

THE CITY OF WARWICK
STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS

CHAPTER ARTICLE

APPENDIX A
ZONING

No..... Date.....

Approved.....Mayor

AN ORDINANCE AMENDING THE ZONING ORDINANCE
OF THE CITY OF WARWICK
TMC CF NEW ENGLAND, LLC AND APM ASSOCIATES, LLC, PETITIONERS

Be it ordained by the City of Warwick:

Section I. The Zoning Map and the Record Book of Lot Classifications which are a part of the Zoning Ordinance of the City of Warwick are hereby amended by changing the classification of the following described premises from Residential (A-7) to General Business with restrictions, conditions and stipulations.

Lots 382 and 383 on Assessor’s Plat 273 as said plat appeared in the Tax Assessor’s office on December 31, 2015 is hereby changed from Residential (A-7) to General Business with the following restrictions, conditions and stipulations. The Lot is set forth in the legal description and on the map attached hereto as Exhibit A.

The change of zoning is subject to the following conditions and stipulations:

1. That an Administrative Subdivision meeting the standards as set forth in the “*Development Review Regulations Governing Subdivisions Land Development Projects Development Plan*” shall be completed by the Applicant and recorded, merging the abandoned portion of Soule Street and Assessor’s Plat 273, Assessor’s Lots 379, 382, 383, 409 and 410, as part of the of Planning Board Final Approval. This plan shall include a Record Plat name and Record Lot designations.
2. That the project engineer shall review the access/egress points and internal traffic circulation to ensure the safety of vehicles and pedestrians. The project engineer shall install measures to discourage cut through traffic, including raised pedestrian crosswalks and signage.

- 1 3. That all exterior lighting and signage shall be contained on site and designed to minimize
2 negative impacts on neighboring properties.
3
4 4. That glare from outdoor lights, signs and from the movement of vehicles on site, shall be
5 shielded from the view of adjacent residential properties.
6
7 5. That all signage shall conform to the standards of the Warwick Zoning Ordinance, Section
8 800. LED signage may be utilized for gas/fuel price information, only. LED advertising
9 message boards are prohibited.

10
11 Section II. The Clerk of the Zoning Board of Review is hereby authorized and directed to cause said
12 changes to be made on the Zoning Map and the Record Book of Lot Classifications.
13

14 Section III. This Ordinance shall take effect upon passage and publication as prescribed by law.

DEED DESCRIPTION FOR AP 273 LOTS 379, 382, 383 409 and 410 WARWICK, R.I.

That certain tract or parcel of land with all buildings and improvements thereon situated on the westerly side of Lambert Lind Highway and the northerly side of West Natick Road in the City of Warwick, County of Kent and State of Rhode Island is herein bounded and described;

Beginning at the most northeasterly corner of land now or formerly of Stephen Ferro A.P. 273 Lot 382 on westerly line Lambert Lind Highway. Said point also being opposite station 33+78.03 right fifty three and 42/100 (53.42) as shown on State Highway Plat 1150.

Thence proceeding south $25^{\circ}36'19''$ east a distance of nine and 38/100 (9.38') feet to a point;

Thence proceeding south $40^{\circ}34'22''$ east a distance of seventy and 49/100 (78.49') feet to a point; Said point being opposite station 34+57.00 right thirty two and 00/100 (32.00) as shown on State Highway Plat 1150;

Thence proceeding south $12^{\circ}13'05''$ east a distance of thirty seven and 46/100 (37.46') feet to a point; Said point being opposite station 34+95.00 right forty two and 00/100 (42.00) as shown on State Highway Plat 1150;

Thence proceeding south $56^{\circ}12'41''$ west a distance of twenty three and 09/100 (23.09') feet to a point; Said point being opposite station 34+97.00 right sixty five and 00/100 (65.00) as shown on State Highway Plat 1150

Thence proceeding south $37^{\circ}43'38''$ east a distance of one hundred sixty and 26/100 (160.26') feet to the northerly line of West Natick Road. Said point also being opposite station 121+19.53 left sixty-nine and 63/100 (69.63) as shown on State Highway Plat 1589. The last four courses bounded easterly by westerly line of said State Highway Plat 1150.

Thence proceeding south $75^{\circ}51'54''$ west a distance of twenty five and 08/100 (24.08) feet to a point. Said point being opposite station 119+99.99 left thirty seven and 50/100 (37.50') feet on said State Highway Plat 1589.

Thence proceeding north $88^{\circ}59'07''$ west a distance of two hundred one and 56/100 (201.56') feet to a point. Said point being opposite station 117+98.43 left thirty seven and 50/100 (37.50') feet on said State Highway Plat 1589.

Thence proceeding north $51^{\circ}28'52''$ east a distance of twenty five and 31/100 (25.31') to corner;

Thence proceeding north $38^{\circ}31'06''$ west bounded westerly by land now or formerly of Joseph A. Trillo a distance of one hundred and 00/100 (100.00') to corner;

Thence proceeding north $51^{\circ}29'01''$ east bounded northerly by land now or formerly of Anthony G. Farina, Jr. a distance of two hundred eighty four and 27/100 (284.27') to the point and place of beginning.

Said parcel contains 56,495 square feet or 1.30 acres of land, more or less.

***RE: Zone Change, Roadway Abandonment, Special Use Permit, & Dimensional Relief
Plat 273, Lots 379, 382, 383, 409, 410, & portions of Soule Street***

Dear Council President:

I represent TMC CF New England, LLC. On my client's behalf I have filed a Zone Change Application and a roadway abandonment petition with the City Clerk's office. As part of those applications, I am also requesting zoning exemption from building setback to residential (40' reduced to 20'), and a special use permit for Gas Station – no repairs. I am making these requests under the Council discretionary powers as defined under Camara v. City of Warwick [116 RI 395] [358 A.2nd 23] RI Supreme Court case (1976).

This zoning exception request is consistent with past zone change petitions that have been granted by the Warwick City Council. If you or any member of the Council has any questions or would like to meet with myself or any member of the development team please feel free to contact me. I thank you for your consideration of this request.

Sincerely,
Garofalo & Associates, Inc.

Gregory Avenia, PE
Project Manager

**PETITION REQUESTING AN AMENDMENT TO THE ZONING
ORDINANCE OF THE CITY OF WARWICK**

To the Honorable City Council of Warwick:

Respectfully represent: TMC CF New England, LLC

who furnishes the following information in connection with (his-her) request for an
Amendment to the Zoning Law.

