Resolved that,

WHEREAS, the health, safety and welfare of the citizens of the City of Warwick are matters of paramount importance to the City Council; and

WHEREAS, when sewer lines are installed property owners are assessed for the installation of the sewer lines; and

WHEREAS, in some cases the abutting properties have good, efficient and functioning septic systems; and

WHEREAS, in those cases it creates a hardship on the abutting property owners; and

WHEREAS, the City Council desires that abutting property owners with functioning septic systems be provided twenty years of use before they are assessed for sewer installation.

NOW, THEREFORE BE IT RESOLVED that the Warwick City Council hereby requests that the Warwick Sewer Authority allow twenty years of use of functioning septic systems when sewers are installed before those property owners with functioning septic systems are assessed for the sewer installation.

The City Clerk is hereby directed to forward a copy of this Resolution to the members of the Warwick Sewer Authority.

This Resolution shall take effect upon passage.
