-6 – Tyler Technologies

This is a request under City Ordinance 56-6 to award Tyler Technologies the MUNIS Training contract in the amount of \$6,907 for a total of 9 unique training days. In addition, I am requesting that an additional \$2,000 be added to cover potential travel related expenses. That brings the total of this request to \$8,907. This contract will run from 7/1/2023 through 6/30/2024.

Tyler Technologies, 370 US Route 1, Falmouth, ME 04105, is the sole source for these services and as such, offers no alternative for The City of Warwick to obtain the required services.

The expense will be paid for out of Budget Code 25-301, Training and Education.

*Warwick Fire Department
111 Veterans Memorial Drive
Warwick, Rhode Island 02886*

May 22, 2023

Francis Gomez
Purchasing Agent
City of Warwick

The Fire Department is requesting a 56-6 Exception to Bid to purchase Marine Boat Diesel Fuel from Safe Harbor Greenwich Bay Marina, 252 Second Point Rd, Warwick, RI. The department is requesting spending authority not to exceed \$7,500 for a 1-year period.

Safe Harbor Greenwich Bay Marina is in Warwick Cove, near Marine-4, which is docked and operational year around. Safe Harbor Greenwich Bay Marina is the only marina in Warwick Cove who keeps their fuel dock open year around. It is advantageous to purchase diesel fuel from this location due to its proximity to Marine 4, and the ability to purchase fuel during the off-season months.

The funds will come from budget code 35-221, Diesel Fuel, for the period of July 1, 2023, through June 30, 2024.

Please contact me should you have any questions.

Jason Umbenhauer
Assistant Chief

ERIC J. EARLS, PE
DIRECTOR OF PUBLIC WORKS

To: Francis Gomez, Purchasing Agent

From: Eric J. Earls PE, Director of Public Works *EJE*

Date: May 9, 2023

Subj: Bid2023-036 Radiator Manufacture and/or Repairs

The above was awarded by the City Council for radiator repairs on City vehicles in the amount of \$8,000. This department has nearly expended that amount and the need for this service may be necessary prior to the expiration of September 4, 2023. Therefore, this request is to increase the awarded amount by \$7,000.00 with the current vendor, BGR Radiators.

Please consider this memo a request for Sec. 6-12, alteration to contract, of the City Charter to increase the cap to \$15,000, an increase of \$7,000, for radiator repairs in City vehicles.

(65-314 - \$7,000)

Subj: Bid2023-451 Fabrication & Delivery of Welcome Signs

The Public Works Department has reviewed the two bids submitted for the Fabrication & Delivery of Welcome Signs to be installed in Ward 7. This department is recommending award to Blink Marketing Inc. dba Blink Signs as the lowest bidder for this project. The signs will be located in Arnold's Neck, Nausauket and Gorton's Pond areas.

This project is one of the approved APRA improvements on City Council Resolution R-117-22.

This is a one-time project and therefore no contract period is necessary. The total cost for the signs at these three locations is \$6,893.74. These signs will be installed by City personnel.

Re: Request for Spending Authorization – Warwick Police Youth Leadership Camp/Various vendors
City Ordinance 56-6: Exception to Notice Requirement
Funding Source: Budget code 46-339, "Program Assistance"

Dear Ms. Gomez,

The police department is requesting spending authorization under City Ordinance 56-6, Exception to Notice, in the amount of \$6,477 to once again fund and operate the Warwick Police Youth Leadership Camp. The camp runs three one-week sessions for youth, ages 13-16. The summer camp has been provided for over twenty years. The camp provides the youths the opportunity to engage in a variety of age-appropriate recreational activities, as listed below, and police department demonstrations such as crime scene investigations and K-9.

The following is an itemized list for the various vendors and costs associated:

1. First Student bussing (2 round trips each of the 3 weeks): \$3,240
2. Tree Trails Adventures (1 visit each of the 3 weeks): \$2,553
3. American Heritage Museum (1 visit each of the 3 weeks): \$684

If approved, funding in the amount of \$6,477 will be allocated from the City of Warwick Department of Human Services Budget Code 46-339, "Program Assistance." This is a one-time purchase.

Please feel free to contact me if you require any further information.

Sincerely

A handwritten signature in black ink, appearing to read "Andrew P Sullivan".

RE: Request for Spending Authorization- Cellebrite UFED Software Renewal
56-6 Exception to Notice Requirement
Funding Source: Police Operating Budget Code 30-340, "Service Contracts"

Dear Ms. Gomez,

The Police Department Detective Division's Computer Forensics Unit (CFU) has the primary task of searching for and extracting evidence of criminal acts on electronic storage devices such as desktop computers, laptops, tablets, and cell phones. One of the tools that assist them with this evidence extraction is a Universal Forensic Extraction Device (UFED) made by Cellebrite. It is an invaluable tool for this purpose and significantly reduces the waiting time needed for evidence extraction should we have to examine devices externally.

As you are aware, the Police Department purchased an updated UFED machine called the UFED 4PC in 2014. In order to keep the machine up to date for use as a forensic examiner, we are required to purchase a software renewal package each year. The cost of this software renewal package is **\$6,100**.

Cellebrite is the sole source vendor for the UFED machine and their corresponding software packages.

