Subject: Grant Award - FY2014 State Homeland Security Grant: 38-02-2014 SHSP

Dear Assistant Chief McLaughlin:

This letter serves as notification that your agency has been awarded a FY2014 State Homeland Security Grant in the amount of \$334,000. Unfortunately, due to a limited amount of funds and a large request for funding, we are unable to fully fund all your requested project(s) at this time. Below is a list of items that have been awarded by the Rhode Island Emergency Management Agency:

- Ropes Training (\$34,000)
- Continuity of Operations Center (COOP) (\$300,000) *Bid - Docket 7, 28, 14*

As stated in the attached award document, the period of performance is October 1, 2014 to December 31, 2015. Please submit all reimbursements prior to the end of the period of performance to ensure process of payment. Any expenditure made after the end date will automatically be deemed ineligible.

In order to finalize your acceptance of this award, please review the terms and conditions as outlined in Form 101 - Special Grant Conditions and Reporting Requirement Guidelines. These must be signed to ensure compliance with federal and state regulations and returned to this agency. A signed original of these forms will be returned to you with our signature verification for your records. These funds cannot be dispersed until the forms are completed and signed copies are sent back to you.

These forms and additional grant management guidance can be found in the Rhode Island Emergency Management Agency's Sub-Recipient Grant Handbook located on our website [www.riema.ri.gov](http://www.riema.ri.gov).

If you have any questions regarding this grant award, please do not hesitate to contact our Grant Manager, Pamela Leary, at (401) 462-7016 or via email at [pamela.leary@ema.ri.gov](mailto:pamela.leary@ema.ri.gov).

Sincerely,

Jamilia R. McDonald

Re: Award No.EMW-2014-FO-03066

Dear Mr. Armstrong :

Congratulations, on behalf of the Department of Homeland Security, your application for financial assistance submitted under the Fiscal Year (FY) 2014 Assistance to Firefighters Grant has been approved in the amount of \$949,459.00. As a condition of this award, you are required to contribute a cost match in the amount of \$94,945.00 of non-Federal funds, or 10 percent of the Federal contribution of \$949,459.00.

**Before you request and receive any of the Federal funds awarded to you, you must establish acceptance of the award through the Assistance to Firefighters Grant Programs' e-grant system.** By accepting this award, you acknowledge that the terms of the following documents are incorporated into the terms of your award:

- Summary Award Memo
- Agreement Articles (attached to this Award Letter)
- Obligating Document (attached to this Award Letter)
- FY 2014 Assistance to Firefighters Grant Funding Opportunity Announcement.

Please make sure you read, understand, and maintain a copy of these documents in your official file for this award.

**Prior to requesting Federal funds, all recipients are required to register in the System for Award Management (SAM.gov).** As the recipient, you must register and maintain current information in SAM.gov until you submit the final financial report required under this award or receive the final payment, whichever is later. This requires that the recipient review and update the information annually after the initial registration, and more frequently for changes in your information. There is no charge to register in SAM.gov. Your registration must be completed on-line at <https://www.sam.gov/portal/public/SAM/>. It is your entity's responsibility to have a valid DUNS number at the time of registration.

In order to establish acceptance of the award and its terms, please follow these instructions:

**Step 1:** Please go to <https://portal.fema.gov> to accept or decline your award. This will take you to the Assistance to Firefighters eGrants system. Enter your User Name and Password as requested on the login screen. Your User Name and Password are the same as those used to complete the application on-line.

Once you are in the system, the Status page will be the first screen you see. On the right side of the Status screen, you will see a column entitled Action. In this column, please select the View Award Package from the drop down menu. Click Go to view your award package and indicate your acceptance or declination of award. PLEASE NOTE: your period of performance has begun. If you wish to accept your grant, you should do so immediately. When you have finished, we recommend printing your award package for your records.

**Step 2:** If you accept your award, you will see a link on the left side of the screen that says "Update 1199A" in the Action column. Click this link. This link will take you to the SF-1199A, Direct Deposit Sign-up Form. Please complete the SF-1199A on-line if you have not done so already. When you have finished, you must submit

the form electronically. Then, using the Print 1199A Button, print a copy and take it to your bank to have the bottom portion completed. Make sure your application number is on the form. After your bank has filled out their portion of the form, you must fax a copy of the form to FEMA's SF-1199 Processing Staff at 301-998-8699. You should keep the original form in your grant files. After the faxed version of your SF 1199A has been reviewed you will receive an email indicating the form is approved. Once approved you will be able to request payments online. If you have any questions or concerns regarding your 1199A, or the process to request your funds, please call (866) 274-0960.