Amendment to the Zoning Law:

1. Ownership of Premises: APM Associates, LLC
35 Lantern Road (Name)
Lincoln, RI 02865 (Address)

(Furnish name of title owner of property and address of owner)

2. Description of Premises: Plat No. 273 Lot (s) 382 & 383
Street Soule Street
Ward 8

(Furnish Address, Assessor's Plat and Lot Numbers, and Ward number that property is
in)

3. Present Zoning Classification: Residential (A-7)
4. Zoning Change Requested General Business (GB)
5. Reasons for Proposed Change: _____

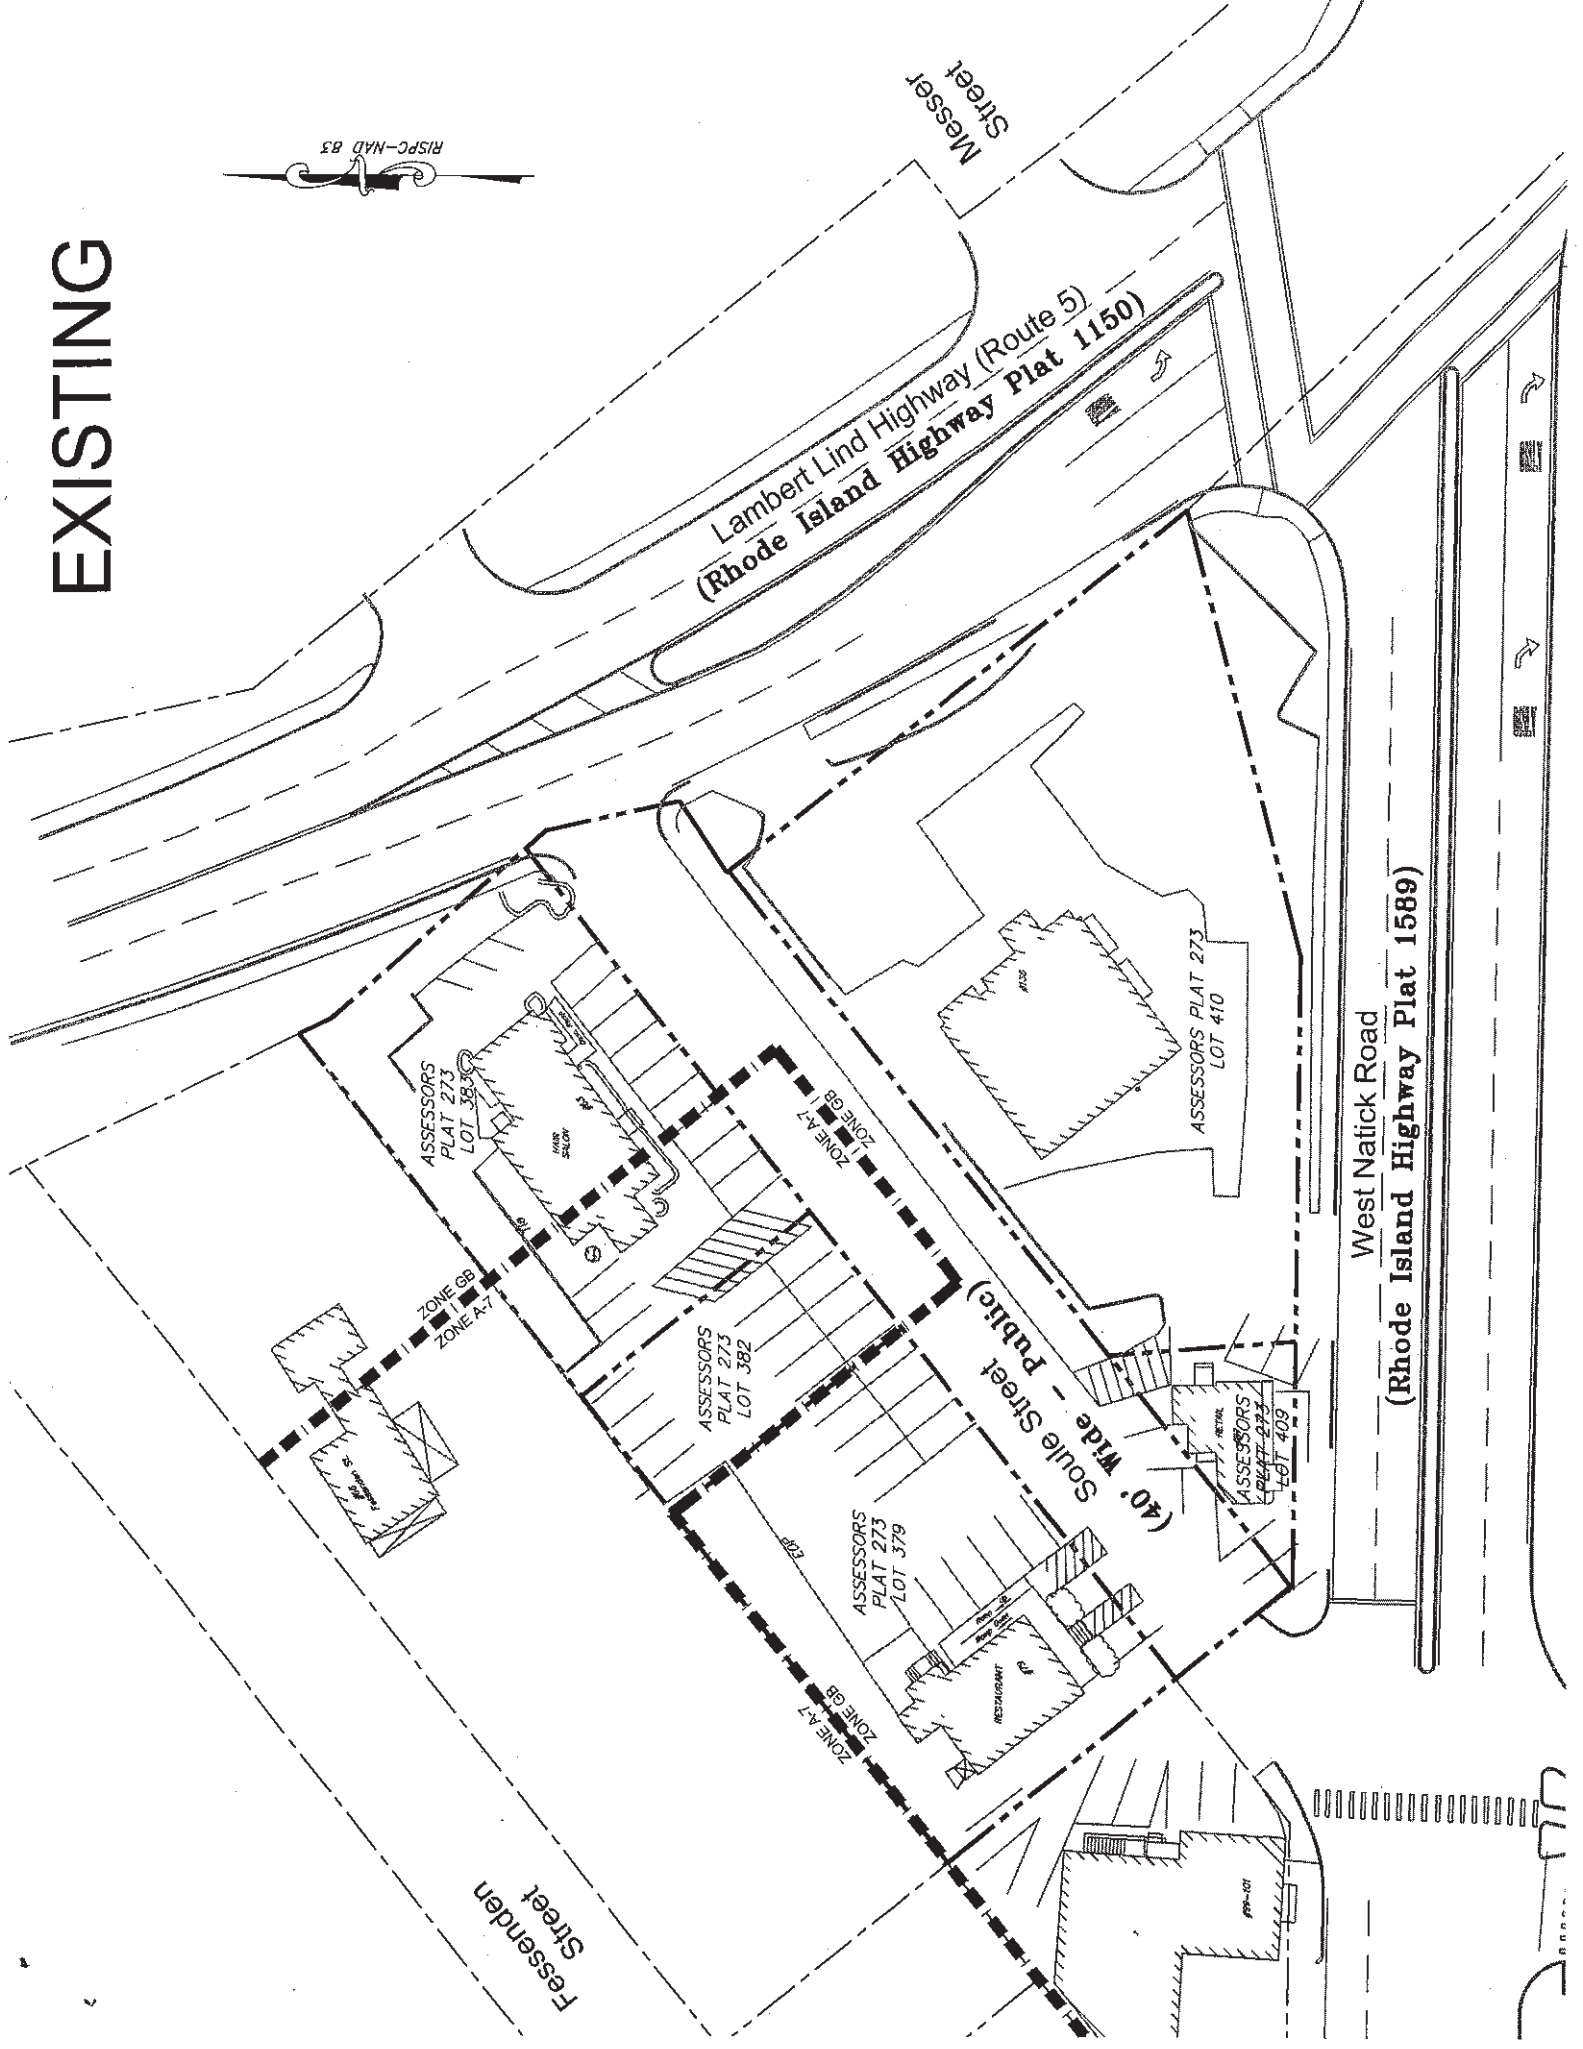

Lot 383 has split zoning, the subject area is surrounded on 3 sides by GB
zoning, request is in conformance with neighborhood usage and the City of
Warwick comprehensive land use plan.

WHEREFORE, it is respectfully requested that the Zoning Law be amended by changing
the Zoning Classification of the above-described premises from Residential A-7
to General Business GB

Respectfully submitted,

(Signature of Owner and Petitioner)

MEMORANDUM
Zone Change

TO: Honorable Donna Travis, Council President
Warwick City Council Members
Judy Wild, City Clerk

FROM: William J. DePasquale, Jr. AICP 
Planning Director

DATE: October 28, 2016

SUBJECT: Planning Board Recommendation/Zone Change
Assessor's Plat 273, Assessor's Lots 382 and a portion of 383
Soule Street

APPLICANT: TMC CF New England, LLC

EXISTING ZONING: Residential, A-7

PROPOSED ZONING: General Business, with authorization for a Special Use Permit for Use Code 421. Gas station (no repairs), with a convenience store, and a waiver for dimensional relief for less than required setback from an abutting residential zone.

BACKGROUND

The Applicant is requesting a zone change on a portion of a proposed development parcel, from Residential A-7 to General Business, with authorization of a Special Use Permit for Use Code 421. Gas station (no repairs), with a convenience store, and a waiver for dimensional relief for less than required setback from and abutting residential zone.

