Re: Bid Recommendation – Police Department
Bid# 2018-019 BCI- Crime Scene Supplies
Funding Source: Budget Code 30-208

Dear Mrs. Peshka:

The department has reviewed the (3) bids received for Bid #2018-019, "BCI-Crime Scene Supplies."

- 1. Sirchie Acquisition Company, LLC, 100 Hunter Place Youngsville, NC 27596
- 2. Evident, Inc., 739 Brooks Mill Road Union Hall, VA 24176
- 3. Tri-Tech Forensics, Inc., d/b/a National Law Enforcement Supply 8770 Trade Street, Leland, NC 28451

Sirchie Acquisition Company, LLC, was the overall lowest qualified bidder. The Police Department recommends that the award for the contract go to Sirchie Acquisition Company, LLC.

The department is requesting permission to spend up to **\$4,500.00** for this award. Funding for purchases under this bid will be allocated from the department's operating budget, Budget Code #30-208.

Please feel free to contact me should you need any further information.

Sincerely,

Christopher Stewart
Major
Administrative Bureau Commander

Re: Bid 2018-021 Printing of Letterhead, Envelopes and Various Forms

I have reviewed the two (2) bids received for the above referenced Printing Bid.

Copy World has met the bid specifications for various city departments. Copy World's submission has no additional fees added to their pricing and best met our requested turnaround time. Their pricing remains consistent for virgin paper and recycled paper.

I recommend Copy World as the overall responsible qualified low bidder.

The contract period for this printing bid will be 7/1/17 through 6/30/2018. Various city departments will utilize this bid and pricing for an amount not to exceed \$5,000.00 for the duration of the contract.

Re: Bid # 2018-021 Printing of Letterhead, Envelopes, and Various Forms.

Dear Mrs. Peshka,

The police department has received and reviewed the two (2) bid responses received on Bid # 2018-021 Printing of Letterhead, Envelopes, and Various Forms. We received bids from the following Companies:

Copy World Printing, 1728 Warwick Avenue, Warwick, RI 02889
Regine Printing, 208 Laurel Hill Ave., Providence, RI 02909

Both bidders indicated that they would only agree to a 1 year contract.

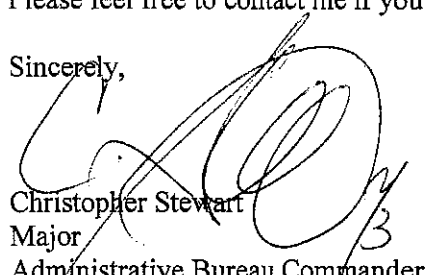

Based on the submissions, the police department recommends that the award be given to Copy World Printing as they are the lowest qualified bidder on 39 of the 44 indicated items. Regine Printing offered lower prices on five of the forty four indicated items, however; the projected total amount of savings for the contract term by using Regine for these five items would be only about \$20.

If approved, this purchase will be paid for from the Police Department Operating Budget, Budget Code# 30-302, Print, Bind, and Reproduce.

This is for use by various products as our needs dictate. Product will be purchased for an amount not to exceed \$4,500.00 over the one (1) year bid award.

Please feel free to contact me if you have any questions.

Sincerely,

Christopher Stewart

Mrs. Patricia Peshka
Purchasing Agent
City of Warwick

Dear Mrs. Peshka,

The City of Warwick Fire Department has reviewed *Bid 2018-21 Printing of Various Letterhead, Envelopes & Various Forms*. The Warwick Fire Department recommends the bid be awarded to Copy World of 1728 Warwick Ave. Warwick, R.I. The City received two bids; Copy World was the low bidder and met the specifications.

This award will be for a period of one year from the date of the award. The total award for the Warwick Fire Department is for \$2,750.00. The funds will come from budget code 35-202.

Sincerely,

James P. Kenney
Assistant Chief

DAVID PICOZZI
DIRECTOR

To: Patricia Peshka, Purchasing Agent

From: David Picozzi, Director of Public Works

Date: May 2, 2017

Subj: ComStar International, Inc.