If approved, funding would come from the Police Department's Operating Budget Code: 30-340, "Service Contracts." This is a one (1) year contract that would be valid from August 2, 2023 through August 1, 2024. The current contract expires August 1, 2023.

If there are any questions or concerns, please feel free to call.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew P Sullivan".

TO WHOM IT MAY CONCERN,

This letter is to confirm that Cellebrite DI Ltd., acting through its United States-based subsidiary, Cellebrite Inc., is the sole manufacturer and developer of the Universal Forensic Extraction Device (UFED) Mobile Forensics solution.

Cellebrite Inc., established in 1999 and based in Parsippany, NJ, is incorporated in the state of Delaware. Cellebrite Inc. supports customers and users in the US and Canada.

The UFED is a mobile forensics extraction, decoding, and analysis tool that extracts logical, file system, and physical data from mobile devices (i.e., smartphones, cell phones, tablets, GPS units, SIM cards, memory cards, drones and USB devices), including live and deleted data, contacts, phone numbers, call logs, text messages, SMS messages, app data (social network and other), location data, pictures, videos, and voice messages.

UFED technology provides digital forensic lab examiners, investigators, field personnel, and first responders with the capability to collect, protect and act decisively on mobile device data with the speed and accuracy a situation demands. Our competitive advantages include:

- **Large, Established User Community.** Since 2007, Cellebrite has deployed more than 40,000 UFEDs in 100+ countries to support law enforcement, intelligence services, border patrols, military forces, public safety agencies and commercial organizations.
- **Industry's Broadest Device & App Support.** Cellebrite has established collaborative business relationships with original equipment manufacturers (OEMs) and wireless carriers worldwide. These global partners send us more than 100 new handsets per month - most prior to actual consumer market release. This allows Cellebrite Mobile Forensics to develop mobile forensics support for new devices prior to our competition. We retain more than 8,000 mobile phones at our company headquarters for ongoing innovation and support.
- **Technology and Research and Development (R&D) Leadership.** Cellebrite provides the mobile forensic industry's most comprehensive Android, Apple iOS, Blackberry, and Windows Mobile support. Cellebrite has a staff of 250+ engineers—the most of any mobile forensics solution provider. We are committed to investing in the ongoing R&D to innovate around customer and market needs.
- **Best-in Class Training Ensures a Repeatable, Reproducible Mobile Forensics Process.** Open to all user levels, from beginners to advanced, Cellebrite certification training provides hands-on experience with Cellebrite products and applications, delivering the tools and knowledge required for evidence collection data analysis, searching, and reporting.
- **Physical and Full File System Extraction with Lock Bypass.** Cellebrite supports physical extraction while from more than 8,034 different device types, including Android (1000+ devices from Samsung, Huawei, LG, Motorola, and other vendors); Apple iOS; and Windows Phone (Nokia and Lumia). Cellebrite supports more than 8000 devices for full file system extraction including File-based- encryption devices up to the latest Samsung Flagships (S20, S21) and devices running Android 11.
- **Forensically Sound Evidence Every Time.** Unlike competitors' "black box" third-party boot loaders, UFED uses custom-designed, read-only boot loaders, which ensure forensically sound file system and physical extractions

UFED technology includes capabilities that are exclusive to Cellebrite and not available from any other company.