The proposed development is sited on five (5) Assessor's lots, and a portion of Soule Street, with a combined area of approximately 1.29 acres. The Applicant is proposing to merge the five (5) existing lots and the proposed abandonment portion of Soule Street, to create one (1) lot for development. The site is located at the northwest corner of the signalized intersection of Lambert Lind Highway (Route 5) and West Natick Road. The project site currently consists of four (4) vacant commercial properties, with adjacent parking areas, and a majority of Soule Street.

The parcel lies within two (2) zoning districts; Lots 379, 409 and 410 are zoned General Business (GB), Lot 383 is zoned a combination of General Business (GB) and Residential A-7 (A-7), and Lot 382 is zoned Residential, A-7. The development parcel abuts a residential zone (A-7) to the northwest.

SETBACK REQUIREMENTS

Description	Required	Proposed
Table 2B. Dimensional Regulations, Footnote (2)	(2) A commercial building or use...shall be set back a minimum of 40 feet from an abutting residential district.	20'1" setback provided from abutting residential district

FINDINGS OF THE BOARD

At the October 12, 2016 meeting of the Warwick Planning Board, this Major Land Development proposal received Master Plan Approval. At this meeting, the Planning Board heard the Petition for the proposed zone change as an integral element of the Major Land Development proposal. A copy of the Master Plan decision letter is attached as Exhibit A, and includes the findings and stipulations made by the Planning Board.

The Planning Board also found this proposed zone change to be generally consistent with Article 1 "Purposes and General Statements of the City's Development Review Regulations, and:

1. Generally consistent with the City of Warwick, Comprehensive Plan 2033, (Comprehensive Plan) which finds that land development in the future will increasingly involve redevelopment of previously used sites.