The Public Works Department/Thayer Arena Division is requesting to have the R-22 (Freon) gas in both ice rink chillers replaced with a new, much more cost effective eco-friendly product, RS-45 (R434a). The R-22 is being phased out per EPA mandating and is extremely difficult and costly to acquire. Also, R-22 will not be available after 2019. Currently, R-22 is approximately \$27.00 per pound and changes constantly. Between the two surfaces there is approximately 4500 pounds of Freon. If that required replacing today, the cost at \$27.00 per pound would be a staggering \$121,000. No vendors will hold pricing longer than 15 to 30 days.

This department finds it in the best interest of the City to perform a conversion of the gas from R-22 to RS-45. The above mentioned vendor is the only one in the Northeast that is performing the conversion of the gases pound for pound. This could be a costly venture in the future and this department finds it is not in the best interest of the City to prolong this conversion for the aforementioned reasons.

Please consider this memo a request for an exception to notice under Sec. 56-6 of the Warwick Code to ComStar International, Inc. for the conversion process of the R-22 gases in the Thayer and Warburton Arenas in the amount of \$10,000.

This is a request under City Ordinance 56-6 to award Tyler Technologies Munis the software licenses renewal, maintenance and technical support as well as Operating System Database Administration (OSDBA) support to Tyler Technologies in the amount of \$183,049.40. Tyler Technologies is the sole source provider of our Munis Financial ERP Software.

This maintenance and systems support will cover Accounting, Payroll, Purchasing (online requisitions and Purchase Orders), the Tax Assessor and Collector's office, and Utility Billing software for the Sewer Authority and Water Division, as well as Crystal Reports, Munis Office which interfaces with MS-Word, MS-Excel, and MS-Outlook, and Tyler Forms which provides for customizing of our Bills.

Tyler Technologies does not outsource any of its software, the maintenance of it, nor the technical support of it. A copy of the Sole Source letter from Tyler Technologies is provided.

This will be purchased from budget code 25-334.

This award covers the period of July 1, 2017 through June 30, 2018.

Mr. Carlos D. Zambrano
City of Warwick
3275 Post Road
Warwick, Rhode Island 02886

Dear Mr. Zambrano:

This letter is to provide notification that Tyler Technologies, Inc. is the sole source manufacturer, provider and distributor of Munis software products and related support and maintenance. The Munis software products and related support and maintenance, including software bug fixes, upgrades, enhancements, and releases, are not available through any other entities.

As a result of Tyler's investment in innovation and development (methodology, principles, and processes, techniques, tools, protocols, and documentation) Tyler has created a portfolio of intellectual property rights that include patents, trademarks, and copyrights.

Sincerely,

A handwritten signature in cursive script, appearing to read "Abby Diaz".

From: Robert Smith *RFS*
Transwick/ Transportation Planner

Re: Airtime charges

Date: April 24, 2017

This is a request under City ordinance 56-6 to award monthly airtime charges for the Transwick communication radios to Radio-Phone Communications Inc., 153 James Murphy Hwy., West Warwick, R.I. 02893 for FY 2018.

This is a (12) twelve month bid 7/1/17 to 6/30/18 for the amount of \$2820.00 which will be drawn down monthly at a rate of \$235.00 (\$23.50 /unit).from account code 48-340.

Radio-Phone has provided satisfactory service and support for our two way communication system. They will maintain the same service and support at the same rate as FY17. To seek additional bids at this time would involve a change in hardware and equipment which would add additional cost to the bid.

