From: Richard Crenca, Public Works Director

Date: February 2, 2018

Subj: Bid2018-133 Traffic Light Maintenance

The above was awarded by the City Council and capped at \$15,000.00. This bid expires on October 24, 2018. This department is requesting an increase of the awarded amount due to the replacement of a decorative light in Conimicut that was downed from the wind storm. The Trust has already reimbursed the City for this light as it is in excess of \$11,000 for the light replacement and labor. It has also come to the attention of this department that a decorative light pole was involved in an accident in Pawtuxet Village recently and that will need replacement. This department is seeking reimbursement from the involved party's insurance company. As well, this department must have authorization for traffic light repairs as necessary in the interest of public safety.

Please consider this memo a request for Sec. 6-12, Alteration to Contract of the City Charter increasing the awarded amount to \$35,000, an increase of \$20,000 for the abovementioned reasons.