Over 60 percent of Comprehensive Plan survey respondents indicated that improving the appearance of major roads and commercial corridors is "very important" and when asked what kind of development they would like to see more of in the city, most respondents included neighborhood retail.

2. That Chapter 12 of the Comprehensive Plan, the Future Land Use, Zoning and Urban Design element, states as a Goal, that Warwick has sufficient diversity of land uses to support a strong and stable tax base, and to continue to balance land uses, particularly between regional retail and non-retail commercial uses.
3. That the Future Land Use Map (FLUM) as contained in the Comprehensive Plan 2033, shows this area as a combination of commercial and high-density residential uses.

The Planning Board also found this proposal to be generally consistent with the following purposes of the City's Zoning Ordinance, as presented in Section 100, "Title and Purpose."

103.1 Promote the public health, safety and general welfare of the City.

103.2 Provides for a range of uses and intensities of use appropriate to the character of the City and reflect current and future needs.

103.3 Provides for orderly growth and development, which recognizes:

- A.) The goals and patterns of land use contained in the Comprehensive Plan of the city of Warwick.
- E.) The availability and capacity of existing and planned public and/or private services and facilities.
- F.) The need to shape and balance urban and suburban development.
- G.) The use of innovative development regulations and techniques.

103.10 Promote a high level of quality in design in the development of private and public facilities.

103.11 Promote the implementation of the Warwick Comprehensive community plan, as amended.

PLANNING BOARD RECOMMENDATION

At the regularly scheduled meeting held on October 12, 2016, on a motion by Ms. Stenhouse, and seconded by Mr. Gambardella, the Planning Board voted six (6) in favor, none opposed, to forward a favorable recommendation to the Warwick City Council for the requested zone change for the parcel, from Residential A-7, to General Business, with authorization of a Special Use Permit for Use Code 421. Gas station (no repairs), with a convenience store, and a waiver for dimensional relief for less-than-required setback from an abutting residential zone, with the following stipulations:

1. That the Applicant shall receive approval from the City Council for the abandonment of the requested portion of Soule Street.
2. That an Administrative Subdivision meeting the standards as set forth in the "*Development Review Regulations Governing Subdivisions Land Development Projects Development Plan*" shall be completed by the Applicant and recorded, merging the abandoned portion of Soule Street and Assessor's Plat 273, Assessor's Lots 379, 382, 383, 409 and 410, as part of the of Planning Board Final Approval. This plan shall include a Record Plat name and Record Lot designations.
3. That the project engineer shall review the access/egress points and internal traffic circulation to ensure the safety of vehicles and pedestrians. The project engineer shall install measures to discourage cut through traffic, including raised pedestrian crosswalks and signage.
4. That all exterior lighting and signage shall be contained on site and designed to minimize negative impacts on neighboring properties.
5. That glare from outdoor lights, signs and from the movement of vehicles on site, shall be shielded from the view of adjacent residential properties.

6. That all signage shall conform to the standards of the Warwick Zoning Ordinance, Section 800. LED signage may be utilized for gas/fuel price information, only. LED advertising message boards are prohibited.

RE: Lambert Lind Highway and West Natick Road
Assessor's Plat 273
Assessor's Lots 379, 382, 383, 409, 410

Dear Applicant:

The following is the decision on your application for Master Plan Approval of a Major Land Development Project/Subdivision, heard by the Warwick Planning Board at the regularly scheduled meeting held on October 12, 2016. The proposed development consists of the construction of a one story, 4,786sf convenience store and a 40' x 90' canopy with six (6) fueling pumps (12 total fueling positions), on the parcel located in the northwest corner of the intersection of Lambert Lind Highway and West Natick Road (Assessor's Plat 273, Assessor's Lots 379, 382, 383, 409, 410).

The proposed development is sited on five (5) Assessor's Lots and a portion of Soule Street, with a combined area of approximately 1.29 acres. The proposal is to merge the five (5) existing lots and the abandoned portion of Soule Street, to create one (1) lot for development. The site is located at the northwest corner of the signalized intersection of Lambert Lind Highway (Route 5) and West Natick Road. The project site currently includes four (4) vacant commercial properties with adjacent parking areas, and a majority of Soule Street. The parcel lies within two (2) zoning districts; lots 379, 409, and 410 are zoned General Business (GB), lot 383 is zoned a combination of GB and Residential A-7(A-7), and lot 382 is zoned A-7. The parcel abuts a residential zone (A-7) to the northwest.

After completion of the public informational meeting, for which a record was kept, the Warwick Planning Board taking into consideration its knowledge and expertise, and after considering all of the representations and presentations made at the public informational meeting, found this proposal to be generally consistent with Article 1 "Purposes and General Statements" of the City's Development Review Regulations, and made the following findings of fact:

1. That the proposal is generally consistent with the City of Warwick, Comprehensive Plan 2033, (Comprehensive Plan) which finds that land development in the future will increasingly involve redevelopment of previously used sites. Over 60 percent of Comprehensive Plan survey respondents indicated that improving the appearance of major roads and commercial corridors is "very important" and when asked what kind of development they would like to see more of in the City, most respondents included neighborhood retail.
2. That Chapter 12 of the Comprehensive Plan, the Future Land Use, Zoning and Urban Design element, states as a Goal, that Warwick has sufficient diversity of land uses to support a strong and stable tax base, and to continue to balance land uses, particularly between regional retail and non-retail commercial uses.
3. That the Future Land Use Map (FLUM) as contained in the Comprehensive Plan 2033, shows this area as a combination of commercial and high density residential uses.
4. That the subject parcel fronts on Lambert Lind Highway (Route 5), West Natick Road and Soule Street, and is identified as Assessor's Plat: 273 Assessor's Lots: 379, 382, 383, 409, 410. The development area is primarily zoned General Business, with Lot 382 and a portion of Lot 383 zoned Residential A-7.
5. That the subject parcel is not in compliance with the standards and provisions of the City's Zoning Ordinance therefore requiring City Council approval for a zone change for a portion of the parcel, (Assessor's Lot 382 and a portion of Assessor's Lot 383) from Residential A-7, to General Business, with a Special Use permit for Use Code 421, and relief for less than required setback from an abutting residential zone.
6. That the four (4) existing commercial buildings on the site will be razed, and were formerly used as a hair salon, a restaurant, retail, and a vacant commercial building.
7. That there was a gasoline filling station on Assessor's Lot 410 from 1969 to 1982.
8. That the proposed development possesses access to two public streets, Lambert Lind Highway and West Natick Road, with one (1) full service driveway proposed on Lambert Lind Highway, one (1) full service driveway proposed on West Natick road, which will utilize an existing traffic signal.
9. That a traffic report, prepared by McMahan Associates, and dated July 2016, concludes that "*With the predominately pass-by nature of the proposed Cumberland Farms convenience store and gasoline station, the project will not result in a significant impact*

on the overall traffic operations of the study area roadways....due to the nature of the convenience market with gas station sites, patrons will seek out the most efficient routes for entering and exiting a site. Based on the analysis results presented in this report, the proposed development of Cumberland Farms is expected to have a minimal impact on the operations of the study area roadways and the site access modifications will improve overall access and safety."