RE: Request for Spending Authorization- Cellebrite UFED Software Renewal
56-6 Exception to Notice Requirement
Funding Source: Police Operating Budget Code 30-340

Dear Mrs. Peshka:

The Police Department Detective Division operates a Computer Forensics Unit (CFU) whose primary task is to search for and extract evidence of criminal acts on electronic storage devices such as computers, PDA's, Laptops, Tablets, and cell phones. One of the tools that assist them with this evidence extraction is a Universal Forensic Extraction Device (UFED) made by Cellebrite. It is an invaluable tool for this purpose and significantly reduces the waiting time needed for evidence extraction should we have examine devices externally.

As you are aware, the Police Department purchased an updated UFED machine called the UFED 4PC in 2014. In order to keep the machine up to date for use as a forensic examiner, we are required to purchase a software renewal package each year. The cost of this package is **\$3,700.00**.

Cellebrite is the sole source vendor for the UFED machine and therefore, by extension, its software packages are as well.

This purchase will be paid for, if approved, from the Police Department's Operating Budget Code: 30-340.

If there are any questions or concerns, please call me at 468-4230.

Sincerely,

A handwritten signature in black ink, appearing to read "Christopher Stewart".

RE: Request for Spending Authorization
City Ordinance 56-6 Exception to bid
Guidance Software Maintenance and Upgrades- EnCase

Dear Mrs. Peshka:

The Police Department Computer Forensics Unit utilizes a Forensic Software Program called Encase. This Encase software is widely used by Law Enforcement Agencies throughout the country. The system is endorsed and training is provided by the National White Collar Crime Center. This software is used for the forensic examination, analysis and extraction of data from a wide variety of computer devices.

This Encase software is proprietary to the Guidance Software Company. Updates and maintenance can only be obtained from Guidance Software. This is true of any specialty software. As a result, upgrades, maintenance and support are sole source to whatever company makes the product.

The software itself is loaded on multiple computer devices. Use of the programs requires the use of a dongle. A dongle is defined as an external device used as a combination security and copyright protection device. In order to use the software, you must have an authorized dongle. We must maintain these dongles in order to receive updates, maintenance, and phone support of the product. This maintenance and update is vital. This kind of technology must be constantly updated. New computer products are constantly coming on the market. Each new product and software version of the latest smart phones, for example, uses a slightly different Operating System version. Our examination software requires constant updates to remain effective with the new products.

The need for this kind of analysis in modern police work is constant and increasing. Our Forensic Unit utilizes this software on a daily basis. The examination of PC's Laptops, Tablets, and especially the examination of smart phones has become an integral part of a great many police investigations, and is vital tool for our Detective Division.

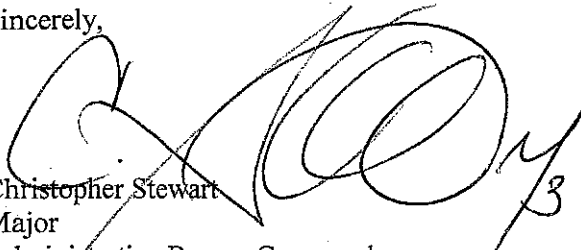

The total cost of the security keys (dongles) and a reactivation key, as well as maintenance upgrades is **\$2,639.51**. A copy of the quotes for this upgrade and security key purchase is included with this letter.

Re: Request for Spending Authorization -- Police College Education Expenses
C. O. 56-6, "Exception to Notice Requirement" -- Various Vendors
Funding Source: Operating Budget -- Education Reimbursement, Code 30-301

Dear Mrs. Peshka:

The department is seeking authorization under the provisions of City Ordinance 56-6, "Exception to Notice Requirement," to expend funds for college expenses on an as needed basis, not to exceed \$85,000.00 for police officers for fiscal year 2018.

The exception to notice requirement is requested as officers are allowed to attend various colleges and universities offering approved degree programs in accordance with R.I.G.L. 42-28.1. State law provides for reimbursement and compensation for these educational expenses to include tuition, books, and supplies. The statute further allows officers to enroll in any university, college, or technical institution approved by the regional accrediting association of colleges and secondary schools.

Contractual provisions also require officers to attain minimum college credits in related law enforcement fields for promotion commencing with the rank of sergeant.