Exclusive Android Capabilities

- Qualcomm live - The new capability extends access to the latest devices from vendors such as Xiaomi, OPPO, OnePlus, VIVO, Nokia, LG Motorola and others, running OS versions 7 up to 11. This is a generic full file system extraction for unlocked Qualcomm based Android devices across many vendors and up to the latest Android version, Android 11. including devices such as: S10, Note 10, Note 9, S9, Note 8, S8 , S20 and others.
- Support full file system extraction for Samsung Exynos devices including latest Flagships such as Samsung S20 and S21 running Android 11 (Industry first).
- Support for selective file system extraction to directly collect specific applications or files, which will save valuable time during investigations and will allow investigators to collect just what they need or allowed to, with minimal privacy intrusion.
- Support for an automated screen capturing process for Android devices. The fully automatic flow allows users to select specific chat conversation while defining specific time frames. The fully automated flow includes support for WhatsApp, Signal, Instagram and SnapChat applications.
- Decrypted physical extraction of data from Samsung Galaxy S6, Galaxy Note 5 and some Galaxy S7 devices
Decrypting EDL - Lock-bypassing decrypted physical extraction capability for Qualcomm Android devices. Widely supported chipsets: 8909, 8916, 8939, 8952, 8936, 8917, 8937, 8940 & 8953), including Huawei H1611, Xiaomi Mi 5, ZTE Z832 Sonata 3, ZTE Z956 Grand X 4, Xiaomi Redmi 4 Hot, Motorola XT1765 Moto E MetroPCS and ZTE Z981 ZMax Pro, including devices running the latest Qualcomm chipsets ().
- Physical extraction and unlocking capabilities for Samsung devices! Extended support to more than 100 Exynos and Qualcomm devices including: Galaxy S7 Edge, S7, S6 Edge, S6 Edge+, Note 5, A5 and J7 families.
- Automatically bypass locked Android devices with LockPick – lock bypass capability across a broader range of Android devices including Samsung flagship devices.
- An Industry First – Samsung Exynos Physical Bypass Solution – This unique capability enables unlock, full file system and physical extractions from popular Samsung devices with the Exynos processor. Supported devices include: SM-G930F Galaxy S7, SM-G935F Galaxy S7 Edge, SM-A520F Galaxy A5 2017 and SM-J730F Galaxy J7 Pro.
- Exclusive access to evidence from locked and encrypted low to mid-end Samsung devices with Qualcomm chipsets. The devices include: J3 (J327P, J327VL), J7 (J727V, J727P) & A9 (A9100, A9000). Chipsets include: 8917, 8937, 8953 & 8976.
- An industry-first new solution for removing screen lock on 64 LG Android Devices. Users can now disable and remove the screen lock to gain access to critical evidence from some of the most popular and advanced LG Android-OS devices including H870 G6, H820 G5, LM-X210MA, M210, MP260 and more.
- First-to-market access to 87 locked and encrypted Android devices running the latest MediaTek chipsets (6757,6755,6797,6735,6750,6737,6753,6580).
- Partial file system extraction while bypassing screen lock for 105 Android Samsung devices, including devices running on Android 6 OS
- Bootloader-based physical bypass extraction support for 48 of the toughest locked Qualcomm-based Android devices, and 33 Android devices using ADB method. This unique unlocking method supports devices based on the MSM8909, MSM8916, MSM8936, MSM8939, and MSM8952 chipsets from EDL (Emergency Download) mode. Supported Android devices include: HTC Desire: 510/620/826, Alcatel One Touch Pixi, Vivo X5/X7, Motorola XT1526 and XT1543.
- Exclusive Huawei Decrypting Bootloader Capability – New generic capability enables Lock-bypassing Physical and Full File System extractions for dozens of Huawei devices (including P10, Mate 10 and P9), equipped with HiSilicon Kirin chipsets from the following families: 92x, 93x, 95x, 96x.
- Lock Screen Removal (Disable User Lock) for 71 high/mid-tier Samsung Android devices. Supported devices include SM-G935T Galaxy S7 Edge, SM-J710FN Galaxy J7, SM-A700YD Galaxy A7 Duos and SM-A500W Galaxy A5
- New disable user lock capabilities have been added to 65 supported LG devices, including prepaid devices: L52VL Treasure, L15G Sunrise, LGL22C Power and LGL41C Ultimate 2

- Physical and file system ADB extractions for 51 Samsung Android devices, including SM-G935FD Galaxy S7 Edge, SM-G920T Galaxy S6 and SM-G930F Galaxy S7
- Built-in Android temporary root (granting extra permissions) for hundreds of Android devices
- Physical extraction while bypassing user lock on 140 LG devices, including the G3 and G4
- Bypass user screen lock for 137 Samsung devices, including the Galaxy S5, Tab and Galaxy Note 2, 3, and 4

Exclusive Apple (iOS) capabilities

- Full File system extraction from iPhone 5 – iPhone X. With a Built-in Solution Based on checkm8, examiners can take advantage of a first-to market solution. This solution allows users to quickly perform a forensically sound temporary jailbreak and full file system extraction within one streamlined workflow.
- Ability to take a screenshot automatically from the iOS device
- Decrypted physical extraction of data from Apple iPhones 4S, 5, 5c
- Full file system extraction of data from Apple devices (5/5c/6/6 plus)
- iOS unlocking support for Apple devices (4s/5/5c/6/6 plus) running iOS 8.x - 10.x, with no risk of a device wipe
- iOS unlocking support for Apple devices (5/5c/6/6 plus/7/7 plus/8/8 plus/x) running iOS 11.x, with no risk of a device wipe
- UFED User Lock Recovery Tool (iOS)

Exclusive BlackBerry Capabilities

- BlackBerry 10 file system extraction, backup acquisition & decryption
- Physical extraction for unlocked BlackBerry 7xxx/8xxx/9xxx devices (including NAND and NOR memory)

Other Exclusive Capabilities

- Cellebrite offers the ability to manage all units and licenses using Cellebrite central management system, Cellebrite Commander. The solution can integrate with the central management platform that can oversee usage, permissions, SOPs, configurations, licensing, and SW updates.
- Document user actions and Incorporate Investigative Notes - As part of the digital data extraction and collection process, users can add notes, include observations or report any issues encountered during the process. This capability is an effective way to maintain an audit trail documenting actions and decisions taken along the way. In addition to user notes UFED can also include a customizable agency form (e.g. Consent form) to be used as part of the data collection process.
- Insights from installed apps - The solutions offer the ability to present, prior to the extraction process, a list of installed applications divided to categories with an overview for each application and highlight ones that could be relevant for criminal investigation.
- Dynamic profiles: The dynamic profiles mechanism enable to create on-the-fly profiles for phone models which were not formally approved in our lab. To keep you on track with the latest capabilities, the UFED solution suggests additional available methods based on our unique capabilities database. Users will see the new methods labelled Untested.
- Physical extraction with password bypass for Nokia Lumia Windows Phone 8 devices, including the Lumia 520, 820, 822, 920, 928, and 1020
- Physical extraction while bypassing user lock for 3 Nokia 105 devices: RM-1133, RM-1134 and RM-1135
- Physical extraction while bypassing user lock and decoding support for 37 Huawei devices (Hisilicon)
- Physical extraction and decoding support for the latest TomTom devices, including the Go 1000 Point Trading and 4CQ01 Go 2505 Mm
- Provide support matrix – what is supported using username and password / application token.
- Provide traces and changes document that describe what traces the extraction process might leave.
- Supports extracting a token from the subject device in addition to the user name and password option for several of data sources including; Facebook, WhatsApp, Twitter, Gmail, Google(Location History, My Activity, Photos,