10. That the properties north and south of the subject parcel, and fronting on Lambert Lind Highway are general business uses; there is an area of residentially zoned properties to the northwest.
11. That the development will not result in the creation of individual lots with such physical constraints to development that building on those lots according to pertinent regulations and building standards would be impracticable.
12. That there are no indications of significant negative environmental impacts from the proposed development.

Based on the foregoing findings of fact, on a motion by Ms. Stenhouse, and seconded by Mr. Desmarais, the Planning Board voted six (6) in favor, with none opposed, to grant Master Plan approval, with the following stipulations:

1. That the Preliminary Plan shall comply with the Rules and Regulations for Professional Land Surveying in the State of Rhode Island, effective November 25, 2015.
2. That the parcel shall receive City Council approval for a Zone change for Lots 382 and a portion of Lot 383, and a waiver for a Special Use Permit for Use Code 421. Gas station (no repairs), with a convenience store, and dimensional relief for less than required setback from an abutting residential zone.
3. That prior to Preliminary approval, the Applicant shall receive approval from the Warwick City Council for the abandonment of the requested portion of Soule Street.
4. That prior to Final Approval, the Property Owner shall merge Assessor's Plat 273, Assessor's Lots 379, 382, 383, 409 and 410, and the abandoned portion of Soule Street, and record a subdivision as per The City of Warwick's Development Review Regulations. This plan shall include a Record Plat name and Record Lot designations.
5. That a Storm Water Management Plan shall be submitted in accordance with Rhode Island Storm Water Design and Installation Standards Manual, dated December 2010, and designed to demonstrate a zero-net runoff from the proposed development.
6. That the project engineer shall meet with the City of Warwick DPW Engineering staff to review the proposed drainage system prior to submission to Rhode Island Department of Environmental Management (RI DEM) or Rhode Island Department of Transportation (RI DOT).

7. That the Operation and Maintenance Plan for the proposed stormwater collection system shall be included in the Preliminary submission.
8. That all necessary state permits, including but not limited to RI DEM, and RI DOT Physical Alteration Permit (PAP), shall be obtained prior to submission to the Planning Board for Preliminary Plan approval.
9. That the Project Engineer shall carefully review the access/egress points and internal traffic circulation to ensure the safety of vehicles and pedestrians. The project engineer shall install measures to discourage cut through traffic, including, but not limited to, raised pedestrian crosswalks and signage.
10. That the Preliminary submittal shall include a photometric site plan, indicating provisions to protect the neighboring residential properties from any light emissions from the proposed development. The lighting design shall be Dark Sky compliant, to the extent practicable.
11. That all signage shall conform to the standards of the Warwick Zoning Ordinance, Section 800. LED signage may be utilized for gas/fuel price information only. LED advertising message boards are prohibited.
12. That prior to the issuance of any permits for construction of buildings within the project, the Warwick Fire Department shall review the plans for compliance with all life safety codes and issues.
13. That the Applicant shall work with the Administrative Officer to the Planning Board regarding the exterior elevations of the building and canopy in order to design a project that is compatible with, and complimentary to, the abutting residential neighborhood and nearby Pontiac Village.
14. That the Preliminary submittal shall include a Landscape Plan, prepared and stamped by a registered Rhode Island Landscape Architect. The Landscape Architect shall contact the Planning Department prior to beginning the design process. Said plan shall be subject to approval by the Administrative Officer and provide, at a minimum, hardscape along Lambert Lind Highway and West Natick Road, and landscape screening for area residential properties.
15. That there is currently no sewer service available; the property owner/applicant shall extend sewer service to the site, and the parcel will be assessed in accordance with Warwick Sewer Authority (WSA) Regulation No. 60. All proposed work shall comply with WSA guidelines.
16. That water is available to the subject property through an existing distribution line on Soule Street. The Project Engineer shall provide further details.

17. That the existing water line on Soule Street crosses Lambert Lind Highway and provides water and fire protection to existing buildings on Lambert Lind Highway. Any cutting and capping at the existing waterline must provide for a new tie-in to the existing eight inch (8") water line on West Natick Road, approximately 150'; any costs associated with this requirement shall be paid by the Applicant prior to the water line being abandoned in the field.

Sincerely,

Philip Slocum, Chair
Warwick Planning Board

Subject: Director's review and sign off for Soule Street Abandonment and zone change on parcel
Attachments: Soule Street Abandonment.pdf; Director's Review, Soule Street Abandon and Zone Change.pdf

