- It further promotes... *“Public and private development that meet high standards of design by ensuring that proposed new residential development is compatible with the character and of the surrounding area;”*
  - Chapter 7 of the City of Warwick Comprehensive Plan addresses Housing and Neighborhoods, specifically within its *“Recommendations”* section lists as *Goal 1* the City should work to provide *“a wide range of quality housing choices to meet the diverse needs of households at all income levels and all stages of the life cycle, by supporting the addition of compact housing types such as townhouses, lofts, apartments, cottage developments...in suitable locations;”*
2. That the City’s Engineering Division, Sewer Authority, Water Division, Building Department, Fire Department, Police Department, Tax Collector, and Tax Assessor have reviewed the proposal and have no objection to the proposed zone change.

Additionally, the Planning Board also finds the proposed zoning amendment to be generally consistent with the following purposes of the City’s Zoning Ordinance, as presented in Section 100, “Title and Purpose.”
