Re: **Bid 2017-141 Suburban Pkwy Stormwater Management Project**

Addendum #1

Please be advised that the information provided below comprises Addendum # 1.

Based on comments received after the mandatory pre-bid, the City is issuing the following addendum items:

1. Items #11 and #12 pertaining to the installation of 6" RCP and 6" flared ends have been removed from this contract. Please remove "Proposal Form Page 3 of 11" and replace it with the attached "Addendum No. 1 - Proposal Form Page 3 of 11 REV."
2. Item #27 - Bioretention Soil. The City shall supply all required bioretention soil, as specified, for the project. The Contractor will not be responsible for procuring the material. However, the Contractor shall be responsible for hauling the bioretention soil from the City's facility and placing it according to the plan. The Contractor shall bid on this item based on the requirements of hauling and placing the bioretention soil according to the plan, or as directed by the City.

The bid opening remains on Thursday, October 27, 2016 at 11:00 AM in the Lower Level Conference Room, Warwick City Hall, 3275 Post Road, Warwick, RI.

Thank you for your interest in this project.
