Pricing/Catalog

In place of printed price sheets, O'Reilly Auto Parts would like to use our on-line catalog lookup and ordering system, FirstCall Online. Below you will be provided with a brief set of instructions for the FirstCall Online website.

- 1) Please navigate your browser to www.firstcallonline.com
- 2) Log into the customer portal
- 3) From this point you can look up parts by application, interchange, etc.
- 4) For any technical assistance please call: 1-800-934-2451.

The catalog discount will be list price less 41% or better. The cost column will reflect the purchasing entity's price with all discounts.

Warranty

O'Reilly will pass through all available manufacturer's warranties. Because all O'Reilly store locations are corporately owned, warranty claims and replacements can be processed at any O'Reilly Auto Parts location. Warranty details are provided for each part in the online catalog.

Transportation Terms

Delivery and "hot shot" services available at no charge. Transportation terms shall be FOB Destination, shipped by O'Reilly company vehicle. In cases of factory order items, standard shipping rates will apply.

Payment Terms and Invoices

Standard terms for Prompt Payment Discount are 2% 10th, net 20 excluding credit card payments.

Distribution

Distribution will be made by a local O'Reilly Store location, by a company delivery truck.

Core Charges

Core pick-ups will occur as needed, hourly, daily, or weekly. O'Reilly will tailor the pick-up schedule to the needs of each agency. Cores will be credited on the same day they are received. Any core that is damaged or returned in an otherwise non-rebuildable condition will be billed to the customer at the manufacturer's listed core price.

Delivery Time

Normal delivery time for most-stocked items is 1 hour. Non-stocked items are usually delivered the next business day. Emergency items usually follow the same guidelines, but are also handled on a case by case basis. Delivery is available only for locations within 10 miles of an O'Reilly location.

Return Policy

O'Reilly will return any item that was purchased through the contract for full credit that has been purchased in the last thirty days, and is unused, undamaged, in its original packaging and in resalable condition. Otherwise, a restocking fee of 20% may apply at Store Manager's discretion. All returns will be picked up within seven days of notification, by writing, fax, or email.