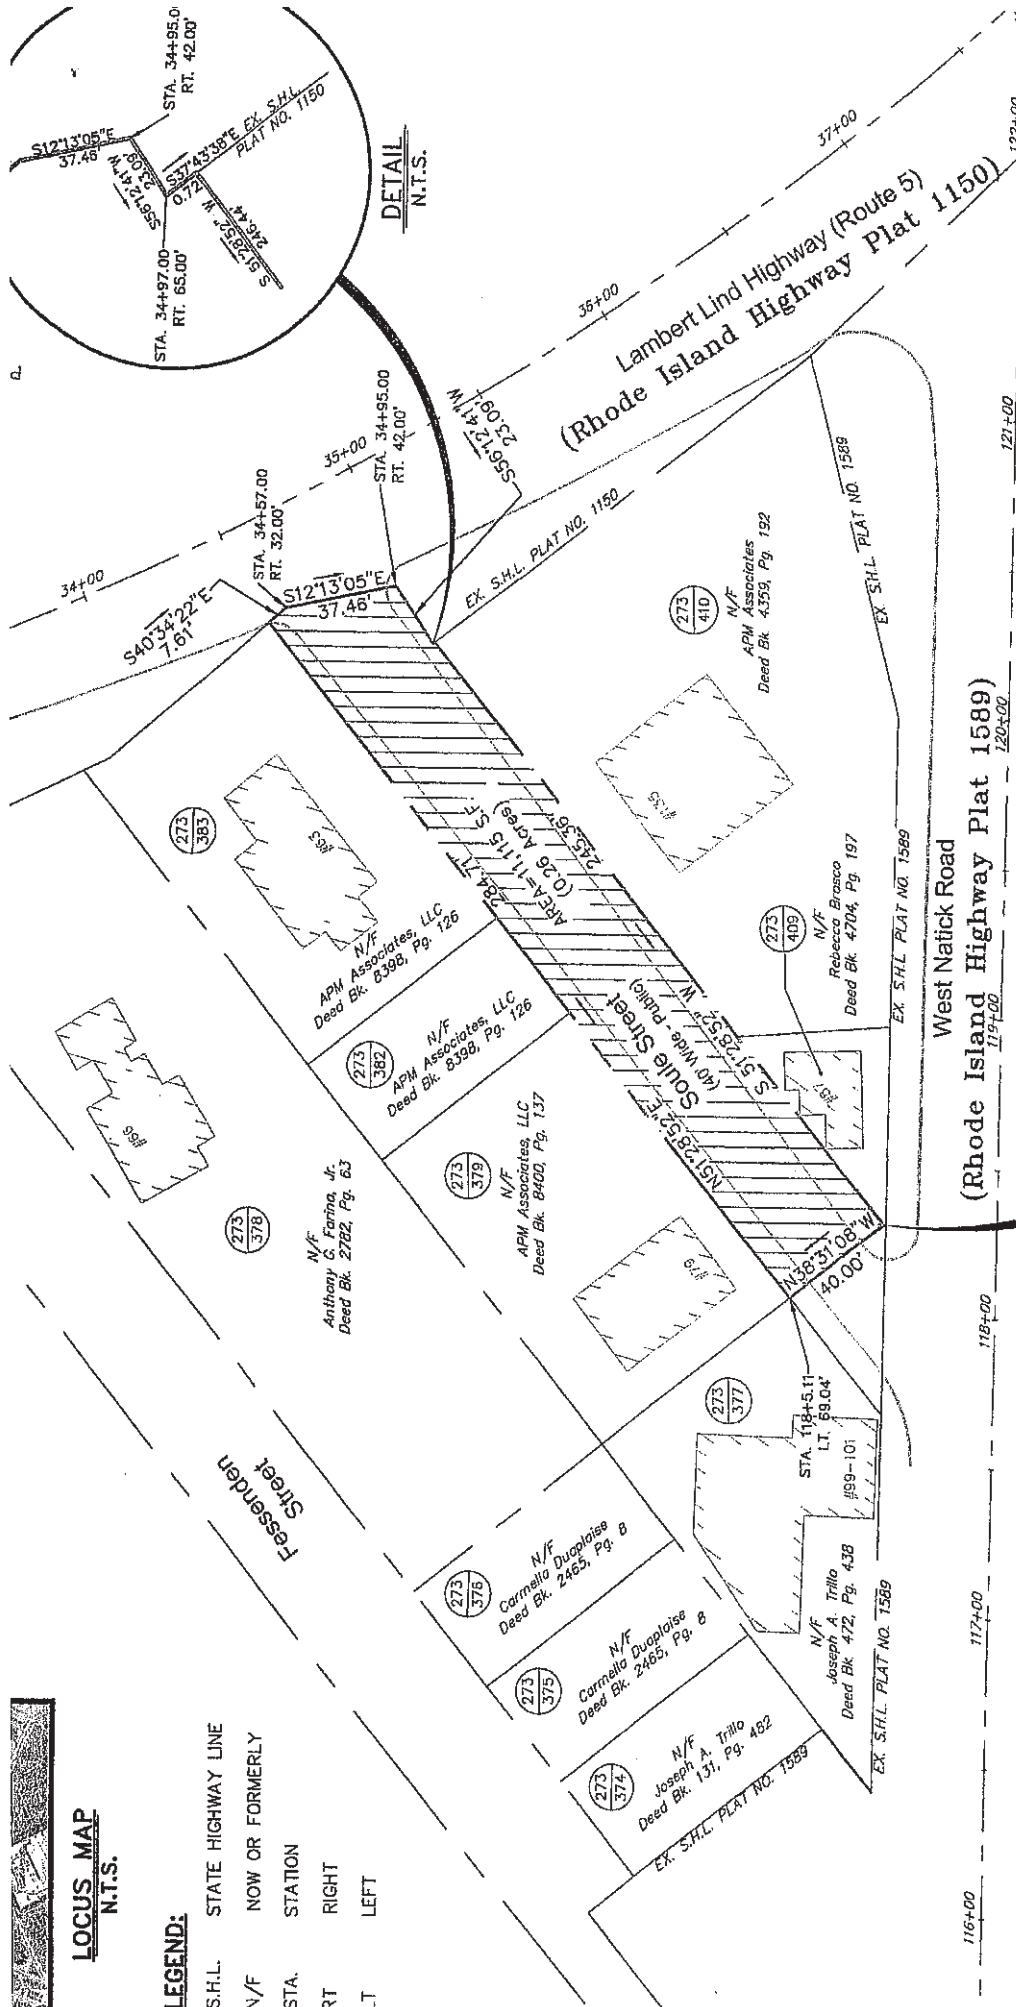

Cumberland Farms is proposing to construct a new convenience store and pumps at 135 Lambert Lind Highway. This proposed development area is an assemblage of 5 lots and the incorporation of a portion of Soule Street. In addition to the proposed abandonment, the Applicant is requesting a zone change on lot 382 and a portion of lot 383. The majority of the development area is zone General Business, with that small area carrying the old zoning designation of residential, A-7. The applicant is proposing to merge the lots within the development area (AP 273, ALs. 379, 382, 383, 409 and 410) to provide for the development. Please feel free to contact me with any questions. Thank you, Trish Reynolds, Senior Planner

SUBJECT: Recommendations for:

1. Street Abandonment, Portion of Soule Street
2. Zone Change, Assessor's Plat 273, Lots 382 & portion of 383
Residential A-7 to General Business

APPLICANT:
Cumberland Farms
Attached you will find a sketch of area subject to the proposed
Street Abandonment/Zone Change.

The Applicant is proposing to construct a 4,800 square foot convenience store and canopy over 12 fueling spaces.

The proposed development area is to include a partial abandonment of Soule Street and a zone change on Assessor's lot 382 and a portion of 383, from Residential A-7 to General business to support the redevelopment.

The Applicant is also seeking a recommendation from the Planning Board to the City Council for both actions

135 Lambert Lind Highway
Master Plan – Major Land Development
AP 273 / Lots 379, 382, 383, 409, 410 & a portion of Soule Street

This office has reviewed the Master Plan submission for the referenced project and has the following comments:

1. All plans submitted must comply with “Rules and Regulations for Professional Land Surveying in the State of Rhode Island Effective Date: November 25, 2015”. All survey monumentation must be set prior to recording of the Final Subdivision Plan.
2. The design for the Stormwater Collection system must meet the requirements of the Rhode Island Stormwater Design and Installation Standards Manual, December 2010. Design Engineer must meet with the City of Warwick DPW Engineering Staff to review the proposed drainage system prior to submission to RI DEM or RI DOT.
3. The Operation and Maintenance Plan for the proposed stormwater collection system must be included in the Preliminary submission to the Planning Department.
4. All state permits, including but not limited to RI DEM and RI DOT Physical Alteration Permit, must be obtained prior to Preliminary Plan submission.
5. The Designer must carefully review the access/egress points and internal traffic circulation to ensure the safety of drivers and pedestrian. In particular, the northbound movement of the egress onto Lambert Lind Highway and the westbound traffic entering the site from West Natick Road should be reviewed. Also, measures must be taken to discourage cut through traffic.

