

Buttonwood Beach Association

September 21, 2023

Dear Mr. & Mrs. Karlin,

I have reviewed the Karlin Residence Elevations, dated August 3, 2023 by KP Designs and the survey of 148 Andrew Comstock Road, Warwick (Plat 373, Lot 27) prepared by Ocean State Planners, Inc. The BBA Permissive Use Committee has reviewed both and has no objections to your proposed plan. This letter confirms that the BBA has no objection to your request before the zoning board. Please feel free to share this letter with the zoning board.

Note that this letter does not presume to speak for other abutting landowners.

Sincerely,

A handwritten signature in black ink, appearing to read "Douglas Rademacher". The signature is fluid and cursive, with the first name being the most prominent part.

Douglas Rademacher
President