Vouchers would be prepared by the department based on certification of successful completion of any course taken during a semester to reimburse the officer for the initial expenses. Funding for these expenses would be allocated from the department's operating budget, code 30-301, "Education Reimbursement."

Please feel free to contact me should you require any further information.

Sincerely,

A handwritten signature in black ink that reads "Michael J. Babula".

Michael J. Babula, Commander
Deputy Chief of Police

Bid2018-040 Various Purchases for Senior Gift Shop

RI Wholesale Jewelry
PO Box 19758
Johnston, RI 02919 \$2,500.00

Restaurant Superstore
1229 Westminster St.
Providence, RI 02909 \$2,000.00

Contract Award: \$4,500.00

Contract Period: July 1, 2017 – June 30, 2018

MEMORANDUM

To: Pat Peshka
Purchasing Agent

From: Meg Underwood
Director of Senior Services

Re: Pilgrim Gift Shop

Date: April 26, 2017

The Division of Senior Services is requesting an exception to the City of Warwick Charter Section 56-6. This would allow the senior center gift shop the ability to purchase items from various vendors in the amount of \$4,500. for FY 2018. We are requesting to encumber the amount every year in order to better meet the city's fiscal guidelines for the following vendors:

RI Wholesale Jewelry
P.O. Box 19758
Johnston, RI
Total \$2,500

Restaurant Superstore
1229 Westminster Street
Providence, RI 02909
Total \$2,000

The senior center operates a gift shop and coffee shop in order to provide to the elder population a variety of inexpensive items and the convenience of shopping at the center. This is a service to our seniors especially for those who have no other means of transportation. It also benefits the senior centers, which make a small profit that enhances the senior program.

These vendors stock includes low cost, quality items that are great gift items and a big seller and the seniors are purchasing as gifts for family members and friends. The funds are then used to restock supplies and purchase other items for the centers.

The Senior Division is requesting an exception to the City of Warwick Charter Section 56-6. The exception allows us to find and purchase the most reasonably priced, affordable items for the senior population. Otherwise it would be a disadvantage to the senior population for economic reasons due to the fact that the staff would have to purchase goods from a more expensive vendor which would not sell, leaving us with an inventory and in a deficit.

Therefore, the Department of Human Services Senior Division is requesting an exception to 56-6, which would allow the senior center to purchase a total not to exceed \$4,500 worth of goods during the year.

Thank you for your consideration of our request.

Sincerely,

A handwritten signature in cursive script that reads "Meg Underwood". The signature is written in black ink and is positioned above the printed name.

Date: May 1, 2017
RE: 56-6 EXCEPTION TO NOTICE REQUIREMENT PROBATE COURT
ADVERTISING –

I am requesting that the City Council award the advertising of Probate Court matters to the Warwick Beacon and the Kent County Daily Times. Probate Court is required to advertise their hearings in a newspaper with “countywide circulation”. Placing the ads in both newspapers will cover the entire county, as well as save the petitioners advertising fees.

The budgeted amount for FY18 is \$25,000.00. It will come from budget code 14-203. These fees are paid by the petitioners and the revenue will appear in budget code 14-929.

The Providence Journal is the only other newspaper in the State that would cover all of Kent County, but their pricing has increased substantially and is no longer a viable choice for advertising. In addition, they will not accept purchase orders.

If you have any questions, I can be reached at ext. 9562.

****Note: This bid is for FY 2018 – 7-1-2017 through 6-30-2018, the funds will be in the FY2018 Budget under Probate Court Commodities 14-203.**

Legal Advertising Proposal
City of Warwick
Judy Wild - City Clerk

Southern Rhode Island Newspapers is pleased to propose the following rates for the continued placement of Probate Legal Advertisements in the Kent County Daily Times and any of its weekly publications.

The proposed rate is \$16.20 per name and includes two insertions into the Kent County Daily Times.