Please call me @ 738-2000 x6537 if you have any questions regarding this memorandum.

Note that these comments are from the Engineering Division of the Department of Public Works. Other City Departments may have comments referring to this submission. Please check with the necessary agencies to ensure that all required elements have been satisfied prior to proceeding further. The DPW reserves the right to revise or revoke our comments or opinions in the event that subsequent examination reveals any data indicated on any plan, form, sketch, etc. to be incorrect or additional information is introduced that necessitates revisions.

MEMO

To: Trish Reynolds, Senior Planner

From: Daniel O'Rourke, Chief of Water Division

Date: June 7, 2016

Re: 135 Lambert Lind Highway

We have reviewed the proposed plan for construction of a new facility (Cumberland Farms) and the abandonment of a portion of Soule St. The comments are as follows:

1. Water is available to the subject property through an existing distribution line on Soule St. Further detail must be provided.
2. Please be advised that the existing line on Soule St crosses Lambert Lind highway and provides water and fire protection to existing buildings on Lambert Lind highway. Any cutting and capping at the existing line MUST provide for a new tie-in to the existing eight inch water line on West Natick Rd (approximate distance 150 feet).
3. Any costs associated with this requirement must be paid by the applicant prior to the line being abandoned in the field.

If you have any questions, please contact me at extension 6604.

The Applicant is proposing to construct a 4,800 square foot convenience store and canopy over 12 fueling spaces.

The proposed development area is to include a partial abandonment of Soule Street and a zone change on Assessor's lot 382 and a portion of 383, from Residential A-7 to General business to support the redevelopment.

The Applicant is also seeking a recommendation from the Planning Board to the City Council for both actions

Subject: Plan Review
Plat 273, Lots 379, 382, 383, 409, 410
Cumberland Farms, Lambert Lind Highway
Date: June 15, 2016

The Warwick Sewer Authority (WSA) has reviewed information presented to us for the above referenced plat(s) and lot(s) and has the following comment(s) to offer:

Collection System

1. A cost estimate for 266 feet of 2" force main, including a low pressure service connection, has been completed by WSA and provided to the developer.
2. All work must comply with the guidelines of the WSA.
3. When construction is completed, the property will be connected to the city sewer system.
4. No additional comment at this time.

Industrial/Commercial Pretreatment Program

1. The Industrial Pretreatment Division has reviewed the preliminary plans and finds them generally acceptable.
2. All work must comply with WSA guidelines.
3. No additional comment at this time.

Billing

1. As sewer service is not currently available, there are no sewer assessments. When sewer service is extended using private funds, the property owner will be assessed in accordance with WSA Regulation No. 60 (attached).

The WSA reserves the right to revise or revoke our comments or opinions in the event that subsequent examination reveals any data indicated on any plan, form, sketch, etc. to be incorrect or additional information is introduced that necessitates revisions.

REGULATION 60

SEWER ASSESSMENT CHARGES

(Originally Approved and Adopted SEPTEMBER 28, 1995)

Revised and Approved JANUARY 26, 2012

If a parcel of land abuts a common sewer and the installation of such common sewer was paid for by private funds and not paid for by expenditure of public funds, then said parcel of land shall be assessed at 53% or the percentage of the pipe and manhole cost embedded in the sewer system over the total sewer system cost as shall be determined from time to time by the Warwick Sewer Authority.

The Applicant is proposing to construct a 4,800 square foot convenience store and canopy over 12 fueling spaces.

The proposed development area is to include a partial abandonment of Soule Street and a zone change on Assessor's lot 382 and a portion of 383, from Residential A-7 to General business to support the redevelopment.

The Applicant is also seeking a recommendation from the Planning Board to the City Council for both actions

Zone Change

Project: Assessor's Plat 273,
Assessor's Lots 379, 382, 383, 409, 410, portion of Soule
Street
135 Lambert Lind Highway/Cumberland Farms

The Applicant seeking Master Plan approval for the redevelopment of the above parcels. The project will also include a recommendation to the City Council for the partial abandonment of Soule Street, while will be incorporated into the development area, and a recommendation to the City Council for a zone change on Assessor's Lot 382 and a portion of 383, from Residential A-7 to General Business to support the redevelopment of the parcel for the construction of a new 4,800 square foot convenience store and a canopy over 12 fueling spaces.

The four (4) existing buildings on the site will be demolished to provide for the development.

There will be a separate emails sent for comments on the abandonment of Soule Street and the proposed zone change.

Please review and comment on the attached plans and return comments to this office by June 17th. Your comments are required so that the Planning Board may consider this development project for Master Plan approval. Should you have no comment on the attached plan, local regulations still require that your office sign off on the project.

Comments:

1. Check Record Name and Record Lot
2. Recommendation: A description deed for Record Lot from APM Associates, LLC and Rebecca Bresco to APM Associates, LLC and Rebecca Bresco with Record Name and Record Lot.

*Tyomi Kosaka
Assessor's Office
June 2, 2016*

The Applicant is proposing to construct a 4,800 square foot convenience store and canopy over 12 fueling spaces.

The proposed development area is to include a partial abandonment of Soule Street and a zone change on Assessor's lot 382 and a portion of 383, from Residential A-7 to General business to support the redevelopment.

The Applicant is also seeking a recommendation from the Planning Board to the City Council for both actions

Bureau of Fire Prevention

Memo

To Trish Reynolds, Senior Planner
From Peter J. Marietti III, Fire Marshal
Date June 3, 2016
Re Major Land Development/Subdivision/Street Abandonment/Zone Change;
Assessor's Plat 273, Lots 379, 382, 383, 409, 410, portion of Soule Street; 135 Lambert Lind
Highway/Cumberland Farms

No objections at this time.

The following minimum requirements must be provided regarding streets, roadways, turning and parking in proposed private developments and complexes:

- An adequate number of fire hydrants spaced 300 Ft. apart and providing a minimum of 1000 GPM. Sprinklered buildings require a hydrant within 100 Ft. of the Fire Department Connection (FDC).
- All two way travel lanes to have a minimum of 24 Ft. of unobstructed width and an unobstructed vertical clearance of 13'6" to allow for unimpeded access by fire apparatus.
- All corners shall be negotiable by vehicles having an outer tire turning radius of 50 Ft., Left or Right.
- Dead-end roads longer than 150 Ft. must provide turning capabilities for fire apparatus per NFPA 1 (RIFC), 2012 Edition.

