

2023-03

On 01/17/2023, I officer Elderkin received a request for a traffic study to be performed at the intersection of Lighthouse Lane and Harborview Drive. The request came from councilman Ladouceur who is requesting a Stop Sign be erected at said intersection and to be facing the traffic coming out of Lighthouse Lane. Councilman Ladouceur is stating that he has received many complaints about the traffic coming from Lighthouse lane causing near collisions with vehicles traveling down Harborview Drive.

I responded out to the intersection in question and viewed the landscaping on the corner of Harborview Drive and Lighthouse Lane. It consists of a large shrub that partially obstructs the view of the vehicles coming off of Lighthouse Lane. Also at this same intersection there are two large metal community mailboxes that also partially obstruct the view of the motoring public. Finally the way that the roadway is curved makes it difficult for the vehicles pulling off of Lighthouse Lane to see approaching vehicles coming down Harborview Drive.

Due to the obstructed view and the natural curvature of the roadway, it is my recommendation that one stop sign be erected on the corner of Lighthouse Lane and Harborview Drive and be facing to control the traffic coming out of Lighthouse Lane.

Warwick Police Department
Incident Report

Incident #: 23-311-OF
Call #: 23-3013

Date/Time Reported: 01/17/2023 0945