Advertisements will be formatted, priced and sent back to you for signed approval. Deadline for advertisements is 2 days prior to publication by 2:00 pm. Ads publishing on Tuesday will have a deadline of the prior Friday by 3:00 pm. All ads will be published in 10 point type and appear as an in column legal advertisement in our classified section.

Tear sheets of the advertisement will be sent to you with your statement. All invoices are 30 days net.

Legal advertisements currently running in the Kent County Daily Times may be picked up into any of our weekly publications for \$5.00 per name for two insertions. Publications, including the Coventry Courier, East Greenwich Pendulum, North Kingstown Standard Times, Narragansett Times and the Chariho Times.

Southern Rhode Island Newspapers looks forward to continuing to serve the City of Warwick with its Probate advertising. Please do not hesitate to contact me with any questions regarding this proposal

Ms. Judy Wild
3275 Post Road
Main Building 1st Floor
Warwick, RI 02886

Dear Ms. Wild,

Municode has been serving municipalities across the country for over 66 years. We consider this a profound responsibility and are honored that you allow us to be your codifier. Over the years, we have striven to provide you with the highest possible value for the money you pay us, while also reinvesting in our people and technology, and supporting our local government clients' professional organizations. Our customers recognize us as innovators in the marketplace. For instance, we were among the first to:

- provide a truly responsive mobile website, integrated with a search engine (MunicodeNEXT);
- provide access to archived copies of the Code (CodeBank);
- show changes between versions of the on-line Code using strike-through and highlighting (CodeBank Compare);
- store ordinances in their enacted form along with the Code, increasing transparency (OrdBank);
- link amending ordinances to the affected Code section (OrdLink);
- offer email notification when your Code is amended (eNotify);
- allow global searching across 3,600+ Codes (MuniPRO); and
- provide a unified search across your code of ordinances and your official municipal website (MunicodeWEB).

The purpose of this letter is twofold: to thank you for allowing us to serve you, and to communicate our first price increase in 12 years.

First, thank you! We truly appreciate your friendship, your loyalty, and your business. We also appreciate the trust you place in us as your official codifier. Our goal is to make your department look good in the eyes of your citizens and the elected officials and hopefully make your job and your life easier at the same time!

Second, after over 12 years absorbing the increased costs of doing business, we must raise prices. We work hard to hold down the cost of doing business with us by taking advantage of technological efficiencies and an excellent training program.

This decision was made after considerable deliberation. To continue providing you with state of the art services, we have invested heavily in technology; we have hired and trained talented editors, proofreaders, and attorneys; we have established remote disaster recovery and data replication capabilities; we have increased our internet bandwidth and we have placed regional representatives where they can best serve your needs. However, while we have accomplished much, our overall expenses have increased nearly 50% over the last 12 years.

We are committed to providing the highest level of service at a fair value and this price increase will enable us to continue innovating and responding to your needs. As our partner, you deserve the very best and we are committed to conservatively and prudently investing in our shared future.

While we can't, and won't, pass on the entirety of the increased costs we have been absorbing, we are adding an annual administrative support fee of \$475.00 to your invoice, effective July, 2017. We understand the budgetary impact of this fee, thus the rate is guaranteed not to increase for the next 3 years.

Increase 900 + 475.00

What will this fee enable us to accomplish? It will enable us to offset a small portion of the costs that we have absorbed over the years. It will enable us to continue providing top-notch health care for our employees, competitive salaries, retirement plans and ongoing educational opportunities. As you know, fantastic employees are the key to success for any business or governmental organization. We fundamentally believe that a motivated and well-trained work-force is one of the best ways that we can ensure that our service to you and your citizens is second to none.

We plan to offer the numerous products currently on our development roadmap to you at little or no additional charge; and the administrative support fee will not increase for three years. We hope you agree that this will only enhance the value of your partnership with us.

Again, thank you for your continued support and for the trust you have placed in us. It is our honor and privilege to serve you and your citizens.
