Tollgate High School

Graduation date: June 2016. G.P.A. 3.61

University of Rhode Island

History Major, Political Science Minor

Graduation date: 2020

EXPERIENCE

Currently serve as the District 3 member on the Warwick School Committee where I am responsible for budget, policy, and personnel to some extent for the Warwick Public School District. I was elected to this position in 2018 and was sworn into office on January 2019. My term lasts until 2022. At 20 during the election, I am the youngest person ever elected in the City of Warwick.

Currently serve as the Co-Chair of the Warwick Public Schools Achievement Sub-committee.

Currently serve as the Co-Chair of the Warwick Public Schools Technology Sub-committee.

Worked with city councilors to establish a committee for education reform in city of Warwick when I was a student in High School.

- Based on my ideas the city council in Warwick RI voted unanimously to create a committee that consists of school students, a member of the school committee, four city council members, two teachers, and a representative from the teacher's union, one city administrator, one school administrator, and one community representative. I co-chaired this committee with a member of the Warwick school committee. This committee was created to better support the Warwick school system by having open discussions on all pending issues within the school system and by providing viable solutions to the school committee. I served on the Warwick Community Outreach Educational Committee for three years from 2015 to 2018.

Served on the Warwick Public Schools Public Relations Sub-committee.

Served on the Warwick City Charter Review Commission.

Attend numerous community and school events.

School Band

- 2011-2015, All State band member. – Trumpet

Relevant studies

History, Technical writing, advanced composition, computer classes providing knowledge of word processing.