Chrome, Calendar, Contacts, Drive, Bookmarks, Tasks), Mail (IMAP), Dropbox, iCloud(App, Calendar, Contacts, Drive, Photos, OneDrive, Notes, Reminder, Location), Instagram, VK, Telegram and more

Please feel free to contact Cellebrite with any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Hagit Reuven', with a stylized flourish at the end.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

| [] [] [] - [] [] - [] [] [] [] | |
| or | |
| Employer identification number | |
| 2 2 - 3 7 7 0 0 5 9 | |

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here Signature of U.S. person ▶ *Donohy Plaza* Date ▶ *11/31/2022*

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What Is backup withholding, later.

Re: Request for Spending Authorization-Computer Forensic Training
City Ordinance 56-6 "Exception to Notice Requirement"-Specialized Training -Cellebrite Certification
Funding Source: 30-302- Training

Dear Ms. Gomez,

The Police Department is seeking authorization for specialized training expenses for Sergeant Javier Cabreja to attend the Cellebrite Certified Operator & Physical Analyst training. Cellebrite is the premiere tool used by law enforcement agencies such as the FBI and others around the world to forensically analyze cellular phones and tablet devices.

This course is being sponsored by Cellebrite and will be held at the Orlando Police Department in Orlando, FL. The training will take place June 26-30, 2023.

This course is a five-day intermediate level program designed to provide intense exposure to Cellebrite UFED, Physical Analyzer software, and all of the core competencies associated with the examination of mobile devices. After successfully passing seminar exams, students will earn the Cellebrite Certified Operator (CCO) certification credentials and the Cellebrite Certified Physical Analyst (CCPA) certification credentials. This training will give the officer the professional credentials that will hold up in court for this high demand law enforcement investigatory function of the Computer Forensics Unit. Cellphone and tablet examinations has become critical investigative tools for our Detective Division. Nearly all modern-day investigations involve a technological component such as a cellphone or tablet.

The total cost for this training is as follows:

Cellebrite training fee: \$4,200.00
Lodging (5 nights x \$159.00 per night): \$795.00
Airfare roundtrip: \$474.96
Per diem: (\$45/day X 5 days): \$225.00
Miscellaneous (with receipts): \$300.00

The Police Department is seeking authorization for a total not to exceed \$5,994.96 for this training. Funding for this training, if approved, will be allocated from the Police Department's Budget Code: 30-302, Training.

Sincerely,

Major Andrew P Sullivan
Administrative Bureau Commander

The Cellebrite Certified CCO and CCPA bundle is designed for the intermediate and advanced investigator / digital forensic examiner.

This 5-day course bundle combines the curriculum from the Cellebrite Certified Operator (CCO) and the Cellebrite Certified Physical Analyst (CCPA) Courses providing the participant with an intense exposure to Cellebrite UFED, Physical Analyzer Software and all of the core competencies associated with the examination of mobile devices using Cellebrite's Tools and methodology.

During the course, written exams and practical skill assessments will be administered. After successfully passing these exams, students earn the Cellebrite Certified Operator (CCO) and the Cellebrite Certified Physical Analyst (CCPA) certification credentials. Successful class completion results in a certificate of completion and demonstration of mastery of these concepts is one of the prerequisites for students desiring to take the Cellebrite Certified Mobile Examiner (CCME) certification examination.

Students considering the CCME Certification are required to complete the Cellebrite Mobile Forensic Fundamentals (CMFF) course, Cellebrite Certified Operator (CCO) course and the Cellebrite Certified Physical Analyst (CCPA) course.

| 7 List account number(s) here (optional) | |

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

| 5 | 9 | - | 3 | 0 | 8 | 5 | 8 | 1 | 3 | | |

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

| | | |

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

Officer Vible,

Thank you for taking my phone call today, and please see attached the W-9 form for Detective Javier Cabreja's stay. As we discussed, please also send a check made payable to:

1405 Hospitality Group LLC

Feel free to send it to The Delaney Hotel Attn. Nate Winters.

Finally, for those dates, I can get you setup at the discounted rate of \$159 per night, and I'll make sure to include complimentary parking for the stay. I'll also make sure the reservation is tax exempt. Let me know if this works and I'll get the reservation set to go for you!

Warm Regards,

Nate Winters

Hi Sgt. Cabreja,

I added the flight information you sent me today to your training request and attached it to this email "Cabreja Cellebrite Trng Packet...". I also attached your cover packet work sheet (so you know what receipts to save & submit ☺ for your Cellebrite Certified Operators Course being held 26-30 June 2023. Your packet will get reviewed/ approved by the City and then the City will pay the registration fee. Right now your seat is reserved. The City will review, sign, & pay if all goes right. I apologize for the wait.

