**CITY OF WARWICK  
NOTICE TO BIDDERS**

**Bid2019-246 Fire Apparatus Annual Pump Testing & Service**

If you received this document from our homepage or from a source other than the City of Warwick Purchasing Division, please check with our office prior to submitting your bid to ensure that you have a complete package. The Purchasing Division cannot be responsible to provide addenda if we do not have you on record as a plan holder.

Bids received prior to the time of the opening will be securely kept, unopened. No responsibility will be attached to an officer or person for the premature opening of a bid not properly addressed and identified. No bids will be accepted via facsimile or email.

The opening of bids will be in the order established by the posted agenda and the agenda will continue uninterrupted until completion.

Once an item has been reached and any bids on that item has been opened, no other bids on that item will be accepted and any such bid will be deemed late.

The contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap for any position for which the employee or applicant is qualified and that in the event of non-compliance the City may declare the contractor in breach and take any necessary legal recourse including termination or cancellation of the contract.

A bidder filing a bid thereby certifies that no officer, agent, or employee of the City has a pecuniary interest in the bid or has participated in contract negotiations on the part of the City, that the bid is made in good faith without fraud, collusion, or connection of any kind with any other bidder for the same call for bids, and that the bidder is competing solely in his own behalf without connection with, or obligation to, any undisclosed person or firm.

All bids should be submitted with one (1) original and one (1) copy in a sealed envelope, which should read: *YOUR COMPANY NAME* plainly marked on the exterior of the envelope as well as "Bid2019-246 Fire Apparatus Annual Pump Testing & Service."

Should you have any questions, please contact A.C. Marcel Fontenault, Warwick Fire Department, 111 Veterans Memorial Dr., Warwick, RI 02886, at 401-468-4044.

All bids should be written in ink or typed. If there is a correction with whiteout, the bidder must initial the change.

Negligence on the part of the bidder in preparing the bid confers no rights for the withdrawal of the bid after it is open.

Any deviation from the specifications must be noted in writing and attached as part of the bid proposal. The bidder must indicate the item or part with the deviation and indicate how the bid will deviate from specifications.

The IRS Form W-9 available on [www.warwickri.gov](http://www.warwickri.gov) should be completed and submitted with the bid if the bidder falls under IRS requirements to file this form.

The successful bidder must provide the City of Warwick with an original **Certificate of Insurance** for General and Automobile Liability in a minimum amount of \$1 million. The certificate of insurance must name the *City of Warwick as the additional insured* and so stated on the certificate with the bid name and bid number. It is the vendor's responsibility to provide the City of Warwick with an updated certificate of insurance upon expiration of the original certificate.

For a bid to be awarded to a corporation, limited liability company or other legal entity, prior to commencing work under the awarded bid, that corporation, company or legal entity may be required to provide to the Purchasing Agent a **Certificate of Good Standing** from *The Rhode Island Secretary of State* dated no more than thirty (30) days prior to the date upon which the bid approval was made. **Please note that no other State's Certificate of Good Standing will be accepted.**

The successful bidder will provide said **Certificate of Insurance** and **State of Rhode Island's Certificate of Good Standing** (if required) within ten (10) calendar days after notification or the City reserves the right to rescind said award.

Prices to be held firm two (2) years from date of award. Term contracts may be extended for one (1) additional term upon mutual agreement unless otherwise stated.

The contractor must carry sufficient liability insurance and agree to indemnify the city against all claims of any nature, which might arise as a result of his operations or conduct of work.

The City is exempt from the payment of the Rhode Island Sales Tax under the 1956 General Laws of the State of Rhode Island, 44-18-30, Paragraph I, as amended.

The Purchasing Agent reserves the right to reject any and all bids, to waive any minor deviations or informalities in the bids received, and to accept the bid deemed most favorable to the interest of the City.

The successful bidder must comply with all Rhode Island Laws applicable the public works projects, including, but not limited to provisions of Chapter 13 of Title 37 of the

Rhode Island General Laws, pertaining to prevailing wage rates, and all other applicable local, state and federal laws.

The City reserves the right to terminate the contract or any part of the contract in the best interests of the City, upon 30-day notice to the contractor. The City will incur no liability for materials or services not yet ordered if it terminates in the best interests of the City. If the City terminates in the interests of the City after an order for materials or services have been placed, the contractor will be entitled to compensation upon submission of invoices and proper proof of claim, in that proportion which its services and products were satisfactorily rendered or provided, as well as expenses necessarily incurred in the performance of work up to time of termination.

