Objective

This general resume is to give prospective clients some background on me and my company, and to obtain new accounts and contacts within the yachting industry.

Education

Kohler and Kilopak generator school	2005
ABYC marine electrical certification	2005
Northeast Maritime Institute	2002-2004
Horizon Aviation	2007-Present

Employment History

2004-Present Founder of GRC Ocean Engineering, a full service marine repair and refit company specializing in marine electrical, electronics and marine propulsion systems.

Actively involved in every job from the planning to installation, to completion.

Expanding client base around Rhode Island and the New England area as satisfied customers tend to generate new opportunities.

We offer full yacht management and Captain / Engineer services, from full refits, to bottom paint and shrink wrap, are fully insured, and warranty any work completed.

1999-2004 Kiwi Marine Services Marine Systems Technician, Charter Captain

- Performed minor and major marine engine repairs and re-powers
- Oversaw service contracts for Kohler Generators in the North East
- Planned and completed extensive rewiring of both AC and DC power systems on a number of yachts
- Became proficient in Awlgrip preparation and application.
- Installed numerous complete electronics packages
- On call captain for charter fleet in local waters

1998-1999 Oldport Marine Services, Marine Systems Technician, Boat Builder, Launch Captain, Charter Captain.

- Trained in diesel mechanics and propulsion systems
- Involved in my first marine re-power projects
- Built eight Oldport marine launches over the course of the winter
- Launch, charter captain during the spring, summer, and fall seasons

1998-2001 Newport Yacht Club - New York Yacht Club, Summer Launch Captain

Hobbies and Activities

Anything on or around the water, from sailing my own boat, offshore fishing, to surfing and diving. I am also an avid pilot working on my commercial license. I am always up for new challenging opportunities, and I am not satisfied unless I am learning something new.