Once PSD gets notification training has been approved either Sergeant Lancaster, Reif, or myself will send you an email with the results and details you need to attend your training.

Hello,

Thank you for registering in the CCO CCPA training course scheduled for June 26-30 in Orlando, FL. This is a reminder that your registration is still pending and you are not yet enrolled in the class. In order to complete your registration and enrollment we will need either payment or a purchase order. Please let me know if you need assistance with a quote or invoice and if you are still planning to attend, please reply with payment status as soon as possible.

If you are no longer interested in attending or registered by mistake and wish to be removed from the waiting list, please let me know.

Best regards,

RE: Request for Spending Authorization
City Ordinance 56-6 Exception to bid
Guidance Software Maintenance and Upgrades- EnCase/OpenText

Dear Ms. Gomez,

The Police Department Computer Forensics Unit utilizes a forensic software program called Encase. This Encase software is widely used by law enforcement agencies throughout the country. The system is endorsed and training is provided by the National White-Collar Crime Center. This software is used for the forensic examination, analysis, and extraction of data from a wide variety of computer devices.

This Encase software is proprietary to Open Text Inc. Updates and maintenance can only be obtained from Open Text, Inc. This is true of any specialty software. As a result, upgrades, maintenance, and support are sole source to whatever company makes the product.

The need for this kind of analysis in modern police work is constant and increasing. Our Computer Forensics Unit utilizes this software on a daily basis. The examination of PC's Laptops, Tablets, and especially the examination of smart phones has become an integral part of many police investigations and is a vital tool for our Detective Division.

The total cost of the security keys and a reactivation key, as well as maintenance upgrades, is **\$3,512.97**.

If approved, financing for this contract would come from the Police Department Operating Budget, Budget Code 30-340, Service Contracts. This would be a one (1) year contract valid from August 22, 2023 through August 21, 2024. The current contract expires August 21, 2023.

Please feel free to contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew P Sullivan".

Major Andrew P Sullivan
Administrative Bureau Commander

OpenText will invoice you for this support service at least 30 days prior to the Maintenance Term end date, unless you have already provided OpenText with a purchase order or payment, in which case we will process upon receipt.

Terms and Conditions

- OpenText support services specified in the Renewal Notice are provided in accordance with the terms and conditions set out in the applicable Software Maintenance Program Handbook available at www.opentext.com/agreements ("SMPH") and in either (i) the Software Support Terms and Conditions for the country of the OpenText entity named in this Renewal Notice, available at www.opentext.com/agreements, or (ii) a signed agreement between you and OpenText covering the provision of Support Services. In the event you require a purchase order or any other document to be issued, any preprinted terms contained in or accompanying such purchase order shall have no legal effect even if such purchase order is later in time or OpenText acknowledges or issues an invoice to Customer after receiving the purchase order.
- All Support Software must be licensed by Customer in accordance with the applicable software license agreement signed by the parties, or in the absence of such signed agreement, under the terms of the applicable OpenText End User License Agreement ("EULA") in force at the time of the original software license purchase for the country of the OpenText entity from which the Support Software was purchased. The current EULA is www.opentext.com/agreements.
- If you have purchased additional support packages, OpenText customer support services are provided in accordance with the terms of and governed by the applicable OpenText support handbook applicable to the relevant support program subscription sent to you with this quote or available on www.opentext.com/agreements.
- **Extended/Limited Extended Support:** Where your Renewal Notice includes Extended/Limited Extended support, this service is provided in accordance with the terms and conditions set out in the Extended Support Handbook available at www.opentext.com/agreements. Full product lifecycle information is accessible on the Customer Service Portal (login required). Please note that the level of service is dependent on the stage of the product lifecycle.
- **Hardware Service Contract:** Where your Renewal Notice includes a hardware service contract, you understand that a failure to provide a Purchase Order due date (if applicable), the hardware manufacturer has the right to conduct an on-site inspection (at your expense) of your equipment before acceptance.
- **Billing/Invoice Address:**

If different from quote, please complete the following:

Bill To Company: _____

Bill To Contact: _____

Bill To Address: _____

- **Bill To Arrangements:** If you are a third party payer renewing Open Text support on behalf of an Open Text software End User, then you hereby confirm that, by submitting this Renewal Notice, the End User is purchasing support from OpenText on the terms of the applicable SMPH and that the End User constitutes the "customer" under the SMPH located at www.opentext.com/agreements. You acknowledge that payment is on behalf of the End User and that you have no rights to the support services and any failure to make payment to OpenText of any amount due shall be deemed a failure by End User to pay such amount. OpenText may require that you provide confirmation of End User's acceptance of the terms of the SMPH. OpenText may contact the End User directly. You shall not make any representations, warranties, or guarantees regarding OpenText support services or products and you agree to indemnify OpenText against any and all claims arising as a result of a breach of the foregoing obligations.

"Go Green" To align with OpenText's corporate efficiency goals, OpenText will deliver a PDF copy of your invoice to the same email address this Support Renewal is being delivered to, unless you specifically request otherwise. If you would prefer an alternate delivery method or that the invoice be sent to an alternate email address, please contact invoice@opentext.com.