Notes: Before issuance of any permits for buildings within the project, the Warwick Fire Department will review all plans for compliance with all life safety codes and issues.

There shall be no architectural, landscaping or natural barriers to prevent easy access of fire apparatus.

DEED DESCRIPTION FOR
 WARWICK, RI.

That certain tract of land with all buildings and improvements thereon situated on the westerly side of Lambert Lind Highway and the easterly side of West Main Street, in the County of Kent and State of Rhode Island is herein bounded and described as follows:

Beginning at the most northerly corner of land now or formerly of Richard Fero A.P. 273 Lot 382, on westerly line Lambert Lind Highway, said point one being 57/100 (0.57%) of section on State Highway Pl. 1150;

Thence proceeding south 25°58'49" west a distance of two and 38/100 (2.38%) feet to a point; said point being opposite station 34457.00 right forty two and 05/100 (0.05%) on station on State Highway Pl. 1150;

Thence proceeding south 17°13'05" west a distance of thirty seven and 46/100 (37.46%) feet to a point; said point being opposite station 34457.00 right forty two and 05/100 (0.05%) on station on State Highway Pl. 1150;

Thence proceeding south 50°12'54" west a distance of twenty three and 09/100 (23.09%) feet to a point; said point being opposite station 34497.00 right sixty five and 01/100 (65.01%) on station on State Highway Pl. 1150;

Thence proceeding north 79°42'32" east a distance of one hundred sixty and 24/100 (160.24%) feet to a point; said point being opposite station 34497.00 right sixty five and 01/100 (65.01%) on station on State Highway Pl. 1150;

Thence proceeding north 17°13'05" west a distance of thirty seven and 46/100 (37.46%) feet to a point; said point being opposite station 34457.00 right forty two and 05/100 (0.05%) on station on State Highway Pl. 1150;

Thence proceeding north 70°15'44" west a distance of twenty three and 09/100 (23.09%) feet to a point; said point being opposite station 34497.00 right sixty five and 01/100 (65.01%) on station on State Highway Pl. 1150;

Thence proceeding north 86°58'07" west a distance of two hundred one and 99/100 (201.99%) feet to a point; said point being opposite station 34497.00 right sixty five and 01/100 (65.01%) on station on State Highway Pl. 1150;

Thence proceeding north 51°29'52" east a distance of twenty one and 31/100 (21.31%) to a corner;

Thence proceeding north 36°31'06" west bounded westerly by land now or formerly of Joseph A. Tito, a distance of one hundred and 02/100 (100.02%) to a corner;

Thence proceeding north 51°29'51" east bounded northerly by land now or formerly of the late Richard Fero, a distance of one hundred and 02/100 (100.02%) to a corner;

Said parcel contains 56,403 square feet or 1.30 acres of land, more or less.

VESTING DEEDS:

AP 273 Lot 408
 That certain parcel of land with all buildings and improvements thereon situated on the western corner of Lambert Lind Highway and the easterly side of West Main Street, in the City of Warwick and State of Rhode Island is herein bounded and described as follows:

That certain parcel of land with all buildings and improvements thereon situated on the westerly side of Lambert Lind Highway and the easterly side of West Main Street, in the City of Warwick and State of Rhode Island is herein bounded and described as follows:

Beginning at the southerly line of State Street eighty (80) feet to the easterly line of East of Car, and fifty one and 1/10 (51.1) feet to the southerly line of West Main Street, and thence southerly along the southerly line of West Main Street (160) feet to the place of beginning.

Competing portions of lots 408 and 409 (see map) on (Four hundred one) on tract plat entitled "William H. Richmond Pl. 2 Pondic", in the County of Kent and State of Rhode Island, recorded in the City Clerk's Office at Warwick in said State of Rhode Island, in Book No. 5 at Page 83 and (copy) on Plat Card 254.

VESTING DEEDS:

AP 273 Lot 410
 Beginning at a Rhode Island Highway Round located at the southerly corner of the parcel herein described, said point being the intersection of Lambert L. Lind Highway and State Street.

Thence running southerly along the westerly street line of Lambert L. Lind Highway for a distance of 160.01 feet to a corner and the southerly line of State Street (160) feet to the place of beginning.

Thence running on the southerly line of State Street eighty (80) feet to the easterly line of East of Car, and fifty one and 1/10 (51.1) feet to the southerly line of West Main Street, and thence southerly along the southerly line of West Main Street (160) feet to the place of beginning.

Competing portions of lots 408 and 409 (see map) on (Four hundred one) on tract plat entitled "William H. Richmond Pl. 2 Pondic", in the County of Kent and State of Rhode Island, recorded in the City Clerk's Office at Warwick in said State of Rhode Island, in Book No. 5 at Page 83 and (copy) on Plat Card 254.

AP 273 Lot 372

That parcel of land with all buildings and improvements thereon situated on the westerly side of Lambert Lind Highway and the easterly side of West Main Street, in the City of Warwick and State of Rhode Island is herein bounded and described as follows:

Beginning at the southerly line of State Street eighty (80) feet to the easterly line of East of Car, and fifty one and 1/10 (51.1) feet to the southerly line of West Main Street, and thence southerly along the southerly line of West Main Street (160) feet to the place of beginning.

Competing portions of lots 372 and 373 (see map) on (Four hundred one) on tract plat entitled "William H. Richmond Pl. 2 Pondic", in the County of Kent and State of Rhode Island, recorded in the City Clerk's Office at Warwick in said State of Rhode Island, in Book No. 5 at Page 83.

AP 273 Lot 373

That parcel of land with all buildings and improvements thereon situated on the westerly side of Lambert Lind Highway and the easterly side of West Main Street, in the City of Warwick and State of Rhode Island is herein bounded and described as follows:

Beginning at the southerly line of State Street eighty (80) feet to the easterly line of East of Car, and fifty one and 1/10 (51.1) feet to the southerly line of West Main Street, and thence southerly along the southerly line of West Main Street (160) feet to the place of beginning.

Competing portions of lots 372 and 373 (see map) on (Four hundred one) on tract plat entitled "William H. Richmond Pl. 2 Pondic", in the County of Kent and State of Rhode Island, recorded in the City Clerk's Office at Warwick in said State of Rhode Island, in Book No. 5 at Page 83.

AP 273 Lot 382

That certain parcel of land with all buildings and improvements thereon situated on the westerly side of Lambert Lind Highway and the easterly side of West Main Street, in the City of Warwick and State of Rhode Island is herein bounded and described as follows:

Beginning at the southerly line of State Street eighty (80) feet to the easterly line of East of Car, and fifty one and 1/10 (51.1) feet to the southerly line of West Main Street, and thence southerly along the southerly line of West Main Street (160) feet to the place of beginning.

Competing portions of lots 382 and 383 (see map) on (Four hundred one) on tract plat entitled "William H.