Dear Ms. Peshka,

The Fire Department is requesting a 56-6, exception to bid, for vendors that did not submit a bid for **Bid # 2016-172 Technical Rescue Equipment**. This equipment is crucial for the training that will be conducting starting in January, 2016. Because time is of the essence for this equipment it is a disadvantage to re-bid because if this proper equipment cannot be purchased the training is in jeopardy.

Please consider this letter a request for a 56-6, exception to bid, for 911 Safety Equipment LLC, D2000 Safety Inc, Safety Solutions Inc, Ed Lyon's Fire Equipment LLC, Hawill's Ltd, New England Fire Equipment & Apparatus, American Fire Equipment Inc, Fire Tech & Safety, S.T.A.R.T. Rescue Training Inc and C & S Specialty.

This Department is requesting the cap be included with the cap for bid # 2016-172.

Sincerely,

James G. McLaughlin  
Assistant Chief

Re: Award No.EMW-2014-FO-03066

Dear Mr. Armstrong :

Congratulations, on behalf of the Department of Homeland Security, your application for financial assistance submitted under the Fiscal Year (FY) 2014 Assistance to Firefighters Grant has been approved in the amount of \$949,459.00. As a condition of this award, you are required to contribute a cost match in the amount of \$94,945.00 of non-Federal funds, or 10 percent of the Federal contribution of \$949,459.00.

**Before you request and receive any of the Federal funds awarded to you, you must establish acceptance of the award through the Assistance to Firefighters Grant Programs' e-grant system. By accepting this award, you acknowledge that the terms of the following documents are incorporated into the terms of your award:**

- Summary Award Memo
- Agreement Articles (attached to this Award Letter)
- Obligating Document (attached to this Award Letter)
- FY 2014 Assistance to Firefighters Grant Funding Opportunity Announcement.

Please make sure you read, understand, and maintain a copy of these documents in your official file for this award.

**Prior to requesting Federal funds, all recipients are required to register in the System for Award Management (SAM.gov).** As the recipient, you must register and maintain current information in SAM.gov until you submit the final financial report required under this award or receive the final payment, whichever is later. This requires that the recipient review and update the information annually after the initial registration, and more frequently for changes in your information. There is no charge to register in SAM.gov. Your registration must be completed on-line at <https://www.sam.gov/portal/public/SAM/>. It is your entity's responsibility to have a valid DUNS number at the time of registration.

In order to establish acceptance of the award and its terms, please follow these instructions:

**Step 1:** Please go to <https://portal.fema.gov> to accept or decline your award. This will take you to the Assistance to Firefighters eGrants system. Enter your User Name and Password as requested on the login screen. Your User Name and Password are the same as those used to complete the application on-line.

Once you are in the system, the Status page will be the first screen you see. On the right side of the Status screen, you will see a column entitled Action. In this column, please select the View Award Package from the drop down menu. Click Go to view your award package and indicate your acceptance or declination of award. PLEASE NOTE: your period of performance has begun. If you wish to accept your grant, you should do so immediately. When you have finished, we recommend printing your award package for your records.

**Step 2:** If you accept your award, you will see a link on the left side of the screen that says "Update 1199A" in the Action column. Click this link. This link will take you to the SF-1199A, Direct Deposit Sign-up Form. Please complete the SF-1199A on-line if you have not done so already. When you have finished, you must submit

the form electronically. Then, using the Print 1199A Button, print a copy and take it to your bank to have the bottom portion completed. Make sure your application number is on the form. Patricia Peshka  
Purchasing Agent  
City of Warwick

Dear Ms. Peshka,

The City of Warwick Fire Department has reviewed ***Bid # 2016- 173 Rope/Confined Space/Tower Rescue.*** After thoroughly reviewing the bids with a committee and several interviews with both vendors we are recommending D2000 Safety, Inc. PO Box 2939, Eugene, OR 97402 to conduct the training.

Over the past few weeks the Warwick Fire Department (WFD) has had the opportunity to review submitted proposals for the first installment of AFG Technical Rescue Training (TRT) grant program. The WFD Grant team consisting of Lt. Jason Erban, Pvt. Scott Jensen and Pvt. Chris Albro also solicited the expertise and insight from Lt. Robert Cembor and Capt. Gary Oatley to review and analyze the submitted request for proposals (RFP). The grant team was under the direct supervision of Assistant Chief McLaughlin. Several meetings were conducted as well as a comprehensive breakdown of each submitted proposal to include but not limited to cost, availability, equipment, expertise and instructor qualifications. In addition to the meetings, vendor interviews took place on November 2, 2015 that encompassed phone conferences as well as site visitation.