Dear OpenText Customer:

OpenText receives requests for Sole Source letters from time to time. We are providing this statement to you to bring awareness to the options available to you that may assist with your procurement process.

At OpenText, we value our Customers and the opportunity to engage with them directly through the entire Customer Support Service experience. With over 1500 technical support staff worldwide, we believe we are best equipped to meet the support services needs of our Customers.

Participation in the OpenText Software Maintenance Program is a significant factor in the ongoing success of your application of the OpenText family of products. Maintenance and Support for the products developed or acquired by OpenText is offered exclusively by OpenText and its authorized support partners. OpenText is the sole/exclusive owner of, or has sufficient rights to, all intellectual property required to deliver Maintenance and Support for its products, as described in the OpenText Software Maintenance Program Handbook.

We do understand that Customers may have requirements that extend beyond our offerings, and some Customers may prefer to work through a third party for their support services or support procurement needs. OpenText offer Customers (End Users) flexible options and puts the power of these decisions in the hands of our Customers. Please refer to the following pages for more information on the various ways we offer our Software Support and Maintenance program.

Please note that any tender or RFP process is solely the Customer's process and responsibility. The renewal for Maintenance and Support is expected prior to the anniversary date, where if lapsed, late fees may apply.

If you have any questions, please contact your Support Renewal Specialist (supportrenewals@opentext.com).

Sincerely,

Lisa Boyle
SVP, Customer Support Revenue Programs

Authorized OpenText Support Partner

OpenText offers the designation "Authorized Support Partner" to OpenText Global Partner Program entities on an invitation only basis. Authorized Support Partners are required to:

- maintain technical certifications,
- meet performance standards for support request troubleshooting, and
- satisfy performance standards in relation to End User renewal.

Authorized Support Partners are listed in the OpenText Partner Directory, and if not selected by the Customer as part of the initial software license transaction, would simply require email confirmation from the End User of their preference to work with the Authorized Support Partner.

In this relationship, the Authorized Support Partner resells an OpenText Software Maintenance Program and is solely responsible for engaging with OpenText Customer Support on the Customer's behalf to log support requests and provide level 0/level 1 support, and the Customer engages with the Authorized Support Partner only. OpenText in turn is solely responsible for all maintenance for OT software and provides level 2 and level 3 support services to the Authorized Support Partner in accordance with the applicable OpenText Software Maintenance Program Handbook (SMPH) available at www.opentext.com/agreements. By exception, if OpenText resells a solution that is 100% Third Party (not embedded in the OpenText solution), the Third Party is responsible for level 2 and level 3 support services, and OpenText engages the Third-Party vendor for support services on behalf of the Authorized Support Partner.

Any services that a Partner offers over and above those outlined in the applicable SMPH available at www.opentext.com/agreements are the sole responsibility of the Partner.

Escalations

Even in cases where a Customer elects to work through an OpenText Authorized Support Partner, the Customer can raise concerns it may have relating to support delivery matters with OpenText and may request to work directly with OpenText or another Authorized Support Partner.

Other Authorized Contacts

Customers may assign Customer-trusted “Authorized Contacts” or “Agents” that are responsible for acting on the Customer’s behalf in relation to support matters. Such third parties are not required to be members of the OpenText Global Partner Program nor are they required to be OpenText Authorized Support Partners.

Authorized Technical Point of Contact

Customers control the roles of their contacts associated with their account in [MySupport](#). This self-management tool is available to Customers 7x24, except during maintenance outages.

“Technical” points of contact are authorized to open support requests and engage with OpenText technical support resources. The Customer Admin has the right to promote/demote account points of contact to Technical or Read Only. This extends to any third-party point of contact as well. A Customer point of contact is the Admin in all cases and controls the permissions of contacts associated with their account, even if working through an OpenText Authorized Support Partner.

Alternatively, Customers may contact OpenText and provide written authorization of a third-party contact (email is acceptable). It is the responsibility of the Customer, however, to audit and maintain account access. The appointment of third-party contacts is done by way of an arrangement between the Customer and the third-party, there is no contractual relationship between OpenText and the third-party.

About OpenText

OpenText enables the digital world, creating a better way for organizations to work with information, on-premises or in the cloud. For more information about OpenText (NASDAQ: OTEX, TSX: OTEX), visit opentext.com.

Subj: Bid2023-430 Purchase New Press Tool Kit

The Warwick Water Division received 4 bid submissions returned for the above mentioned bid and are recommending award to Supply New England for the purchase of a new press tool kit.

Although Tiles in Style is the lowest responsible bidder, the specifications for the tool supplied by the vendor do not meet our requirements.

Funding will originate from budget code (84-799 \$3,404.44).

This is a one-time service and therefore no contract period is necessary.

Re: Bid Recommendation – Police Department
Bid2024-033 Medications for Emergency Medical Services
Funding Source: Budget Code 321-0478, “Opioid/Capital Outlay Police”

Dear Ms. Gomez,

The department has reviewed bids received for Bid2024-033, “Medications for Emergency Medical Services.”

