College of the Air Force

Related Experience:

Worked with Blackstone Valley Historical Society
Member of Sons of Union Veterans
Historical Metal Detectorist

Employment:

Retired US Air Force 1987-2013
Quality Assurance Inspector, Defense Contract
Management Agency, 2013-Present

What is your interest in serving on this board?

I have a passion for History, I have been metal detecting since 2017 and have found many cool historical relics. I started cleaning cemeteries through the Blackstone Valley Historical society and the Sons of Union Veterans, which has in turn given me many historic properties to detect and give relics back to the families. I love seeing the cemeteries restored and to share my passion for preserving history.
