Re: **Bid2022-389 Buckeye Brook Restoration Project**

Addendum #1

Please be advised that the information provided comprises Addendum # 1.

A *mandatory* pre-bid meeting was held on April 12, 2022. Potential bidders should note the following.

1. Only representatives who were present at the pre-bid meeting are eligible to submit bids

Representatives: Jim Marsh, William Anthony Excavation
Annie Procaccini, SumCo
Jonathan Gawrys, SumCo
Robert Ottone, Universal Construction Co.
Douglas Cochran, Cardi Corp
Jon Key, Key Corp.
Michael Ruggieri, Strategic
Bob Maddock, Strategic

2. General Project Information

The following questions were raised at the pre-bid meeting:

1. Question: Is there a greater likelihood that, if present, contamination would be found within the phragmites root wads at the downstream side of the site as opposed to the upstream side?

Response: Because there is no access to monitoring well data, at this time groundwater conditions and flow paths are still uncertain and we therefore cannot determine where contamination might be present within the site. Laboratory testing for contamination will be required continuously throughout the duration of the excavation portion of the project as per the disposal requirements.

2. Question: Based on the testing requirements, are separate stockpiles required for each day of excavation onsite?.

Response: Not necessarily, untested stockpiled soil cannot exceed 1,500 CY, but tested soils of the same disposal classification can be stockpiled together prior to being trucked offsite.

3. Question: Historically, at what time of year do the phragmites flower in this area?

Response: Usually in early August.

4. Question: Should all restoration work be completed by November 15th (15 days after in-water work)?

Response: All in-water work must reach final completion by October 31st as part of the DEM Wetland Regulations, and the rest of the contract must be substantially completed by 30 November, as per Article 6 of the Bid Form (revised).

5. Question: Can material be disposed of onsite if it is not contaminated?

Response: All excavated material must be trucked and disposed of offsite.

Project related questions must be submitted no later than **Monday, April 18, 2022 @ 4:00 PM.** Questions may be sent by e-mail to Amy Hunt at ahunt@eaest.com. Any questions received after this date and time will not be addressed.

3. Updated Bid Documents

WAGE DECISION

The Prevailing Wage information has been updated and is included as an attachment to Addendum #1. This wage information replaces the previous wage information. All interested bidders must use the following General Wage Decision:

*RI20220001 Modification #4 (issued 04/01/2022)
Construction Types: Building, Heavy (Heavy and Marine) and
Highway*

BID FORM

A revised Bid Form has been included as part of this addendum. This bid form replaces the previous bid form.

- Article 6 - Time of Completion section has been revised.

PRICE AND PAYMENT PROCEDURES

Specification 012000 - Price and Payment Procedures Specification has been revised and included as part of this addendum. This revised specification replaces the previous specification.

- Description for Bid Item No. 8 – Site Restoration has been revised to say the work will be completed at the stated price.
- Description for Bid Item No. 9 – Allowance has been revised to not be paid as lump sum
- Description for Bid Item No. 10 – *Phragmites australis* Transportation and Disposal has been revised to include testing.

Prospective Bidders and all concerned are hereby notified of the changes in the Contract Documents of the BUCKEYE BROOK RESTORATION PROJECT in WARWICK, RI. These changes shall be incorporated in and shall become an integral part of the Contract Documents. The number (No. 1) and date (4/13/2022) of this addendum shall be entered into the space provided on the Acknowledge of Addendum Form.

Should you have any questions, please contact Bill Facente, Office of Housing & Community Development, at 401-921-9688.

Thank you for your interest in this project.

Note: Contracts subject to the Davis-Bacon Act are generally required to pay at least the applicable minimum wage rate required under Executive Order 14026 or Executive Order 13658. Please note that these Executive Orders apply to covered contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but do not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(2)-(60).

<p>If the contract is entered into on or after January 30, 2022, or the contract is renewed or extended (e.g., an option is exercised) on or after January 30, 2022:</p>	<ul style="list-style-type: none"> . Executive Order 14026 generally applies to the contract. . The contractor must pay all covered workers at least \$15.00 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in 2022.
<p>If the contract was awarded on or between January 1, 2015 and January 29, 2022, and the contract is not renewed or extended on or after January 30, 2022:</p>	<ul style="list-style-type: none"> . Executive Order 13658 generally applies to the contract. . The contractor must pay all covered workers at least \$11.25 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on that contract in 2022.

The applicable Executive Order minimum wage rate will be adjusted annually. If this contract is covered by one of the Executive Orders and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must still submit a conformance request.

Additional information on contractor requirements and worker protections under the Executive Orders is available at <https://www.dol.gov/agencies/whd/government-contracts>.

