City of Warwick

Mrs. Peshka,

The Fire Department is seeking a 56-6 exception to bid for the purchase of three (3) new rescue vehicles from Greenwood Emergency Vehicles of North Attleboro, Massachusetts. The Warwick Fire Department is in urgent need of replacement of three rescue units due to the unreliability of the existing units. There is currently a twelve month wait for delivery of rescue vehicles from the time of order, which has caused a large demand for in-stock units. Greenwood Emergency Vehicles has two units available for delivery in June and one unit in July. I have performed extensive research on the rescue units and have had discussions with the repair division and have determined that it is in the best interest of the City to claim the two units to secure and expedite the delivery. The total price for the three rescue vehicles is \$888,722.00

Respectfully,

Peter K. McMichael
Chief of Department