The following vendors submitted a bid:

1. Bound Tree Medical, LLC, 5000 Tuttle Crossing Blvd., Dublin, OH 43016
2. McKesson Medical-Surgical Government Solutions LLC of 9954 Maryland Dr Suite 5176 Henrico, VA 23233

The police department recommends Bound Tree Medical, as they were the lowest qualified bidder. The police department is seeking spending authority in the amount of **\$2,000.00**, on an as needed basis, for this award.

The police department is only interested in item # 49, which is Naloxone, Nasal Spray, 4mg dose with an all in one applicator that doesn’t require assembly. The prices provided are for one box, which includes two doses. This price has decreased from last year’s bid, which was also awarded to Bound Tree Medical.

If approved, purchases will be paid for from budget code 321-0478, “Opioid/Capital Outlay Police”. The contract would be valid for a one-year period from July 21, 2023 through July 20, 2024. The current contract expires July 20, 2023.

Please feel free to contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew P Sullivan".

Re: 6-12 Extend Bid 2023-012 for Receipt Validation Printers Services

This is a request to extend Bid 2023 – 012 with CTS Services by one year to June 30, 2024 and increase the amount by \$1,339.34. This would bring the two year total for the bid to \$2,678.68. This represents a 0% increase over last years' pricing.

CTS Services provides service to the City's Receipt Validation Printers used in the Collector's Office. These Receipt Validation Printers provide the ability to validate checks and provide citizens a printed receipt when paying tax and utility bills. They are integrated into the MUNIS system.

CTS Services, Inc. is located at 260 Maple Street, Bellingham, MA 02019. The budget code to cover this will be 25-340.

Date: Wednesday March 30, 2022
Re: Bid 2023-012

After reviewing submissions for Bid 2023-012, MIS recommends awarding CTS Services, Inc. a service contract for receipt validation printers in the amount of \$1,339.34. Although the only bid submission, CTS is the closest Authorized Epson Service Center and therefore in the best position to provide timely response to the City's service requests. The contract date for Bid 2023-012 will be July 1, 2022 through June 30, 2023.

The account code to cover this contract will be 25-340.

BID AND CONTRACT FORM

TITLE OF SPECIFICATION: Bid2023-012 Hardware Support for Receipt Validation Printers

I. BID:

WHEREAS, the CITY OF WARWICK has duly asked for bids for performance of services and/or supply of goods in accordance with the above-indicated specifications.

The person or entity does irrevocably offer to perform the services and/or furnish the goods in accordance with the specifications, which are hereby incorporated by reference in exchange for the bid price.

This offer will remain open and irrevocable until the CITY OF WARWICK has accepted this bid or another bid on the specifications or abandoned the project.

The bidder agrees that acceptance by the CITY OF WARWICK will transform the bid into a contract. This bid and contract will be secured by Bonds, if required by the specifications.

Form **W-9**
(Rev. October 2018)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

Give Form to the
requester. Do not
send to the IRS.

Go to www.irs.gov/FormW9 for instructions and the latest information.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.

CTS Services Inc.

2 Business name/disregarded entity name, if different from above

CTS Services Inc.

3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only one of the following seven boxes.

- Individual sole proprietor or single-member LLC
- C Corporation
- S Corporation
- Partnership
- Trust/estate
- Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) **P**
- Other (see instructions) **P**

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any) _____

Exemption from FATCA reporting code (if any) _____

Applies to accounts maintained outside the U.S. ()

5 Address (number, street, and apt. or suite no.). See instructions.

260 Maple Street

Requester's name and address (optional)

6 City, state, and ZIP code

Bellingham MA 02019

7 List account number(s) here (optional)

Print or type.
See Specific Instructions on page 3.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

| | | | | | | | | |
|------------------------|--|--|---|--|--|--|---|--|
| Social security number | | | | | | | | |

or

| | | | | | | | | | |
|--------------------------------|---|---|---|---|---|---|---|---|---|
| Employer identification number | | | | | | | | | |
| 0 | 4 | - | 3 | 0 | 6 | 8 | 5 | 0 | 2 |

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification Instructions: You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
 - Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
 - Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
 - Form 1099-S (proceeds from real estate transactions)
 - Form 1099-K (merchant card and third party network transactions)
 - Form 1098 (home mortgage interest); 1098-E (student loan interest); 1098-T (tuition)
 - Form 1099-C (canceled debt)
 - Form 1099-A (acquisition or abandonment of secured property)
- Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

RE: 6-12 Alteration to contract – Police Department
Bid2023-014 – “Blood Borne Pathogen & Narcotics Remediation
Funding Source: Police operating Budget Code: 30-340

Dear Ms. Gomez,

Last year, the police department went out to bid for blood borne pathogen & narcotic remediation services and awarded the bid to New England Trauma Services of 391 Oakland Street, Mansfield MA 02048.

Due to more remediations than expected, the police department is seeking a \$1,000 spending authority increase for this bid award which expires on June 30, 2023.

Projected use of this service is always estimated, usually from the prior year’s expenditures, but can be unpredictable. As we’ve discovered during this bid year, we may exhaust the originally authorized spending authority of \$5,000 prior to the bid expiring.

The total amount of the award increase should not exceed \$1,000.00 making the total spending authority \$6,000. Funding will continue to be sourced from the police operation budget code 30-340, “Service Contracts.” The current contract expires on June 30, 2023.

