Warwick, RI 02886

RE: Bid 2018-162 Purchase Various New Tires

Dear Mrs. Peshka,

The Police Department has reviewed the two bids received for Bid 2018-162 Purchase Various Tires. The bids received are from the following companies:

Sullivan Tire Co Inc., 1199 Jefferson Blvd, Warwick, R.I. 02886
Pete's Tire Barn. 80 Public Street Providence RI 02903

We are requesting that the bid be awarded to Sullivan Tire. The other bidder, Pete's Tire Co., did present a bid with an equivalent brand (Firestone) but they are not considered original manufacturers equipment. The police vehicles we purchase are rated for pursuit driving and come equipped with Good Year tires for performance reasons. We have been doing business with Sullivan Tire, which also has a convenient location on Jefferson Blvd, as has the City, and have been very satisfied with their service and delivery.

Furthermore, while Pete's Tire Barn did acknowledge an addendum issued for the bid specifications, they did not comply by submitting a vendor inventory pricing list.

Funding for purchases under this bid would be allocated from the department's current operating budget, budget code #30-211, Tires.

The department requests authorization to expend funds not to exceed \$24,000.00 during the one year period of the contract, which will run from January 1, 2018 thru December 31, 2018.

Sincerely,

Bradford Connor
Major
Administrative Bureau Commander

Re: Bid2018-162 Purchase of Various New Tires

We have reviewed the two bids submitted and recommend award to Sullivan Tire Company as the responsible bidder. Pete's Tire Barn has been disqualified for an incomplete bid submission. This vendor acknowledged the addendum issued for the above bid but did not comply with the requirement of submitting a vendor inventory list. The recommended cap for this award is \$100,000.00 for one year.

Re: Bid2018-165 Purchase Manitowoc Ice Maker with Bin Package

We have reviewed the five bids submitted and recommend award to Rhode Island Food Service Equipment Co., Inc. While they are not the lowest bidder (\$3,550), they are the lowest responsible bidder. This company offers the most extensive warranty, particularly on the compressor as it is the most costly part, and can have the ice machine delivered within seven days from receiving the order. It is of the utmost importance that this machine be delivered to the Pilgrim Senior Center as soon as possible. The purchase price for this award is \$3,550.00.

Bid2018-167A Original Equipment Manufacturers' Parts for Various Vehicles

DPW ONLY

- 5 qualified bids submitted*

**(9 bids were submitted. However, 4 were disqualified for not submitting a catalog, per bid specifications. Peterbilt of RI, Ed & Matt Equipment, Tasca Auto Group and Southworth-Milton, Inc.)*

PLEASE BE ADVISED THAT THIS BID REQUIRED A CATALOG BE SUBMITTED. DUE TO THE SIZE & VOLUME OF ITEMS CONTAINED WITHIN, THESE CATALOGS ARE NOT A PART OF THIS DOCUMENTATION, BUT ARE AVAILABLE FOR VIEWING IN THE PURCHASING DIVISION.

Re: Request for Spending Authorization – Original Equipment Manufacturers Parts
City Ordinance 56-6 “Exception to Notice Requirement”
Funding Source: Budget Code: 30-330 Auto and Vehicle Maintenance

Dear Mrs. Peshka:

The department is seeking authorization under the provisions of City Ordinance 56-6 to award a 1 year contract to Tasca Ford, 1300 Pontiac Avenue, Cranston RI 02920 for Original Equipment Manufacturer Parts (OEM) for various vehicles.

The department recently went out to bid on two separate occasions. Tasca bid and was the lowest bidder on both occasions. On the first instance (Bid # 2018-104) the award received a recommendation of unfavorable action due to the fact that the bids were based on percentage off of manufacturer's prices rather than actual cost. During the second bid process (Bid # 2018-167) the specifications called for the addition of a manufacturer's parts list along with current pricing; as well as the percentage off. Tasca did submit a second bid, however did not include the price list and was therefore disqualified for not meeting the bid specifications. When contacted, Tasca acknowledged the oversight and did provide a price list after the fact.

The Warwick Police Department has worked with Tasca for several years on prior bids and is satisfied with their ability to provide the necessary materials in a timely manner and at competitive pricing. The equipment that the department purchases from Tasca is original Ford and Motorcraft parts that are used to repair/replace parts on first line police response vehicles. The need for these emergency vehicles to be running properly and with the proper equipment cannot be overstated. Currently the department is down 5 cars due to accidents and it is imperative that the remaining vehicles in the fleet are operational.

Essentially, we require these OEM parts for emergency repairs as well as routine maintenance. Since July 1, 2017 we have had 8 separate motor vehicle accidents involving police cars. Had it not been for the OEM contract with Tasca, each of these 8 cars would be out of service. Additionally, as it pertains to our routine maintenance schedule, we conduct oil changes at a rate of 7 per week. Oil filters from the OEM bid are required to do this work. Since July 1, 2017 we have also conducted 46 rotor and brake pad replacements on 23 vehicles. A time lapse of only 2 months could quite possibly render the majority of our fleet of emergency vehicles either inoperable or unable to pass inspection. In addition to the police vehicles that our garage services, we are also responsible for the service of the fire department admin vehicles as well as various city department Ford vehicles. These other departments would incur the same burden if their vehicles were not able to be serviced.

