TERMS

Terms are 50% down and the remaining 50% due Net 30 days from invoice date, based on approved credit. Invoices are subject to 1.5% interest charge if not paid within the terms. Returns are allowed within 30 days and with a 25% Restocking fee. No returns on custom items.

I accept this proposal and hereby authorize CCS New England at 132 Northeastern Blvd Nashua, NH 03062 to proceed with the purchase of the included equipment for the facilities of City of Warwick constructing at 3275 Post Road Warwick, RI 02886 as described in the totality of this document. In keeping with the Terms of Payment listed above. This proposal is valid only if accepted in writing by City of Warwick within thirty days of the Proposal / Quote Date and the deposit (if required by the terms) is received on or by the Acceptance Date. Price quotes contained herein shall remain valid for a period of no more than 30 days from the Acceptance Date, after which pricing may be subject to increases due to fluctuations in tariffs assessed to CCS on products imported from abroad. All pricing is subject to change after 7 days from the date of this proposal. Customer understands, acknowledges and assumes full responsibility for any such price increase due to fluctuations in tariff charges incurred after 30 days from the Acceptance Date. Payments made by credit card will be subject to a 4% convenience fee. Any custom orders are final sale and are non-cancellable or returnable.

WARRANTY

CCS warrants the system installation/workmanship for a period of 90 days. Equipment is covered by manufacturer warranty. CCS warranty does not cover equipment or system abuse, misuse including but not limited to:

- Operating outside of environmental, electrical, temperature or humidity specifications
- System alterations, not approved, nor performed by CCS or by a service facility other than those authorized by the manufacturer.
- Customer alterations, changes to and or modifications to system equipment. Restoration of system to original state will be billed on a time and materials basis.

After 90 days, any future service requirements will be billed on a time and materials basis unless a CCS Service Contract is in place. All new equipment, provided by CCS, includes the manufacturer's warranty. CCS warrants that all AV equipment will be installed in accordance with the manufacturer's recommended environmental and electrical operating conditions and requirements. CCS systems are under warranty against defects in workmanship for a period of 90 days from the date of system acceptance or substantial completion. Owner furnished equipment and products not purchased from CCS are not covered under warranty.

EXCLUSION

CCS Service Level Agreements and Warranties do not cover equipment or system modifications, abuse, misuse including but not limited to:

- Operating outside of environmental, electrical, temperature or humidity specifications
- System alterations, not approved, nor performed by CCS or by a service facility other than those authorized by the manufacturer.
- Customer alterations, changes to and or modifications to system equipment. Restoration of system to original state will be billed on a time and materials basis.

CONTROL and or DIGITAL SIGNAL PROCESSOR (DSP) CODE

CCS is not responsible for acquiring existing system Control and or DSP source code. If the current code is not available, cannot be recovered from the system or a previous AV Integrator, the source code will need to be rebuilt at the customer's expense. This process will delay the project schedule. CCS may assist the