If you have any questions or concerns, please contact me at 468-4230.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew P Sullivan".

Major Andrew P Sullivan
Administrative Bureau Commander

CITY OF WARWICK

Biohazard Remediation

POLICE FACILITY PRICING

Unfortunately, due to the overwhelming increase in cost of PPE and supplies, Trauma Services must adjust the cost of our facility cleaning services. As always, we strive to provide you with the same quality service in a timely manner, as we have done over the years. We look forward to working with you and your communities throughout all of these current changes.

Emergency calls can be requested 24 hours a day, 7 days a week. The technician/s will respond within roughly 90 minutes. If the responding technician/s will be over the 90-minute ETA, they will call with updates on the response time. When there is a high volume of calls, multiple technicians will be responding to all calls accordingly.

SCOPE OF SERVICE:

- All work areas will be disinfected prior to work performed with a hospital grade disinfectant
- All areas will be broom swept or Hepa-vacuumed to remove debris.
- The structure of the designated work area will be cleaned accordingly with the proper procedures for each situation at hand. These situations include but are not limited to: Blood, feces, biological matter, HIV, Covid-19, MRSA, scabies, bedbugs, sewage, fire extinguisher dust, fentanyl/unknown powder narcotics.
- All debris generated through out this process will be contained to a Bio-Hazard waste container and disposed of properly.

CERTIFIED PROFESSIONALS

The crew will wear protection suits with respiratory gear at each response. All responding crew members are certified Bio-Hazard technicians. All hazardous material generated will be disposed of properly.

STANDARD / ANNUAL CLEANING

| | |
|--|----------|
| Technician per man per hour | \$75.00 |
| Each additional (as needed) technician per man per hour | \$65.00 |
| Average Cost: One technician at one hour, including supplies ** | \$220.00 |

HAZMAT CLEANING (Fentanyl / COVID-19 / Chemicals)

| | |

RE: Bid Recommendation – Police Department
Bid2023-014 – “Blood Borne Pathogen & Narcotics Remediation
Funding Source: Police operating Budget Code: 30-340

Dear Mrs. Peshka,

The police department went out to bid for blood borne pathogen & narcotic remediation services and received one (1) bid from the following company:

New England Trauma Services, 391 Oakland Street, Mansfield MA 02048

Based on New England Trauma Services being the only qualified bidder, the police department would request that they be awarded the contract for these services. We have used their services in the past and were pleased with the service they provided.

The total amount of the award should not exceed \$5,000.00 and if approved will be funded by police operation budget code 30-340, “Service Contracts”. The current contract expires on June 30, 2022. This one year service contract will cover July 1, 2022 through June 30, 2023.

If you have any questions or concerns, please contact me at 468-4230.

Sincerely,

A handwritten signature in black ink that reads "Michael Lima".

Re: 6-12 Request to Extend Date on BID 2021-093 A-1 Copier - Repair Services Contract

This is a request under section 6-12 to extend Bid 2021-093 by 12 months, setting the new expiration date to June 30, 2024. There are no additional dollars needed at this time. We are in the process of replacing obsolete copiers. However, there remains a number of copiers within the City that are still viable but have no service contract on them. This extension will allow us to continue to have copy machines repaired, where it makes economic sense, until such time as they are retired.

Based on historical spending patterns, the current available to spend for this BID should carry us for at least another six (6) months. At the point where these funds become depleted, we will return to Council to request an increase to the spending authority for our FY 2024 budgetary dollars.

The budget code to cover the repair expenses is 25-340 and the consumables will continue to be paid by the individual departments where the printers and copiers reside.

Hi Jay,

I hope all is well. The Bid we use for your service expires in June of this year. Even though service calls seem to be at a low, I would like to go to City Council and ask for a one year extension. Before I do that I just wanted to make sure that you are will to extend the agreement a year. Please let me know.

Thanks
Phil

Re: 6-12 Request to Extend Date on BID 2021-093 A-1 Copier - Repair Services Contract

This is a request under section 6-12 to extend Bid 2021-093 by 9 months, setting the new expiration date to June 30, 2023. There are no additional dollars needed at this time. Our intention is to go out to BID to replace the existing pool of copiers and incorporate a maintenance contract into that purchase. However, due to certain budgetary realignments, we will not be able to effectively do that until June of 2023.

Based on historical spending patterns, the current available to spend for this BID should carry us for several more months. At the point where these funds become depleted, we will return to Council to request an increase to the spending authority for our FY 2023 budgetary dollars.

The budget code to cover the repair expenses is 25-340 and the consumables will continue to be paid by the individual departments where the printers and copiers reside.

Subj: Bid2020-162 State bid – Commercial and Industrial Equipment and Supplies

The above bid was awarded by the City Council to WW Grainger, Inc., MSC Industrial Supply and Fastenal Co. in the amount of \$25,000 in September 2019. This department has nearly exhausted that cap and bid does not expire until June 30, 2023.

Please accept this memo as a request for Sec. 6-12, Alteration to Contract, of the City Charter to increase the original cap by \$35,000, from \$25,000 to \$60,000 for future purchases, as necessary.