=====

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at <https://www.dol.gov/agencies/whd/government-contracts>.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of ""identifiers"" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the ""SU"" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can

be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour National Office because National Office has responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

END OF GENERAL DECISIO"

SECTION 004113 – BID FORM

CONTRACT IDENTIFICATION:

Buckeye Brook
2000 Post Road #8
Warwick, Rhode Island 02886

ARTICLE 1 – BID RECIPIENT

1.1 This Bid shall be submitted to:

City of Warwick – Purchasing Division

1.2 The undersigned Bidder proposes and agrees, if this Bid is accepted, to enter into an Agreement with the City of Warwick, Rhode Island, in the form included in the Bidding Documents to perform all Work as specified or indicated in the Bidding Documents for the prices and within the times indicated in this Bid and in accordance with the other terms and conditions of the Bidding Documents.

ARTICLE 2 – BIDDER’S ACKNOWLEDGEMENTS

2.1 Bidder accepts all of the terms and conditions of the Instructions to Bidders, including without limitation those dealing with the disposition of Bid security. This Bid will remain subject to acceptance for 90 calendar days after the Bid opening, or for such longer period of time that Bidder may agree to in writing upon request of the City of Warwick, Rhode Island.

2.2 Bidder accepts that the City of Warwick, Rhode Island, shall have the sole right and discretion to accept any Base Bid, if any. Such decision of acceptance by the City of Warwick, Rhode Island, will evaluate the sum of the Base Bids and any accepted extended Unit Bids in determining the successful low bidder.

ARTICLE 3 – BIDDER’S REPRESENTATIONS

3.1 In submitting this Bid, Bidder represents that:

A. Bidder has examined the Site and become familiar with and is satisfied as to the general, local and Site conditions that may affect cost, progress, and performance of the Work.

B. Bidder is familiar with and is satisfied as to all federal, state and local laws and regulations that may affect cost, progress and performance of the Work.

C. Bidder has obtained and carefully studied (or accepts the consequences for not doing so) all additional or supplementary examinations, investigations, explorations, tests,

- studies and data concerning conditions (surface, subsurface and Underground Facilities) at or contiguous to the Site, which may affect cost, progress, or performance of the Work, or which relate to any aspect of the means, methods, techniques, sequences, and procedures of construction to be employed by Bidder, including applying the specific means, methods, techniques, sequences, and procedures of construction expressly required by the Bidding Documents to be employed by Bidder, and safety precautions and programs incident thereto.
- D. Bidder does not consider that any further examinations, investigations, explorations, tests, studies, or data are necessary for the determination of this Bid for performance of the Work at the price(s) bid and within the times and in accordance with the other terms and conditions of the Bidding Documents.
- E. Bidder has correlated the information known to Bidder, information and observations obtained from visits to the Site, reports and drawings identified in the Bidding Documents, and all additional examinations, investigations, explorations, tests, studies, and data with the Bidding Documents.
- F. Bidder has given Engineer written notice of all conflicts, errors, ambiguities, or discrepancies that Bidder has discovered in the Bidding Documents, and the written resolution thereof by Engineer is acceptable to Bidder.
- G. The Bidding Documents are generally sufficient to indicate and convey understanding of all terms and conditions for the performance of the Work for which this Bid is submitted.
- H. Bidder will submit written evidence of its authority to do business in the state where the Project is located not later than the date of its execution of the Agreement.
- I. Bidder ensures compliance with all federal regulations, laws, statues, and authorities contained in Exhibit D. – *Federal Construction Contract Provisions*.
- J. Bidder shall submit, along with this completed Bid Form, all required documents, completed and signed as needed, that are contained in the bidding documents. – *Completed with Bid Submittal – Prevailing Wage*.

ARTICLE 4 – FURTHER REPRESENTATIONS

4.1 Bidder further represents that:

- A. This Bid is genuine and not made in the interest of or on behalf of any undisclosed individual or entity and is not submitted in conformity with any agreement or rules of any group, association, organization or corporation.
- B. Bidder has not directly or indirectly induced or solicited any other Bidder to submit a false or sham Bid.

- C. Bidder has not solicited or induced any individual or entity to refrain from bidding.
- D. Bidder has not sought by collusion to obtain for itself any advantage over any other Bidder or over EA Engineering, Science, and Technology, Inc., PBC.

ARTICLE 5 – BASIS OF BID

5.1 Bidder will complete the Work in accordance with the Contract Documents for the following lump sum prices:

- A. The following lump sum bid prices form the project's base contract price.

ARTICLE 6 – TIME OF COMPLETION

- 6.1 Bidder agrees that the Work will be substantially complete by 30 November 2022, and no in-water work shall occur after this 31 October 2022.

Substantial completion for in-water work shall be no later than October 22, 2022 and final completion for in-water work no later than October 31, 2022 (not including the vegetation establishment period). Timing is governed by outside funding sources that are not flexible. Failure to achieve these deadlines may result in the loss of funds and additional costs incurred by the Contractor so time is of the essence. By submitting a bid for this project, you agree to the project schedule time requirements and acknowledge failure to meet the deadlines may result in out of pocket expenses fully incurred by the Contractor.

Substantial completion shall include, but not be limited to, herbicide application, excavation of *Phragmites australis*, its root wad, and adhered sediment, the legal transportation and disposal of waste from the Site, removal of soil erosion and sediment control devices from the Site, removal of all temporary cofferdam(s), and site restoration as indicated on the Contract Drawings.