No extra charges for delivery, handling or other services will be honored. All claims for damage in transit will be the responsibility of the successful bidder. Deliveries must be made during normal working hours unless otherwise agreed upon.

All costs directly or indirectly related to the preparation of a response to this solicitation, or any presentation or communication to supplement and/or clarify any response to this solicitation which may be required or requested by the City of Warwick will be the sole responsibility of and will be borne by the respondent.

If the respondent is awarded a contract in accordance with this solicitation and the respondent's bid or response and if the respondent fails or refuses to satisfy fully all of the respondent's obligations thereunder, the City of Warwick will be entitled to recover from the respondent any losses, damages or costs incurred by the City as a result of such failure or refusal.

The City reserves the right to award in part or full and to increase or decrease quantities in the best interest of the City.

Any quantity reference in the bid specifications are estimates only, and do not represent a commitment on the part of the City of Warwick to any level of billing activity. It is understood and agreed that the agreement will cover the actual quantities ordered during the contract period.

The City reserves the right to rescind award for non-compliance to bid specifications.

The successful bidder must adhere to all City, State and Federal Laws, where applicable.

## Request for Bids

### Fire Apparatus Annual Pump Testing and Pump Service

The Warwick Fire Department is seeking bids for Annual Pump Testing and Annual Pump Service for 13 fire apparatus pumps.

The intent of this specification is to ensure that all Fire Pump Systems on apparatus are tested on an annual basis to insure their safety and reliability. All inspection and testing personnel must be certified to the appropriate standards as indicated by the certification levels specified within NFPA 1911 "Standard for the Inspection, Maintenance, testing and Retirement of In-Service Automotive Fire Apparatus", latest edition.

The successful bidder must test Fire Pump Systems according to NFPA 1911 standard for testing Fire Department Pumps on Apparatus: latest edition and must provide Certificate of Inspection and a pump panel decal when the unit has successfully met all of the criteria. The vendor must supply all the necessary materials, equipment and personnel required to perform the tests and must be responsible for transporting all of the equipment to the test location. Any transportation cost incurred must be the sole responsibility of the vendor. All arrangements for such test must be made one (1) week prior to the actual test date.

The Warwick Fire Department reserves the right to reschedule the date of a test, without any additional cost to the City, should an unforeseen breakdown of any apparatus occur.

#### **A report containing the following information must be provided:**

- Test Date
- Fire Department Apparatus Number
- Year Built
- Model
- Service Date
- Odometer Reading
- Engine Hours Reading

- Flow Test
- Statement as to whether or not the pump meets the required specifications of the current NFPA 1911
- Identification of All Problems
- Name of Person Conducting the Test

If any problems are found during the pump test, the Fire Department will be notified immediately.

The prices will remain in effect for two (2) years with the option of an additional year from the date of award.

Any vendor transportation expenses will be the responsibility of the vendor and will release any liability from the City of Warwick.

The City of Warwick Fire Department and the vendor must agree upon the testing location and dates for the Pump Testing. The Warwick Fire Department reserves the right to split this award (reduce the number of vehicles that will need to be inspected) if deemed to be in the best interest of the City of Warwick.

Additional expenses will not be allowed. All fees must be included in the bid.

**FIRE PUMP SERVICE (to include the following if applicable):**

- Change oil in the pump transfer case.
- Fill auto-lube and grease any pump bearings.
- Pump oil filter change, or strainer cleaned.
- Pump packing – inspect and adjust.
- All valves operated and checked for leaks.
- All valve linkage cleaned, inspected and lubricated.
- All gauges inspected for operation accuracy.
- Perform vacuum test (maximum drop 10 in. in 5 minutes)
- Check primer oil level, anti-siphon hole and operation of primer pump.
- Operate and check relief valve or engine governor (clean strainer).
- Inspect and operate transfer valve (grease if applicable).
- Check all plumbing for leaks.
- Check pump shift for proper operation and lubricate.
- Grease pump drive line and inspect condition.
- Inspect all drain lines.

If any defects are found during the pump service, the Fire department will be notified and an estimate will be given. No work will be performed without approval of the Fire Department.