The Department is acutely aware of the cost differential between the two vendors. During our meetings and post interviews we weighed the pros and cons of each vendor in regard to meeting our training objectives within the parameters of the AFG Grant. In the end we feel that D2000 will provide the Warwick Fire Department with not only the best available training but also several other entities that the other vendor (spec rescue) cannot provide.

The core premise of our award from FEMA is the ability to perform wind turbine rescue. Approximately 30 turbines are to be constructed in the State with a great majority in greater Kent County. D2000 Safety has an extensive history in wind turbine and tower rescue training. The instructors to be provided to WFD have literally written the instruction manual on wind turbine rescue and educate a vast number of agencies. The lead instructor(s) have documented multi-decade experience in tower turbine rescue to include private industry and municipal agency training. FEMA has allocated to WFD specialized

equipment for this training to which D2000 Safety was involved in the initial design and specifications which speaks to their ability to train and educate on these highly technical devices. The fact that they are able to provide our initial technical training will establish a strong foundation for the remaining disciplines.

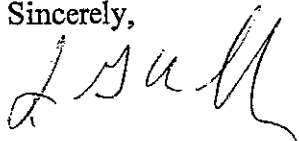

The Department feels that they are the leading tower rescue provider and can provide the finest program with the highest level of safety for these high-risk training evolutions. Spec Rescue stated in our interview that they did not have extensive experience in wind turbine rescue and in our estimation their tower rescue experience was not comparable to D2000 Safety.

D2000 Safety has also committed to providing WFD multiple customized training manuals and technical rescue operating guidelines to establish the groundwork needed to maintain the TRT. This knowledge and information will augment the WFD strategic training goals to allow us the opportunity to be the lead tower rescue entity in RI. D2000 Safety is an accredited agency and our personnel are eligible for 15 college credits upon completion of the program. Additionally, WFD personnel will have access to D2000 Safety website to obtain continuing education on the latest techniques for continued sustainment of the team in years to come. The overall cost of the program not only includes the provided training, it opens the door for a sustained relationship to guide and mentor our personnel through continuing education long after the initial training is completed.

The Department would like to reinforce the fact that the cost of the training is within the overall project budget and no additional allocations or costs will be needed.

The bid award is for a total amount not to exceed \$122,928 from budget code 38-810. The FEMA AFG Grant award is EMW-2014-FO-03066. The total amount allocated for vendors for the complete training is \$250,000.

Sincerely,

James G. McLaughlin  
Assistant Chief

RE: Bid # 2016-177 "Calibration and Repairs of Police Radar Equipment"

Dear Mrs. Peshka;

The Warwick Police Department has received one bid responses on Bid # 2016-177 from the following company:

TMDE Calibration Labs, Inc, 839 River Road PO Box 8, Richmond, ME. 04357.

We recommend awarding the bid to the only bidder TMDE at a rate of \$50.00 per radar unit, \$75.00 for Laser units and \$5.00 per tuning fork, for purposes of calibration. Repairs will be conducted at an hourly rate of \$70.00 plus cost of parts.

The department is requesting authorization to spend no more than \$4,500.00 for these services during the one year contract.

Funding for services under this bid would be allocated from the department's current operating budget code 30-227, "Supplies; Traffic Safety".

Sincerely,

Re: Request for Purchase Authorization – Marked Police Vehicles  
Bid #2016-181 2016 Ford Taurus Interceptors AWD Fully Equipped  
Funding Source: Lease Purchase

Dear Mrs. Peshka:

The Police Department went out to bid for (14) new police cars under bid# 2016-181 and received three qualified bids from the following companies:

Colonial Ford, 147 Samoset St. Plymouth MA 02360.....	\$35,757.00/vehicle.....	<b>\$500,598.00</b>
Balise Ford, 90 High School Road Ext.; Hyannis MA 02601....	\$36,487.00/vehicle.....	<b>\$510,818.00</b>
Tasca Ford, 250 Webster Square Rd. Berlin CT 06037.....	\$36,735.00/vehicle.....	<b>\$514,290.00</b>

Based on a review of these bids, the Police Department is recommending that the bid be awarded to Colonial Ford, being the lowest qualified bidder for these vehicles. The Police Department has done business with Colonial Ford during the past three years and has been fully satisfied with their delivery and service. The makes and models of the vehicles are as follows:

(14) 2016 Ford Taurus Police Interceptors AWD fully equipped.....\$35,757.00/unit.....**\$500,598.00**

The specifications for equipment and accessories that will be added to these vehicles are contained in the bid package. All vehicles purchased will be identical to the purchases made from the awards made for these types of vehicles in the last two years.

The total amount being allocated to Colonial Ford is **\$500,598.00** and will be funded by utilizing Lease Purchase monies.