The department is requesting to spend up to \$70,000 for a one year contract which would be valid from 11-18-2017 thru 11-17-2018.

Funding for purchases under this bid would normally be allocated from the department's current operating budget, code 30-330, "Auto and Vehicle Maintenance. At times, however, such purchases may be made from the Insurance Proceeds Account #76-358, when repairs are being done to damaged vehicles for which we have compensation from insurance companies.

Please feel free to contact me should you need any further information.

Sincerely,

Bradford Connor

Subj: Sec. 56-6 – Various Vendors for OEM Parts

The Automotive Division is requesting an exception to notice for vendors that did not submit a bid for OEM parts, however, these vendors are crucial to the repair of vehicles as they offer proprietary parts that cannot be purchased from any other vendor. This alone makes it a disadvantage to re-bid because if parts cannot be purchased it will cripple the entire City fleet and Fire department.

Please consider this memo a request for an exception to notice under Sec. 56-6 of the Warwick Code for RI Truck Center, Terex Environmental Equipment, Northland JCB, Wood Co., Coastal International, Norfolk Power, Vermeer Northeast, Tri-County Contractors, HEWS Company, Freightliner of Hartford, Strobes & More, CN Wood, Minuteman Trucks, Inc., New England Detroit Diesel Allison, Kahn Tractor, Peterbilt of RI, Southworth Milton, Tasca, Flood Ford, Ed & Matt Equipment and Howard Johnson, Inc. This department is requesting the cap be included with the cap for bid number 2018-167 (OEM Parts).

Should this Sec. 56-6, Exception to Notice not be approved, it will have a detrimental effect on City services as well as response time from the Warwick Fire Department. If the Automotive Division cannot make repairs to City vehicles, such as the Sanitation fleet, it becomes a health and welfare issue if household refuse cannot be picked up in a timely manner. As well, potholes will not be filled, potentially increasing claims for damages. With the snow season approaching, plow trucks will not be able to be serviced for clearing roadways. This department will not be able to service the fire department vehicles to have those emergency responding apparatus readily available for necessary calls. Also, it should be noted that the City will be responsible for incurring freight charges from these vendors, if necessary, as they will not be held to a particular specification prohibiting those charges.

City of Warwick
3275 Post Road
Warwick, Rhode Island 02886

RE: Bid Recommendation: Various Vendors; Bid #2018-168," Various Auto Replacement Parts"

Dear Mrs. Peshka:

The department has reviewed the 8 bids received for Bid #2018-168, "Various Replacement Auto Parts."
These vendors are:

- Palmer Spring Co, 1 Althea Street, P.O. Box 72882, Providence, RI 02907
- Action Auto Parts Inc., 795 North Main St., Providence, RI 02904
- Tri-Power Sales and Service, 64 Minnesota Avenue, Warwick RI 02888
- East Coast Terminals, 267 Allen St. Springfield MA 01108
- Lawson Products, Inc., 8770 W. Bryn Mawr Avenue, Suite 900, Chicago, IL 60173
- Advance Auto Parts 1280 Warwick Ave. Warwick, RI 02888
- Raps Auto Parts 3666 West Shore Rd. Warwick, RI 02886
- Tifco Industries, 21400 NW Freeway Cypress, TX 77429

The department is recommending that the bid be awarded to Lawson Products, Raps Auto Parts, and Tifco Industries for purchases of automobile replacement parts for the department's vehicles on an as needed basis and according to the overall lowest qualified bidder based on price, manufacturer and quality of product. The bulk of the products that we purchase under this bid will be purchased from Raps Auto Parts. Tifco Industries provides specialty electrical products that Raps does not supply; which is the reason for including them on the bid award. Similarly, Lawson provides specialty products necessary for garage operations, i.e. nuts, bolts and electrical connectors. While we do not anticipate spending a considerable amount of money with both Lawson's and Tifco, they were included because of their unique products.

We request permission to expend up to \$28,000.00 in total for various auto parts. This contract would be for 1 year; 11-18-2017 thru 11-17-2018. Funding for these purchases, if approved, would be allocated from the department's budget, code 30-330, "Auto and Vehicle Maintenance "
Please feel free to contact me should you require any further information.

Sincerely,

Bradford Connor

Request for Spending Authorization
City Ordinance 56-6 Exception to bid
Linear Systems DIMS Hardware Maintenance

Dear Mrs. Peshka,

The Police Department wishes to renew the Linear Systems Hardware Support Contract for the Police Departments Digital Information Management System. This Digital Information Management System, (DIMS), is used for the storage, management, and retrieval of digital images, video, and computer forensics generated evidence taken in the course of police investigations.

The contract covers maintenance and warranties of the 4 workstations, the main system server unit, and the redundant storage backup server unit. The total amount involved is **\$7,000.00** and will cover maintenance from 11-01-2017 through 10-31-2018.

This equipment is proprietary to Linear systems.

If approved, financing for these upgrades would come from the Police Department Operating Budget, Budget Code # 30-340, Service Contracts.

