BOARD MEMBER BIOGRAPHY

Board or Commission:

Name: Amy Otilige
Address: 3 Cloverfield Avenue
Phone: 352-446-8961
E-mail: amyott2@gmail.com

Education: Fourteen years (Associates Degree in Business Administration).

Related Experience: Fifteen years raising butterflies. Released over 1300 of which 900+ were monarchs. Shared with friends the passion and fun of providing pollinator habitats.

Employment: Newport Navy Legal Office, RI (3); Legal Office, Munich (2); Criminal Investigation Division, MD. (5); Telecommunication Office, Groton, CT. (2); South Kingstown Police Dept., RI (19)-retired.

What is your interest in serving on this board?

Prior to my contact with Warwick Wildlife and Conservation Commission (WWCC) my focus on pollinators have been within my own gardens and assisting friends in their own habitats.

Being a member on the WWCC will allow me to widen my perspective and use my years of experience to assist in creating pollinator habitats within the city and raise public awareness and understanding of the value of pollinators in general.
