RE: Bid # 2017-166 "Calibration and Repairs of Police Radar Equipment"

Dear Mrs. Peshka;

The Warwick Police Department has received one bid responses on Bid # 2017-166 from the following company:

TMDE Calibration Labs, Inc, 839 River Road PO Box 8, Richmond, ME. 04357.

We recommend awarding the bid to the only bidder TMDE at a rate of \$55.00 per radar unit, \$85.00 for Laser units and \$7.50 per tuning fork, for purposes of calibration. Repairs will be conducted at an hourly rate of \$70.00 plus cost of parts.

The department is requesting authorization to spend no more than \$4,500.00 for these services during the one year contract.

Funding for services under this bid would be allocated from the department's current operating budget code 30-227, "Supplies; Traffic Safety".

Sincerely,

RE: Personal Protective Equipment (PPE)
Bid # 2017-172 "Emergency Response Personal Protective Equipment"
Funding source: 30-260

Dear Mrs. Peshka,

The Police Department went out to bid (#2017-172) for the above named equipment and received two (2) bids on the specified equipment. Based on the response from the vendors, we recommend awarding the bid to the vendor with the lowest cost for each of the three specified items, Brigham Industries, Inc..

We received bids from the following companies:

Atlantic Tactical 763 Corporate Circle, New Cumberland PA 17070
Brigham Industries, 15 Brigham Rd. Paxton MA 01612

The prices for the itemized products that were requested are listed below, along with the total cost of their bid:

	<u>Brigham</u>	<u>Atlantic Tact</u>
Gas Masks	\$335.00	\$361.13
Filter Cartridges	\$55.00	\$49.22
Protective Coveralls	\$49.00	\$ No Bid

Brigham Industries had the lowest bid for the specified mask, cartridge and coveralls, therefore, the Police Department is recommending the bid be awarded to them as a qualified bidder.

The total cost of this award is \$10,000.00 and if approved, will be funded by Police Operating Budget Code 30-260. If there are any questions or concerns, do not hesitate to call me at 468-4230.

Sincerely,

Robert S. Nelson

RE: Bid 2017-174 Purchase Various New Tires

Dear Mrs. Peshka,

The Police Department has reviewed the two bids received for Bid 2017-174 Purchase Various Tires. The bids received are from the following companies:

Sullivan Tire Co Inc., 1199 Jefferson Blvd, Warwick, R.I. 02886
Pete's Tire Co. 80 Public Street Providence RI 02903

We would like to award the bid to the lowest qualified (brand specific) bidder, Sullivan Tire, for the tires requested. The other bidder, Pete's Tire Co., did present a bid with an equivalent brand (Firestone) but they are not recommended for police pursuit driving. The Police vehicles we purchase are rated for pursuit driving and come equipped with Good Year tires for performance reasons. We have been doing business with Sullivan Tire, which also has a convenient location on Jefferson Blvd, as has the City, and have been very satisfied with their service and delivery.

Funding for purchases under this bid would be allocated from the department's current operating budget, budget code #30-211, Tires.

The department requests authorization to expend funds not to exceed **\$30,000.00** during the one year period of the contract.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert S. Nelson".

RE: Request for Spending Authorization- Police Uniforms
56-6 Exception to Notice Requirement
BID 2017-186 Police Uniforms
Funding Source: 30-260

Dear Mrs. Peshka:

The Police Department went out to bid (#2017-~~186~~) for the purpose of purchasing required police uniforms for officers assigned to the department. Upon the closing of the bid period, there were no bids for police uniforms. Based on this, the Police Department is requesting that we purchase the items we need from the known vendors we deal with for each particular item based on the lowest prices available to us. The reason for the exception is that the notice requirement was satisfied with no bids returned and the necessity to buy uniforms for all personnel.

The Vendors we will use are the three vendors who are in the state and are (were) qualified based on our recent bid awards. They are as follows:

Leaders Uniform & Supply 365 Broadway, Providence RI 02909.
Barneys Uniform 922 Cranston St., Cranston RI 02920
RI Uniform 1395 Atwood Ave Unit 109, Johnston RI 02919

Funding for this request, if approved, will be from the Police Department's Operating Budget code 30-260. The total amount to be expended will not exceed \$25,000.00 for a two year period.

Please feel free to contact this office should you require any further information.

Subj: Roll-out Carts

The Sanitation Department is in need of purchasing 351 roll-out carts used for refuse and recycling that are provided to City residents, as well as replacement wheels and lids. Pricing has been secured from Rehrig Pacific company. All the City carts have been obtained through this company. It is not in the best interest of the City to bid these items as we would then have to stock new replacement parts for another style of cart. There is also no fee for the City seal artwork as this company has it on file.

Please consider this memo a request for an exception to notice under Sec. 56-6 of the Warwick Code for Rehrig Pacific Company in amount of \$19,099.00. The pricing includes freight to our facility.

RE: Sole Source Inquiry

Dear Mr. Umbenhauer,

Thank you for your recent sole source inquiry. The ImageTrend Elite Rescue product and associated modules are solely developed, produced, distributed and supported by ImageTrend, Inc. These products are copyrighted and trademarked. ImageTrend's suite of products allows for native interoperability of the system's platform and provides seamless integration with the other ImageTrend modules such as ImageTrend Elite Field. ImageTrend's Elite Field Site license, our mobile software for EMS data collection, can be used solely with the ImageTrend Elite EMS and Fire products for reporting purposes.

This system from ImageTrend, Inc. is based upon the unique modules and basic architectural features of the data management systems that have been designed by ImageTrend for many applications. The experience and input from our current users have collaboratively helped us to develop a commercial-off-the-shelf (COTS) solution and best practices exclusively for the EMS and Emergency Preparedness market. In fact, ImageTrend Elite is the only combined Fire and EMS system compatible with both NFIRS 5.0 and NEMSIS v3. ImageTrend was the first company to gain full NEMSIS v3 certification in the market. Further, ImageTrend is the only company to offer a fully integrated, Fire and EMS system compatible with NEMSIS v3 and NFIRS 5.0 that incorporates mobile-device compatibility from the ground up.

ImageTrend has additional products in our suite. These products and modules support the collection of additional data related to emergency incidents, while utilizing the existing data collection and reporting for things such as patient and incident demographics within the Elite Rescue System. This additional functionality is only available with these products and has been designed to be cost-effective as a next step in our suite of products. Implementation of these modules and ongoing support can only be accomplished by ImageTrend, since they fully understand the system design and have the expertise required to successfully complete this functionality within this system architecture.

As the sole source vendor of this software, we distribute on a use license basis and maintain beneficiary escrow accounts. All data obtained and maintained within the application is proprietary to and owned by the licensed user. ImageTrend does not distribute the source code to any other vendors or resellers and therefore development, modification or implementation of ImageTrend Elite EMS, Elite Fire, Elite Rescue and Elite Field, its modules and extensions can only be performed by ImageTrend, Inc.

Re: TriTech Software Systems Software and Support

Dear Mr. Zambrano:

This letter serves as confirmation that as the developer and owner of the copyright to TriTech Software Systems' ("TriTech") software applications, TriTech is the sole source for the purchase of software licenses, related interfaces, and associated services, including all related support and maintenance for its suite of public safety products.

Should you have any additional questions, please do not hesitate to contact me via email (roxanne.lerner@tritech.com), or by phone at 858.799.7372.

Sincerely,

Roxanne Lerner
Director of Contracts
