 Additional Information: (1) N/A on shaved tires (2) May be voided if caused by abuse, competition, race/track application.

Ultra High Performance Summer tires are for driving enthusiasts who want a combination of a performance appearance, crisp handling and Z-speed rated (or higher) durability along with dry and wet traction. Often used as Original Equipment (O.E.) on sports cars, performance coupes and high performance sedans, Ultra High Performance Summer tires are not intended to be driven in near-freezing temperatures, through snow or on ice.

O.E. Ultra High Performance Summer tires are typically purchased as direct replacements for worn-out pairs/sets of the vehicle's original tires. They can also be used for other vehicle applications in complete sets of four or axle pairs if available in an appropriate size, load range and speed rating to match the existing O.E. tires' performance category and specifications.