Please feel free to contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "BC", written over a horizontal line.

Re: Section 56-6 – TriTech IMC Annual Support

This is a request under City Ordinance 56-6 to award Trittech Software Systems the Annual Software Maintenance for IMC software for \$45,957.25.

TriTech Software Systems does not outsource any of its software, the maintenance of it, nor the technical support of it. A copy of the Sole Source letter from Trittech Software Systems is provided.

TriTech IMC Software is used by the Police Department for its dispatching software. TriTech IMC is used by most of the State's Law Enforcement Agencies, except for Providence PD.

This will be purchased from budget code 25-334.

This award covers the period of January 1, 2018 through December 31, 2018.

RE: TriTech Software Systems – Sole Source

Dear Carlos:

This letter serves as confirmation that as the developer and owner of the copyright to TriTech Software System's ("TriTech") software applications, TriTech is the sole source for the purchase of software licenses and associated services, including annual software support for TriTech's software applications.

Should you have any additional questions, please do not hesitate to contact TriTech's Director of Contracts, Roxanne Lerner, via email (roxanne.lerner@tritech.com), or by phone at 858.799.7372.

Sincerely,

Roxanne Lerner

Re: Request for Spending Authorization
City Ordinance 56-10 – "Use of State Division of Purchases"
State MPA #395 (Valid through 06/30/2018) – Public Safety Communications Equipment
Funding Source: Parts- Communication 30-271

Dear Mrs. Peshka:

The department is seeking authorization to purchase (20) Motorola model APX-4000 portable radio sets and associated equipment under the provisions of City Ordinance 56-10, "Use of State Division of Purchases," from Motorola Solutions, c/o CyberCom, 90 Colorado Ave Warwick RI 02888 at a total cost of **\$43,219.40**

MPA #395, "Public Safety Communications Equipment," that is valid through June 30, 2018, was used to provide the pricing for this purchase request. The above total price is itemized as follows:

20-APX4000 UHF2 Portable Radios.....	\$39,905.80
20-110VAC 50/60 HZ US Charger	\$1,011.00
20-Accessory MicrophonePLUS RSM.....	\$1,718.40
20-Battery Lithium Ion 1900M 2000T.....	\$1,708.20
20-One-Knob Leather Carrying Case.....	<u>\$876.00</u>
Total	\$43,219.40

This purchase of portable radios will be used as a replacement to existing portables which are over 15 years old. The replaced portables will then be cannibalized to provide parts for

portable radios that malfunction until arrangements can be made for future replacements. The replacement of our existing portable radio equipment will continue to be an ongoing systematic upgrade in the coming years. The Warwick Police Department has used Motorola radios exclusively for over 20 years and has found them to be rugged, reliable and affordable. Motorola has set the industry standard for public safety radios. We have purchased the Motorola APX 4000 from this MPA for the past 4 years.

The radios that we are requesting will be replacing radios that were purchased from 1998-2002.

***See Below**

These radios came with a life expectancy of 10 years and are beginning to show signs of failure and parts are no longer available thus requiring immediate replacement.

Funding for this purchase, if approved, would come from the police communications-parts budget (30-271).

Enclosed is a price quote from Motorola Solutions as well as a RI Purchase Agreement Report indicating the communications equipment MPA #395 expiring on 06/30/18.

Please feel free to contact me should you require any additional information.

Sincerely,

Bradford Connor

Re: Section 56-10 – State of RI MPA 308 Telecommunications Services

This is a request under City Ordinance Section 56-10 to piggyback the State Master Price Agreement (MPA) Number 308 to the companies listed below. The effective through date of this MPA is August 31, 2018. The companies listed on the MPA are as follows:

Atrion Networking Corporation	Carousel Industries
Century Link	Cox Rhode Island Telcom, LLC
Envision Technology Advisors, LLC	Future Technologies Group
Light Tower Fiber LLC	Oshean, Inc.
InSight Mobile Data Inc.	ePlus Technology, Inc
Verizon Business Network Services, Inc.	T-Mobile USA
Towerstream Corporation	Verizon Wireless
Level 3 Communications	The Presidio Corp
Fibertech Networks	Paetec Corporations

This bid will allow the City of Warwick to be able to support all city communications to include but not limited to all land line phones, faxes, internet services, all dark fiber and Metro Ethernet interconnections for the city, all mobile phones, aircards, all connection for the fire and police department antennas, and will also allow the city's police department to have a second redundant circuit to the RISP.

Vendors	Estimated Annual Cost	Notes
LightTower	\$26,000	Dark Fiber from Annex - DPW & Annex - Firestation 10
Cox	\$185,748	Internet, Manage Switches, Connection for WSA and Firestations
Cox	\$157,000	Phone services for City
Verizon	\$78,512	Verizon Copper for Fire and Police Departments Antennas
Verizon Wireless	\$109,275	Mobile Phones and Aircards
Carousel	\$9,800	Annual Maintenance for City's Wi-Fi and UPS Purchases Server Rooms
Oshean	\$45,000	Redundant Circuit for Police Department to RISP
Total	\$611,335
