Date: August 8, 2017

Subj: Rink Systems, Inc.

The above was awarded by the City Council for the purchase of a new inline rink at City Park by the Planning Department. The awarded vendor submitted a bid for oversight of the installation along with the material purchase, however, the supervision portion was not initially awarded. It is prudent for this award to be increased to include the supervision at this time as this department is preparing to install the new rink and it is in the best interest of the City to have this company to ensure that it is completed correctly.

Please consider this memo a request for Sec. 6-12, Alteration to Contract, to increase the award for Rink Systems, Inc. in the amount of \$4,000 increasing the contract total from \$51,300 to \$55,300. It should be noted that all monies expended for this project are from a grant through the Department of Environmental Management.
