

GRANT OF EASEMENT

THE CITY OF WARWICK, a municipal corporation organized under the laws of the State of Rhode Island with a usual place of business at 3275 Post Road, Warwick, RI 02886 (“Grantor”), for consideration of One (\$1.00) Dollar, grants to THE NARRAGANSETT ELECTRIC COMPANY, a Rhode Island corporation having a principal place of business at 280 Melrose Street, Providence, Rhode Island 02907, (“Grantee”), its successors and assigns, with Quitclaim Covenants, a perpetual right and easement as described in Section 1 below (“Easement”) in, under, through, over, across, and upon the Grantor’s land, as described in Section 2 below (“Grantor’s Land”).

Section 1 – Description of Easement

The “Easement” granted by the Grantor to the Grantee consists of the perpetual right and easement:

- a) To install, construct, reconstruct, repair, replace, add to, maintain and operate an overhead distribution system (“Distribution System”) for the distribution of electric current, which Distribution System includes One pole with the necessary wires, cables, anchors, guys, equipment and appurtenances attached thereto, over, across and upon the Grantor’s land, as may from time to time be required for the purpose of supplying electric and telephone service to the Grantor’s Land and land of others adjoining the Grantor’s Land;
- b) To clear and keep cleared from time to time the portions of the Grantor’s Land wherein the Distribution System is located of such trees, shrubs, bushes, above ground and below ground structures, objects and surfaces as may in the opinion and judgment of the Grantee, its successors and assigns, interfere with the safe and proper operation of the Distribution System;
- c) To make such excavation or excavations as may be reasonable and necessary to construct, reconstruct, repair and remove the Distribution System. But the Grantee shall properly backfill any excavation and restore the surface of the Grantor’s Land in as good condition as before the excavation was made; and
- d) To pass over and across the Grantor’s Land as reasonable and necessary for all the purposes described in this Section.

Section 2 – Description of Grantor’s Land

The “Grantor’s Land” consists of land situated on the northwesterly side of West Shore Road, in the City of Warwick, County of Kent, State of Rhode Island, designated as Lot 255, Warwick Tax Assessor’s Map 347, being that certain tract or parcel of land conveyed to the Grantor by deed from Nicola Lomazzo duly recorded with the Records of Land Evidence in Warwick on August 19, 1988, in Book 1176, Page 81.

Section 3 – Location of the Distribution System

The “Distribution System” shall extend in a general northwesterly direction from an existing pole #9275, which is located on the northwesterly side of West Shore Road, to a proposed pole #9275-1, which is to be located within certain portions of Grantor’s Land. Said Distribution System shall be located in a location mutually satisfactory to the Grantor and to the Grantee and such location shall become established by and upon the installation thereof by the Grantee. The Grantor, for itself, its successors and assigns, covenant and agrees with the Grantee, for themselves, its successors and assigns, that this Grant of Easement and the location of the Distribution System may not be changed or modified without the written consent of the Grantee, its successors and assigns, which consent may be withheld by the Grantee in its sole discretion.

Section 4 – Distribution System Ownership

It is agreed that the Distribution System shall remain the property of the Grantee, its successors and assigns, and that the Grantee, its successors and assigns shall pay all taxes assessed thereon.
